

# Bouquets of Blessings Bring Joy to Seniors

By Kay Poeth

The stunning flower arrangements she delivered brought joy to the residents and brightened their day. Approximately 125 flower arrangement were delivered to three area nursing homes.

Residents at Brookdale Grayson View were thrilled with the color, fragrance, and love from the "Bouquets of Blessings" flower donations. "Each resident who received a bouquet felt seen, celebrated, and uplifted, and the smiles around our community said it all," said Katy Snyder, Resident Engagement Coordinator at Brookdale Grayson View.

Elizabeth Canfield wanted to bring joy to residents in nursing homes this summer. The stunning flower arrangements she delivered brought joy to the residents and brightened their day. Inspired by post on social media from another country where florists would donate leftover flowers to senior citizens, Elizabeth was touched by the message. It sparked an idea in her mind. She approached several local growers to see if they would donate flowers to be delivered to nursing homes. "The flowers at roadside stands are my favorite because they are out in nature and are so bright and beautiful," she explained. "I love the idea of bringing nature from the outside to the inside. I wanted to share that joy!"

Several floral businesses agreed to supply flowers to make this dream a reality. Hilly Springs Flower Farm in Beaver Springs, The Backyard Garden Patch in Beaver Springs, and Snooks Blooms in Mifflinburg all donated flowers. Several individuals also donated flowers from their gardens including Julie Nolt, Mary Beth Alderfer, and Lois Rigler. Vases were donated by individuals from Snyder and Northumberland Counties and Labor of Love

Thrift Store in Middleburg provided a discount on vases for the project.

"I love projects that bring the community together and I have a heart for seniors. I wanted to share that joy with them," said Elizabeth.

"My grandmother was cared for at home for as long as we were able to provide the level of care she needed. But when she went into a nursing facility, I saw a lot of lonely people. I try to look for opportunities to bring cheer to the residents and brighten their day," said Elizabeth.

The "Bouquets of Blessings" project had a ripple effect across the community. From people offering vases and flowers to Elizabeth Ann Riehl from The Backyard Garden offering to help Canfield create arrangements, and nursing homes embracing the blessings and cheer. The project was definitely successful and filled the souls of all who contributed. That caring overflowed to the nursing home residents who benefited from the loving outreach.

Approximately 125 arrangements were delivered to residents at Celebration Villa in Lewisburg, Buffalo Valley Lutheran Village in Lewisburg, and Brookdale Grayson View in Selinsgrove.

"On behalf of all of us here at Brookdale Grayson View, I want to extend a sincere and heartfelt thank you for the incredible kindness and care you shared with our residents this week," said Katy Snyder, Resident Engagement Coordinator at Brookdale Grayson View. "The beautiful bouquets you organized and brought in truly lit up the day - not just with color and fragrance, but with love and thoughtfulness. Each resident who received a bouquet felt seen, celebrated, and uplifted, and the smiles around our community said it all. Thank you again for being part of our extended family and for making such a meaningful impact."

At Celebration Villa, Elizabeth and a family member who was helping, were permitted to personally deliver the arrangements and speak briefly with each resident. "Hearing the joy and exclamations from the residents was such a blessing to me," said Elizabeth with smile. "I told one woman, 'Have a great day!' She immediately responded, 'I'm having a great day now!'"

"It was a bigger project than I thought," Elizabeth chuckled. "It was a bit overwhelming. But I am planning on doing it again next year. I will have a better idea of the logistics." Then she added, "People enjoy adding a personal touch and have a desire to participate in a project that touches others in our local communities. People are very generous around here."

"I cannot thank everyone enough for making this project possible! I met so many wonderful new people who donated flowers and vases, and a new friend who even opened her home to allow me to arrange in her spacious kitchen (how fun is it that her name is Elizabeth Ann as well!)"

To become a part of "Bouquets of Blessings" project next year by offering flowers, donating vases, or volunteering your time and talents creating flower arrangements, contact Elizabeth Canfield at bouquetsofblessingsproject@gmail.com or check out our Facebook page "Bouquets of Blessings" to get involved.

## Greater Susquehanna Valley YMCA Supports Mifflinburg Families This Summer

Pictured above is Paisley Rheam and Colt Portzline.

Mifflinburg, PA — The Greater Susquehanna Valley YMCA stepped in this summer to help meet vital com-munity needs in Mifflinburg, ensuring local children had access to healthy meals and safe recreation opportunities. Each week throughout the summer, more than 143 chil-dren received nutritious food for breakfast and lunch—seven days a week— through the Summer Food Service Program (SFSP) operated by the Milton YMCA. This program helps fill the gap for families during the months when school meals are unavailable, ensuring that chil-dren remain nourished and ready to thrive.

In addition to food security, the YMCA partnered with the Mifflinburg Borough to help operate the Mifflinburg Pool, providing children and families with a safe and welcoming place to enjoy the summer. The Mifflinburg Kiwanis Clubprovided free swimming lessons to children in the beginner’s level. Thanks to their generous support, the YMCA was able to offer 107 swim lessons to 88 local children, giving them life-saving water safety skills and building their confidence in and around the water.

“Feeding kids and teaching them how to be safe in the water are two of the most important ways we can serve our community,” said Angela Haines, GSV YMCA Director of Operations. “We’re grateful for the partnerships and generos-ity that made this possible in Mifflinburg.”

By working together, the Greater Susquehanna Val-ley YMCA, Mifflinburg Borough, Milton YMCA, and Mifflinburg Kiwanis Club helped strengthen the community, making sure every child had the oppor-tunity for a healthier, safer summer.

### Three Big 410 Sprint Race Three Different Winners, Saturday Super Late Models at Selinsgrove

Friday night things started off at Williams Grove with the annual Billy Kimmel Memorial race for the driver who was killed in a sprint car accident at Williams grove during the 2007 season, at the time Billy was only 27-year-old and had a bright future in sprint car racing. They honored him on Friday night with a special race paying \$6,000 to win which was won by Brock Zearfoss who led most of the feature from his front row starting spot. Brock scored his first Grove win of the season in the Rich Eichelberger owned #8 Justin Whittall gave chase most of the race but could not get close enough to mount a challenge to Zearfoss. Chase Dietz came home in third spot with Lance Dewease and Chad Trout in the top five. Lance Dewease set fast time on the night with 27 drivers on hand for the night's event. In the 358-sprint car feature Michael Norris broke away from a four-car battle for the led to win the feature it was his third of the season Seth Schnoke, Cody Fletcher, Kyle Spence and Matt Findley were in the top five. Four more races are left on the Grove 2025 schedule with Troy Wagaman leading Freddie Rahmer by 265 points. Lincoln speedway on Saturday night held the Weldon Sterner Memorial for 410-sprint, Sterner a long-time owner of the speedway was honored with the sprint feature paying \$10,000 to win. The event drew a field of 32 drivers with Troy Wagaman Jr scoring his third win of the season, over Freddie Rahmer, Danny Dietrich, Chase Dietz and Cameron Smith. Michael Norris did it again by winning the 358-sprint car feature over Cody Fletcher, Jayden Wolf, Aiden Hare and Chase Gutshall. Wagaman and Rahmer are also battling for the points title at Lincoln with Wagaman; leading Freddie Rahmer by only 35 points, Lincoln has three races on it schedule for this season, with the final event set for October 18th. Sunday night at Selinsgrove the Jim Nace Memorial was held with 26 drivers on hand for \$15,026 to win the feature. Early it looked like Brock Zearfoss was going to make two wins on the weekend this time driving his own #3Z, but after a early race caution Anthony Macri showed his muscle and took the lead and went on to score the feature win over Danny Dietrich Zearfoss Justin Whittall and Chase Dietz. Macri and his crew had to change engines after warm-ups and just made it out in time for his time trial spot, which he drew the highest number pill so that helped him out in that department. For Macri it was his first visit to the speedway this year and it paid off for him. 26 drivers signed in for the night's action. With one more show for the 410-sprint on October 10th Danny Dietrich leads Blane Heimbach by 230 points.

This is what happens with the top two super late model features finishing on Saturday night. Mason Zeigler picked up the \$10,000 top prize feature win Saturday night at Selinsgrove Speedway pulling away late in the race after running second to Hayes Mattern most of the event. "Hayes was doing a great job out in front and at one time. I caught myself trying to run with him and then I realized even if I got to him, I would be able to pass him. Then I figured I should just slow down, keeping my car straight and take my edge off the tires. So, if he did slow down, I knew we would be better than he was. The cautions were killing me! I wanted the long green runs where the track would slow down, and I could see a transition, and I could never get because of the cautions. Then we finally had some long green flag runs there and my car was working the way I wanted it to at that point. I could see when he got sideways. He got his tire pretty hot, and I knew once I got to him, we were going to be hard to beat", Noted Mason. "A lapped car seemed to be the problem for Hayes. He just could not make the pass." Zeigler had thoughts on that." Our car was so good and so maneuverable and even in lapped traffic I could go wherever I wanted to go. I could go around the top, middle or bottom. I think he was set to run the top and could not move around like I could. It was great to get the big paycheck because we have some motor rebuilds coming and this will help. We have some big races coming up and this will help in that

area. Anything we can put away here at the end of the season is a blessing moving forward, it is great to be running good and I hope we can keep it up. We have all the Fall Clash races along with the ULMS race, the big one at Bedford, so we got quite a few races left this year" added Zeigler.

Jeff Rine's night did not start out that well, losing a drive shaft during time trials, but the team fought back and got the car ready for heat race action. "We started tenth in the feature and drove to a nice second place finish but hats off to my crew for getting the car going after our early problem. We broke the J-bar and the driveshaft. I said to them let's just load up and forget about this night, but they did not give up and went working right of way on the car. They got it ready for a heat race after missing time trials. They are two and a half hours from home and they easily could have left early so all the credit goes to them for working so hard to get the car fixed. The car felt really good. I needed that yellow with three to go because my tires were getting real hot. I think we went a little differently than some of the other drivers did on tires. Mine were getting hot and I was skating on the track a bit, so the caution helped. That was a lot of fun out there racing tonight", said Rine. Most times when you lose a drive shaft that ends most people's night. "Things just fell into place. Nothing got bent and nothing broke. It was just the perfect scenario for breaking the drive shaft. Everything just worked out for us tonight and I cannot thank the crew enough for the job they did", stated Rine. Did he think in a few more laps he could have caught the leader and made the pass for the win? "I think our tires were pretty used up and we were working on this thing so long. We did not get a chance to see what anybody else was running with the tires tonight, but it all worked out", noted Jeff.

### Zeigler, Kepner, Stroup Winners At Selinsgrove Speedway

The Selinsgrove National Opens have been a staple on the racing calendar for many years. Last year's events did not host any of the three National Opens that are held at the Selinsgrove Speedway. This year the team at Selinsgrove are bringing them back in a big way with National Open Weekend. It kicked off Saturday night with the 26th running of the Selinsgrove Ford Super Late Model National Open. Chalk Hill, PA Mason Zeigler would take home his first Selinsgrove Ford Super Late Model National Open. Kreamer's, PA's Kruz Kepner would become the first repeat winner for the Keller Auto Body PA Sprint Series 305 Sprint Cars. Richfield, PA's AJ Stroup would get his first win at Selinsgrove since 2016 in the Superior Homes Street Stocks.

23 Selinsgrove Ford Super Late Models signed in for the \$10,000 pay day. The night started off faster than anyone expected. First with Beavertown's Hayes Mattern breaking the old track record for Super Late Models 18.381 set by Tyler Emory back in June of 2023. Mattern would go 18.283. But then Zeigler would come out and shatter that time setting Fast Tee's Fast Time at an 18.246 at 104.492 MPH avg. Zeigler went unto to finishing the night off with the win. "No, I wanted them both." Zeigler would say when asked if this made up for the Paul Long Memorial in High Caliber Cranes Victory Lane. "Hayes is a fast dude, you can't underestimate the kid. This motor has almost 1200 laps on it and its due for a rebuild and it's still working great."

Rine finished an impressive 2nd after an issue in his heat race. "I was ready to load it in the trailer after we lost the drive shaft in qualifying." Rine said "Everyone worked their butt off to get this car where it needed to be. I probably would have been third if the last caution didn't come out. My tires were getting hot."

Mattern ended up with a 3rd place podium finish. "I think I was driving a little too hard." Mattern Said "It's hard to judge your own pace around this place when you're in front. I think I was charging the corners too hard. But when Zeigler got around me I seemed to settle down then. Rine and Zeigler were just a little bit better tonight."

In the 305 PASS feature event Mike Alleman shot to the front of the PA Sprint Series Sprint Car race over Chris Kreider, Dustin Young, John Braim and Paul Moyer. On lap seven, Braim found some space on the high side of the speedway and took over the lead but did not run away from Alleman until he started to struggle with lapped traffic. Things unraveled quickly on lap 11, when Braim saw Drew Young flipping, applied his brakes, slammed into the wall and flipped.

"I'm not sure what happened," Braim said. "I saw Drew going over, hit the brakes and I don't know if I got sucked up into the fence or what." Cody Hoover was also involved.

The incident handed the lead back to Alleman. Kruz Kepner used the restart to get by Ken Duke Jr. for the runner-up position, trailing Alleman until lap 15 when he tested first high then pulled low to take the lead. Kepner took the checkered flag by 2.1 seconds over Alleman. Duke, Dustin Young and Dylan Smith.

17 Superior Home Street Stocks signed in for the final feature of the evening. Richfield's AJ Stroup stayed out front and took the checker. "I ran as hard as I could up top" Stroup said in High Caliber Cranes Victory Lane. "Geesman left me a hole that was about three inches too small. I just rubbed him and the wall all the way down the back stretch. I thought I messed up on the last lap but he was fun to race with and thanks to Jason for running me clean."

By Bert Wojcik

**Top three finishers of the Jim Nace National Open 410 race went to 3rd Brock Zearfoss, winner Anthony Macri and 2nd Danny Dietrich. Photo by Bill Leonard (On the Fly Photos)**

It's been 15 years since we lost the only 5-time High Caliber Cranes 410 Sprint Car Champion Jim Nace. On Sunday Night. The Selinsgrove Speedway Honored him the best way they could by making the 41st running for the Jim Nace Selinsgrove National Open not just a race. But an event. With a pig roast, local band Rasing Kane playing a pre-race concert and nearly \$50,000 in total money on the line. It was well worth the year layoff

from the National Open. When it came down to it, just like Jim would time and time again. The best car won as Dillsburg's Anthony Macri picked up his 4th Jim Nace Selinsgrove National Open presented by BSC Mechanical on Sunday night tying the late Greg Hodnett for 2nd most all time National Open Wins. Meanwhile, same song and different verse as Port Royal's Lane Snook took home his 5th Creekside Auto Sales Limited Late Models presented by Mikes Towing and Recovery win at Selinsgrove.

go after the \$15,626 winner's share. Jonestown's Brock Zearfoss would draw the pole and get a \$226 bonus pole award from Colin, Mary and Paula in honor of their father and grandfather and Fayetteville's Lance Dewease would make his return to the Selinsgrove Speedway on the outside pole. Zearfoss would take the lead away from Dewease and would lead the early stages of the 40-lap feature event.

Behind Zearfoss racing was shifting around with Macri, Dietrich starting to battle their way to catch Zearfoss. Macri would try to get around Dewease he pulled the slider on Dewease and would get around him for second and have to chase down a 4 second lead that Zearfoss accumulated. Gettysburg's Danny Dietrich would close in on Dewease for the third spot and in a rare instance. Lance Dewease spun up in turn four when he got a little too high and the car came out from underneath him to bring out the first caution of the race with 14 laps completed.

On the restart Macri looked low on Zearfoss into one and two. Zearfoss would shut the door off of two. But in three and four Macri drove around him to take the lead with 16 laps completed.

With 12 laps remaining Dietrich would try the same move he pulled on Zearfoss to get side by side with Macri knowing it would be one of his only chances with hitting lap traffic late in the race would be a tough feat. Macri was ready for it and stuck to his line in turn 1 and 2 to hold off the charge from Dietrich and use the clean air to his advantage to extend the lead. Dietrich would extend his points lead with the second-place run.

"To be able to tie Greg Hodnett with four National Opens is pretty special." Macri said in High Caliber Cranes Victory Lane. "I knew my shot was on the restart with Brock to get around him. I took advantage of him giving me the line in three and four. After the way the night started, I didn't think it was going to go this way."

"He got an extra car on me than what I wanted on the restart." Dietrich said. "When you get within 12 to 15

cars of someone on a big track and the tires are worn out. If we would have stayed green the last 20 there it would have given me a chance to keep up with Macri but it's another thing to pass him. "

"I just couldn't get going on the restart." Zearfoss said "Obviously you don't want to start on the pole and go backwards. But we made the most out of tonight. The track reminded me of 2013, 2014 pounding the wall down and things are paying off for the crew here at Selinsgrove."

14 Creekside Auto Sales Limited Late Models presented by Mikes Towing and Recovery signed in. Middleburg's Andrew Yoder and York Haven's Zach Kauffman would bring the field to the green.

Top runners Yoder, Miller and Snook diced it up throughout the race with Snook coming out on top for the checker flag over Miller and Andrew Yoder of Middleburg.

It was a pretty decent week for local high school sports. Midd-West boys soccer (7-1) had wins against Danville 5-1, Greenwood 2-0 and Milton 4-0. Conner Stoltzfus and Gabe Romig each had two goals against Danville. Stoltzfus and Wyatt Nelson had the goals vs Greenwood.

Selinsgrove (5-0-1) beat Milton 3-0 thanks to Nick Bisaccia's hat-trick. Bobby Kruskie had two goals to save a tie with Central Mountain 3-3. Grove also shutout Shenandoah Valley 5-0 with Bisaccia and Kruskie getting two goals each.

Lewisburg stayed undefeated (6-0) with three shutouts via a strong back end and Gabe Pawling in goal. The Dragons beat State College 1-0, Jersey Shore 5-0 and Shik 6-0. Isaac Ayres hat-tricked Shik and had the lone goal over State College. Viktor Permyashkin tallied two goals and an assist against Shore. Mifflinburg (2-5) lost 9-0 to Central Columbia and 5-2 to Montoursville.

Grove field hockey (8-2) had a busy and productive week. Abby Raymond had three points in a 2-0 win over Shik. One loss Greenwood beat the Seals 3-2 in a matchup of perennial powers. You have to hand it to Selinsgrove for the tough schedule they put together.

They beat Central Columbia 4-1 and Line Mountain 2-0 to win their inaugural Saramae Memorial Turf Fest tournament. Saramae Radel was a standout field hockey player for Selinsgrove '19 and a three year captain for Mansfield '23. She tragically passed last December. Off the field, Saramae was an even better person than an athlete. There was never a time when she failed to put a smile on people's faces.

Mifflinburg (2-2) is shaking off the early season rust with shut-out wins against Milton 4-0 and Midd-West 1-0. Kira Shoemaker had a hat-trick vs Milton and Maize Sauder scored the lone goal vs

the Mustangs. This was a rematch of last year's district final game. Midd-West (2-3-1) shutout Danville 4-0 with Audrey Resseguie having two goals and an assist.

Lewisburg moved to 4-1 with their 10-0 shutout of Danville. Lilly Alabakoff had a haul in scoring 4 goals and Tia Berge got her hat-trick.

Grove golf is off to a 5-2 start led by Mac DeFazio. Lewisburg golf is still trying to get into the swing of things starting off 1-4-1. Miff had their swing and remained undefeated at 7-0. It seems like someone different each match has the low score for a deep Cats golf squad.

Girls soccer at Selinsgrove (6-1) is a nice compliment to the boys team with Elizabeth Varner pitching shutouts vs Jersey Shore 7-0 and Danville 4-0. Addison Wenzel, Madi Merrell and Caroline Beachey each had two goals against Shore. Wenzel and Merrell duplicated their scoring against Danville.

Midd-West lost to Grove 2-1 despite Gracie Trawitz tying the game after the Seals Lissa Kruskie scored the games first goal. Wenzel had the game winner with just over six minutes left in the game. The Mustangs beat Juniata 2-1 as Ava Atkins assisted on the first goal to Addie Yerg before kicking in the game winner. Miff had a tough week losing 5-0 to Shik and 1-0 to Warrior Run (6-1-1) Cat's goalkeeper Mia Reibsome had an astounding 33 saves against the Defenders.

Baylee Espinosa is back running and you know what that means. The Dragons finished runner-up to host State College at the prestigious Spiked Shoe Invitational. Espinosa won by more than 29 seconds to lead the pack. Three other runners finished in the Top 20 for Lewisburg including Annika Shields(16) Maya Sak(17) and Theo Wilkinson(20). The boys team finished tenth with Justin Nolt placing 13th.

Mifflinburg football (4-0) mercy-ruled previously undefeated and state ranked Montoursville 35-7. Landon Moser had four TD's in the first half and two picks. Mifflinburg is so well balanced on offense and can run and pass with equal ease.

It all starts up front with the line. Coach Botts said "they worked their butts off in the offseason and we've had really good leadership across the board." The Cats are on the road again this Friday at Holidaysburg as the "This is not a revenge tour" continues.

Selinsgrove beat Central Mountain 27-3 for their first win as Brett Rice rushed for 128 yards and two TD's. Jake Beddall caught a 24 yard pass for six and Owen Hoffman ended the game returning an interception 60 yards to end the scoring. The Seals still have to shore up the run defense as they host Williamsport Friday.

Lewisburg combined both a balanced offense and ferocious D in shutting out Hughesville 36-0. Xavier Carter threw three TD's and scored on a QB sneak. Six different receivers caught passes led by Jaylen Walker's 4 for 84 yards that included two scores of 38 and 37 yards.

The defense gave up less than ninety total yards and led off the Dragons scoring with a safety just seven seconds into the game. They will need another concerted effort this week as they play Warrior Run in Milton on Friday.

An improving Loyalsock put up a 40 spot in the first half and held off Midd-West 40-20. Noah Kratzer continues to run the ball well as he averaged 15 yards a carry with one score. Landon Hartman averaged 6.5 yards per carry with a TD. Midd-West hosts Hughesville Friday which should be a very competitive game with the Stangs running for the victory.

I mentioned last week how Beau Pribula is tearing it up in the SEC. Two other Penn Staters that left Happy Valley early are making headlines as well... good and bad. Harrison Wallace transferred to Ole Miss and leads the Rebels in receiving yards and touchdowns. Brent Pry who was DC for James Franklin left to be head coach at Virginia Tech. He was relieved of his duties after starting 0-3 this year and an overall record of 16-24 through a little more than three years.

Like Pry, UCLA fired their coach this week after only three games. I'm not sure these two schools understand that terminating their coaches so early into the season could cost them dearly. Players on those rosters or any other for that matter can transfer to another school and retain a year of playing by taking a red-shirt. Players can participate in up to four games without losing their eligibility for the athlete.

Speaking of tough weeks, save for Vanderbilt, the state of South Carolina is crying in their sweet tea. Clemson is 1-2 after starting the season ranked #4. Losses to LSU and Georgia Tech have taken them out of the Top 25.

The Gamecocks at South Carolina got hammered by Vandy 31-7 which sent them from #11 to others receiving votes. The last time Vanderbilt ended the season ranked was James Franklin's last two years there before coming to Penn State.

Most of the college teams have only played three games and the previous paragraph explains why we should not have pre-season rankings. Notre Dame, Arizona State, Florida and the aforementioned Clemson and USC were all ranked in the top 15 of the pre-season poll. Only Notre Dame is still hanging at #24 even though they are the first team in thirty-seven years to go 0-2 and still be ranked.

I still believe both Clemson and Notre Dame will qualify for this year's College Football Championship. I don't care about Clemson but I picked Notre Dame to win it all.

I will not be hypocritical and give you my rankings this early. I will say that Notre Dame should be about five spots higher and Penn State five spots lower. Mifflinburg has played a tougher early season schedule than the Nittany Lions! Penn State has yet to pass the eye-test to be ranked #2 AND with five first place votes? You have to vote based on games played and not on expectations.

Which NFL fans should be concerned after just two games? The Bengals losing Joe Burrow to turf-toe is grim. He's one of my favorite players and even with a shoddy defense he gave Cincy a puncher's chance at another Super Bowl by throwing to the best receivers in the league.

All Viking fans were excited with what they had in JJ McCarthy in his first game of the year. JJ was humbled in his second game against the Falcons and will miss the next couple of games with a sprained ankle. Lets remember he beat the Bears and has played one good quarter out of eight.

The Steelers have always been known for their defense since the Steel Curtain teams. Coach Mike Tomlin has always been a defensive minded coach so it's hard to believe they have given up 63 total points to the Seahawks and Jets. His defense has allowed over 300 yards for ten straight games. That is the longest current streak in the NFL. Even Aaron Rodgers from his MVP years cannot save these Steelers.

I know there's been much controversy over some of the NFL teams not having a moment of silence for Charlie Kirk before the game they hosted last week. It was ownership's prerogative to do so or not and not a mandate from the league. I have no problem what any owner decided to do as you are going to alienate some faction of your fan base either way.

We as fans attend and watch sporting events for escapism from the realities of life. Sports has always been a sanctuary no matter your politics, race or religion. Let's keep it that way. For clarity on all that happened and why the reactions from ten or so days ago I highly recommend you google Oregon coach Dan Lanning and listen to his response.

Raise your hand if you thought the Phillies would clinch the NL East title with eleven games left to play. Are they this good or the Mets that bad? Next week I promise a deeper dive into the baseball playoffs. Enjoy the best time of the year and any questions or complaints can be sent to theviewfromhear74@gmail.com or on X @theviewfromhear74@gmail.com

# Dale-Engle-Walker House Tours Sunday, September 21

The Dale-Engle-Walker historic site, 1471 Strawbridge Road, Lewisburg, PA 17837 will be open for tours on Sunday, September 21 at 12 noon and 1:30pm with guide Bruce Teeple. The house was built c. 1793 by immigrant Samuel Dale (1741-1804). The Dale family continued owning the farm, while renting it out to tenant farmers, until 1929. Jacob and Maude Engles and their family operated a dairy and vegetable farm in the 1930s and '40s. Charles and Rosemary Walker updated the house and farm and bequeathed the property to the Union County Historical Society. This historic site includes the c. 1789 Kantz log cabin, a frontier trading cabin, donated to the society and reassembled at the Dale-Engle-Walker site. Also on site is the Engle's milk house and the wagon shed with early farm implements. Tours are free; donations are accepted toward the preservation of this important historic site.

# Camp Koala Grief Support Group at Miller Center

By Kay Poeth

Camp Koala Fall Grief Support Group at the Miller Center will be held on Wednesdays from 5:30-7:00 pm from October 15-November 19. All children ages 6-13 who have experienced a death are invited to attend. Dinner will be included. There is no cost to attend. However, registration is required and a commitment to attend all six weeks.

Death can cause stark pain, overwhelming grief, and crushing sadness for any age. Children grieve differently than adults. For many it is difficult to comfort their children when they experience a death of caregiver, parent, teacher or friend.

Camp Koala is a fun place for grieving children and teens to meet other youth who have also experienced a loss. They can share their feelings in a safe and supportive environment.

Camp Koala Support Groups are built around unique, creative, and empathetic curricula to engage participants and create community among youth who have lost loved ones.

For an easy online application and more information, please visit: [www.campkoala.org/support-groups](https://www.campkoala.org/support-groups), Email: [director@campkoala.org](mailto:director@campkoala.org), or call 570-966-6567.

Open to anyone including first responders, law enforcement officials, school resource officers, hospital employees, and business owners and civilians to learn proven strategies to increase survivability during violent events and become a Certified ALICE Instructor.

Prior to attending the training on October 14-15, participants must complete a one-hour pre-requisite course, the ALICE Introduction for Instructors e-Learning course, included with registration.

The cost for the training is \$79. For registration and details, visit: <https://event.me/K1n8n2?RefId=social#ALICETraining#BVRPD#CommunitySafety#ActiveShooterPreparedness>

In The Late 19th Century, Mifflinburgers joined social clubs that arranged summer “outings” in the surrounding mountains, especially along the banks of Penns Creek in the West End. One of those groups was the Mifflinburg Social Club, shown here circa 1890. The gentleman wearing a necktie, fourth from the right, is Robert S. Gueilius, one of the partners of the Mifflinburg Buggy Company. The gentleman on the far right, reclining next to the tuba, may be John W. Gutelius, who was a tuba player in the Citizens Band of Mifflinburg and a cousin to Robert.
