New Teen Driver's Law

As of Tuesday, December 27, 2011, a new law (Act 81) has taken effect that will impact learner's permit holders under the age of 18. The changes to the law were initiated to help junior drivers receive more comprehensive training, ease young driver's distractions through limiting the number of passengers they may carry and improve general highway safety, through improvements to passenger restraint laws.

Changes to junior driver training include increased supervised, behind-the-wheel skill building of learner's permit holders under the age of 18 from 50 to 65 hours. Ten of the added hours consist of nighttime driving, while the other five additional hours must be driven in poor weather conditions. Learner's permit holders who have taken their on the road driving skills test before the law's effective date of December 27, 2011, only need to complete the present requirement of 50 hours of supervised training. However, learner's permit holders who have not passed the on the road driving skills test before December 27, 2011, will have to meet the new requirements of 65 total hours of supervised skill building training, including the ten night-time hours and five poor weather hours of driving, before they are authorized to take the driving skills portion of their driver's test to receive their junior license.

Passenger restrictions are increased on the number and age of passengers which a junior driver license holder may transport. Current laws limit drivers under the age of 18 to transporting no more than

the number of seatbelts in the vehicle. As of December 27, 2011, the first six months after receiving their junior license a driver is not permitted to have more than one passenger under the age of 18, who is not an immediate family member in their vehicle unless they are accompanied by a parent or legal guardian. Immediate family members are defined as brother, sister, step-brother, step-sister of the junior driver or adopted or foster children living in the same household as the junior driver. If they have not been convicted of a driving violation or been partially or fully responsible for a reportable crash, after six months, they may have up to three passengers under the age of 18, who are not immediate family members without a parent or guardian present. If they have any convictions or are partially or fully responsible for a reportable crash, while a junior driver, they are once again restricted to one passenger.

Drivers and occupants in a vehicle, who are under the age of 18, must wear a properly adjusted and fastened seatbelt and children under the age of eight must be securely fastened in a child restraint system. Failure to comply with the new law's seatbelt provision is a primary offense, meaning that a driver can be pulled over and cited solely for that violation.

The certification form and other important information can be found at the website: www.dmv.state.pa.us.

Wanted - "Staying Young" Space for Seniors
You're never to old to stop growing, and that's exactly what we are doing! The Union-Snyder Agency on Aging, Inc is happy to announce that our Lewisburg Senior Center walls are bursting at the seams and we need more room for the wonderful people who gather at the Center each day. We are actively seeking a new space for the Center to call home within the Lewisburg Area. In order to keep pace with various activities and programs of the center we need:
• A large gathering space for 50 to 100 people(or more)
• A kitchen(commercial licensed, but "fancy" not needed)
• Restrooms
• Sufficient Parking
• Locked Storage Space
• Negotiable Rent

Learn to Hip-Hop Dance Workshop

Learn basic Hip-Hop moves and create your own routine at a dance workshop offered by the Public Library for Union County on Monday, January 9 from 5 to 7 PM. The workshop will be led by Christianne Gula, a student at Enterline's Dance Studio in Milton, who took second place with a Hip-Hop routine in an "I Love Dance" competition. The origins of Hip-Hop are hard to pinpoint but it is considered a street dance. Recommended attire can be a t-shirt and lose pants, sweatpants, stretchy jeans, or yoga pants. Smooth soled sneakers are the best shoes to wear. Dancers ages 8 and older can enjoy this upbeat cardio, energetic time by calling the Public Library for Union County at 523-1172 to register.

Book Signing at Lewisburg Library

Come meet local young adult author Jade Heasley and enjoy a reading from her latest book, "How to Rule the World", at the Public Library for Union County on Thursday, January 12 from 7 to 8 PM. Her previously published titles include "The Incurable Dreamers", "Bratty Becky and the Firecracker Kid", and "1980's Kid". Books will be available to purchase and be signed by the author. For more information, call the library at 523-1172.
