Guilty Plea Entered in Murder Case

Justin G. Richard, 28, of Mifflinburg, faces up to 32 years in prison after pleading guilty to third-degree murder for being an accomplice in last year's shooting death of Randy A. Sampsell and to a related robbery charge on Thursday, June 27, 2013.

Richard recanted incriminating testimony he gave at the October preliminary hearing which led to 13 criminal charges against Herbert Tiebout, 38, of Sunbury. The charges against Tiebout were dropped. District Attorney D. Peter Johnson, will confer with State Police Investigators to decide if charges against Tiebout need to be refiled.

According to the terms of the plea, Richard will receive 16 to 32 years in prison and has agreed to testify

against others involved in Sampsell's murder and the brutal robbery of Scott Vonneida, of Millmont on June 12, 2012.

Richard has admitted that he, Tiebout and two other unidentified men took part in robbing Vonneida of firearms and marijuana. During the robbery Richard struck Vonneida in the head fracturing his left eye socket. One of the stolen weapons was used to murder Sampsell.

The two other men and the shooter have yet to be charged. Richard also implicated Amanda Kratzer, 26, of Lewisburg and Michael Shetterly II, 24, of Mifflinburg, in the Vonneida robbery. Kratzer is charged with

conspiracy to commit robbery and Shetterly is charged with receiving stolen property.

Lauver Earns Eagle Scout Award

Tyler Wayne Lauver, 15, of Mifflinburg, a member of Boy Scout Troop 525, recently received his Eagle Scout Award during a Court of Honor at the Mifflinburg Church of the Nazarene. He began his scouting career in 2003 when he joined Cub Scout Pack 3520 in Mifflinburg. Tyler enjoyed his time in Cub Scouts under the direction of Cub Master Ken Wright. Tyler participated in a variety of activities including camping, Pinewood Derby racing, Soapbox Derby and Rain Gutter Regattas which included his championship runs. He completed the requirements to earn the Heavy Shoulder and the Arrow of Light Award, the highest achievements in Cub Scouts. He also earned two religious Awards; God & Me and God & Family. In 2009, Tyler crossed over to Boy Scout Troop 525 at St. George's Catholic Church in Mifflinburg.

After joining Boy Scouts, he set a goal which he never lost sight of, to become an Eagle Scout. Under the leadership of Scoutmaster Dennis Keiser and Asst. Scoutmaster Dr. Albert Stush, he achieved his goal of which only 4 percent of boy scouts ever achieve. Since joining Troop 525, Tyler has been an avid camper and hiker, attending summer camps at Camp Karoondinha, Bruele' and Lavigne. As a member of his Troop, he participated in numerous community service projects. To achieve his goal, Tyler completed 47 merit badges and earned the Paul Bunyan, World Conservation, Historical Trails, God & Church and the 100th Anniversary Year of Celebration Awards. He enjoys canoeing, biking, hiking, 5K races, hunting & turkey shoots. In 2011 he attended National Youth Leadership Training. NYLT is the highest level of leadership training provided to Boy Scouts. Since then, Tyler has served as a staff member for NYLT at Camp K for the past two years under the leadership of Robin Nornhold. He will be representing the Susquehanna Council at the National Leadership Academy in Washington DC in July. Tyler's fellow scouts elected him to the national honor camper's society, the Order of the Arrow with Woapeu Sisilija Lodge 343 in 2011. In 2012, Tyler traveled with his Troop to Boundary Waters in Ely, MN where they canoed and portaged 126 miles to earn the 125 mile award. He is looking forward to his next High Adventure Trip at the Philmont Scout Ranch in New Mexico in August of 2014.. Tyler has held the following positions of responsibility as a member of his Troop: scribe, quartermaster, patrol leader, den chief, troop guide, patrol leader, assistant senior patrol leader and senior patrol leader. While serving as quartermaster he realized that the Troop was in need of a trailer to store and transport their gear, which he acquired for the Troop. In 2012, he received the Senior Patrol Leader of the Year Award from his local District for his dedication to his Troop and Scouting. With the assistance of his Church Youth Group, his fellow Scouts and friends, his Eagle Scout Project consisted of over 519 hours of remodeling the Mifflinburg Church of the Nazarene Youth House Basement and the creation of outdoor recreational activities. This included laying a laminate floor and installing shelves, remodeling the entire basement and the purchase and installation of picnic tables, a Tetherball pole, horseshoes and a volleyball net. He is very grateful for the help and support of many local businesses and individuals who donated money, materials and time for his project. Tyler is the son of Douglas & Lori Lauver of Mifflinburg, and the grandson of Wayne & Betty Hess of Millmont and Harold & Donna Lauver of East Salem.

Bike Helmet Giveaway Night Starts Summer Off Right

Union-Snyder Community Action Agency recently received a Grant

Union-Snyder Community Action Agency in Selinsgrove PA recently received a \$14,500 Grant from the Dollar General Literacy Foundation Grant to support Union-Snyder CAA's Families Learning Together and Adult Education literacy programs. Specifically, the grant will support the literacy initiative to assist adults and their children to improve basic education skills, and for parents, as the child's first and foremost teacher, to develop the ability to help their children learn and succeed in school.

CAA has been providing literacy programs at the Selinsgrove site as well as home-based service for 10 years. Transportation to the Selinsgrove Site is provided on as needed basis.

Literacy instruction includes both class and individualized, based on the family plan. Classes support skill development in the areas of work, family, citizenship, and life management. Adult education includes ABE, GED, workplace literacy, ESOL, and supervised distance learning. Workplace literacy includes developing math, reading, and writing skills through instruction and classroom projects.

All activities are designed to be family friendly and help each person reach goals. CAA staff provides a consistent effective learning environment and serve as role models for positive parenting. Nurturing support and an incentive and recognition system encourage participation and progress.

The funding will support CAA's current educational programs by providing positive parenting workshops, additional instructional materials, supplies, Family Fun Night activities and healthy lunches for families enrolled in CAA literacy programs.

Union-Snyder Community Action Agency's mission is to strengthen families and individuals by helping them build the skills to achieve self-sufficiency, and to work in partnership with organizations and communities to alleviate the causes and impacts of poverty. For more information about CAA: www.union-snydercaa.org or call 570-374-0181.

"At Dollar General, we are passionate about our mission of Serving Others throughout the communities we serve," said Rick Dreiling, Dollar General's chairman and CEO. "It's exciting to see the Dollar General Literacy Foundation's outreach in action as we partner with organizations to further education and literacy and make a real difference in people's lives."

For more information on the Dollar General Literacy Foundation, a complete list of grant recipients or grant application deadline information, please visit www.dgliteracy.org.

Pictured left to right: Megan Bollinger, Education Coordinator of Evangelical Community Health and Wellness and Zackary Yetter.

Zackary Yetter was one of 156 children fitted for bike safety helmets on Tuesday, June 11, 2013 at the Lewisburg McDonald's located next to Evangelical Community Hospital. Organized by Evangelical Community Health & Wellness and sponsored by Kiwanis Club of Buffalo Valley AM and Kiwanis of Lewisburg, the event is held annually to emphasize the importance of bike safety and proper bike helmet use. The helmets are given free of charge along with pamphlets on bike safety and are properly fitted on-site.

Every year, about 300,000 kids go to the emergency department because of bike injuries, and at least 10,000 kids have injuries that require a few days in the hospital. One such injury is head injury, which can mean brain injury. Wearing a Consumer Product Safety Commission (CPSC) regulated bicycle helmet can reduce the chances of your child experiencing a head injury during a fall.

Kenseth Wins At Kentucky

By Gerald Hodges/the Racing Reporter

SPARTA, Ken.—Jimmie Johnson led 198 laps of Sunday's 267-lap Sprint Cup race at Kentucky Speedway, but it was Matt Kenseth that led the last 20 on the way to his fourth victory of the season.

Johnson at one point in the race was over 13-seconds, ahead of the second-place driver. His flawless performance was overshadowed by a terrible restart with 24 laps to go in the 267-lap race.

It all started when Brian Vickers hit the outside wall on lap 240, after blowing a right front tire to bring out a caution. All the lead lap cars pitted. Johnson took on two outside tires and fuel, while Kenseth only took on fuel. Back on the track, Kenseth was lined up first on the outside, while Johnson was second on the inside.

When the green flag was given, Kenseth and the rest of the field, except for Johnson took off. It appeared Johnson's car actually stalled, and several cars in the inside row stacked up behind him.

Joey Logano bumped Johnson, and then got under him. As Johnson and Logano went into the first turn, Johnson came down, bumped the front of Logano's No. 22, and spun around.

The caution flag came out again. Johnson pitted for four fresh tires. This time he restarted the race from 25th position.

When the green flag was given, Kenseth was gone again. He was followed by Clint Bowyer, Jeff Gordon, and Jamie McMurray. As the race neared its end, McMurray moved into second, but was never close enough to challenge Kenseth.

"I didn't think there was any way we could win this race," said Kenseth. "We had older tires, and our car wasn't handling the way I thought it should. There had to be a lot of luck on our side for us to win today."

Jamie McMurray was second, followed by Clint Bowyer, Joey Logano, Kyle Busch, Martin Truex, Jeff Gordon, Jimmie Johnson, and Kevin Harvick.

Kurt Busch caused a seven car pileup on lap 48. Going into turn-3, Busch was racing down on the track apron. As he came back onto the track, he clipped the rear end of Brad Keselowski's No. 2 car. Keselowski's car veered up, initiating a seven car pileup.

Greg Biffle, Travis Kvapil, Paul Menard, and Dave Blaney were finished for the day.

"It was all my fault," said Busch. "I misjudged the distance between cars when I started back up."

The race, which had been rescheduled from Saturday due to rain, was red flagged while speedway crews cleaned up the mess.

Top-10 leaders after 17 of 36: 1. Johnson-610, 2. Edwards-572, 3. Bowyer-569, 4. Harvick-544, 5. Kenseth-528, 6. Earnhardt-512, 7. Kyle Busch-500, 8. Truex-490, 9. Biffle-489, 10. Logano-479.

TY DILLON TAKES KENTUCKY TRUCK RACE

Ty Dillon found a burst of speed with 25-laps remaining in Thursday night's truck race to pass Kyle Busch for his second career truck win.

"My car just took off at the end," Dillon said. "I knew I was faster, so I just really tried not to kill my car, kill my tires, and it finally came to us. I got a good run through (Turns) 1 and 2 and got by him in 3 and 4. It (Dillon's No. 3 Chevrolet) turned into a rocket ship there at the end."

"I wasn't that great in the beginning and the middle, but (crew chief) Marcus (Richmond) and the guys kept digging and kept digging."

"To beat Kyle Busch and Brad Keselowski, two of the best drivers on four wheels right now is pretty special."

Brad Keselowski finished second, followed by Kyle Busch, James Buescher, Ryan Blaney, Timothy Peters, Miguel Paludo, German Quiroga, Jeb Burton, and Matt Crafton.

Top-10 leaders after 8 of 33: 1. Crafton-319, 2. Burton-297, 3. T. Dillon-279, 4. Buescher-275, 5. Sauter-272, 6. Blaney-272, 7. Gaughan-267, 8. Paludo-268, 9. D. Wallace-236, 10. Peters-234.

KESELOWSKI WINNER OF NATIONWIDE RACE

Brad Keselowski was declared winner of Friday's Kentucky Speedway Nationwide race after NASCAR shortened it by 30 laps, due to rain.

Top-10 leaders after 15 of 33: 1. Smith-521, 2. Hornish-513, 3. Allgaier-510, 4. Sadler-5012, 5. A. Dillon-501, 6. Larson-477, 7. Kligerman-475, 8. Vickers-473, 9. Scott-466, 10. Bayne-453.

IS DANICA A REAL RACE DRIVER

This past week in an interview with Jim Utter for the Charlotte Observer, Kyle Petty gave his take on Danica Patrick, "I've said from the very beginning, she's just a marketing machine."

That's right. Danica is a marketing machine, but so are the other 42 drivers that start each NASCAR race. It's just that Danica being the only woman, plus her attractiveness, makes her marketing machine, more attractive than most of the men.

But is she a race car driver?

Of course she is. She is out there on the track every week driving during a race.

I think what Kyle was referring to is that in his opinion, she's not a "real" driver. "Lot's of drivers can drive fast, but very few drivers can race," he said.

In that case, most of the 43-car fields in NASCAR races aren't racers, because only a small percentage of drivers ever win a race.

Take Paul Menard as an example. He too is a marketing machine. He drives the No. 27 Richard Childress Chevrolet, and in seven years of Cup racing, has won only once. How has he managed to stay in the big league all those years?

It's simple. His daddy's company, Menard Supply Company, pays Childress to provide him a car and crew at a cost in the neighborhood of \$12-\$15-million per year. In exchange Menard's gets publicity and use of the car in its marketing strategy.

No different than GoDaddy, the sponsor on Patrick's No. 10. It's all part of the NASCAR game.

What most fans don't realize is that "on track racing," is only a small part of the NASCAR game plan.

It doesn't matter how good a driver you are, if you can come up with someone, (which includes your father's company) to shell out between \$10-\$20-million, you can go racing. You might not win a race, but once you get on the track, in a race car, and the green flag drops, you are a race car driver.

I think Kyle and a lot of fans confuse the past, when drivers had to race by the seat of their pants, with today's modern style of racing.

They aren't the same. Danica and Paul race in the here-and-now.

No doubt Danica and Paul are racers. How good are they? I don't know. It's in the minds of the beholders.

Dear Readers,
June 14, 2013

Alvin & Erma Zimmerman of Lewisburg, had a barn raising to build a freestall barn for their cows. Alvin Sengenig of Mifflinburg, was there to help. While using a chainsaw he accidentally cut his leg above the ankle. He was able to get down from the building and then was taken to the hospital, where he had surgery to remove the chips of bone in his leg. He will need to stay a couple days.

June 15, 2013

Tonight, Elam Brubacker of Mifflinburg, hitched his horse to the spring wagon, so his wife could use it and parked the horse and spring wagon, forgetting to tie the horse. After he sprayed the horse for the flies, Elam walked away. The horse went down the road in his usual way without a driver. Elam's called Phares Horning's to stop the traffic. As the horse passed Elvin Zimmerman place, he got in his vehicle and passed the horse and then jumped on the spring wagon as it went by, reached over the back of the horse for the reins and then horse was under control without causing an accident.

Singing School for the youth was at "Sunny Side School" tonight. Late in P.M. a few boys were biking along Cold Run Rd. single file. When Nelson Hoover (17) son of Ervin & Carolyn Hoover of Mifflinburg, came biking speedily without headlights on, from the opposite direction. He did not see the others and wrecked into Leonard Horning (17). Both boys were conscious right after the accident. But Nelson was taken to Evan. Hospital, when he went unconscious later and from there was lighted to Geisinger Medical Center.

June 16, 2013

Next morning, Nelson responds but is heavily sedated and has blood on the brain.

Today is Father's Day.

June 19, 2013

Nelson's little brothers, Daune (7) and Lowell (4) came to live at our house until Nelson comes home from the hospital. Ben Hoover (11) son of John Isaac & Erla of KY, also came to stay for a couple of days, he has been in our area visiting his relatives for a couple weeks, staying until July 4th. We have more boys than girls in our family, while they are all here.

June 20, 2013

A team of surgeons came in to work on Nelson this afternoon. His nose was broken at 2 places, both eye sockets broken, and a dent in the forehead. A cut at his temple was stitched up earlier. They also removed bone fragments from his optical nerve today. He was in surgery for 6 hours. (Surgery went well.)

June 24, 2013

We were surprised when Nelson himself, called Curvin to tell him about things he had ordered for the Archery shop, before his accident. Here at Reiff Diesel, we miss our hard-working reliable employee. Curvin will be staying at Geisinger with Nelson for the night tonight.

Mrs. John Reiff & children of MO, are visiting in our area. She is staying with her mother, Lizzie Sengenig. Neice Rachel Hoover, daughter of Nathan & MaryElla is at her grandparents Hoover's for supper, along with her friend Vernon Reiff, both from MO. Tonight, we are having a birthday party for Rachel. She will be 18 on June 26th.

June 25, 2013

Nelson came home tonight. His balance is not good yet, but is doing okay other wise.

June 28, 2013

Today is Isaac's 5th birthday! We plan to make Mt. Pies and have cake & ice cream for lunch. This afternoon, Duane & Loewell will be going home after living with us for almost 9 days.

According to the US Department of Labor, healthcare employment continues to look positive as healthcare is growing at a faster rate than most areas of the economy, painting a picture of opportunity for those now entering the career market.

Evangelical Community Hospital is taking proactive measures to assure quality healthcare in the community and to encourage future nursing and healthcare students to follow their career goals.

The Hospital is proud to once again host its High School Summer Healthcare Careers Internship to 21 students entering into their junior or senior year, or newly graduated students who have been accepted into nursing school. The program is geared to those students looking to get into nursing or those interested in a healthcare career. In recent years, the program has been recognized by the Hospital and Health System Association of PA (HAP) for honoring excellence and innovation in the healthcare field.

The 72-hour internship program provides 32 hours in the classroom and 40 hours of one-on-one interaction with nurses and patients. Hospital nurse educators teach the students a variety of skills including CPR certification, lifting and transfer techniques, and personal care skills. The classroom training includes a fully recreated patient stay where students learn how to care for a patient from feeding, bathing, and oral hygiene to making the bed and completing paperwork.

Students are from surrounding schools including Lewisburg, Line Mountain, Mid-West, Mifflinburg, Milton, Selinsgrove, Shikellamy, and Sunbury Christian Academy.

The students began classroom training on June 17 and will be placed in five-day rotations in varying departments including obstetrics, emergency, intensive care, and one-day surgery following their classroom instruction. On August 1, 2013 there will be a closing ceremony reception.

Students can use their summer experiences at the Hospital to meet job shadowing requirements while experiencing first-hand a career path they might wish to pursue. For more information on the High School Summer Healthcare Careers Internship program, call (570) 522-2727 or visit www.evanhospital.com/jobs.
