April Is National Gardening Month

Susquehanna Garden Club participate in Spring Garden Cleaning at Anthony Selin Park. Shown here are Kay Crebs, Susan Fries, and Mary Parker.

With April and the coming of Spring comes the natural desire to enjoy the blossoming trees and flowers, visit gardens, and work in your own lawn or garden. Time to get dirty! Plant something and watch it grow - either in a garden or in a pot on your windowsill. April is a great time to plant lettuce, peas and spinach outside. Find a new herb to grow in your kitchen window. Decorate your garden with some new yard art, a comfy chair, a place to breath in some fresh, fragrant air.

For members of the Susquehanna Garden Club, it is time to get busy too. We maintain three community gardens: Shikellamy Marina, Jack Treas in Shamokin Dam, and at Anthony Selin Park, Selinsgrove.

As a member of The National Garden Clubs, "Plant America" is part of our programming. We work to enhance public areas, educate about the joys of gardening and raise awareness about environmental issues. April is the month of Earth Day - April 22, and Arbor Day - April 29 which fits in with the Plant America theme "Each one Plant one".

Every year the club donates towards planting a tree in a local community or state park. The club has programs open to the public on the third Thursday of the month. The April program "The Flower Garden" will be presented by Melody Folk of Hilly Springs Flower Farm, Beaver Springs. She is a lifetime flower lover who will share information on container gardens, landscape maintenance, and floral decorating. Find out what to do with those posies you have picked.

Anyone who loves gardening or wants to learn about flower gardening is welcome to join us for this program on Thursday April 21 at 1 pm at the Susquehanna Country Club. Call Kay Crebs at (570) 495-3372 for information. Like us on Facebook for ideas and photos on flowers and gardening.

Fire On Leiser Road In White Deer Township

By Kay Poeth

On April 1, 2022, at 5:24 pm, area fire crews were dispatched to 645 Leiser Road in White Deer Township. This blaze engulfed an old farmhouse and displaced two families. There were no injuries. The family pets were saved. The families are being assisted by the American Red Cross.

Crews from White Deer Township, Warrior Run, Milton, Lewisburg, Turbot Township and Winfield battled the fire for over 2.5 hours. Strong winds fueled the fire. Water was shuttled from a hydrant a mile away. Crews remained outside of the structure for safety reasons.

Lewisburg Cemetery Tour

On April 16, a walking tour of the Lewisburg Cemetery will highlight local women who supported the woman suffrage cause in Union County. Originally planned for 2020 to celebrate the 100th anniversary of American women winning the right to vote, the tour was postponed due to the pandemic.

With support from the Lewisburg Civic Club, Union County women organized a Woman Suffrage Party to win a 1915 referendum for state suffrage. Included in the tour are Emma Billmeyer Matlack, Civic Club president, Dr. Mary Moore Wolfe, a prime organizer, and Dorothy Walls, who toured the state and Union County with the "Justice Bell" on a flatbed truck. The Justice Bell was a replica of the Liberty Bell. Its clapper was not to be rung until women won the right to vote.

Also on the tour are pioneers Emma Thomas and Annie Van Gundy who ran successfully in 1911 for the local school board, nine years before women could vote.

The tour will conclude at the old office building at the entrance of the Cemetery. It once was used as a polling place for the South Ward of Lewisburg. South Ward was the only local precinct that passed the 1915 referendum, which lost in Pennsylvania and in Union County.

Robert (Bert) Dunkerly and Nancy Neuman will conduct the tour. Dunkerly is the author of A Beautifully Solemn Scene: The Lewisburg Cemetery (Heritage Books, 2013). A native of Lewisburg, he is a park ranger and historian at Richmond National Battlefield Park in Virginia. Nancy Neuman is the volunteer president of the Lewisburg Cemetery Association.

The one hour tour begins at 11 am. Meet at the Chapel near the cemetery entrance on S. 7th and St. George Streets. Wear comfortable shoes. No registration is required.

Evangelical Community Hospital Enters Negotiations

As part of its continuing efforts to ensure the communities it serves have convenient access to a variety of important healthcare services, Evangelical Community Hospital has entered into negotiations with Family Practice Center, PC to move services into the Susquehanna Valley Mall and purchase the facility at 21 Susquehanna Valley Mall Drive.

The Hospital will move SUN Orthopaedics of Evangelical and the Selingsgrove Imaging Center from the facility at 21 Susquehanna Valley Mall Drive to the leased space adjacent to the Family Practice Center and Geisinger offices in the former Sears store at the mall.

Plans for the property at 21 Susquehanna Valley Mall Drive will not be finalized until the Imaging and Orthopaedic practices are moved into the new mall location.

The Family Practice Center offices at 21 Susquehanna Valley Mall Drive will remain at the location for the foreseeable future.

"We are excited about the opportunities these projects present for our patients in the Selingsgrove area," said Kendra Aucker, President and CEO, Evangelical Community Hospital. "The leased space in the mall provides convenient access for patients needing orthopaedic care or imaging services, particularly those already seeking other healthcare services at that location. And, the location along Susquehanna Valley Mall Drive affords us a fantastic opportunity to provide expanded access to a variety of specialty practices and services in the region."

"We are pleased to welcome Evangelical's Orthopaedic and Imaging practices into the healthcare space we've constructed at the Susquehanna Valley Mall," said Ben Williard, CPA, MBA, Chief Financial Officer, Family Practice Center. "This kind of collaborative effort enhances care for the entire region and benefits everyone."

Design work for the new spaces in the mall is progressing. The offices are expected to open to patients in early 2023. Plans for the property at 21 Susquehanna Valley Mall Drive will not be finalized until the Imaging and Orthopaedic practices are moved to the new location.

Evangelical Community Hospital is the only CMS 5-star rated hospital in the Central Susquehanna Valley Region. Only 22 hospitals in Pennsylvania can claim this overall quality distinction. Evangelical is a non-profit organization that employs 1,900 individuals and has more than 170 employed and non-employed physicians on staff. Bids Opened For First Contract For Southern Section of CSVT

The Pennsylvania Department of Transportation (PennDOT) has opened bids for the first construction contract for the southern section of the Central Susquehanna Valley Transportation Project (CSVT).

"This is the first of three contracts for the Southern Section of the CSVT, which will ease congestion, improve safety and accommodate growth in the region," Acting PennDOT District 3 Executive Justin Blakeney said. "This is a major step toward completion of this project, which will have a significant impact in the area."

Bids were opened for the earthwork for the roughly 6 miles of new four-lane, limited access highway in Shamokin Dam Borough and Monroe Township, Snyder County. The CSVT Southern Section will connect Routes 11/15 north of Selinsgrove to Route 15 (and the CSVT Northern Section) south of Winfield. It will include an interchange/connector to Routes 11/15 and Route 61 (Veterans Memorial Bridge) in Shamokin Dam.

In addition to five million cubic yards of earthwork, the contract includes the bridge to carry Sunbury Road over the new highway, various stream culverts, and drainage features. It also includes improvements on existing local roads to accommodate the new highway, such as:

- Reconfiguring Park Road, Fisher Road, and Colonial Drive;
- Replacing the Mill Road/App Road/Airport Road intersection with two roundabouts; and
- A new traffic signal and turning lanes at the Route 204/Mill Road intersection.

The apparent low bid of \$115.2 million was submitted by Trumbull Corporation of Pittsburgh. It was one of three bids submitted by private companies in the competitive bidding process.

PennDOT will review the bids and anticipates awarding a contract within a few weeks. Work is expected to begin in the summer with completion anticipated in 2025.

Bids for the other new bridges that are part of the project are planned to be opened in 2024, and a paving contract is planned to follow in 2026. The CSVT Southern Section is anticipated to be opened in 2027. Work Continues on the Northern Section

Work is resuming for the season on the CSVT Northern Section, which will connect Route 15 south of Winfield in Union County to Route 147 south of Montandon in Northumberland County. Upcoming activities include paving the final wearing course on the mainline roadway and ramps that were previously constructed and installing highway lighting, signs, guide rail, and erosion and sediment control features throughout the project area.

The CSVT Northern Section is anticipated to be opened to traffic later this year. A ribbon cutting ceremony will be announced when plans are developed.

Oktoberfest Finds New Home

It's official! The 17th Annual Mifflinburg Oktoberfest will be held September 30 and October 1, at the Mifflinburg Community Park! MHR is so excited for this move into town and the opportunity to work with the borough and downtown businesses to make this event a huge success! We are so grateful to all that supported our move and helped us to make it happen. There will be lots more information coming in the coming months, but know that all the things you love about our festival will be returning - great bands and fun dancers, the mug lift and keg toss, lots of food and of course - German beer and Shade Mountain wine. For updated information, go to mifflinburgpa.com.

Foster Grandparents receive a tax-free stipend, help with transportation, and a daily meal. Volunteers help to create their weekly schedules to accommodate their lifestyles. The FGP invites interested applicants who live in or near Mifflin, Juniata, Union, Snyder, Northumberland, Lycoming, Montour and Columbia Counties to call the office for more information at (570) 374-9196 or toll free at 1-866-374-9196. The Foster Grandparent Program of Central PA is a proud grantee of Americorps Seniors and is sponsored locally by the Union/Snyder Agency on Aging.

USDA To Measure Northeastern Milk Production

More than a thousand dairy farms in the northeastern U.S. will receive surveys from the U.S. Department of Agriculture's National Agricultural Statistics Service (NASS), as the agency collects information for the 2022 Milk Production report. "The dairy industry is an important component of the Northeast's agriculture and it is crucial for us to have accurate data about this key sector," said King Whetstone, director of the NASS Northeastern Regional Field Office. NASS conducts the Milk Production survey in the region every January, April, July, and October. The survey asks milk producers to provide the number of milk cows in the herd, number of cows milked, and total milk production for the first day of the month. The dairy industry relies on monthly Milk Production reports to make decisions about the marketing of milk. By participating in the survey, milk producers can ensure that NASS provides

timely, accurate and useful data that all sectors of the U.S. dairy industry use to make sound business decisions.

NASS will mail the questionnaires to all producers selected for the survey in late March. To ensure all survey participants have an opportunity to respond, NASS interviewers will contact producers who do not respond by mail or online to conduct telephone interviews.

NASS safeguards the privacy of all respondents and publishes only aggregate data, ensuring that no individual operation or producer can be identified.

Survey results will be published in the Milk Production report to be released on April 20, 2022. These and all NASS reports are available online at www.nass.usda.gov/Publications/. For more information, call the NASS Northeastern Regional Field Office at (800) 498-1518.

On March 31, 2022, the staff of Summit Early Learning at Susquehanna and the Foster Grandparent Program celebrated the retirement of Helen Frymoyer from Selinsgrove. Helen retired after 15 years of service as a volunteer. Helen served in the infant room and provided much love to the babies at the Summit Early Learning Center. We thank Helen for her dedication and service to the Foster Grandparent Program and the children that we serve.

Bernheisels Finish One-Two

Ken Duke of Selingsgrove crossed the finish line in 2nd Place but the first-place car was light at the scales which awarded the checker flag to Ken

Bryan Bernheisel outdueled his father Jim Bernheisel to capture his second career late model season opener at Selingsgrove Speedway Saturday afternoon in the division's 25-lap main event.

The \$3,000 victory was the 10th of Bernheisel's career at the track in the Lazer Chassis No. 119. Bernheisel, of Lebanon, scored his other opening day win in 2018, the year he also won his first track championship.

Saturday's race marked the track's 60th late model season opener in its rich history.

Ken Duke of Selingsgrove was awarded the win in the 20-lap PASS/IMCA 305 sprint car feature when Kruz Kepner's racer came up light on the scales during the post-race inspection.

Rookie Levi Vial of Bloomsburg made his first career start in the roadrunner division and found himself standing in Victory Lane at the conclusion of the division's 12-lap feature.

Selingsgrove Speedway's next race is at 6 p.m. Saturday, April 16, featuring the United Late Model Series in the 30-lap Spring Championship. Joining the super late models again will be the PASS/IMCA 305 sprint cars and roadrunners. Gates will open at 4 p.m.

Bryan Bernheisel started on the outside of the front row while his father Jim Bernheisel started on the pole for the super late model feature. Racing out of turn two, B. Bernheisel pulled into the early race lead with his father in tow.

Fourth-place starter Gene Knaub raced a close third with sixth-place starter Jim Yoder quickly advancing to fourth. The race's first caution flag unfurled on lap nine when Drew Weisser's car spun in turn two. On the lap 10 restart, B. Bernheisel continued to set the pace as eighth-place starter Hayes Mattern challenged fifth-place starter Jeff Rine for fifth.

Late in the race, a double spin for John Schoch in turn two and Jared Siefert in turn three regrouped the field for another restart. When the race resumed, Mattern powered by Rine for the fifth position.

At the checkered flag, B. Bernheisel was victorious by several car lengths over J. Bernheisel, Knaub, J. Yoder, and Mattern.

Front row starters Drew Young and Tyler Snook brought the 305 sprint car field to the green flag at the start of the main event. Snook powered into the lead with third-place starter Kruz Kepner in pursuit. Two laps later, fifth-place starter Ken Duke passed Young for the third position.

By lap eight, Kepner closed in on Snook in slower traffic. On the 11th circuit, Kepner made a pass by Snook for the lead using the inside lane in turn two. A lap later Snook and Jason Roush made contact and spun in turn three.

With five laps remaining, Kepner maintained a healthy lead over Duke and seventh-place starter Austin Reed. At the checkered flag, Kepner was victorious over Duke. During the post-race inspection, however, Kruz's car was under the legal weight limit and the win was awarded to Duke followed by Reed, Doug Dodson, Erin Statler, and Scott Frack.

Fourth-place starter Tom Underwood attempted to take the lead at the start of the roadrunner but it was second-place starter Nate Romig who brought the field around to complete the first lap.

Romig and sixth-place starter Keith Bissinger were in a hard-fought battle for the lead through much of the event. At the halfway point, Romig set the pace in front of Bissinger, Underwood, Curtis Lawton and Levi Vial.

A close three-car battle unfolded at the front of the pack when Lawton advanced to third. On the final lap, Bissinger made a move to the inside of Romig to challenge for the lead. When the two cars made contact, Bissinger's No. 11 turned sideways and barrel rolled into the first turn, collecting Lawton.

Original ninth-place starter Vial inherited the lead with one lap to go and held off Daren Rice for his first career win in his first-ever start on the half-mile track. Matt Ney, Cory Lindenmuth, and Romig completed the top five.

Selingsgrove Speedway News

SELINGSGROVE SPEEDWAY, Pa. – The super late model division is celebrating 60 years at Selingsgrove Speedway this season and will return at 6 p.m. Saturday, April 16, in the United Late Model Series (ULMS) 30-lap Spring Championship paying \$4,000 to win on Performance Food Group Night!

The April 16 race will be the second of 16 events on the 2022 slate for the Selingsgrove Ford super late model division. The track's overall points champion will earn a \$5,000 bonus with the top five points finishers picking up bonus money at season's end.

Joining the super late models will be the Apache Tree Service PASS/IMCA 305 sprint cars and A&A Auto Stores roadrunners in the second three-division racing program of the season.

The 30-lap Spring Championship race will offer a \$17,000-plus purse for the super late models. Time trials and eight-lap heat races will be the qualifying format.

Gregg Satterlee of Rochester Mills won the ULMS-sanctioned race last year at the track. He was one of seven different winners in as many races at Selingsgrove in 2021.

Bryan Bernheisel of Lebanon won this year's 60th late model season opener on April 2 over his father Jim Bernheisel. B. Bernheisel also scored an opening day win in 2018, the year he clinched his first track championship.

Ken Duke of Selingsgrove and Levi Vial of Bloomsburg won this year's openers for the PASS/IMCA 305 sprint cars and roadrunners, respectively.

The super late models will also be on the racing card in two other April shows including Sunday, April 24, when they join the Lelands.com 410 sprint cars for the Ray Tilley Classic and roadrunners. To close out the month on Saturday, April 30, the super late models will compete along with the United Racing Club 360 sprint cars and roadrunners.

There will be no racing at the track the weekend of April 9.

Union County, Pennsylvania, and the Civil War

Union County, Pennsylvania, and the Civil War, Union County Historical Society's 2022 Heritage book is now available. Historian Richard A. Sauers has used his extensive knowledge of Civil War history and expertise in primary source research to comb Union County newspapers, diaries, letters, and other accounts from the Civil War era to tell the story of Union County's Civil War experience. "The [Civil] war affected everyone who lived in the United States, whether or not they realized it...this book is about the Union County...home front: the soldiers' aid societies, local politics, the draft, and the doctors, nurses, and chaplains who aided the war effort." A native of Lewisburg, Sauers received his B.A. in history from Susquehanna University, and his M.A. and Ph.D. in history from The Pennsylvania State University. Sauers is the author of more than two dozen books, including the highly-acclaimed two-volume Advance the Colors! Pennsylvania Civil War Battle Flags, A Succession of Honorable Victories: The Burnside Expedition in North Carolina, Meade: Victor of Gettysburg, America's Battlegrounds, and The Fishing Creek Confederacy: A Story of Civil War Draft Resistance. Sauers' important new book Union County, Pennsylvania, and the Civil War – more than 190 pages of text, with photographs and extensive bibliography – is offered at \$27.00 to the general public (free to current UCHS members) at the UCHS office in the Union County courthouse, 103 S. 2nd St., Lewisburg (office hours M, T, Th: 9-noon and 1-3).
