September 11, 2001: 25th Anniversary Commemoration

Edited by Kay Poeth

September 11, 2001, will forever be remembered in the history of American. New York City's 9/11 Museum and 9/11 Memorial Pools pay tribute to every life that was lost during the attacks and also examine the events and emotions that unfolded on that day. Visiting the 9/11 Memorial & Museum is a must when visiting New York City.

This year commemorates the 25th Anniversary of the September 11 attacks.

On the morning of September 11, 2001, nineteen members of the Islamic terrorist group Al-Qaeda hijacked four commercial passenger airliners and turned them into weapons of mass destruction.They intended to cause mass American casualties by crashing the planes into prominent US buildings.

At 8:46 AM, the first plane crashed into the North Tower of the World Trade Center in Manhattan. Seventeen minutes later, at 9:03 AM, the second plane crashed into the South Tower. Less than two hours after the first plane struck, both buildings had collapsed.A third plane crashed into the side of the Pentagon in Arlington, Virginia. The fourth plane, believed to have been targeting the U.S. Capitol building, crashed in a field outside the town of Shanksville, Pennsylvania after heroic passengers revolted and attempted to retake control of the aircraft.when heroic airplane passengers revolted against the hijackers. Lives were lost in all four plane crashes.

The attacks against New York City and Washington, DC caused extensive death and destruction and triggered an enormous effort to combat terrorism. Some 2,750 people were killed in New York, 184 at the Pentagon, 40 in Pennsylvania (where one of the hijacked planes crashed into the ground after the passengers attempted to retake the plane); all 19 terrorists died. Police and fire departments in New York were especially hard-hit: hundreds rushed to the scene of the attacks, and more than 400 police officers and firefighters were killed.In total, nearly 3000 people were killed making the September 11 attacks the deadliest terrorist attack on U.S. soil in American history.

The 9/11 attacks left many Americans shaken and distraught. Across the country and world, people watched the attack on a continuous loop; the news replayed the scene over and over. Posters of missing family members were posted all around the city, and it took years to remove all the rubble of the collapsed buildings. To this day, 9/11 is a tragedy that has changed the city forever.

The 9/11 Memorial, in Manhattan, commemorates the lives lost on September 11, 2001, and the Memorial Museum educates future generations about what unfolded on 9/11. Also remembered here is the 1993 World Trade Center bombing, another terrorist attack when a truck bomb was detonated in the parking garage of the North Tower.

New York City opened the 9/11 Memorial to the public in 2011, on the 10th anniversary of the attacks. The memorial consists of two sunken pools in the exact footprint where each of the North and South Twin Towers used to stand. Water streams down from the bronze walls of the pool, which are inscribed with the names of each of the victims of the 9/11 attacks.

The 9/11 Memorial Museum opened in 2014. It remembers the victims of the terrorist attacks on the Twin Towers in both 2001 and 1993 and commemorates the heroic acts performed during these through 110,000 square feet of displays.

Patriot Day also known asSeptember 11 and honors the nearly 3,000 victims of the terrorist attacks in 2001, including those at the World Trade Center in New York City, the Pentagon in Virginia, and United Airlines Flight 93 in Pennsylvania. It was established by a joint act of the US Congress and signed into law by President George W. Bush in December 2001. The day is observed nationwide with flags flown at half-staff, moments of silence at 8:46 a.m. (the time the first plane struck the North Tower), and memorial ceremonies.

MILTON STATE POLICE

Criminal Trespass Defiant 2:02 p.m. August 24, at 115 AJK Blvd., in Kelly Township. PSP was made aware of two individuals trespassing. A 49 year old female, of Milton was charged with defiant trespassing through District Court 17-3-01.

Crash 1:23 p.m. August 17, on International Drive, in Kelly Township. A 2019 Dodge Caravan driven by Robert C. Dewitt II, 79, of New Columbia, was traveling through the traffic way, to exit and travel on International Drive. Dewitt related that he had mistaken of the exit traffic way, and began to travel into a parking stall. As Dewitt entered the parking stall. Dewitt attempted to utilize the brake, and in doing so engaged the gas petal. The Dodge Caravan traveled over the curb, and continued traveling west, uphill through the grass. Dewitt was able to release the gas pedal and located the brake. The Dodge Caravan traveled into a ditch, coming to rest east of International Drive, facing west. Dewitt was transported to Evangelical Hospital for suspected minor injuries. Dewitt related he was wearing his seatbelt and was traveling approximately 10 mph at the time of the crash. Dewitt was issued a written warning for driving on roadways laned for traffic (single).

Harass Physical Contact 4:57 p.m. August 24, on SR 44, in Gregg Township. PSP investigated a domestic related incident. A non-traffic citation was issued. Pending court.

DUI 8:47 a.m. August 13, at 2047 I-80 W., in White Deer Township. PSP conducted a traffic stop of a 2014 Nissan Altima driven by Zahrena Tisdale, 43, of Newark, NJ. Upon further investigation, Tisdale was discovered to be intoxicated. Charges filed through District Court 17-3-02.

Drug Possession 5:01 p.m. August 25, at 2096 I-80 W. in White Deer Township. PSP initiated a traffic stop. After further investigation, drug and drug paraphernalia were located in the vehicle. Charges filed through District Court 17-3-02.

Simple/Harass BTW Entities 10:10 p.m. August 31, in West Buffalo Township. PSP responded to a domestic related incident. Upon arrival on scene, a 26 year old male, of Middleburg, was taken into custody. Subsequently, the male was arraigned before District Court. Pending preliminary hearing.

Crash 10:56 p.m. September 5, on Col John Kelly Road, east of Spruce Run Road, in Buffalo Township. A 2021 Ford F-150XLT driven by Austin D. Sheatler, 24, of Hughesville, and a 2019 Jeep Cherokee driven by Justina L. Geiswite, 30, of Lewisburg, were traveling east on Col John Kelly Road. The Jeep Cherokee was in front of the Ford F-150XLT. Geiswite placed her left turn signal on as if she was going to be making a left turn into a residence. The Ford F-150XLT attempted to overtake the Jeep Cherokee on the left side of the roadway. The Jeep Cherokee then started its left turn at the same moment. The Ford F-150XLT struck the Jeep Cherokee. The Ford F-150XLT then struck a utility pole. Both vehicles sustained disabling damage from the crash. Minor injuries were reported. Sheatler refused EMS transportation. Geiswite and her passenger were transported by EMS to Wellspan. Both vehicles were towed from the scene. Sheatler was cited for limitations on overtaking on the left.

Crash 8:30 p.m. September 3, on SR 15 S., north of Allenwood, in Gregg Township. A 2020 Chevrolet Silverado driven by Larry M. Rivers, 50, of Lewisburg, was traveling north on SR 15 in the left turn lane..... A 2011 Honda Odyssey driven by Zachary J. Timms, 18, of Lewisburg, was traveling south on SR 15. Rivers failed to yield to southbound traffic by turning left directly in front of the Honda Odyssey. The Honda Odyssey struck the front right bumper of the Chevrolet Silverado. The Chevrolet Silverado rotated counterclockwise traveling approximately 16 feet in a south direction coming to rest in the southbound lane of travel, facing southeast. The Honda Odyssey travled south on SR 15 coming to rest on the west shoulder of the roadway, facing south. Both vehicles sustained disabling damage and were towed from the scene. Both drivers sustained injuries and were transported to UPMC Williamsport for further medical attention. SR 15 S. was closed for approximately three hours. Rivers was cited for vehicle entering or crossing roadway.

Hit & Run 5:19 a.m. September 4, on Strawbridge Road, north of Buffalo Road, in Buffalo Township. A 1999 Chevrolet S-10 driven by James W. Looney III, 44, of Lewisburg, was traveling south on Strawbridge Road when Looney lost control of the vehicle for unknown reasons. The Chevrolet S-10 exited the east side of the roadway striking a ditch and became struck. Looney fled the scene prior to PSP arrival. The Chevrolet S-10 was towed from the scene. Upon further investigation, Looney was identified and will be receiving several citations.

Theft 9:29 a.m. September 5, at 21 Wise Drive, in White Deer Township. PSP responded for the report of a theft. A trailer hitch was stolen from a 2014 Ford and the vehicle was scratched in the process. Anyone with information is asked to contact police at 570-524-2662.

He was born April 26, 1956, in Auburn, New York, a son of the late Glenn Dale and Aida Irene (Hassenplug) Erdley.

Services will be private.

Lewisburg Neighborhoods Invites Community to Two September River Events

Lewisburg Neighborhoods is inviting residents, families, students and community groups to get out on the Susquehanna River this September through two community events: the annual In-River Cleanup on Saturday, September 12, and a free Slow Paddle in partnership with BIC's Water Sports on Wednesday, September 16.

Together, the events offer two different ways to experience the river — first by helping care for it and then by gathering for an evening of recreation and community.

"Being on the river gives you a completely different appreciation for what an incredible resource we have right here in our community," said Jessie Lee Bilger, Director of Marketing & Community Engagement for Lewisburg Neighborhoods. "These events are about giving people an opportunity to take care of the Susquehanna, enjoy it and connect with their neighbors while doing it."

Lewisburg Neighborhoods' annual In-River Cleanup will take place on Saturday, September 12 from 9:00 a.m. to noon, beginning at Lewisburg Landing at the corner of Front Street and St. George Street in Lewisburg.Volunteers will head onto the Susquehanna in kayaks and canoes to collect litter and debris from the river and surrounding riverfront. The cleanup is weather permitting.

Boats, cleanup supplies and equipment will be provided, and volunteers of all experience levels are welcome to participate. Participants should come prepared to be in or along the water and are encouraged to wear sturdy footwear, muck boots, water-resistant gear, or clothing they do not mind getting wet or muddy. Those who have their own appropriate water gear are welcome to bring it.

Just a few days later, Lewisburg Neighborhoods and BIC's Water Sports invite the community back onto the Susquehanna for a free Slow Paddle from 6:00 to 8:00 p.m. at BIC's Water Sports, 2832 PA-405 in Milton.

Designed as an easygoing evening on the river, the Slow Paddle is open to the public and welcomes friends, families and neighbors to paddle together at a relaxed pace. Boats, paddles and life vests will be available, and participants are also welcome to bring their own.

Those planning to attend are asked to RSVP in advance so Lewisburg Neighborhoods and BIC's Water Sports can plan for the number of participants and ensure enough boats and equipment are available. Register for the Slow Paddle at:https://forms.gle/VzsywGGnUmfZQHyi8

Following the paddle, participants are invited to bring a chair and stay for a campfire and s'mores sponsored by CycleUp Café. Those who are unable to paddle, or simply prefer to stay on shore, are welcome to join us for the campfire and s'mores. Paddling is not required to take part in the evening.

The event also expands on Lewisburg Neighborhoods' ongoing partnership with CycleUp Café and its weekly Slow Roll. Led by CycleUp Café owner Chris Korban, the community bike ride meets Wednesdays at 6:00 p.m. at Market Street and the Rail Trail in downtown Lewisburg for a casual ride lasting approximately one hour

The September 16 Slow Paddle takes that same spirit of accessible outdoor recreation from the trail to the river, bringing Lewisburg Neighborhoods, CycleUp Café and BIC's Water Sports together for a special evening on the Susquehanna.

FOUR PROGRAMS OF 410-SPRINT CAR RACING TWO BIG SUPER LATE MODEL EVENTS

The weekend was filled with three tracks running specials for 410-sprints Williams Grove, two nights at Lincoln and Monday afternoon at Port Royal. Two extra money events for the super late models, with one super late model event rained out. Things started out Friday night at Williams Grove with an $8,000 race for the 410-sprints along with a special race for the limited late model class. The Grove gets a bad wrap for its racing surface and lack of passing on the big half mile. I do not get to many races there, but last Friday at least in the feature the quality of racing was top notch. Doug Hammaker was trying to win his first ever 410-sprint car feature at a track where he has won 12, 358-sprint car races and a track title. He led most of the race but the last three laps it was a dog fight between him Freddie Rahmer and Danny Dietrich. The tracks had multiple grooves for the feature and most drivers were using them, with Hammaker hanging on and holding off the other for the feature win in the Sandy Kline #22. Monday at Port Royal his luck went the other way with a blow engine early in the program knocking him out of action. Hammaker did pick up $8,000 for his Grove win on Friday night. Doug thanked the track crew for having a great track to race on, and was quoted as saying sometimes, you're the bug and sometimes you are the windshields. The limited late models had five or more drivers racing at the front of the pack in their 20-lap feature which drew a field of 33 drivers. Towards the end Kyle Lee had some separation until a caution with one lap left changed things. Kyle went up a bit too high in the second turn and jumped the cushion and was passed by Mike Walls, Lee still hung on for second with DJ Myers and Chase Billet under a blanket for the finish. Walls also praised the track crew for the racing surface.

Saturday and Sunday night the 410-sprints and the 358-sprints raced at Lincoln speedway for two programs for the 410 sprints paying $7,000 to win. The first night 30-drivers were on hand with 34 for the Sunday night show. Danny Dietrich and Chase Dietz scored the feature wins which was second for Dietrich and the ninth for Dietz. Dietrich had first and second in two night s of racing with Dietz a third and first, Logan Rumsey had second and a third, with Troy Wagaman Jr two fourth finishes. TJ Stutts had two fifth place runs. The 358 sprints had a field of 30 drivers for the Saturday show with only coming back for the Sunday show. Tim Wagaman had a win on Saturday and second on Sunday, Steve Owings had a second on Saturday and sixth on Sunday Jayden Wolf scored the feature in the Sunday program, with an eight on Saturday. Brock Hammaker had runs of 3rd and 4th. Shannon Slaughter of Lititz Pa raced a limited late model on Friday at Williams Grove and was tenth in the feature in only her second time in the 03-racecar. Then ran her 602 crate sportsman Modified at Grandview on Saturday , but did not finish the feature, then she drove a 358 sprint #89 at Lincoln on Sunday night placing 7th in the feature, the young lady is getting a number of chances to drive in different divisions, but race her Modified more than the other classes.

Monday afternoon at Port Royal was the second annual Lynn Paxton Classic for the late driver that had won five times in the Labor Day racing at Port Royal, in the 75 years that racing was held on this date Lynn has the most wins of anyone. The race paid $7,500 to win. The 25-lap feature had two leaders Ryan Smith in the Kreitz led early only to be passed by Justin Whittall who was looking for his second win the Labor Day Classic. Things change on a restart when Ryan Smith found his grove back on the bottom and went on to win his first ever Labor Day race for car owner Donnie Kreitz and mechanic Davey Brown both have had there of success in the Labor Day event, but it was a big deal for Smith who never won before it was his second win of the season at Port scoring his first win back in April. James McFadden placed third in his first time driving the Macri #39 filling in for the injured Anthony Macri. McFadden will be in the cars for the next three races at Port Royal starting this Thursday night. Danny Dietrich and Mark Smith were in the top five. A total of 29 drivers were on hand for the daytime show. Mike Walter was again in the Thompson #11, while his Dad Mike Sr drove the family owned #33W This is the 172 annual Juniata County Fair Races, with the Thursday night program and Friday night both paying $10,000 to win, the event is a High Limit series racing event. The big part of the three nights of racing is Saturday with the winner of the feature collection $59,000 to win. Thursday program and Friday program will have a second division with the PASS 305-spints on Friday and the limited late models on Friday.

For the super late models they were to have a big three race weekend, but rain stopped the Friday night racing at Bedford speedway in a race that was to pay the winner $12,055 to win, there is no make-up date for the race and the points are over which means that two-time feature winner this year at Bedford is Trevor Feathers will be the divisions track champion. His first ever there. Sunday, they did get a race in for the Late Model Sportsman which was won by Spike Moore, his second of the season, to go along with his two super late model wins. Kyle Lear scored enough points to win the division's track title. Bedford has only major race left for the super late models on Saturday September 26th with the running of the Keystone Cup event, which will pay the winner of the feature $20,000.

Port Royal had the 23rd running of the Butch Renninger Memorial with the race going for 33-laps, which was won by Mason Zeigler which was his fifth win of the season in only seventeen starts this year. Mason led all 33-laps but did have some close calls with Hayes Mattern staying in striking distance. Justin Weaver placed third with Matt Cosner and Rick Eckert in the top five. The battle up front was good but so was the battle for the track points championship. Going into the night Trevor Feathers, a two-time winner, was leading Gregg Satterlee with one win there this season by five points. Both drivers were there, on little battle exchanging position numerous times during the feature. In the Satterlee placed sixth with Feathers right behind him that meant that the two drivers tied in points. But the title went to Feathers with the tie breaker who had the most wins during the season. Feathers who said that he had never raced in his career for a track championship scored two of them over the weekend. The race paid winner Mason Zeigler $7,333, with a field of 32 drivers on hand for the annual race. In the 25-lap limited late model raced that paid $3,333 to the winner Andrew Yoder won the race for the third time, holding off a strong run by Spike Moore, with DJ Myers, Lane Snook and Kyle Lee in the top five. The Limited late models have one more point race this Friday to decide that division's champion. DJ Myers is leading by five points 2575 over Jaxton Garman 2570, going into the Friday program. Thursday is the same deal for the 305 sprints with Kenny Heffner leading the points over Mike Melair 1850-1745.

Sunday night at Selinsgrove the super late models were racing for $10,063 in the 35-lap feature. Gregg Satterlee chased Hayes Mattern for seventeen laps till he took the lead and went on to win the race by 3.823 seconds over Mason Zeigler, with Mattern third, then came Matt Cosner and Ross Robinson. Neat side story on Robinson who left his Georgetown DE home at eight in the morning heading to Bedford. Bedford had canceled at 11am, with Ross already on his way. Instead of driving home after the race, he parked his rig in the parking lot at Williams Grove speedway and watched the night's action. The win for Satterlee was his seventh of the season at Selinsgrove and 11th overall this season. Gregg also clinched the tracks points' title with one more point show on the Schedule. Andrew Yoder doubled up his weekend with another win in the limited late models over Mike Walls, DJ Myers, Daulton Bigler and Jaxton Garman. Chris Dolan won the PASS 305-sprint car feature over Ken Duke, Tyler Erdley Mike Alleman and Timmy Bittner. Tony Jackson coming off a win at BAPS in the winged super sportsman 100-lapper on Saturday night, scored the feature in the wingless sportsman feature his second at the speedway this year.

The super late models will be racing at Hagerstown speedway this Saturday in make-up race from August, called the Nathan Durborow Memorial paying the winner $5,200 to win. Some racing action will also take place on Friday with qualifying races for the Carte and late model sportsman classes, with their feature set to be run on Saturday. The super late model feature will run for 41-laps, with a number of other specials for drivers during the night.

Local Drivers have Good Weekend of Racing

Andrew Yoder of Middleburg scored two feature wins last weekend in Memorial races, Andrew won the Butch Renninger Memorial at Port Royal on Saturday night and followed that up with the Paul Long Memorial win on Sunday night at Selinsgrove for total winners of close to $6,000, for his two limited late model wins. Hayes Mattern of Beavertown had runs second and third in his super late model #9.Hayes also set fast time on Sunday night at Selinsgrove. The previous weekend Young Garrison Zook of Selinsgrove won two 270 Micro sprint races.

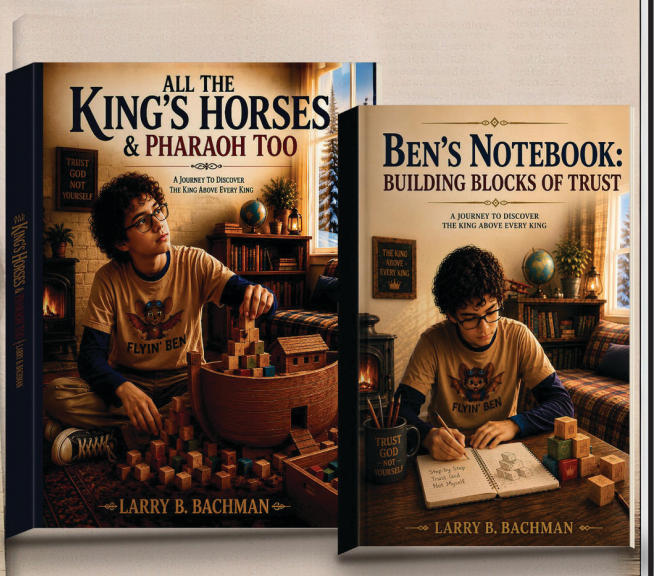

Andrew talked about his weekend "That was the third time I have won the Butch Renninger race over the years the limited car was good all night, the super late model was good also we just had an oil line come off in the feature. Perfect night with the limited fast time won the heat, started on the pole of the feature and led every lap. I was having a good run and then with lapped traffic I believed they were slowing me down; I just had to drive harder and stay with what I was doing at the start of the race. I was ok with the first caution, but I was starting to get past the lapped cars and was getting back to clean air. During the caution I was singled to keep doing what I was doing and protect from anyone trying to put a slider on me, but I felt good enough that I could stop a slider from happening, I knew Spike Moore was close and gaining on me, with getting stuck with the lapped cars. The caution I did not want to see was with two-laps to go in the feature, I thought this would be the time that he might try a slider on the restart, I had seen him underneath me a few times during the race. I was ok on the other restart and then I saw his nose again, so going down into turn one I went in protect mode and just drove it down in harder than I have the whole race, I just keep the speed up and keep the lead until the checker. Luck is a big part of this sport; this is a race I really wanted to win.

Final had a whole good weekend put together with the limited and the super was not bad either, both cars are in one piece after two nights of racing. We qualified well on Sunday night at Selinsgrove which set up for a good start". Andrew had fast time won his heat and led all 25-laps of the feature on Sunday night. I got out front there on Sunday riding to the top of the track, I know that was the better place to be for the feature, ..cont. on page 5.....

cont. from page 4...the super late model feature, and I kind of knew what to do with the limited car. The top was the place to be and with the lapped cars on the bottom I guess I started to back up too much and Shaun Miller got really close to me towards the end of the race. I think if I would have pushed it harder to get around the lapped cars earlier then maybe Shaun maybe would not have been able to catch up to me. I was just getting the dirty air of the lapped car, and I could not get close enough to get by him, I did not want to make a move and door him, I just could not get close enough to make the right pass. The car was perfect until the traffic, the car was the same the night before, so that is something we will have to work on. The last few laps I just really started to send it once I saw him close to me I knew I had to get moving. We touched the corner and I hated that he spun, we were both going for the win at that point. I believe he is going to be mad at me I have been in those situations in the past, so I really don't know what to say Sorry don't cut it I get it we were both racing hard and it happened". Noted Yoder

Hayes Mattern of Beavertown started on the pole for the feature Saturday night at Port Royal, but Mason Zeigler from the outside front row got the jump on Hayes and was leading the feature after the first lap. Mason was pulling away then Hayes started to gain some ground on him and was closing the gap on lap 14 of the 33-lap feature, he again got close on lap 16, but that was it with Zeigler racing on for the feature win Hayes a very respective second place run. "It felt good to be running with the 25 car he is really good any where he races. There for a long time we had a big lead over the rest of the field, so it was just Mason and me racing for the win mid-point in the race. I think that maybe I wish some of those cautions would not have come out. Whether we could have won or not I think it would have been a good race for fans. The top in turns one and two as the preferred line, but I felt really good racing on the bottom, I don't think Mason was as good there as I was, and I was trying to us that to my advantage, he usually make any mistakes, I was hoping maybe one time he would jump the cushion or something and I would be right there, but it just not work out that way. It was a long week with having the baby and a torn-up racing car I have to thank all my guys for working extra hard since I could not be in the shop as often as in the past". Noted Hayes.

Sunday night at Selinsgrove Hayes set fast time with a clocking of 18.576 and then won his heat race and pulled the outside pole for the feature, where he led the first seventeen laps of the feature, before falling to a third-place finish at the end of the 35-lap feature. "We had a really good start to the night, and we had a good lead in the feature and then the caution came out and I saw on the board that Gregg Satterlee, had made it up to second very quick. The car fired off on the restart and the car felt good yet at that point, we were still holding a good lead and then all of a sudden, things changed, I don't know if Gregg found another lane or he was trying to conserve on tire or what, but he drove up to us real quick and drove past us, the car was not as good as it was in the beginning of the race. We are shaking our heads in what direction to go to fix this problem we seem to have later in a race, we have to get better on these long runs, I feel we have a good car for 20 some laps, it was the same at Port Royal on Saturday in the last ten laps we are fading a little bit We will be reaching out to a couple of resource and try to figure something out, I feel like it has something to do with tires, weather it is a tire wear thing, the way we are cutting and sipping tires, or weather we are building to much heat at the end, or maybe the is not set up either we are to tight or to free and that might wear the tire too much, or maybe it some combination that we have to work on to get the car a little bit better and to try and keep the tires on it. We have been to victory lane in the past, but it seems like now it has been to long since we have won a race. Not knocking the competition of six or seven years ago, but now we are racing against guys like Gregg Satterlee, Mason Zeigler Rick Eckert and a Ross Robinson every week. There is a hand full of teams that out there are a lot of the National caliber teams we are a regional or locals weekend warrior team, we are racing against some of these guys who can compete with the national touring teams, times have changed we are racing for a bit more money and that draws some better drivers. It makes it more difficult to win, but it also makes you better. With some of the runs we have had of late it does make it more rewarding running good against the Lucas series guys and others in that league. There is also a lot of luck that plays into this with pill draws time trials it is have luck and having a good racecar, there is a lot of luck that goes along in this sport". Stated Hayes.

The previous weekend found 16-year old Garrison Zook from Middleburg, putting his 270 Micro sprint in victory lane at two different tracks. Garrison drove an impressive win at Clinton County Speedway on August 28th during the final night of the racing season.

Then the team ventured out to Blanket Hill Speedway for the Brothers Tribute Race.

We had a fast car from the start and timed 8th in time trials and in the heat race finished second with I made the redraw and started on the pole for the feature and put it in winners circle" stated Garrison.

Garrison has been racing Micros for the 3 years and is in the 11th grade attending CCA Cyber School and plans on continuing in the Micro sprints.

Ryan Newton Holds off Danny Dietrich to Win his First 410-Sprint Race at Selinsgrove

By Jeff Ulrich

From the inside front row starting spot, Austin Bishop of Morgantown PA drove to the early lead in the 25-lap 410-sprint car feature. Outside of the front row started Ryan Newton. Chase Dietz (an 18-time winner this season but has yet to score a win at Selinsgrove was third), with Tyler Ross and Justin Whitall in the top five. During the second lap of the feature, Kody Hartlaub in the #77 that has seen victory lane already this year with AJ Flick driving the car. Hartlaub did a series of flips into turns one and two, bringing out the red flag. Kody was not injured in the crash. The race went back to green with Bishop now trying to hold off Chase Dietz who moved into second just past the restart. The leaders were just starting to catch lapped traffic on lap nine when a second red flag was thrown for leader Bishop and Dietz wrecking outside of turn two. Dietz getting his car high in the air during the flip. Fourth place running Justin Whittall was also involved. None of the drivers involved in the crash were injured, but Dietz and Bishop were towed off the track and out of the race. Whittall and his crew did some work on his #67 and got him back out for the restart. Ryan Newton, of Sunshine Coast Australia, was the new leader with eighth starting Danny Dietrich running a close second. The race went green flag until lap 14 when the new driver of the #75, Jayden Wolf, slowed on the track. On the restart, Newton was able to pull slightly away from Dietrich who was using the top and bottom of the track to try and chase down Newton.

With five laps to go, some movement was happening in the top ten with Lucas Wolfe moving into the sixth spot and in the top five Jake Karklin moved his way into the top five, and then later getting by Mike Walter for four spot. When the checkered fell Ryan Newton won the feature by 1.155 second over Danny Dietrich of Gettysburg, with Tyler Ross of Lincoln University PA, the first-time racer at the track this season with a solid third place finish. Karklin of Beavertown PA had a strong running #5K during the last part of the race for a nice fourth place finish, with Mike Walter of Selinsgrove in fifth. Walter was driving the Thompson #11t filling in for regular driver Mike Thompson, who was racing a 360sprint out in the Midwest. Sixth thru tenth went to Lucas Wolfe of Mechanicsburg, PA with Justin Whittall of Vincentown NJ coming back from his wreck for seventh, with Dylan Cisney Port Royal PA, Steve Buckwalter of Royerstown, PA and Kody Lehman Enola PA in the top ten. Three heat races for the 25-drivers on hand went to Mark Smith of Sunbury first driver out of the event, Bishop and Newton. Justin Whittall set fast time in trials early in the program with a clocking of 16.16 and16.043 seconds faster than Chase Dietz. This was the last 410 sprint race until the weekend of October 9-10 when the Jim Nace Memorial weekend will be held, going into that weekend Ryan Taylor of Perkasie PA will be the tracks point leader with 1270 ten more than Mark Smith, followed by Austin Bishop 160, Kody Lehman 1105 and Chase Dietz 1040

The Street Stock had a rough start in their 15-lap feature with a number of cars tangling in turns one and two just after the green flag thrown to start the race knocking six drivers out of the race including front row starter Tommy Dawson of Hobbie PA and outside starter Cory Long of Selinsgrove, along with Brad Mitch, Keaton Rice and Jeremy Dooer of Mays Landing NJ. Jason Geesaman of Annville PA moved into the front sport for the restart and led all 15 laps for his third win of the season. Geesaman saw a number of big leads wiped out by cautions a few times during the race. Jason held the top spot on each restart and held off four-time winner Troy Miller by 1.653 second for the tin Brandon Moser of Millerstown PA, AJ Hoffman of Richfield and AJ Stroup also from Richfield in the top five. Geesaman did have an easy time out of front but the battle for second thru sixth was a tight one for the entire race. Miller and Moser won the heat races for the 17-drivers on hand. The next race for Street Stock will be on Saturday September 19 with the running of the LiL Bobs Memorial race with extra money on the line for this event.

Let's Plant 3,000 PA Native Trees

Mifflinburg's grassroots environmental group, For the Earth, invites you to join us as we celebrate the launch of our second initiative, 3,000 Native Trees. This event is being held at 7pm on Monday, September 14, at the Elias Center for the Performing Arts, 212 South 5th Street in Mifflinburg.

The video, The Nature of Oaks, created by Doug Tallamy, a renowned entomologist, conservationist and professor at the University of Delaware will be shown followed by a group discussion. Tallamy is also the co-founder of the organization, Homegrown National Park. HNP raises awareness and urgently inspires everyone to address the biodiversity crisis by planting native trees and removing invasives where we live, work and play.

Lori Weaver, co-founder of For the Earth, will share some of the exciting ways the public can get involved in the 3,000 Native Trees initiative and why, from an ecological perspective, it is important to plant native species.

She will also discuss ways to create a safe, overwintering habitat for the pollinators and other beneficial insects that arrived during the spring and summer months in pollinator friendly gardens planted by folks all across the Susquehanna Valley.

For the Earth plans to host regular environmental workshops and educational events throughout the year, inviting the community to take an active role in aligning with nature's harmony, rhythm and interconnectedness through thoughtful, nature centered acts.

If you care deeply about the health of the planet and want to know more about the 3,000 Native Trees Initiative or would like to invite For the Earth to share their first initiative presentation entitled, Creating Your Own Pollinator Pathway Garden, with your civic organization, please contact us at fortheearth2@gmail.com

Women's Outreach Works (WOW) Offers An Afternoon of Inspiration

By Kay Poeth

Women's Outreach Works is hosting "WOW, It's a September Picnic" for an afternoon to connect, refresh and be inspired on Wednesday, September 23. This free event will be held at New Berlin Fireman's Social Hall, located at 416 Liberty Street in New Berlin. Doors open at 1:00 pm; the program begins at 1:30 pm. There will be special presentations by DIG Furniture Bank, Beacon Free Shop at Beaver Methodist Church in Lewisburg, and Union County Giving Closet.

WOW continues its mission to raise awareness of local outreach efforts and to strengthen the network of support around them. Opportunities to donate in support of the featured organizations include cash/check donations and any items that you would like to contribute.

Enjoy skewer-style light treats and refreshing iced tea and lemonade while listening to the presentations. DIG Furniture Bank provides used furniture and household goods to individuals and families in need. DIG also gives a laundry basket filled with housewarming gifts such as paper towels, toilet paper, hand soap, dish detergent, wipes and laundry detergent. Donations welcome.

Beacon Free Shop provides personal care products and household supplies to those in need, free of charge. Donations of 31-ounce laundry detergent is the their most urgent need as well as dish soap, deodorant, bar soap, shampoo, disposable razors, shaving cream, and toothpaste.

Union County Giving Closet provides new or gently used clothing to children, aged newborn- grade 12, whose families are enrolled in the Union County Food Bank Program. Donations of new multipack socks, any size and gender are appreciated.

"We planned this WOW ministry because we see a growing need for more connected, consistent, and compassionate support. Many of our neighbors face food insecurity, financial strain, housing instability, and limited access to necessities—needs that no single ministry can meet alone," stated Kathleen Ferster.

WOW strives to strengthen shared resources, streamline volunteer efforts, and expand the reach of each ministry. The mission is to build a resilient, interconnected network of partners with greater efficiency, compassion, and impact.

Who is invited to attend? Anyone interested, whether or not they are affiliated with a church, are invited to attend! Any women who dedicate their time and talents to serving individuals and families throughout the Susquehanna Valley, or those interested in becoming better informed about local outreach ministries will want to attend!

The goal of WOW: Together with Tea is to renew inspiration, build new connections, and acknowledge the many ways women in the community are making a difference. Those attending who wish to set up tabletop displays to share their ministries may do so. Please RSVP to Miriam Milbrand at 570-490-3403 by September 19. The program will begin promptly at 1:30 and concludes at 3:30 pm.

Lewisburg Downtown Partnership to Host Third Annual Soiree

The Lewisburg Downtown Partnership (LDP) will host its third annual Soiree on Wednesday, September 16, at 5:30 p.m. at the Campus Theatre.

The evening will celebrate the accomplishments and partnerships that have helped shape Downtown Lewisburg over the past year while offering a look ahead at what's next for the community and its downtown.

This year's event will also mark the presentation of the first-ever Impact on Market Street Award, recognizing an individual, business, or organization whose contributions have made a meaningful and lasting impact on Downtown Lewisburg.

Guests will enjoy heavy hors d'oeuvres, refreshments, and a silent auction featuring items and experiences from downtown businesses.

The Soiree brings together community partners, supporters, businesses, and friends of Downtown Lewisburg for an evening of celebration, connection, and a look toward the future.

Want to join us? RSVP at info@lewisburgpa.com or call 570-523-1743.

A thriving downtown doesn't happen by accident. It happens because a community shows up.

Dirt & Dahlia's 4th Birthday Bash Toy Drive Benefit September 17th

Blane Heimbach will have his 410 sprint car on display at the 4th Birthday Bash Toy Drive. Photo by Debbie Gastelu

Mark your calendars to support a wonderful cause as the 4th Birthday bash by the DH&L Fire company's Christmas Toy Drive for Snyder County Children and Youth will be held next Thursday, September 17th at Selinsgrove Speedway from 5:30 to 8:30pm.

Food trucks, vendors and free activities for the kids including face painting, temporary tattoos and games. 'No Excuses' will be playing from 6-8pm.

Race car driver Blane Heimbach will have his 410 Sprint car on display for everyone to have pictures taken.

The whole goal of this party is to collect toys for children and youth for Christmas. Anyone who brings a toy will receive a free sheet of raffle tickets per toy. Raffle drawing will be at 8pm. (You do need to be present to win).

Last year we were able to donate 131 toys to the cause. Our goal this year is 200 toys!

Let's make this happen everyone!!

For more information or if you would like to make a donation or support in anyway, please contact Kelsey Folk at her Dirt & Dahlias business facebook page.

National & Regional Economic Developments: A Discussion with Federal Reserve Economist, Ryo Tashiro

The Central PA Chamber of Commerce will host a Seminar & Training Series event, "National & Regional Economic Developments," with economist Ryo Tashiro.

Tashiro, an economist and advisor for the Federal Reserve Bank of Philadelphia, will discuss the roles and functions of the Federal Reserve as well as the most recent trends in the economy on a regional and national level. He will explore important questions, including:

- What is the Federal Reserve Bank and its role in the economy?
- How are American consumers doing?
- What trends do we see in the labor market?
- What is the outlook for inflation?

The Central PA Chamber's Seminar & Training Series is designed to provide expert knowledge and experience in short, but impactful, educational opportunities for Central PA Chamber members and the public at large. Chamber members are surveyed for their input on topics and speakers to bring the most relevant and needed information to the public.

The Friday, September 18 event will be held in the Smith Training Center at the Central PA Chamber of Commerce, 30 Lawton Lane, Milton, at 10:00 a.m. Registration is required to attend and costs $10 for Central PA Chamber members and $15 for non-members. Seating is limited. Visit www.centralpachamber.com/events to reserve your seat and learn more.

The soccer pitch is back in focus locally after this summer's World Cup. We have two defending district champions returning with Selinsgrove in 3A and Lewisburg in 2A. The Midd-West boys team should be a force again as they have some key players returning from a 17-4 season. It´s shaping up to be a very competitive league again this year.

Midd-West returns five players that each scored at least six goals last year. They will be led by Gabe Romig and Evan Devine. Jacob Sellers returns to anchor the defense and Derek Wert and his nine shutouts from last year is back in goal.

Defending state champion Lewisburg must replace 62 goals from last year's graduated seniors. Much like their Cross-Country classmates, the Lewisburg soccer team doesn't rebuild, they reload. Returning all-league goalie Ryan Pawling and defender Riley Luthi-Gulden are a good start. Throw in forward Keegan Crosby and the chance for another district title is pretty good.

Lewisburg lost 2-1 last week to always tough Central Columbia on a penalty kick. Crosby had the lone Dragon goal. They got back to their usual winning ways by beating Camp Hill 6-0 as Daedrain Campbell had two goals and an assist. Everett Good scored twice for the Green.

The 3A boys soccer teams are pretty much average. Selinsgrove returns Ryan Toskey to help defend their 3A district title. Mifflinburg averaged one win for every three games they played and qualified for the district 3A playoffs. There is something definitely wrong with that, not just in soccer but many other high school sports.

I realize some districts have a limited number of schools in a particular class. Combine them with a neighboring district and play for a regional title. The PIAA needs a rule that you cannot qualify for the post season unless you won at least half of your games for all sports.

The Selinsgrove girls soccer team returns double-digit scorers from last year in Addison Wenzel and Joslyn Zacharda. They opened their season with a 5-0 loss to Central Columbia. Mifflinburg returns a lot of playing time from last year and should improve on their 5-11-2 record.

First year Lewisburg coach Emaleigh Greb has a young team back with veterans Nora Hockenbrock between the pipes and mid-fielder Claire Driver back. Greb´s first game was a 2-2 tie with Berwick. Maddy Schwartz and Payton Spigelmeyer scored the two goals. The Lady Dragons lost 1-0 to Wyoming Area and 4-1 to North Schuylkill at Central Columbia´s Labor Day Cup. Midd-West should return to the post season with Emery Peters and ´do-it-all´ Ava Aitkins returning.

In girl´s tennis, Lewisburg lost 3-2 to Hughesville. Miff fell 4-1 to Milton but Holly Swartz got a win at No 1 singles for the Cats. The Grove girls lost to Danville 5-0 but came back strong to beat Lewisburg 3-2. They won two of the three double matches and Anna Yang won the No 3 singles match.

The Lewisburg boys and girls depth prevailed in a cross-country quad match sweep of Milton, Jersey Shore and Southern Columbia. Thomas Graham, Tyler Confer and Evan Young paced the guys by finishing third thru fifth. The girls were led by Laelyn Bozella and Loghan Klinger finishing first and second. Lewisburg competed in the Big Valley Cross-Country Invitational and the boys finished sixth and the girls ninth.

Midd-West boys cross-country went 2-1 against Montoursville, Warrior Run and Hughesville. The girls dominated their quad match by taking six of the top ten places. Evelyn Weiser, Ashlyn Hoffman, Mallory Heimbach and Tanzania Seibel placed third thru sixth for the Mustangs.

On the links, Lewisburg (4-1) beat Miff (0-3) 180-203 behind Bryce Bussman's 41 and LJ Carter's 45. Calen Loss was the low scorer for the Cats in carding a 48. Midd-West easily beat Shamokin at Shade Mountain with Brady Gunkle and Cameron Swineford shooting a 39 and 42. Grove lost to Jersey Shore by 8 strokes despite Jax Reichenbach shooting an even par 36.

The emotional moment of the week occurred when Mifflinburg hosted Midd-West in field hockey. Mifflinburg freshman Kenley Flickinger scored her first varsity goal which turned out to be the game winner in a 2-1 victory. More importantly, the ´Teal Out´ game was played in honor and loving memory of Joslyn Flickinger, Kenley's younger sister who died tragically three years ago. Teal was Joslyn´s favorite color.

Midd-West started their season with a 3-0 win over Lewisburg aided by a goal and assist from Veyda Trego. Grove field hockey played in the tough Palmyra Cougar Classic and lost 2-1 to Boiling Springs and won 3-1 over Susquehannock. The Seals Nora Moyer and Alexis Stoneburg were named to the all-tourney team.

The Midd-West football team exploded for 66 points and shutout Columbia Montour Vo-Tech. Witten Carter threw four TD passes in the first half and the Mustangs had a well balanced attack passing for 264 yards and running for 184. They had eight big plays of 20 yards or more.

Noah Kratzer ran for 115 yards and 2 TDs and the brothers Drumheller duo (D'Angelo & Jiovaunni) totaled four catches for 144 yards and 3 TDs. The Mustangs play at Warrior Run Friday.

Mifflinburg surprised me and a few others in beating Selinsgrove quite handily 28-10. The Wildcats scored a touch in each quarter by mixing the run and pass with 148 yards on the ground and 163 through the air. Miff coach Cody Botts addressed the offensive line issue as Seth Hartman and Landon Moser had a combined 21 carries for 128 yards. Last week against Shik they had 18 rushes for 29 yards.

Cat´s QB Brennen Snyder was a very economical 13 for 18 and TDs to Brady Threet and Tanner Zimmerman. Grove´s Rocco Amato passed for 123 yards with half of those to Nash Fordyce on six receptions. Selinsgrove travels to Jersey Shore and Miff to Bloomsburg this Friday.

Shikellamy has started their season undefeated by beating both our Union county schools with their recent 21-0 win over Lewisburg. Dragon QB Xavier Carter left his second game with an injury after totaling 32 yards on two carries.

It felt like after three quarters Shik should have been up by more than 14 points as Lewisburg hung around just needing a big play or two to even the score. Shik´s third TD closed the door on any comeback. Lewisburg plays Hughesville Friday night in the battle of the green.

The NFL has started this week in Australia of all places! Here are my takes on some of the local favorite teams in our area and how their seasons will play out.

The Baltimore Ravens will look different with Jesse Minter as their new coach. They grew stale under Harbaugh and their defense will be their new calling card. They won´t have to rely on Lamar Jackson all the time to win a game.

This pains me to say but the Dallas Cowboys are going to be really good. Their defense is much improved and they got the steal of the draft in safety Caleb Downs. Combine this much better defense with an already explosive offense and even Jerry Jones can´t screw this up!

With a healthy Patrick Mahomes returning the KC Chiefs are one of the favorites to return to the Super Bowl. The LA Rams are clearly the favorite to WIN the Super Bowl and with good reason. They added two future first-ballot hall of famers in Aaron Donald and Myles Garrett to their defensive front. Some of the Ram players will be at the Super Bowl because it's being played in their home stadium but they will be there only to watch the game.

The Patriots will be a disappointment as Drake Maye will take a step back with a much tougher schedule than last year. The NY Giants will be a fun team to watch but are too immature at key positions to mount a meaningful push through the playoffs.

The DC Commanders will finish last in their division and QB Jayden Daniels will not be able to stay healthy again. The Bills still have Josh Allen, the best QB in the league, but their fate will be determined by new head coach Joe Brady and new D-coordinator Jim Leonard.

The Steelers are old on defense and even older at QB. It´s a nice story that Mike McCarthy came back to coach in the city he grew up in and to have a QB he had as a starter for eleven years in Green Bay. Aaron Rodgers was in his prime with the Pack and not 42 years old! Pittsburgh has to look to the future and not be satisfied with winning 8 or 9 games a year.

The Eagles are the least talked about good team in the NFL. The defense is great but Jalen Hurts has a different O-coordinator again. Like his team, Hurts is under-rated and I think he will have the Birds playing in the conference title game.

My other three teams that will be playing for a chance to go to the Super Bowl are the Detroit Lions, Buffalo Bills and Houston Texans.

Rutgers coach Greg Schiano is relieved the mess in Michigan has taken some of the focus off his disastrous loss to UMASS. Questions or complaints can be sent to theviewfromhear74@gmail.com
