The Shea Memorial Farm to Table Dinner on July 31

By Kay Poeth

"Kathy and Brian Shea had a passion for community, agriculture and education.They put their whole hearts into anything they did. They were an amazing team and are deeply missed. For the last few years Kathy spearheaded a fundraiser dinner each summer to help raise funds for future projects at the fairgrounds. She was amazing at organizing every detail. The Beaver Community Fair Committee wanted to continue her legacy," said Ashley Hassinger, Secretary of the Beaver Community Fair Association.

The Shea Memorial Farm to Table Dinner will be held on Friday, July 31 from 5-7 pm at the Beaver Community Fairgrounds in the Veterans Memorial Building, located at 785 Snyder Avenue in Beaver Springs. The menu includes pulled pork, smokehouse chicken, seasoned potatoes, green beans, coleslaw, cornbread, and dessert. Dine-in or Take-out.

Pre-ordered tickets required; $25 each. Call 570-658-4963 ext. 0 to reserved your tickets. RSVP by July 24. Limited tickets are available at the door. There will also be a Silent Auction. All proceeds benefit the new Livestock Building Fund.

"When I think back to the years, I had known Brian and Kathy I cannot think of a time when they were not together and were not helping someone.Their love of the community shown through their lives. Kathy and Brian had huge hearts for the fair, for the youth, and for rabbits.

"Brian served as a director on the fair board for many years. He was passionate about doing the right thing for the kids and the fair. He wanted to see both succeed," said Hassinger.

"Kathy was a 4-H volunteer for many years. At the fair she helped with social media, the website, the premium book, and led the Junior Committee.

"Shea, in my mind, became synonymous to rabbits. Raising and showing their own rabbits, they would often supply rabbits to youth who needed a project for 4-H, and FFA.Exhibiting locally and nationally, the Shea name is well known.

"They always had time to help or to just listen. It didn't matter if it was a new 4-H or FFA youth who needed help with a project or one of the many tasks needing completion on the fairgrounds, they were always there and willing to help. This included their dedication to raising funds for a new arena.

"They were an amazing team. We were lucky to have known them; they will be forever missed," added Kathy Weller, 4-H Educator of Snyder County from the Penn State Extension Service.

Mark your calendars for The Shea Memorial Farm to Table Dinner being held on Friday, July 31 from 5-7 pm at the Beaver Community Fairgrounds in Beaver Springs. Dine-in or Take-out. Pre-ordered tickets required; $25 each. Call 570-658-4963 ext. 0 to reserved your tickets. RSVP by July 24. Limited tickets are available at the door.

Motor Vehicle Fatality in McClure; Winfield Man Dead at Scene

By Kay Poeth

Another tragedy struck the community of McClure over the past weekend. Ronald S. Whitman Jr., 31, of Winfield died in a motor vehicle accident in the Borough.

On Saturday afternoon, July 11, 2026, at approximately 5:34 pm, Whitman and Clinton T. Muir, 32, of Tyrone were involved in a single vehicle accident with rollover and ejection. Whitman was declared deceased on the scene. Muir was transported by LifeFlight to Geisinger Hospital in Danville.

According to the investigation, the driver, Ronald Whitman, accelerated rapidly at the intersection of Specht Street in McClure and Rt. 522 and combined with the lack of tire traction caused the driver to loss control of the vehicle. The vehicle then spun and rolled down an embankment, north of Forbes Street. The occupants, Whitman and Muir, were ejected from the vehicle.

The road was closed for about an hour. PennDOT assisted with the detour.

Middleburg Police Department officers conducted the investigation. Assisting at the scene were fire and EMS units from McClure, Beaver Springs, Beavertown, and Middleburg.

CLINTON COUNTY RAN A VERY SUCCESSFUL 410-SPRINT SHOW, SELINSGROVE THREE DIVISIONS SHOW ON FRIDAY

The new Pa Posse series came to Clinton County speedway on Friday night with a field of 20-drivers, with most of the top point drivers on hand for the big event. Danny Dietrich of Gettysburg Pa started the night off by setting fast time with a clocking of 11.771, points leader Chase Dietz was next with a time of 11.80, the only two drivers under the 1-second mark. Troy Wagaman Jr, Logan Rumsey and Freddie Rahmer were in the top five. Eight drivers were making their first ever start at the speedway Dietrich, Dietz, Wagaman Jr, Freddie Rahmer, JT Ferry, Justin Whittall, Australian driver Ryan Newton, and Doug Hammaker. Heat races went to Logan Rumsey, Freddie Rahmer and Justin Whitall, the heat race winner and fast timer went to the redraw, with everyone else lined up by the way they finished in the heat. Justin Whitttall and Danny Dietrich made up the front row for the feature with Dietrich getting the jump from the starter and went on to lead all 35-laps. During the feature there was a miss communication's which caused a red flag because the race green at the same time a car had stalled on the track in turn two, Freddie Rahmner suffered damage to his # 51 because of the mix up, so he was allowed to go back to the pits and fix his car and get his spot back. Danny Dietrich went on to score the win on the smooth Clinton County racing surface, over fourth starting Chase Dietz who made a late race pass of Justin Whittall for the spot, after Whittall was Troy Wagaman Jr and Ryan Newton. The next 410-sprint show at Clinton will be on Saturday August 15th for the Phil Walter Tribute race which will also be another PA Posse series race, that event will pay $7,500 to win. Jeff Weaver scored his fourth win of the season in the 270-micro sprint feature it was also his 62-career win in the division at Clinton County, Jeff also has a career total of 82 feature wins in other divisions over the years, he is close to begin the top winner but the track does not have any of that information out there for the public to see. Jimmy Moyer scored his fourth four-cylinder feature win of the season but is not racing regular for points. This Friday the IMCA 305 sprint will be in action along with the pro-stocks, 270-micrco-sprint and four-cylinders. The limited late models will have their third race of the season on Friday July 24th with the Cowboy Jim Kennedy Memorial race set for Friday August 7th with the winner getting $2,000 to win, for the IMCA 305-sprints.

Friday at Selinsgrove speedway Jason Shultz of Carlisle Pa scored the win in the 360/358 sprint car challenge race; the event was to honor Kramer Williamson who spent the last part of his career racing in the URC 360-sprint division. Shultz beat 358-sprint car driver Seth Schnoke, Mike Walter, Josh Weller and Tyler Ross. The race drew a field of only 15 sprints between the two sprint divisions. Ken Duke of Winfield Pa who has had not one of his best racing seasons so far scored the PASS 305-sprint car feature over Logan Spahr, Kruz Kepner, Chris Dolan and Jarrett Cavalet, with a field of 21 drivers on hand. In the limited late model feature, Lane Snook of Port Royal scored the feature win his second of the season; Coleby Frye, Jaxton Garman, Andrew Yoder and DJ Myers were next in line. Selinsgrove will be off this weekend and will be back with a show of Super late models, PASS 305-sprints and Street Stocks on Friday July 24th Two schedule changes have been announced by the speedway, for Friday August 7th the PASS 305-sprints will be taken off the schedule. Part of the reason is the big Cowboy Kennedy show at Clinton County. The 270-micro sprint Roger Folk race set for this Sunday has been Postponed due to damage at the kart track, a make-up date is begin talked about with the family for later this year.

Made a trip to the western part of the state to Hummingbird speedway for my first time visiting the speedway. They ran six divisions show with great car counts, for only their second race of the season. Mother Nature has not been kind to the track this season, with the track getting weathered out seven times. They had one race back in May and that was it until last Saturday night. The night getting for them when it was learned that Marion Center, a track close to an hour away,y was rained out and a number of team were on their way to Hummingbird to race. The track ended up with 108 race teams for their night of racing that included seventeen heats races, and six features. They had 19 super late models, 14-Semi_late which is like a limited late model, 18-Pro Stocks that were racing for a $900 top prize in the feature, Pure Stocks numbered 18, with 30 four-cylinders and 7-ecno Modifieds. Paul Kot won the super late model feature over Jon Lee, Ken Schaeffer, Denny Fenton and John Weaver. Chase Lambert won the big money in the Pro-Stock special with BJ Hudson winning the semi-late model feature. The track has been around since 1964 when it was first built. The track is very wide for the 3/8-mile speedway with plenty of room for racing in the corners. I would make a return trip to the speedway and revisit it for Saturday night out.

We have had a lot of special Speedweek events this season and during this week is another flying a little bit under the radar, with the 660-wingless micro-sprints racing for six nights. It started last Sunday night at Bridgeport Speedway's micro-track inside the bigger track; the event drew a field of 103 racecar drivers. Other tracks involved Airport, Greenwood Valley action track, Kutztown, Lindas, Baps and Lanco. Looks like the series is off to a good start. Last Sunday Bedford Speedway held the PA Posse series, but only drew a field of 14 drivers, with Chase Dietz scored his 16th overall feature win of the season over Justin Whittall, Ryan Newton, Ryan Smith and Troy Wagaman Jr.

Port Royal had Doug Hammaker winning his second 410-sprint car feature of the season Saturday night over Nash Ely, Logan Wagner all three second generation drivers, Jason Shultz ran a 410-sprint car for the first time this year to a fourth-place finish followed by Lance Dewease. Ryan Zook won the limited late model feature over Gunner Walls, Spike Moore, Lane Snook and Kyle Lee, the 305-sprint car feature went to Josh Spicer over Kolby Weaver, Dylan Shazter, Dustin Young and Zach Rhodes. Lincoln speedway had Brandon Rahmer beat his brother Freddie in the 410-sprint feature Matt Campbell, Jordan Strickler, and Jude Siegel.

Ritter Racing Team Racing on Their Own Terms

In rural Middleburg, you will find a racing team finding success on their own terms. Kirk Ritter has been an owner of sprint cars since 2017, hiring out drivers throughout the years; Chad Layton in 2019, Jason Shultz from Carlisle has been pretty much his number one driver since 2020. In 2024 Jake Karklin took over the driving duties that year but Jason Shultz came back in 2025 and still continues today to be his number one driver to this day.

The Ritter Racing team for years campaigned in the URC 360 sprint car series, winning three titles along the way. In 2019 they won the URC championship with Chad Layton behind the wheel. In 2021 and 2022, they won the URC championship with Jason Shultz driving.

"The weekly grind of traveling and chasing points is in the past," Stated Kirk. Now we focus on picking the tracks that we enjoy competing at and know we can be competitive at the same time.

Kirk runs a Ford engine built by DMY Performance in their 360-sprint car which is usually not the norm in that division but has recently found success in the past few weeks. At Port Royal Speedway on July 1st the team parked it in victory lane in an exciting race to take home the trophy in the URC 360 race. Just last week the team did it again winning at Selinsgrove Speedway in the coveted "Kramer Cup" URC 360 sprint car race. That night they also won fast time over all the drivers in attendance. This was Jason's second Kramer Kup he has won.

Besides racing the 360-sprint car, they have dabbled in the 410 sprint car ranks. Having only one motor they are particular on where and when they race since you only get so many races on the engine before it needs to be refreshed. This past Saturday at Port Royal they did bring out the 410 and Jason finished in 4th place in a very competitive lineup of 410 racers.

Future plans are to compete at Eldora and Knoxville in the 360 and compete at Sharon Speedway and Lernerville Speedway in the 410.

Kirk appreciates his dedicated crew members as everyone assists in the maintenance of the cars. Chris Stake, Colby Womer and yes Jason Shultz is also part of the pit crew during the week and also has help at the races with Dave Snook, Jason Horst and Bud Godek.

Wishing continued success for the local Ritter Racing team and putting Middleburg and Snyder County on the map!

I watched the baseball All-Star game this week and thought I was watching another World Cup soccer match. The best part of the game were the player introductions and who the Philly fans cheered and jeered. It´s not good when the home run derby is more exciting than the actual game.

Philadelphia sports fans proved once again why they are considered the most passionate and boisterous fans in America. I was never a big fan of the Home Run Derby but I thought this year was one of the best ever. Hometown heroes Kyle Schwarber and Bryce Harper made up a quarter of the field in this year's derby. Schwarber and St. Louis Cardinal outfielder Jordan Walker faced off in the finals.

Schwarber was first up and hit eleven of fifteen pitches out of the park behind thunderous applause from the fans. Walker somehow beat Schwarbs on his final swing. It was the first time in over forty derbies that the crowd was heard booing the players not from Philly.

The fans lustily booed Walker and Willson Contreras for having the misfortune of matching up against Schwarber head to head. Yankee Ben Rice heard it as well just for playing in New York. Even the kids shagging balls in the outfield were booed if they didn't catch a non-home run ball. Thank you Philly fans for keeping up the traditions like throwing snowballs at Santa Claus and batteries at J.D. Drew and punching the horse of a Philadelphia police officer.

Across the state in Pittsburgh the Pirates are having a surprisingly good year to most people. Many of you do not realize how good this team is. After 97 games they lead the National League in runs scored, hits, RBIs, total bases and batting average which belies the fact they have struck out more than any other NL team. Last year they scored the fewest runs in the Major Leagues.

The fact that none of their position players were selected to play in the All-Star game is surprising. They have six different players among the top five in NL offensive stats. The Pirates have gotten contributions throughout its batting order rather than relying on two or three players to carry the offense. That is the reason they didn't have a position player in the mid-summer classic. I believe both Brandon Lowe and Bryan Reynolds deserved to join pitchers Paul Skenes and Braxton Ashcraft in Philadelphia.

The Pirates three game sweep of the division leading Milwaukee Brewers before the all-star break proved they are worthy of being treated as a playoff team. The pressure is now on the front office to add parts to this team without dismantling its future. They need bullpen help to assist the young starting pitchers and a true closer would be really nice.

While I am dreaming, the best trade they could do before the trading deadline is to acquire all-star left-handed starting pitcher Foster Griffin from the Washington Nationals. Griffin is considered a ´crafty-lefty´ and would be a great counter to all the other Pirate starters that all throw hard and are all right-handed. As a life-long fan of the Pirates, I have witnessed promising seasons die because ownership and management didn't respond with true urgency.

My halfway-mark awards in baseball were quite simple but there's still a lot of baseball to be played. The AL MVP would be the Astro´s Yordan Alvarez who looks like a cross between Big Papi and Barry Bonds. The NL MVP is Shohei Ohtani of course. AL Cy Young was a tough call but I will go with Cam Schlittler with the Yanks and Dylan Cease of Toronto a close second. In the NL I'll go with Jacob Misiorowski but I think Zach Wheeler will use his All-Star snub to prove he is fully back and healthy and as dominating as ever.

My AL least valuable call was a tough one as two mega-stars from last year are a shell of themselves this year. Cal Raleigh was the talk of baseball last year but the Big Dumper has been a Big Disappointment. The player that is even worse than Raleigh is in the first year of a fourteen year contract that will pay him half a billion dollars. Sixty first-basemen this year have hit more home runs on their home field than Vlad Guerrero Jr. There are only thirty teams in the league!

My least valuable NLer was a difficult call as there were so many players to select from the same team so I'm going with Mr. Met, their furry mascot. I´m sure Semien, Robert´s Jr., Polanco, Vientos, etc… would like to borrow Mr. Mets outfit to leave the stadium and not show their faces.

The 2026 NFL season is quickly approaching as training camps open up next week with rookies reporting for work. This is also when many reporters start ranking teams and players for clicks and attention with some crazy thinking. The results of one particular ranking where league executives, coaches and scouts were asked to rate the top 10 players at each position right now.

Jalen Hurts will be starting his seventh year in the NFL and was ranked in the lower half of all the starting quarterbacks. Hurts has never been ranked among the top 10 QB´s in the NFL despite leading his Eagles to two Super Bowls and winning one in his first five full years as a starter. He was named Super Bowl MVP in the one he won in 2025 and would have earned his first MVP two years earlier when the Eagles lost to the KC Chiefs by three points.

It should be noted that Hurts has had ten different offensive coordinators over his ten year college and professional career. That's like getting a new wife every six months. Think about that for a minute. Entirely different playbook and terminology for calling plays each year and does your wife like to cook or dine out? Play from the shotgun formation or under center? Likes to go hiking or cuddle up with a book? Short dink and dunk routes or stretch the field? Weekend getaways or a vacation in a foreign country?

In football, like life, you need consistency. At some point it stops being about the quarterback and starts being about structural instability. The Eagle's success over the last five years has rewarded two of their OC's with head coaching positions, Shane Steichen to the Colts and Kellen Moore to the Saints. They both are indebted to Hurts for their head coaching opportunities.

Can you honestly tell me Jackson, Prescott, Herbert, Maye, Williams, Lawrence, Daniels, Love and Purdy are all better than Jalen Hurts? The NFL is all about winning.

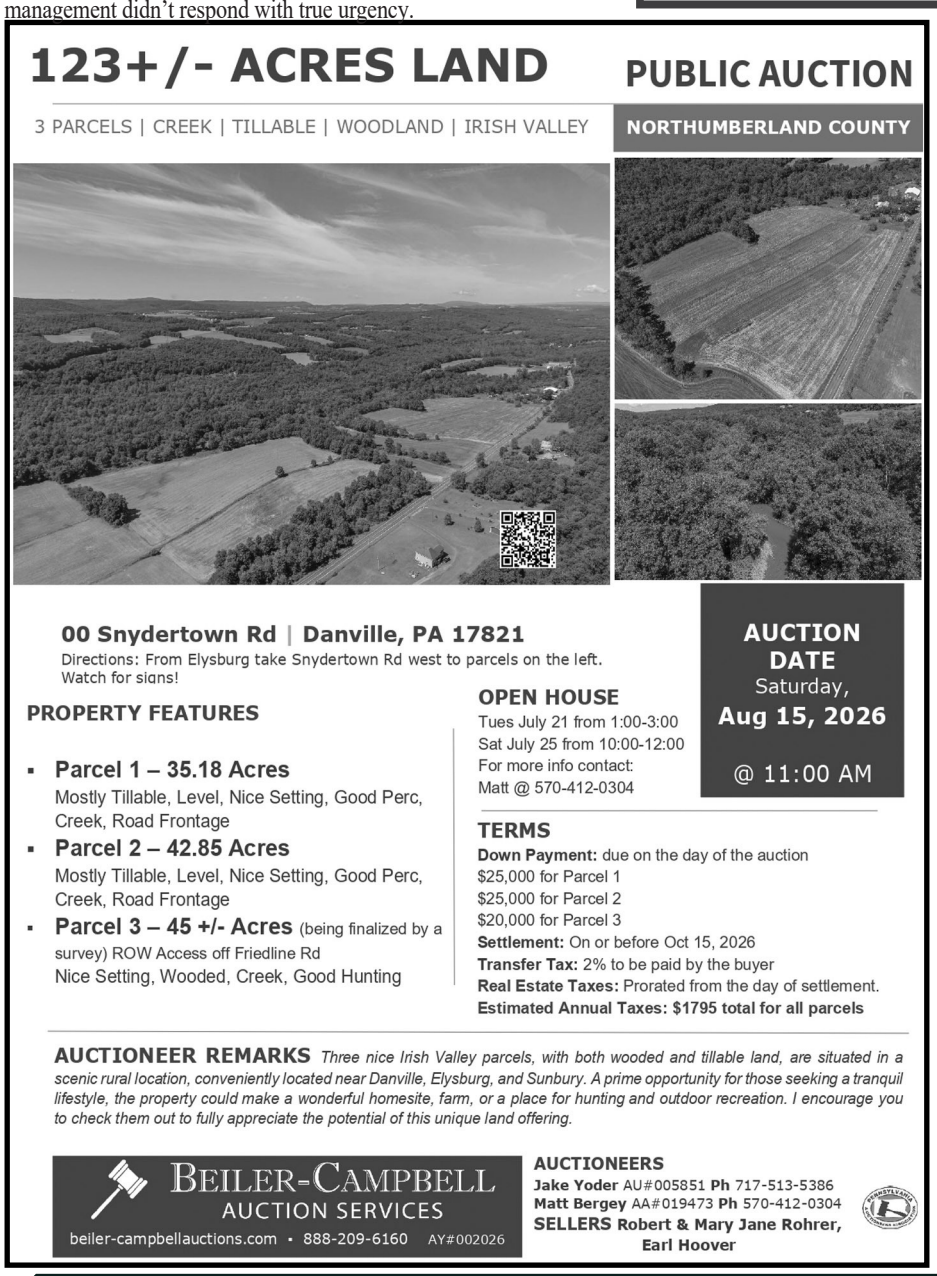

The Selinsgrove 8-10 Division Little League baseball team won the D13 baseball championship by beating Lewisburg 7-1. They open sectionals against Wyalusing this Saturday in Penns Creek. The Snyder County 9-11 Little League softball team won their first sectional game over Blue Ridge/Susquehanna 6-0. Snyder County pitcher Maggie Perkins threw a no-hitter. They will play Keystone next Tuesday.

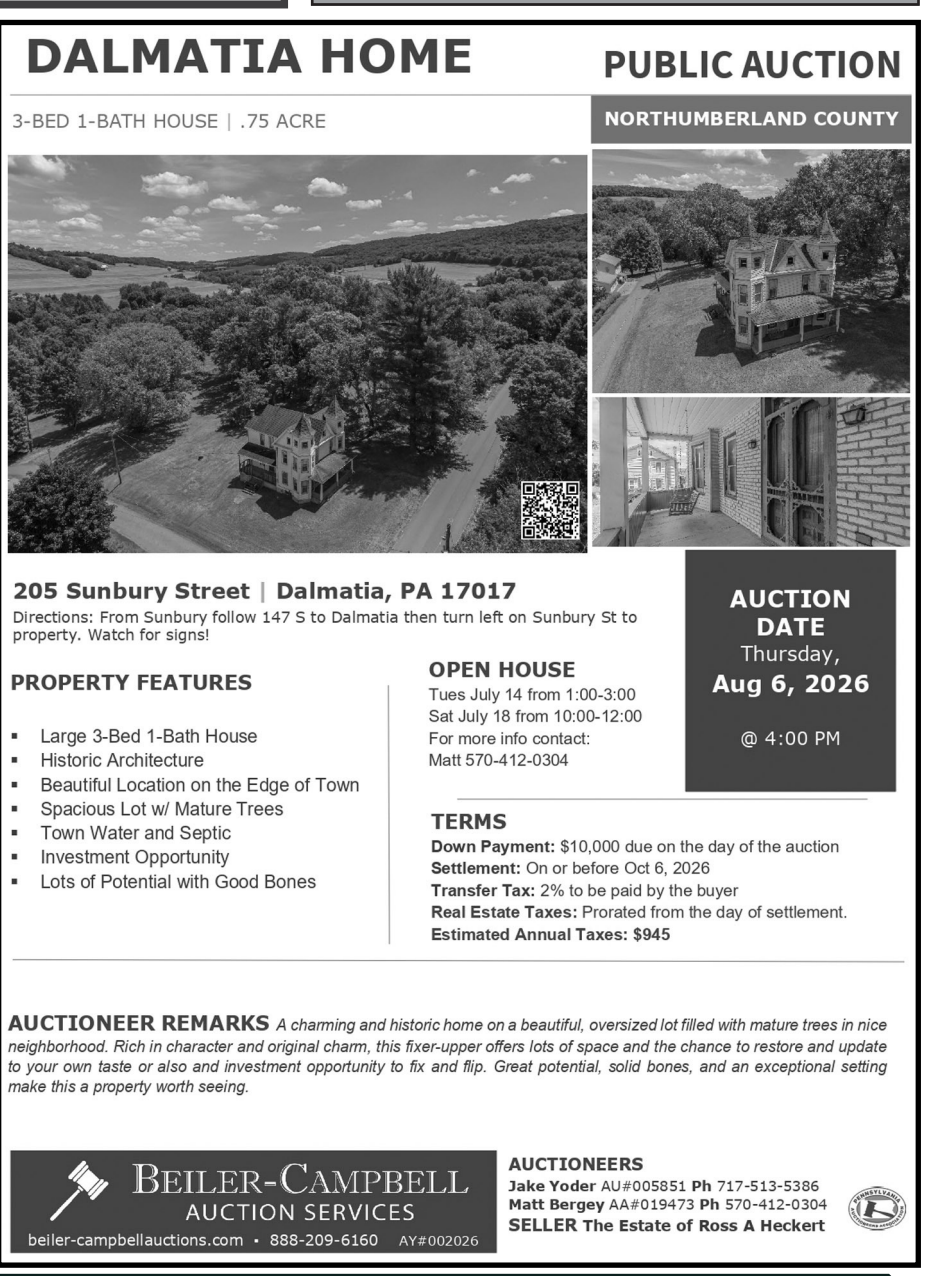

The fact that Zach Wheeler was only invited to play in the All-Star game at the last minute is a travesty and a slap in the face from Major League baseball.

Replacement SNAP Benefits Available for Pennsylvanians Affected by Recent Severe Weather, Power Outages

Harrisburg, PA – The Pennsylvania Department of Human Services (PA DHS) today announced that help is available for Supplemental Nutrition Assistance Program (SNAP) recipients affected by severe weather and extended power outages following last weekend's storms. SNAP households may be eligible for replacement SNAP benefits if their food was destroyed as a result of the extended power outage caused by a natural disaster or severe weather event.

SNAP households that experienced an extended power outage or are still without power can immediately request a replacement in person or by phone with their County Assistance Office and must apply within 10 days of the incident.

"A power outage and loss of food can be extremely difficult to recover from for households on limited incomes, especially if they have already used their allocation of SNAP benefits for the month," said PA DHS Secretary Dr. Val Arkoosh. "If any Pennsylvanian who receives SNAP is in this situation, help is available. I urge SNAP recipients who lost food because of a power outage from the weekend's storms to request replacement SNAP benefits as soon as possible so they can safely recover and get back on track."

States are able to provide replacement benefits totaling up to one month of a household's SNAP benefit in the event that a natural disaster or other incident causes the household's food to be destroyed. SNAP recipients must complete and submit an Affidavit for Replacement of Food Destroyed in a Household Disaster within 10 days of the reported food loss to affirm that the food loss occurred through a natural disaster or other unpredictable household incident, available online in English and Spanish.

SNAP replacements can be requested in person at DHS' County Assistance Offices, by phone, or through COMPASS and the myCOMPASS PA mobile app. Affidavit forms will be available in-person at the County Assistance Offices for those unable to print.

PA has an abundance of dirt race tracks and our local racers from Snyder and Union county are showing up and finding success.

On Friday night at Selinsgrove Speedway racer Ken Duke Jr. from Winfield won his 10th feature of his career in the 305 Sprint car event. Ken is also a multi-time champion at this speedway. Finishing in 3rd place was Kreamers; Kruz Kepner who earned the Len Krautheim Auto Sales and Service Hard Charger award gaining 5 positions to earn that award.

In the URC 360 Kramer Kup sprint car race, driving the Kirk Ritter #35 360 sprint car from Middleburg was Jason Shultz of Carlisle not only setting fast time in the time trials but finished the night by winning the coveted Kramer Kup for his efforts. (see separate story on the Kirk Ritter Racing Team) Also making an impressive run in the 360 URC event was Middleburgs, Mike Walter driving the #7 finishing in 3rd place and winning the Hard charger award by moving up 11 positions to win that award.

Not to be out done, Andrew Yoder of Middleburg finished 4th in the Limited Late Models and moved up 6 positions to earn the Hard Charger award for that division.

To say the least; the Snyder and Union County racers are getting it done in fine fashion.

Old Herman School To Host Special Sunday July 26 Program, "It All Started With a Shoe"

After 184 years, it is hard to believe that we continue to learn more about the history of the Old Herman School, but stories have a way of being buried for many years before being discovered by dedicated history lovers.

"Last year, near the end of our tour season, we received a surprise donation of a child's shoe over 100 years old," said Kiki Sullivan. Kenneth Smith, a longtime member and supporter of the school, donated a child's shoe that was found on the farm where the Herman School stands. There was a note found in the shoe speculating that it belonged to one of the "Fetter Girls."

The Herman School curators wanted to learn more about the Fetter Girls and their connection to the Herman School. With the help of census records, newspaper articles, and death certificates, they uncovered just how intertwined the lives of the Fetters were with the Herman family, Herman School, and the surrounding area.

"In doing so, we uncovered numerous ties between the school, families attending, and seven remarkable women who are to be credited with preserving our school to this day," explained Sullivan. "Their stories died with them...but only briefly."

On Sunday, July 26, at 1:30 pm and 2:30 pm, Herman School members will be sharing these stories during a brief historical presentation at the Herman School, located at 3015 Salem Road, Selinsgrove. Come hear the stories. Come tour the Herman School building. And come see this wonderful little shoe for yourself!

Culver to Host Virtual Event on Data Centers and Water Demand

HARRISBURG – Sen. Lynda Schlegel Culver (R-27) will host a virtual informational session with the Susquehanna River Basin Commission on Wednesday, July 22, from 6-7 p.m. to discuss water demand associated with data centers.

"Our region and its residents deserve clear information about how water use is reviewed, regulated and balanced," Culver said. "This session will give the public an opportunity to hear directly from the Susquehanna River Basin Commission about its role in evaluating water demand and protecting the resources that are so important to our communities."

The virtual event will focus on how water usage is evaluated within the Susquehanna River Basin, including the review process for proposed projects and how water demand is considered alongside environmental and community needs.

Attendees will be able to submit questions during the event.

League of Women Voters of the Lewisburg Area Honors Janice Butler with 2025 Judy Anderson Community Service Award

Award recipient Janice Butler left, is congratulated by immediate past vice-president Elaine Hopkins (right) for decades of service, advocacy, and community leadership. (Photo by Ben Stieler.)

Sixty members of the League of Women Voters of the Lewisburg Area (LWVLA) gathered at Brasserie Louis on May 12 for the organization's Annual Meeting, where members celebrated the accomplishments of the past year and recognized outstanding community leadership through the presentation of several annual awards.

Among the honors presented was the Judy Anderson Community Service Award, which recognizes an individual or organization in Union County for noteworthy contributions that improve the quality of life in the community. The award celebrates those whose service, leadership, and commitment embody the spirit of civic engagement championed by the League.

This year's recipient, Janice Butler, was recognized for decades of service,advocacy, and community leadership.

Throughout her career at Bucknell University, Butler served as director of the Women's Resource Center and later as director of the Office of Civic Engagement and Service Learning. In those roles, she consistently went beyond her professional responsibilities, championing women's rights, LGBTQ rights, racial justice initiatives, and disaster recovery efforts following Hurricane Katrina.

She was also a founding leader of the Bucknell Brigade, an initiative that organized teams of Bucknell students to travel to Nicaragua to assist families rebuilding their lives after Hurricane Mitch in 1999.

Since retiring, Butler has continued her commitment to community service. She serves as the civilian representative and secretary of the Buffalo Valley Regional Police Commission, helping develop policies that strengthen relationships between law enforcement and community members. She also played a key role in the search process for the commission's current police chief.

In addition, Butler has been an active volunteer with the Bucknell Institute for Lifelong Learning, serving as chair of the Special Presentations Committee, vice-chair of the Steering Committee, and organizer of numerous educational field trips for members.

Concerned about the impact of immigration enforcement actions on local families, Butler conducted extensive research and presented information to community groups, helping residents better understand potential local implications. Those efforts advanced the formation of SUN Immigrant Community Support, an organization that provides advocacy and short-term assistance for immigrant families, including help with housing, utilities, medical expenses, and clothing.

"Janice Butler exemplifies the values of service, inclusion, and civic engagement that this award represents," said Elaine Hopkins, former LWVLA Vice President. "Her unwavering commitment to supporting vulnerable populations, strengthening community institutions, and creating a more welcoming region has made a lasting difference in the lives of countless residents. We are honored to recognize her with this year's Judy Anderson Community Service Award."

In presenting the award, LWVLA members highlighted Butler's extraordinary dedication to making Lewisburg and the surrounding area a better place for all residents.

The League of Women Voters of the Lewisburg Area congratulates Janice Butler and thanks her for her years of leadership, advocacy, and service to the community.For more information, contact the League at LWVLewisburgArea@gmail.com.
