

# Mifflinburg Shop Hop Success

By Kay Poeth

Hoover's Bernina Sew was one of the 8 participating stores in the Mifflinburg Shop Hop designed to promote shopping locally and to encourage customers to explore other businesses in the area.

The third annual Mifflinburg Shop Hop was a success for both shop owners and customers! The stores offered discounts and/or prizes at each location.

Participating in the annual event were 8 stores throughout the Mifflinburg area including Hoover's Bernina Sew, Sunset Poly Furniture, Amy's Frosty Freeze, Golden Apples Bookstore, Mifflinburg Variety, A+ Office Supply, Old Mill Creamery, and Brookside Acres Greenhouses. Customers had

the opportunity to shop local while visiting all these wonderful stores in Mifflinburg.

Leon Hoover of Hoover's Bernina Sew first suggested the idea as a way to promote shopping locally and to encourage customers to explore other local Mifflinburg businesses and the surrounding area. Most businesses also ran special sales and promotions in conjunction with the Shop Hop.

Held on April 19-22, customers picked up a passport at the first store they stopped to shop. No purchase is required to get the passport stamped. After having their passports stamped at each store they visited, they left their completed passport at the last store to be entered for a drawing for eight \$25 gift cards from the participating stores and a grand prize of \$500 in gift cards.

Congratulations to the Grand Prize Winner- Karen Reiff of Mifflinburg who now has \$500 in gift cards to shop, shop, shop. Other lucky winners of \$25 gift cards include Judy Weaver of Middleburg, Wendy Stahl of Lewisburg, Martina Weaver of Middleburg, Bethany Erdly of Mifflinburg, Karen Boyer of Mifflinburg, Trevor Zehr of Millmont, Beth Geyer of Turbotville, and Ana Erdley of Middleburg.

"We are pleased with the turn-out for the 2025 Mifflinburg Shop Hop," said Jeff Kauffman, Manager of Mifflinburg Variety Store LLC. "We are already planning for next year's event!"

# GOLD Program Creates a Supportive Environment for LAHS Students

The Lewisburg Area High School (LAHS) held its 3rd annual GOLD (Growth Opportunities and Leadership Development) night, with support from The Green Dragon Foundation through The Charles and Betty Degenstein Foundation and The Charles B. Degenstein Foundation. Sixty-seven students participated and 15 staff members collaborated to produce the event. The evening of support and fellowship engaged students in several small and large group sessions where they had the opportunity to express themselves, learn coping skills, and build connections with their peers, leaders, and staff.

Now in its 3rd year, the GOLD program gives female 9th grade students an opportunity to come together in a supportive and positive environment. Students spent the evening learning about empowerment, healthy relationships and consent, self-image and self-confidence, coping mechanisms for anxiety and depression, and other topics. Most im-

portantly students left the event knowing that they can call upon trusted school staff members or peers if they need help or guidance.

Student reactions were very positive and included: "I am glad our school does something like this.", "I think this is something that should be offered forever.", and "It truly brings out the honesty and kindness from your peers." Program leader, teacher Claire Gault, thanked The Green Dragon Foundation for their support and expressed her hope of repeating the program for incoming students next fall. ## Selinsgrove has Another Quality Program Last Saturday, Anthony Macri Beats the Woo Series

The new management group put on another good show last Saturday night with the four division show producing 88 race teams in the pits. Nine teams had to park in the old pit area in the infield, with car counts full at 35 Pass 305-sprints, 20 super late models 17 limited late models and 16 roadrunners. The super late model feature went off first with Shaun Jones of Shermansdale PA leading most of the feature only to get passed with four to go by Rick Eckert who went on to score his second win of the season at Selinsgrove. This is his fifth overall feature win this year. Rick also has two wins at Port Royal and one at Georgetown Speedway in Delaware. Jones hung for a second and he is still looking for that exclusive first super late model feature win. Shaun, a former limited late model driver where he scored many wins, but still looking for his the first super win in his sixth year in the division. Feature winner Rick Eckert liked the fact some more top name drivers were on hand like Ross Robinson, who most recently dropped off the Lucas Oil series after racing with them for close to three years. Trevor Feathers of Winchester VA had seen the speedway before but never raced on it. Trevor drove to a seventh-place finish. Trevor will be filling in driving the Cameron/Mann #72 for the rest of the season as regular driver, Tyler Emory is still nursing a sore back, and now decided to take the rest of the season off. Emory will then get back behind the wheel in the 2026 season. Chad Homan of Penfield NY made his first start of the season with his #91. Chad, who did most of his racing over years in the crate late model divisions scoring many wins, is now going to try and run more super late model shows this year. Matt Glanden of Denton MD made his first start at Selinsgrove, and it was the first time he had ever seen the speedway. Matt was only his third time in a super late model, after a few years of racing in the limited late model class. Matt looked good early in the feature but faded to a 12th place finish. He figured he made the wrong tire choice for the feature. In the Limited Late model feature, Lane Snook made it two in a row passing Jim Yoder late in the race and getting his fourth overall win this season. Lane has two wins at BAPS Motor Speedway. He plans to be busy the rest of the month with racing at Hagerstown this Saturday and then a two-day show at Port Royal over Memorial Day weekend on Friday and Saturday, then back to Selinsgrove on Saturday May 31st going for three wins in a row. Andrew Yoder, Jim Yoder, Maddox Smith and Zach Kauffman in the top five. Jason Geesaman made it two wins in a row last Saturday in the Roadrunner feature beating another two-time winner, Brad Mitch. The division has been dropped from this Friday night program but when they come back to race on Saturday May 31st they will have a new name, Street Stock, with a different rules package. Check out the tracks web-site for the new rules. Kreamer's Kruz Kepner drove from his pole starting position and held off some late race challenges from Logan Spahr to score his first win of the season, Tyler Snook was third but was DQ'd when he was light at the scales, Landon Price and Dustin Young were 4th and 5th. The 305 sprints will be back on the program this Friday with the 410-sprint that will be running twin 20-lap features in the Ray Tilley Classis. Tilley is five time track champion and overall leading sprint car feature winner at Selinsgrove with 69-career wins. Ray passed away a few year back from stroke, but his family wants to keep his name and legendary status with some of the family member planning to attend the evening's events.

Anthony Macri of Dillsburg PA beat the WOO series last Saturday night and took home the top \$20,000 prize along with keeping the Morgan Cup with the Pa Posse,

the win was Macri's third of the year at the Grove in the only three events that have able to complete with weather already cancelling seven programs. Macri held off one of the hottest sprint car drivers in the county, David Gravel, Danny Dietrich of Gettysburg, PA, Donny Schatz, Justin Whitall, Freddie Rahmaer and Troy Wagaman also made the top ten finishes with Freddie seventh and Wagaman tenth. 43 drivers signed in for the night program. The event at Williams Grove was the 239th contested WOO series race at Williams Grove tying Eldora Speedway for the most events held in the series. Port Royal Speedway after a week off comes back with a program of 410-sprints super late models, and wingless Sportsman on the Saturday night show. Not much talk about the other sprint car series High Limit which is run by drivers Kyle Larson and Brad Sweet, that all comes to an end as that series is heading to the area first off in the state of New York for two shows at Ransomville and Utica-Rome speedways this Friday and Saturday. After that they go to Grandview speedway back in Pennsylvania on Tuesday May 20th then head to Port Royal for a three day show Friday, Saturday and Sunday May 23-24-25. The final three day show will pay the feature winner \$75,000 to win. WOO super late models will be close to are area with Marion Center Speedway hosting a two-day event this Friday and Saturday, with the Saturday feature winner getting \$30,000, then on Sunday May 18th Bedford Speedway host the series with the feature winner that night getting \$20,000 for the win. Staying with Bedford, Jeff Rine after waiting two years to get another feature win there did so last Friday and he is now the tracks all-time super late model feature winner there getting his 38th career win, Scott Haus had held that record for a long time till last Friday.

The regional series, ULMS, finally got there first race of the season after three rain outs, at Latrobe Speedway with Mason Zeigler of Chalk Hill PA collecting the \$7,500 to prize winning over local driver Dan Angelicchio, Jared Miley, Eddie Carrier and Michael Lake. The series will visit Selinsgrove Speedway on Saturday June 28th also paying \$7,500 to win. The ULMS series UEMS Modifieds will also be racing that night.

## Selinsgrove Speedway Makes Division Change

An announcement was made that the Roadrunners would be dissolving to become the Street Stock division. Posted on Facebook: "After much discussion between management and our technical officials, we are switching gears from Roadrunners to Street Stocks. Their rules are on our website as of right now at [raceselinsgrove.com/Rules](http://raceselinsgrove.com/Rules). If you were at our meeting, please check out the online rule set as there were some minor additions to clear up some questions that we received. With this division change, there are also some schedule changes. Most of these will be announced in the coming days, but the most important one for our prior RRs and new Street Stocks is that you will NOT be running on Friday, May 16th. The first race for Street Stocks with their new rule package will be on Kids' Night, Saturday, May 31st. More details to follow in the coming days. Stay tuned to our social media and [raceselinsgrove.com](http://raceselinsgrove.com) for updates."

Selinsgrove, PA - A great crowd packed into the Selinsgrove Speedway on Saturday Night for Ladies' Night. The night was sponsored by Rockey Auctions and was also hosted by the Auto Racing Club of Hagerstown, who ensured that each feature winner received a commemorative ARCH checkered flag. Fans saw York, PA's "Scrub" Rick Eckert pick up his second Selinsgrove Ford Super Late Model win of the year. Kreamer, PA's Kruz Kepner picked up his first Keller's Auto Body PA Sprint Series 305 Sprint Car win of the season, as well as a pair of back-to-back winners as Mifflintown, PA's Lane Snook and Creekside Auto Sales Limited Late Model presented by Viper Risk Management (King Risk Partners) feature and Annville, PA's Jasen Geesaman picked up his second

straight Superior Homes Roadrunner Feature event. Shermantale's Shaun Jones and Georgetown, DE's Ross Robinson brought the field to the green flag with Jones taking the early lead from Robinson. The first caution would come out on lap 8 for Beavertown's Hayes Mattern coming to a stop while running 3rd with an electrical issue that would end his night.

The Delaware Double File Restart would see Jones out front with Robinson and Eckert behind him. Eckert dialed in on the leader but first passed Robinson and took the checkered flag with just 6 laps to go. Eckert also won the Donnie's Automotive Hard Charger Bonus going +7. Jones would finish second, Middleburg's Andrew Yoder in third, fourth went to Knaub and Robinson rounded out the top 5.

The Keller's Auto Body PA Sprint Series 305s were next on the track for their second feature of the season at Selinsgrove with 35 cars in attendance. Kruz Kepner of Kreamer, PA and Julian, PA's Josh Spicer led the field to the green flag. It was three-wide to start between Kepner, Spicer, and Logan Spahr of Lewisberry. Spicer and Kepner would battle side-by-side for the lead. After a crash by Christopher Dolan which slowed up the action, Kepner held off a charge from Spicer and the top 5 settled in with side-by-side battles all through the field. A three-lap shootout would bring them back to green. A last-ditch effort wasn't enough as Kruz Kepner scored his second career Keller's Auto Body PASS 305 Sprint Car win at Selinsgrove. Spahr would settle in for second. Fleetwood's Landon Price, Dustin Young, and Lock Haven's Jeff Weaver were the rest of the top 5. Tyler Snook crossed the line in 3rd, but was light at the scales. After discussion with PA Sprint Series Officials, Logan Spahr was later disqualified for unsportsmanlike actions and leaving the track prior to his scheduled technical inspection. This put John Braim into the fifth spot. Timmy Bitterner picked up the Len Krauthaim Auto Sales Hard Charger honors, going +14 on the night.

Creekside Auto Sales Limited Late Models presented by Viper Risk Management (King Risk Partners) had to follow up a fantastic Keller's Auto Body 305 feature. Selinsgrove's Jim Yoder raced door to door with his nephew Middleburg's Andrew Yoder. Lane Snook closed the gap when a yellow was thrown for Devin Frey spinning in four on lap 8.

On the restart, the battle of Andrew Yoder and Snook resumed and Snook would get around Andrew for 2nd and set his sights on the 27 of Jim Yoder for the lead. Side by side down the front-stretch, Snook got the better run off of turn two and took the lead with less than 8 laps to go Jim Yoder would fall back into line with Andrew Yoder closing in. He finally cleared his uncle Jim Yoder, but he had over a straight away to make up in a lap and a half. Andrew Yoder, Jim Yoder, Maddox Smith, and York Haven's Zach Kauffman rounded out the top 5. Casey Steinhoff would go +7 to pick up the MAPCO Machine Shop Hard Charger Award.

The final feature of the night was the Superior Homes Roadrunners. Middleburg's Nate Stroup would get to the early lead. It only took Geesaman one lap to be up into second place and fighting with Stroup for the lead. Stroup would fall victim to Geesaman for the lead on the second lap.

With 11 laps remaining, McClure's Brad Mitch, came from the 15th starting spot after being DQ'd from his heat race for being light at the scales, was already in the 5th spot, and was battling with Keith Bissinger for the 4th spot. Mitch and Bissinger would make contact sending Bissinger around for the second caution of the feature.

On the restart, Brad Mitch would get into Jake Jones and contact from Jones sent the 26 of Stroup around. Stroup would resume.

The best battle of the race was for fourth through seventh, with racing between Catawissa's Tom Underwood, Gordon, PA's Matt and Kris Ney, and Keith Bissinger. Meanwhile, with over a second and half lead Jasen Geesaman would take his second straight Superior Homes Roadrunner feature event win. Brad and Aiden Mitch, Bissinger, and Underwood rounded out the top five. Brad Mitch in his 10M went +13 to score the Ricey's Lawn Care Hard Charger.

# Union County Library System Expands Tech Access with Laptop Lending Program

The Union County Library System is pleased to announce its participation in the Pennsylvania Broadband Development Authority's Digital Connectivity Technology Program. Beginning Monday, May 12, 2025, library patrons age 18 and older who are in good standing may borrow laptops from any of the three library locations:

- Herr Memorial Library, Mifflinburg
- The Public Library for Union County, Lewisburg
- West End Library, Laurelton

This program supports the libraries' ongoing mission to close the digital divide in Union County. Laptops are the latest addition to the collection of digital tools available for checkout, complementing the existing Wi-Fi hotspot lending program. While laptops and hotspots are separate items and must be borrowed individually, together they offer flexible solutions for staying connected.

Laptops are ideal for remote work, online learning, job searching, completing school assignments, telehealth appointments, and staying connected with loved ones. Whether at home or on the go, they provide essential access to technology and information.

Laptops may be borrowed for one week and can be renewed for up to two additional weeks, provided there are no pending holds. Borrowers must be 18 or older, hold an active library card in good standing, present a valid driver's license or state-issued ID card (a copy will be held securely during the loan), and sign the UCLS Laptop Lending Agreement. Laptops must be returned in person to the same library from which they were checked out.

Late fees, replacement costs, and usage policies apply. Full terms can be found at: [bit.ly/Policies\\_UCLS](https://bit.ly/Policies_UCLS)

This project was financed in part by a grant from the Commonwealth of Pennsylvania, Pennsylvania Broadband Development Authority.

# ATTENTION: BUFFALO TOWNSHIP RESIDENTS

My name is PAUL HAINES. I would like to ask for your support for the position of Buffalo Township Supervisor, a position that I currently hold. I am a lifelong resident of Buffalo Township. I have various work experiences, including farming, laborer, township employee, Excavating Business owner, and currently serve as Roadmaster for Buffalo Township as well as a Buffalo Township Supervisor. I have been married for 45 years to Brenda (Camp) Haines. We have two sons and daughters-in-law and 7 grandchildren, all of whom reside in Union County. Family values are important to me.

My accomplishments as Buffalo Township Supervisor include playing an integral part in getting the new bridge completed in Cowan (Shin Bone Rd and Church Rd); Accomplished getting Strawbridge Road rebuilt; The supervisors obtained grant money to help the taxpayers for several projects-Creekside Rd, Miller Rd, Wolfland Rd, and currently working on grant for Strickler Rd. These applications were all pursued by the Board of Supervisors to alleviate financial strain on residents of our Township.

When I ran for office 6 years ago, I stated it gave the appearance of conflict of interest, even though it wasn't illegal, to have all board members also serve as employees in the township. With the help of the voters, and retirement of a supervisor, we now have a board where only one supervisor, me, is employed by the township.

I ran on making the tax collector and township secretary more accessible to the residents of this township and did just that. We now have a full-time secretary at the township to work with other government agencies, businesses, and residents of the township. The tax collector position has been removed from the Township Building, and she is now accessible with drop box, office hours, and by appointment.

I felt there needed to be more thought put into whether we should be repairing or replacing large equipment. When the repair bills over a 2-to-3-year span get exorbitant, it is time to replace not keep throwing good money away on older equipment. We also now take into consideration sub-contracting larger jobs, due to lack of knowledge and having to rent larger equipment. Doing a job within house labor doesn't always make it more cost effective.

Our current board of supervisors has a great working relationship with surrounding townships: West Buffalo, Kelly, White Deer, Hartley, and East Buffalo. Even though this past year has seen a lot of dissension in certain factions of the township, I can honestly say that it is being fueled by a small group of about 6 people who seem to take great pleasure in spreading false information which only serves to take time away from doing the job I and the other board members were elected to do, and to cost money in legal fees which will ultimately have to come out of taxpayers money. These individuals do not seem to care that they are ultimately costing you, the voter and resident, more in tax money in order to quell the dissension they have created.

I, Paul Haines, am once again asking for your vote of confidence to continue serving you in the capacity of Buffalo Township Supervisor. I promise to continue to maintain the highest level of honesty and openness in the governing of our township. I will continue to provide you with the most efficient and cost-saving decisions as I possibly can to avoid any unnecessary tax increases.

I would also like to ask each of you to take an interest in your local governing body by attending the monthly meetings and knowing the decisions made by your supervisors.

The Computer Networking Technology program recently toured Service Electric Cablevision in Danville, PA. Students had a chance to see fiber optic fusion splicing, single mode fiber termination, the head-end server and switching room, and all the technology utilized to deliver high speed internet, cable TV, and telephone service in our area over a fiber-optic network.

Criminal Justice students spent a morning cleaning apparatus and scrubbing truck bays for the local Fire Co! The New Berlin Fire Company has had a continued and growing relationship with SUN Tech and their students by providing training and insight into the fire and EMS side of public safety.

The continued relationship between local public safety, our first responders and SUN Tech is important to us! Our public safety bound students see the value in giving back!
