SU Senior Presents "GO" Program To Sunset Rotary

In the attached photo Sunset Rotary Club President Vicki Zimmerman presents "The Bus for Us" to speaker Rachel Taylor following her presentation recently to the club. Speakers are asked to "pay it forward" and share the gift of literacy with a child. "The Bus for Us" is the 2013 PA One Book choice of the year.

At a recent meeting of the Lewisburg Sunset Rotary Club, Rachel Taylor, a Senior at SU presented an interesting program on the Susquehanna University "GO" Program, otherwise known as Global Opportunities Program. Rachel explained that SU offers education in a cross-cultural environment. The choice is up to students whether they stay near to home, or go far away but today's SU student is offered a global opportunity for enriched learning during their studies at SU.

GO programs can be a full semester long or could be short in length, it could be within the United States or globally in South America, Europe, Asia or Australia - just a few of students' favorite spots to visit & study. One of the GO Short programs is SU CASA, an award-winning program that takes students to Costa Rica and Nicaragua to serve congregations, clinics, hospitals, and refugee and immigrant communities. Closer to home is the Hurricane Response Team, which coordinates service trips to the Gulf Coast. This is the program that Rachel participated in. Joining up with 23 other students (including 7 SU football players), they worked with Habitat for Humanity in the still on-going rebuilding of New Orleans. They worked on 3 houses, called shot gun houses because of their construction with open doors in the front and directly to the back, allowing air to flow freely through the small house. Habitat requires that the recipients of houses spend 300 hours on their personal house project. Since most homeowners need to work to afford the housing, they find time between work and construction to squeeze in the required time allotment... and finally have a place to call home! The students laid sod in 102 degree weather and worked very hard... but most importantly they learned to not take so much for granted.

Member Dr. Anna Beth Payne arranged the program for Sunset Rotary hoping to share the many humanitarian things students do through their campus learning experience. The Lewisburg Sunset Rotary Club meets on Mondays at 5:45 PM, Puirseil's Irish Pub, 17 South Sixth Street in Lewisburg. Interested business, professional or community-minded individuals are invited to attend a meeting and learn more about Rotary.

Muzzle-Loader Shoot November 17th

Come see an 18th-century Muzzleloader Shoot, one of several remaining Union County Bicentennial (1813-2013) events. This event will be held Sunday November 17th at 2:30 pm at the Union County Historical Society's Dale/Engle/Walker House at 1471 Strawbridge Road in Buffalo Township.

This shooting competition between chosen Union and Snyder County re-enactors will provide an experience in the sights and sounds of a bygone era. Participants in the black powder event will be in period dress with period accoutrements and flintlock rifles. The teams will shoot three relays consisting of steel silhouettes, corn cob on a string and a stake shoot so that the target hits can be seen by the spectators. The winner of the best out of the three relays will be the winning county team.

There will be time available after the shoot to visit with the re-enactors and learn more about colonial firearms. Bring a lawn chair; hearing protection is advisable.

For more information, contact the historical society at 570-524-8666 or info@unioncountyhistorical-society.org

SUN Tech High School Seniors Continue Tradition Of Art Education

The SUN Tech Advertising Art & Design students are shown wearing their dress down day t-shirts in support of the Sunbury YMCA Art Center. Jacob Schell, kneeling at bottom left, created the winning design using Adobe Illustrator and screen printed the shirts with the help of several classmates. The first and third Friday of each month, students can pay \$2 to wear the t-shirt with jeans instead of the required uniform that they normally wear. Mary Jo Tavares, director of the Art Center uses the money, which is donated at the end of the school year, to pay for art classes for children who show an interest and talent in art but may not have the money to pay for classes.

Dear Editor:

Immigration is a Local Issue

As a youngster, we were taught that "many hands make light work." This sentiment resonates throughout agriculture because "many hands" are not readily available to us for milking cows, harvesting crops, planting tree seedlings, and collecting poultry. This lack of availability could ultimately impact food reaching the grocery store shelf and your dinner table.

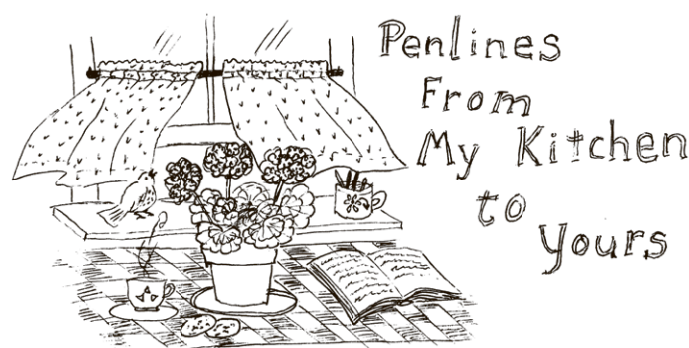

The agriculture community is two percent of the population embracing the challenge of feeding nine billion people by 2050. For us, immigration is not a citizenship issue nor is it a border state issue. It is a real-life, complex issue impacting the food supply chain. Immigration is an issue needing resolution at the Congressional level; however, it is important that you know how immigration impacts Pennsylvania agriculture.

With agriculture as the number one industry in Pennsylvania, generating \$6.7 billion in cash receipts and \$67 billion in total economic impact, the Commonwealth's agriculture producers and related businesses require a reliable, trained and legal workforce in order to produce a safe and secure food supply.

Our immigration system is a broken relic of the past. We need a workable solution to the barriers that make it difficult for Pennsylvania's farmers to secure a reliable, dependable and consistent workforce. The agricultural industry needs real, meaningful immigration reform that will encapsulate the many shortcomings of our current policy; mainly addressing the antiquated visa system, the temporary worker program, and of course, enforcement of the law. All too often, the current system tragically turns away the very kind of workers who could have an immediate impact on Pennsylvania's agricultural industry, which struggles to find a workforce needed to harvest our food supply.

For more than 100 years, PennAg Industries Association has been the leading advocate for the hard-working men and women of Pennsylvania's agricultural industry. And while the industry has changed greatly over the past 100 years, our mission has remained fairly unchanged, and it is for that reason we respectfully urge Pennsylvania's congressional delegation to take the time necessary to come up with a comprehensive, enforceable immigration solution that will work for our country and our Commonwealth's farms.

Christian Herr

Parade Of Buffalos Moves To Government Center

The Union County Bicentennial Parade of Buffalos has moved on to new pastures. Fresh from their one-day debut in downtown Lewisburg and 10 days in a retail forest at the Lewisburg Wal-Mart, the First Community Foundation Partnership of Pennsylvania sponsored Parade of Buffalos project is now corralled in the Union County Government Center at 155 North 15th Street in Lewisburg. The much celebrated and beloved hand-painted and decorated buffalos will be available for public inspection through Saturday, November 16th at the county administrative government headquarters. The final roundup, prior to their respective community dispersal, will be the evening of Monday, November 18th at the Weis Center for the Performing Arts at Bucknell University as they appear for their final herd appearance at the combined community chorale Celebration Concert.

The Parade of Buffalos is an initiative of the First Community Foundation Partnership of Pennsylvania (FCFP) and has created an opportunity to celebrate the Union County Bicentennial, while establishing partnerships among the Community Foundation, the county and its residents. FCFP, in partnership with local business and individual sponsors, has donated 15 fiberglass buffalo to the county, one for each municipality and one for the county government, to be placed permanently in each community as a lasting memento of the 2013 Bicentennial. The project is a celebration of Union County's 200 Anniversary uniting residents of the county as well as providing an opportunity to meet the emerging needs of Union County.

All proceeds from the Parade of Buffalos project add to the Foundation's Union County Community Fund, increasing the unrestricted funding available for grants to local nonprofits serving and meeting the needs of Union County. The Parade of Buffalos is generously sponsored by: FCFP Union County Regional Advisory Board, FCFP Board of Directors, Culligan, the Gronlund Family, Evangelical Community Hospital, M&T Bank, Mifflinburg Bank & Trust, PPL, RiverWoods, Swineford National Bank, Villager Realty, and Weis Markets.

While at the Union County Government Center, the Parade of Buffalos will be available for public viewing during regular business hours Monday through Friday, 8:00am through 5:00pm. A Last Buffalo Round-Up Day (the final day of viewing at this location) will be celebrated Saturday, November 16th at the Union County Government Center with special viewing hours from 9:00am until 2:00pm.

Voting for an individual's favorite buffalo will continue during the corraling of the herd at the Government Center and conclude the evening of Monday, November 18th at the Weis Center Celebration Concert. Monetary donations of any amount will be accepted at the public viewing areas and will be considered your vote for your favorite buffalo. The voting process is intended to be a fun way for individuals to cast their vote for their favorite buffalo, while supporting local nonprofits through FCFP's Union County Community Fund. The favorite buffalo will be announced at the Official Closing Ceremonies of the Union County Bicentennial on November 22nd at the Union County Courthouse at 11:00am.

The Union County Commissioners would like to extend a special invitation to all citizens of the Greater Susquehanna Valley and Union County to visit the Union County Government Center during these buffalo days of autumn, and in particular on Saturday, November 16th for the Last Buffalo Round-Up Day. Quoting the Commissioners, "Come see the herd, vote for your favorite buffalo, and grow the Union County Community Fund. Parking is easy, the building is accessible and we are proud to show off our buffalo as well as our County Government Center."

In a week or two, I'll get back to the information I've gotten about the one and two room schools, but first, here's the description from Lynda E. Smith, of how she (and others, I'm sure!) played Hopscotch...

"When we played Hopscotch: The block diagram would consist of block 1 followed by block 2 directly underneath it and block 3 below 2. Then blocks 4 and five would be adjacent to each other under block 3. Block 6 would be centered under blocks 4 and 5. Then blocks 7 and 8 would be next to each other and under block 6. Then block 9 would be under block 7, and block 10 would be directly under block 8.

"You would have to hop on one foot on block 1 and then 2 and then 3. Then you would have to land on blocks 4 and 5 with your left foot on 4 and your right foot on 5. Then back to one foot for block 6, and returning to one foot each on blocks 7 and 8, followed by one foot each on 9 and 10. Then you had to jump off blocks 9 and 10 as you turned 180 degrees to set yourself up to jump back. You had to jump back starting with blocks 9 and 10 simultaneously. When you landed on block 1 with one foot, you had to jump off while turning 180 degrees so you were back to your starting position.

"I was raised by my elderly grandparents and learned a lot of games that I could play by myself. I even invented a "ball game" that I think I made up as I never saw anyone else play it. I'll try to remember the details of "my ball game." As I remember them: I used a solid rubber ball, around the size of a tennis ball. The ball had to be thrown ten times as follows:

1. Throw ball against wall and catch it.
2. Throw ball against wall, leave it bounce once, and catch it.
3. Throw ball against wall, clap once and catch it.
4. Throw ball up in the air and catch it.
5. Throw ball up in the air, turn around (360 degrees) and catch it.
6. Throw ball under leg against the wall and catch it.
7. Throw ball on the ground so that it bounces against the wall and catch it.
8. Throw ball against wall, leave it bounce twice, and catch it.
9. Throw the ball against the wall, clap under one leg and then catch ball.
10. Turn your back to wall, throw ball between legs, turn around and catch ball.

"If I failed to catch the ball at any point, I had to start over. I may have confused the sequence in some of the later steps, but I think I got them all there.

"And I was quite adept with a yoyo and could "walk the dog" and make my yoyo go "around the world. When my cousins came to visit me on the farm, we would catch fireflies and play hide and seek.

"I also became very adept at pick-up sticks, jump rope, riding bike, and roller skating. I had a scooter, which was unlike the "scooters" the kids have today. Today kids don't play outside enough. They are inside playing video games, so they don't get enough exercise."

OK, folks...do tell me the games you remember playing when you "were a kid." Did you play the ones she mentions? Others also?? What were YOUR rules??

And tell me about your one and two room school experiences. How did your school celebrate holidays? Birthdays? The last day of school? Were there awards for certain achievements? Jean Markley Keiser, 1133 Carolina Ave., West Chester, PA 19380 bjkeiser@cheerful.com

Hayrick Wins At Phoenix

By Gerald Hodges

Carl Edwards looked like he was headed for a win in Sunday's Sprint Cup race, but one lap from the finish he ran out of gas. Kevin Harvick, who had earlier ran out of gas took the lead and went on to his fourth win of the season. "We really weren't expecting to be handed the lead like that," said Harvick. "I thought that when we ran out of gas earlier, it killed our chance at winning. We had a really fast car, but the cautions seemed to work against us."

"I know it's a long shot to even think about winning the championship, but we've still got a shot." Kasey Kahne finished second, with Jimmie Johnson third. Johnson went into the race leading Matt Kenseth by seven points. Kenseth had a dismal day and wound up one lap down in 23rd position. Johnson's lead is now 28 points over Kenseth and 34 ahead of Harvick. Johnson, who started on the pole, had his own problems. He almost got spun around early in the race after contact with Carl Edwards. He was able to regroup and work his way back to the front.

Going into the race Kenseth was a real contender, but his car never had the speed to run up front. He started 14th and steadily fell back as the race continued. "This was not a good day for us, but we've had an incredible season," said Kenseth. "I'm thankful for all my guys because they've worked so hard, and there's still one race to go."

His team changed spring rubbers, adjusted the shocks and changed tire pressures but nothing helped. "Looking at the lap times, it didn't move the needle at all for whatever reason. ... It's like everything we touched went the wrong direction," crew chief Jason Ratcliff said.

Finally, Ratcliff told Kenseth he would stop making adjustments to the car. "He was more referring to track position, that track position was going to be bigger than any change we could make on the car," Kenseth said. "He was right. We were just off and just could never quite get it right."

While it's possible that either Harvick or Kenseth could beat out Johnson in the last race at Homestead, all Johnson has to do to win this year's Chase is finish 23rd or better.

Dale Earnhardt Jr. was fourth, followed by Kurt Busch, Juan Montoya, Kyle Busch, Martin Truex, Joey Logano, and Ryan Newman.

Top-10 Chase leaders after 35 of 36: 1. Johnson-2384, 2. Kenseth-2356, 3. Harvick-2350, 4. Kyle Busch-2327, 5. Earnhardt-2321, 6. Gordon-2304, 7. Biffle-2301, 8. Bowyer-2297, 9. Logano-2287, 10. Kurt Busch-2285.

"ROWDY" KYLE CRUISES TO NATIONWIDE WIN

Kyle Busch led 169 laps of Saturday's 200-lap Phoenix Nationwide race for his 12th win of the season. Austin Dillon was running second until he was passed on the last lap by Justin Allgaier. Neither of the two drivers posed any threat to Busch, as he crossed the finish line by 4.347-seconds ahead of runner-up Allgaier.

The only driver that could run with Busch was Brad Keselowski, who led seven laps, but was bumped from behind by Brian Scott on lap 143, and smacked the outside wall. His team made repairs to the rear of his car and he finished 19th, one lap down.

"It was certainly a great day for us," Busch said. "It's a testament to (crew chief) Adam Stevens and the group of guys that he's got around us that do such a great job for us and work real hard and give us some great equipment."

Austin Dillon finished third, while Regan Smith was fourth. Sam Hornish was fifth and now trails Dillon by eight points in the series championship points with one race left. Matt Kenseth was sixth, followed by Trevor Bayne, Elliott Sadler, Kevin Harvick, and Ryan Blaney.

Top-10 leaders after 32 of 33: 1. A. Dillon-1148, 2. Hornish-1140, 3. Smith-1093, 4. Allgaier-1065, 5. Sadler-1062, 6. Bayne-1047, 7. Scott-1041, 8. Vickers-970, 9. Larson-957, 10. Kligerman-953.

17-YEAR-OLD WINS TRUCK RACE

Erik Jones took the checkered flag ahead of Ross Chastain in Friday's Truck Series race to become the youngest series winner. Jones, who was born May 30, 1986, took the lead with 10-laps to go and successfully held off Chastain. The previous winning age record was held by Chase Elliott, winner of this year's truck race in Canada.

Brendan Gaughan, Ty Dillon, Matt Crafton, Cale Gale, Ryan Blaney, Johnny Sauter, James Buescher, and Chase Elliott were the remaining top-10 finishers.

Top-10 leaders after 21 of 22: 1. Crafton-780, 2. T. Dillon-734, 3. Buescher-730, 4. Sauter-703, 5. Burton-690, 6. Blaney-682, 7. Gaughan-677, 8. D. Wallace-675, 9. Paludo-664, 10. Peters-648.

BURTON MAKES 1000TH START

While Jimmie Johnson and Matt Kenseth were battling for the lead in this year's championship Chase at Phoenix, Jeff Burton was making his 1,000th NASCAR start.

During a NASCAR career spanning more than 25 years, Burton has 48 wins, including victories in the Southern 500 at Darlington Raceway and the Coca-Cola 600 at Charlotte Motor Speedway. The South Boston, Va., native has earned more than 250 top-five and 400, top-10 finishes; was named the 1994 Sprint Cup Series "Rookie of the Year" and co-piloted the No. 29 Richard Childress Racing Chevrolet to the 2007 NASCAR Nationwide Series owner's championship.

"It's hard for me to imagine that I have driven in 1,000 NASCAR races," said Burton. "I've been lucky and blessed to have family and friends that have given me all this support. I also have good relationships with everyone that I've worked with over the years to show for it, which is most important to me."

Overall, the 46-year-old driver has made 689 Sprint Cup Series starts along with 306 starts in the Nationwide Series and four starts in the NASCAR Camping World Truck Series driving for Richard Childress Racing, Roush Fenway Racing and the Stavola Brothers. Burton is the last driver to lead 100 per cent of the laps in a NASCAR-sanctioned event, pacing the field for all 300 laps en route to victory at New

Hampshire Motor Speedway in 2000 and was the 2007 NASCAR Illustrated "Person of the Year." He currently sits 19th in the 2013 Sprint Cup Series driver championship point standings on the strength of two top-five and six top-10 finishes.

His future is unclear. But he said at Phoenix, that he "had something in the works".

Christkindl Celebration Concert

The Mifflinburg Christkindl Market and Union County Bicentennial Committee will hold a "Celebration Concert" on Monday, November 18 at 7 p.m. at the Weis Center for the Performing Arts at Bucknell University in Lewisburg.

The performance will feature festive and traditional German Christmas music, stories, history, and Christkindl Market traditions.

Under the musical direction of Dr. William Payn, the musicians will include the Susquehanna Valley Chorale, Buffalo Valley Singers, Lewisburg High School Choir, Black Tie and Mifflinburg High School Brass Ensemble.

Union County Buffalo on Display in Lobby Before and After Concert

In addition to the musical concert, the complete herd of fifteen Union County buffalo will make their final joint appearance in the lobby of the Weis Center the evening of Monday, November 18. These almost life-sized fiberglass animals are a project of The First Community Foundation Partnership of Pennsylvania (FCFP) which has partnered with local business and individual sponsors to purchase the buffalo.

Each municipality of Union County, along with the county government itself, has been gifted a buffalo to be designed, painted, and kept by the community as a lasting memento of the Union County Bicentennial.

All proceeds from the project benefit the Union County Community Fund which is a permanent source of funding for nonprofits in Union County through the First Community Foundation Partnership of Pennsylvania.

Herd observers will be able to show their final support of their favorite buffalo and also their support of the Union County Community Fund benefiting nonprofits of Union County by making a cash donation in that particular buffalo's donation box. The buffalo may be viewed before the concert and after the concert during a reception with refreshments.

Tickets for the performance are \$5 each and are General Admission.

Wreaths For Warriors

Now in our eighth year, Wreaths for Warriors plans to continue our tradition of placing wreaths on Veterans' graves, and at memorials and monuments throughout Northumberland, Snyder and Union counties in 2013.

The success of our work depends on the cooperation of our volunteers, and on the generosity of our donors. We need you to consider how best you can help us. Like many such charitable efforts, Wreaths for Warriors is feeling the effects of a fragile economy, and the demands of busy schedules upon our planners and helpers.

We will be placing seventy large wreaths here in Snyder County on December 7th. Volunteers will be needed to place wreaths. Donations will be needed to purchase wreaths - our primary expense- and to cover the costs of duplicating, mailings and publicity.

Members of American Legion Victory Post 25 and Selinsgrove Boy Scout Troop 419 will be assembling the wreaths at 8:30 a.m. Saturday December 7th at the Post home.

We welcome and appreciate your support. Donations can be made to Wreaths for Warriors and mailed to Mr. Joe Hutton, Treasurer, 1451 Pleasant View Road, New Columbia, PA 17856

Any question or additional information please contact J. Steve Hoffman 570-374-7995 or Ron Hoover 570-374-4896.

Thank you for your anticipated support of the Wreaths for Warriors project.
