Hollidaysburg Veterans Home Christmas Collection Being Held in Honor of Guy Stover

By Kay Poeth

Each year the Union County Veterans Foundation's holds a Christmas collection to benefit the Hollidaysburg Veterans Home. 100% of the donations benefit the residents.

This year, the Christmas Collection is being held in honor of Guy Stover. He has many connections to the Union County WW2 Honor Roll, Veterans, and the Hollidaysburg Veterans Home. Guy passed on April 19, 2026 at the age of 94. "He never looked for praises. He was never one to boast. He just went on quietly working, for the ones he loved the most."

Guy was a proud Army veteran who served during the Korean Conflict, the Forgotten War.

He was in the U.S. Army from March 31, 1953- March 30, 1955. Al Hess, one of the founders of the Union County WW2 Honor Roll, and Guy were "joined at the hip buddies."

"Guy was the caretaker of the Union County WW2 Honor Roll and the grounds from the day it was dedicated. He cared for it like it was his very own: weeding, trimming the bushes, picking up any foreign objects, and mowing the lawn right up to the last year," said Doug Walter. Both Tracy and Doug Walter miss their monthly visits from Guy when he would stop to pick up his check for his caretaking duties.

Guy was also the first person to ask "What do you need me to do?" if there were any special projects being planned.

"Guy was always a part of our trip to Hollidaysburg when we made the delivery of donations," explained Walter. "The young lady we interact with is Emily McDowell. We are to the point, after all these years, we meet and depart with a hug. The year Emily and I first hugged, Guy quickly quipped, 'Do I get a hug too?' Of course, he got one!"

The Union County Veterans Foundation is accepting, new with tags, sweat pants and tops in sizes Small to 3X. Donations of gift cards from Weis Markets, Giant and Walmart are also being accepted. Cash and checks should be made out to the Hollidaysburg Veterans Home. All money is deposited in a general fund to treat the residents with special meals and day trips. The gift cards are used for special treats including birthday cakes and other party items. One HVA newsletter featured a gorgeous cake purchased with one of the gift card donations.

For more information on the benefit or the program, contact Doug Walter by email at: maeppa@ptd.net or call 570-713-8919. Send check earmarked HVA to Union County Veterans Foundation at 916 Washington Avenue, Lewisburg PA 17837. Donations can also be dropped off at the Veterans Day Ceremony being held on Saturday, November 7 beginning at 11 am Mifflinburg Park. Robert Lauver is the guest speaker.

Mifflinburg Troop 62055 Girl Scout Cadettes Created Mural

By Kay Poeth

TOP: *Girl Scout Cadettes Amelia Fullam, Layla Lyons, and Rylie Ulmer of Mifflinburg Girl Scout Troop 62055 recently completed a mural advocating "Be the Reason Someone Smiles" for their Girl Scout Silver Award project.Included in the photo is Scout leader Courtney Ulmer.*
LEFT: *The plaque placed near the mural at Herr Memorial Library describes using recycled bottlecaps to create the mural "to encourage others to spread positivity, include others, and remember that even a small act of kindness can make a big difference."*

Girl Scout Cadettes Amelia Fullam, Layla Lyons, and Rylie Ulmer of Mifflinburg Girl Scout Troop 62055 recently completed their Girl Scout Silver Award project. The Silver Award is one of the highest awards a Girl Scout Cadette can earn.

A Girl Scout Silver Award project is a 50 hour Take Action project where Cadettes (grades 6–8) identify an issue they care about, research its root cause, plan a sustainable solution, and implement it to improve their community.

According to their Troop Leader, Courtney Ulmer, "For their project, the girls collected and repurposed hundreds of colorful plastic bottle caps to create a large rainbow mosaic featuring the positive message, 'Be the Reason Someone Smiles.' The girls chose the project as a way to give discarded materials a new purpose while spreading a message of kindness and positivity throughout their community."

The team brainstormed ideas and combined them to create the design and message for the mural.Layla Lyons noted, "The project took a long time to complete but it was fun to see how it looked when it was finished."

Rylie Ulmeragreed. "The project was challenging but the outcome was so rewarding to see."

Amelia Fullam hopes that the message reminds others to act with kindness. "The project took a long time to plan, but I hope it will impact other teens and motivate them to be kind."

The completed mural was donated to Herr Memorial Library in Mifflinburg, where it can be enjoyed by children, families, and community members for years to come. Throughout the project, Amelia, Layla, and Rylie developed leadership, teamwork, planning, problem-solving, and communication skills as they worked together to turn their idea into the finished piece.

"We value collaboration with our community partners, so we were happy to participate," said Sandy Hornberger, Executive Director of Herr Memorial Library. "We felt that the teen space was a good choice since it was created by teens and expresses an important message."

The mural was placed near a long wall near the Teen Space at the library. Next to the mural, a wooden plaque reads, "Be The Reason Someone Smiles, Girl Scout Silver Award Project. This project was created using recycled bottle caps to turn something ordinary into a colorful message of kindness. We chose this project to encourage others to spread positivity, include others, and remember that even a small act of kindness can make a big difference. Donated by Girl Scout Troop 62055."

Troop 62055 is grateful for Herr Memorial Library for supporting the project and everyone in the community who collected and donated bottle caps to help make their vision possible. The girls hope their colorful creation will serve as a lasting reminder that a simple act of kindness has a tremendous impact.

Oct. 19 Voter Registration Deadline Reminder

For information on how to register or to make a plan to vote, visit vote.pa.gov

Secretary of the Commonwealth Al Schmidt recently reminded Pennsylvanians that the deadline to register to vote in the Nov. 3 midterm election is just one month away.

"Registering to vote takes only a few minutes, and I urge every eligible Pennsylvanian who is not yet registered to vote to do so before the Oct. 19 deadline," Sec. Schmidt said. "Once you are registered, you can exercise your fundamental right to vote and let your voice be heard in the upcoming general election."

Eligible Pennsylvania voters will have the opportunity to cast a ballot for their U.S. House of Representatives seat, Governor/Lieutenant Governor, even-numbered state Senate districts, and all state House districts. The Department's candidate database lists candidates who are running for office.

"Ensuring that our elections are conducted freely, fairly, and securely, and that every eligible voter can make their voice heard, are top priorities of the Shapiro Administration," Sec. Schmidt said.

To be eligible to vote in the Nov. 3 election, a person must be:

- A U.S. citizen for at least one month before the primary,
- A resident of the election district in which the person plans to register for at least 30 days before the primary, and
- At least 18 years old on or before Nov. 3.
- Pennsylvanians who are already registered to vote can check their registration status online. They can also update their voter record with any name, address, or party affiliation changes.

Eligible Pennsylvanians also can get a voter registration application at the following locations:

- their county elections office,
- county assistance offices,
- Women, Infants & Children (WIC) program offices,
- Armed Forces recruitment centers,
- county clerk of orphans' courts or marriage license offices,
- area agencies on aging,
- county mental health and intellectual disabilities offices,
- student disability services offices of the State System of Higher Education, and
- Americans with Disabilities Act-mandated complementary paratransit providers.

In 2023, all PennDOT driver and photo license centers began offering automatic voter registration, which provides eligible Pennsylvanians with a convenient way to apply to register to vote when they obtain a new driver's license or ID card or renew their existing identification. The Shapiro Administration launched the automatic registration initiative as part of its ongoing commitment to ensuring free, fair, and secure elections.

Registered voters can also request a mail ballot online. Mail ballot applications must be received by a voter's county elections board by 5 p.m. Oct. 27. Voted mail ballots must be received by county elections offices by 8 p.m. Nov. 3.

Police

MILTON STATE POLICE

Theft of Lost/Mislaid Property Between 9:05p.m.-12:01a.m. September 7-8, at 120 AJK Blvd., in Kelly Township. PSP was dispatched to Walmart. The victim reported her purple Apple Watch SE valued at $200 was stolen from the employee break room. This investigation is ongoing. PSP investigating.

Hit & Run 3:40 p.m. September 21, on I-80 W., at mile marker 209, in White Deer Township. A 2017 Kenworth T680 was traveling in the left lane of I-80 W. and an unknown vehicle was traveling behind the Kenworth T680. The unknown vehicle moved to the right lane and attempted to pass the Kenworth T680 from the right lane. The unknown vehicle changed lanes to the left lane. The initial point of impact occurred as the rear driver side of the trailing unit of the unknown vehicle side swiped the front passenger side of the Kenworth T680. The unknown vehicle continued west on I-80. The Kenworth T680 came to rest on the north shoulder of I-80 W.

Harass Physical Contact 1:31 a.m. September 19, on Timberhaven Drive, in Kelly Township. PSP was dispatched for the reports of a domestic related incident. Upon further investigation, it was learned a 37 year old male, of Mechanicsburg, pulled the victim off of her bed and pushed her to the ground. A non-traffic citation for harassment was filed through District Court 17-3-01. PSP investigating.

Sexual Abuse of Children-Possession March 12, 2026, at 100 Block of Victoria Lane, in East Buffalo Township. On March 12, 2026, PSP Bureau of Criminal Investigation Northeast Computer Task Force and PSP Milton folled up on information received from the National Center for Missing and Exploited Children (NCMEC). NCMEC reported that a user on an electronic service provider application was possessing and transmitting child abuse sexual material (CSAM) at the above residence. Once the search warrant was completed a criminal complaint was lodged against the defendant, Keith Edward Kendall, 67, of Lewisburg. Kendall was criminally charged with the following Title 18 Crime Code violations:

- 10 counts of Felony 3 Sexual Abuse of Children-possession
- 1 count of Felony 3 Criminal Use of a Communication Facility

A preliminary arraignment was held before Judge Mensch for the charges and bail was set at $75,000 unsecured. Task Force Agencies includes: PSP Northeast Computer Unit, Dallas Twp PD, Town of Bloomsburg PD, Hazelton City PD, West Hazelton Boro PD, Wyoming Regional PD, Kingston Twp PD, Lycoming County Detectives, Luzerne County Detectives, Lackawanna County Detectives, Wayne County Detectives, and FBI Williamsport.

Unlawful Contact with a Minor September 25, 2026, 1000 Block of Hearthstone Way, in Kelly Township. On September 25, 2026 PSP Milton Barracks executed a residential search warrant for the crime of unlawful contact with a minor. This search warrant led to the arrest of Wayne Paul Samuelson, 75, of Lewisburg. Samuelson has been in communication with an underage female and did exchange files that depict both the female and Samuelson in a nude state. These communications occurred on a known social media application along with network based text messages. Numerous devices were seized from the residence, and those examinations are pending a full forensic examination.

Samuelson was charged with the following offenses: Felony 2 Unlawful Contact with a Minor, Title 18 Section 6318 (a) (4): Felony 3 Unlawful Contact with a Minor, Title 18 Section 6318 (a) (5): Felony 3 Obscene and other sexual materials and performances, Title 18 Section 5903 (c): Misdemeanor 1 corruption of minors, Title 18 Section 6301 (a) (1) (i): Felony 3 criminal use of communication facility, Title 18 7512 (a). Each criminal offense has one count. The results of the search warrant and arrest were made possible through collaboration with the PA Office of Attorney General. A preliminary arraignment was held before Judge Michael Diehl for criminal charges and bail was set at $150,000 straight cash. PSP Milton was assisted by PSP Northeast Computer Crime Task Force and PA Office of Attorney General Central Child Predator Section.

CHASE DIETZ DOES IT AGAIN AT WILLIAMS GROVE, NATIONAL OPEN THIS WEEKEND

Chase Dietz of York PA made it two wins in a row on Friday night at Williams Grove, but this time he had a little bit of luck. Chase did it all earlier in the night setting fast time in time trials, and then he won his heat race, and later won the 6-lap dash that set up the first six rows for the feature. He led the early laps of the feature, but on lap three Justin Whittall overtook Dietz and was leading the feature and pulling away from Chase. Then with less than ten laps to go Whittall came to a spinning stop in turn three and was out of the feature with mechanical issues on his #67 410-sprint. Chase assumed the lead and led the rest of the way for his third win on the year at the Grove. His eight-career win there and his 22nd win this season. Chase admitted in victory lane how lucky he was. "This was Justin's race to win. He was better than us and was pulling away from me until he came up lame with only a few laps left. We will take it. I have been in those situations leading and lost because of a flat or something else. I hope we are doing this good and a little better for this coming weekend when the WOO series will be here. I won the race last year on Friday, but the big one on Saturday. It is the one I really want to win". Logan Rumsey placed second, with Dylan Norris, Buddy Schweinbinz again in the Kreitz #69K and Lance Dewease in the top five. Reece Raudabaugh of Boiling Spring PA, drove his #1J 358 sprint car to a easy win in one of his very few starts in this division. Reece has been running with the 305-sprint series most of the season. "We had this 358-engine sitting in back of the garage and thought let's give it try on Friday night. Boy, am I glad we did the thing ran great all night and I was told I had a big lead most of the race". Noted Reece. Brock Hammaker was second and clinched Rookie of the year honors in the 358-sprint class; third was Chance Hendershots with Eli Tuckey and Adam Carberry in the top five. With his 12th place finish in the feature Derek Locke of Mechanicsburg Pa wraps the 358-sprint points title his fourth of his career at the Grove.

This Weekend the season comes to a close at Williams Grove with two nights of the National Open with the WOO of outlaws in town for the two-day show. On Friday night, the winner will collect $12,000 for the feature win while on Saturday the winner will get $75,000. Also, after Saturday the track will crown its 410-track champion, with Troy Wagaman Jr leading Chase Dietz by 140 going into this weekend's action with Danny Dietrich another 380 back. So far in the four WOO series races run at Williams Grove Kasey Kahne in Macri 39 scored a win back in May as did David Gravel. In July two races were won by Buddy Kofoid, and Gravel again. Justin Whittall with a second back in May and Logan Rumsey with a second in July and Daryn Pittman in the Kreitz #69K a second in July also have been the best runners for the Posse against the WOO series. David Gravel will be the favorite of the WOO series side having won the open in 2017 and 2024, with two wins in four races, and a third in the other July race. Buddy Kofoid, Sheldon Haudenschild, and Carson Macedo are other top WOO drivers expected to be up front. Also reports have Anthony Macri is expected to be back in the family owned #39M for this weekend's races, with Daryn Pitman in the Kreitz #69K.

The Four Crown championship was run at Eldora speedway last weekend with 410-sprints Wingless 410-sprints Silver Crown cars and Midgets. In the 360-sprint action Jason Shultz of Carlisle PA was on hand driving the Kirk Ritter of Middleburg #35 with Jason placing second in the first heat, which helped him start on the pole for the feature where he placed fifth in the feature behind Parker Price Miller Anton Gennetten, DJ Christis Zane DeVault. USAC sprint was won by Kyle Cummins on Saturday over Justin Grant, with Briggs Danner of Allentown PA driving the Tim Houge #39 won the Thursday night feature. Briggs also drove in the Silver Crown event, placed 7th in the feature with another PA driver Carmen Piergo of Stoystown finished 8th in the feature that was won by Daison Pursley, over Brady Bacon, and Matt Westfall. The High Limit feature was won by Ryan Timms on Friday night over Gio Schelzi, Tanner Holmes, Brady Bacon and Tyler Courtney with Saturday feature going to Rico Abreu over Scelzi, Timms, Aaron Reutzel, and Holmes. Holmes scored the feature win at Kokomo speedway in Indiana on Sunday night a make-up race from last week, which is part of the mid-week series of races put on by the High Limit series. Chase Randall, Daison Pursley, Kasey Jedrzejek, and Justin Peck in the top five. With his 12th place finish, Brent Marks of Myerstown PA is that series points champion with 846 points to 831 for Aaron Reutzel.

Weather took care of most of the weekends racing events with Hagerstown , Winchester, Lincoln and Path Valley all getting rained out. One track that survived was Bedford which was able to get their two-day show in the books.

Things started out on Friday with the Limited late models running a special race with Spike Moore getting his third win of the season and second in a row in this class over Kyle Lear. Kyle who won the points championship by 63 points over Gunner Walls. George Dixon Jr was second in the feature with Gunner Walls, Brian Booze and Shawn Shoemaker in the top five. Saturday with bad weather all around. Bedford pressed forward and got their final race of the season in the books. It was the running of the Ninth annual Keystone Cup race paying $20,000 to win for the super late models and $1,000 to take the green. 33-drivers signed in for the night's action with Mason Zeigler setting fast time over the two groups of qualifying. Mason also won his heat race along with Gregg Satterlee, Hayes Mattern and Trevor Feathers with JT Spence winning the B-main. The event started with 25 drivers with Spike Moore getting track provisional to start the feature. Gregg Satterlee started on the pole and led all 55-laps of the feature, with only a few close calls during the feature. Gregg dealt with lapped traffic in a race that had only one caution for a flat tire on the JT Spence #91. Near the end, Mason Zeigler who started 6th , got to the back on Satterlee. However, with the track taken rubber there was no room to make a pass as the lapped cars were just as fast as the front runner. Gregg followed a pair of lapped cars for the last ten laps of the feature. Winner Gregg Satterlee was not in his usual Rocket chassis but in a car designed by Brian Daugherty. It was only the third time Gregg drove the car and got the win and his second keystone cup win the other in the 2020 race. Overall Satterlee has 12 feature wins this season with seven coming at Selinsgrove, two at Bedford and one each at Hagerstown, Port Royal, and Lincoln. Mason Zeigler drove from his sixth starting spot to a second. Zeigler won this race in 2024. "The redraw did us in again it has bit me a few times this year. Maybe I could have made it a better race, but till I got to Gregg late in the race the track was rubbed up". Zeigler will be racing the next three Weekend with special race at PPMS speedway near Pittsburgh, Eldora speedway and West Virginia Motor speedway, with all three races sanctioned by the Lucas Oil series. Trevor Feathers picked up a ride in the Roland/Mann #72 thanks to their regular driver Tylor Emory calling Trevor and asking him drive there XR2 Rocket chassis. Trevor drove to a third-place finish and loved the way the car performed. "I have a XR1 rocket but after driving this I may have to think about things a little different for next year." Trevor will drive this car a few more races yet this year. Hayes Mattern and Justin Weaver rounded out the top five with Andrew Yoder, Jason Covert, Trevor Collins Dylan Yoder and Jakob Piper in the top ten.

When Recovery Became a Mission

By Debbie Gastelu

The dedicated volunteer safety crew consists of Brent Bachman, Nathan Eichner, Owen Dauberman, Darvin Yoder, Zach Hackenberg, Randy Arbogast, Mark Carl, Lukas Ramer, Zach Flory and Micah Stauffer. Not pictured are Dustin Sampsell, Joe Ramer, Sean Thibodeault and Aron Hummel. Photo by Debbie Gastelu

Danny Detrich took a wild flip and the safety crew were on the job doing what they do best. Photo by Debbie Gastelu

Derrick (Porky) Cook from Selinsgrove keeps a close eye on the racing action. Photo by Debbie Gastelu

Derrick "Porky" Cook who resides in Selinsgrove has been attending Selinsgrove Speedway since he was 14 years old. Now, at age 35, it's safe to say he has done almost every job imaginable at the track—short of being the announcer, race director, or promoter.

Over the years, he has worked the food stands, mowed grass, operated tow trucks and push trucks, worked as a corner flagger, and acted as a track handyman, doing everything from installing guardrails to handling pre- and post-race facility preparation. You name it, he's probably done it.

He was fortunate to work for many years under Charlie Paige, the longtime promoter of Selinsgrove Speedway through 2015. Derrick gives Paige much of the credit for the opportunities he was given at the track. Under Charlie's guidance, Derrick became the Turn 1 flagger in 2009, moved to Turn 4 in 2011, and eventually took on the role of Pit Steward. Beyond the big track, he also served as a corner flagman at the Raceway Park, occasionally stepping up as head flagman for micro races.

In 2016, Derrick shifted roles from track official to pit crew member, joining Blane Heimbach's 410 sprint car team.

Two months into the 2023 season, then-Speedway Promoter Stephanie Baker approached team owner Jeff Creasy about the track's need for a safety director. Knowing Derrick's extensive safety background and deep knowledge of Selinsgrove Speedway, Creasy encouraged him to accept the position while allowing him to continue helping with the sprint car whenever time permitted.

Derrick has proudly held the title of Selinsgrove Speedway Safety Director ever since.

When promoters Colin Rice, Paula Long Shick, and Jenna Mowery took over the speedway, they kept Derrick on as Safety Director and offered their full support for his leadership. Derrick takes that responsibility incredibly seriously, which brings us to the heart of his story.

This past winter, Derrick underwent surgery to remove a brain tumor on December 22, 2025. Thankfully, the procedure was a complete success, though his recovery sidelined him from work for two months.

Rather than spending that time idle, Derrick decided to turn an unexpected setback into an opportunity to improve safety at the place that had been such a large part of his life.

With the full backing of the Selinsgrove Fair Association, Derrick spent his recovery reaching out to companies and sending roughly 25 sponsorship proposals seeking help upgrading the speedway's aging safety equipment. Those efforts ultimately resulted in six commitments.

His primary goals were to replace the safety team's outdated and worn-out fire safety suits—some of which were more than 15 years old—and upgrade the track's rescue tools and fire suppression systems. Through the support of sponsors and local businesses, two of those three major goals became a reality.

Disposal Management Services (DMS trash) sponsored fire safety suits for the team, while Allen Grace of Hot Shoe Racewear provided the suits at a discounted price, allowing the track to purchase 11 new suits. Selinsgrove Fair Association board member Cory Naugle of Whistlin' Dixie Transportation purchased six additional suits during the middle of the season.

Fire Rescue Products and AMKUS Rescue Systems stepped up to provide new battery-powered extrication tools.

The Fire Store, a nationally recognized public safety company specializing in fire, EMS, and police equipment, also came on board, providing new extrication gloves and fire-resistant hoods for every team member. The company also served as the title sponsor for First Responders Night in July.

Other local businesses contributed to the effort as well. Cooper Electric of Selinsgrove donated new Milwaukee power tools, while Hilly Ridge of Mt. Pleasant Mills continued its support of the speedway by donating a UTV to help ensure a rapid response to emergencies anywhere on the property.

Packers Concessions donated additional batteries for the new extrication tools, while Kratzer Insurance purchased six new fire safety suits specifically for the ambulance crews.

What makes the improvements even more meaningful is that Selinsgrove Speedway's safety crew consists entirely of volunteers. Every member is a trained firefighter or EMT. Most are local volunteer first responders, while one dedicated member drives an hour each way to work every race.

Among them is Randy Arbogast, an original safety crew member who has served the speedway for over 40 years.

"These guys deserve all the credit," Derrick said. "They all come on their own time and continue to want to get better. You are only as good as the team behind you, and I feel really good going into each event."

The dedicated crew members are Brent Bachman, Nathan Eichner, Owen Dauberman, Darvin Yoder, Zach Hackenberg, Randy Arbogast, Mark Carl, Lukas Ramer, Zach Flory and Micah Stauffer. Not pictured are Dustin Sampsell, Joe Ramer, Sean Thibodeault and Aron Hummel.

Before each racing season begins, the safety crew and ambulance personnel participate in a mandatory annual refresher course. They practice extrication procedures, including removing a driver from a sprint car, pre-plan equipment placement, practice responses to fuel fires and review protocols for medical emergencies involving spectators.

The racing community has taken notice.

"Coming to the speedway knowing the training the safety crew does and how serious Pork takes his job is a comforting feeling," said 305 sprint car driver John Braim.

Fellow 305 sprint car driver Erick Knopp, who was professionally extricated from his race car by the crew during the 2025 season, echoed that praise.

"Derrick and his team take great pride in what and how they do it, and do very well at it," Knopp said. "Selinsgrove should be honored to have him and his team."

And the work is not stopping with the improvements already made.

Looking ahead to 2027, Colin Rice will take over as the new promoter of Selinsgrove Speedway and has asked Derrick to return as Safety Director for another season. Derrick has already begun working on the next chapter for the safety program.

Planning is underway for First Responders Night in 2027, and Derrick has already started reaching out to businesses and potential sponsors to help fund the crew's next round of projects.

One of the biggest goals is replacing and upgrading a safety truck that has served Selinsgrove Speedway for nearly 20 years. The crew also hopes to replace one or two of the track's aging fire suppression systems.

With much of the crew's personal protective equipment and rescue tools upgraded, Derrick sees the safety truck and fire suppression systems as the next major steps toward modernizing the speedway's emergency response capabilities.

For Derrick, however, the improvements are about more than new equipment. They are about making sure the volunteers responding to an emergency have the equipment, training and resources necessary to protect the drivers, race teams and fans that come through the gates.

"Selinsgrove Speedway will always be home," Derrick said. "This place is my happy place. I grew up in the pits, and my wife, Mckenzie, grew up in the stands. It's funny how all these years later I'm still working in the pits and she's selling tickets at the VIP booth. I've met so many people here who have become my second family."

"And we're just getting started. I have big goals for this safety crew in the future."

Derrick emphasizes that he cannot thank Charlie Paige and Jeff Creasy enough. Without their early guidance, trust and support, he says he would not be where he is today.

What began as an unexpected medical setback ultimately gave Derrick an opportunity to focus his energy on something that mattered deeply to him. The two months that temporarily kept him away from his normal work helped set in motion improvements that will benefit Selinsgrove Speedway's safety crew, competitors and fans for years to come.

And if you're ever at the races, Porky still isn't difficult to find.

Just look for the guy flying around the speedway on his four-wheeler, seemingly everywhere at once—and usually the first person headed toward the scene when the yellow or red flag comes out.

Local Drivers Have Good Weekend Of Racing

By Jeff Ulrich

Winning his 4th PASS 305 Sprint Car Championship is Winfields Ken Duke Jr with his wife Donna standing in Victory lane at Selinsgrove Speedway this year. Photo by Debbie Gastelu

Hayes Mattern of Beavertown had a good Saturday night of racing at Bedford speedway, a track he has not raced at since the 2022 season had a solid night at Bedford with having the third fastest time trial in Group B then going on to win his heat race. After the pill draw Hayes started fourth in the feature and was sticking with the top group of cars passing one and staying in sight of the leader Gregg Satterlee. A restart hurt him and he fell back to fourth place and that is where he finished but again was staying in track of the lead trio of Satterlee, Zeigler and Trevor Feathers. "We cannot hang our heads after went down tonight we hung with a good group of regional racers that run these types of races all the time. We did a few changes on the car, but not too many and the car was pretty solid the whole night", Noted Hayes. With the good run could have more races at Bedford on his schedule for the 2027 season. "We will have to wait and see what the Selinsgrove and Port Royal schedules look like first and then decide". The was the final race for Hayes this season , who at Selinsgrove his hometown track he had Six top ten and five top five runs at the track this season.

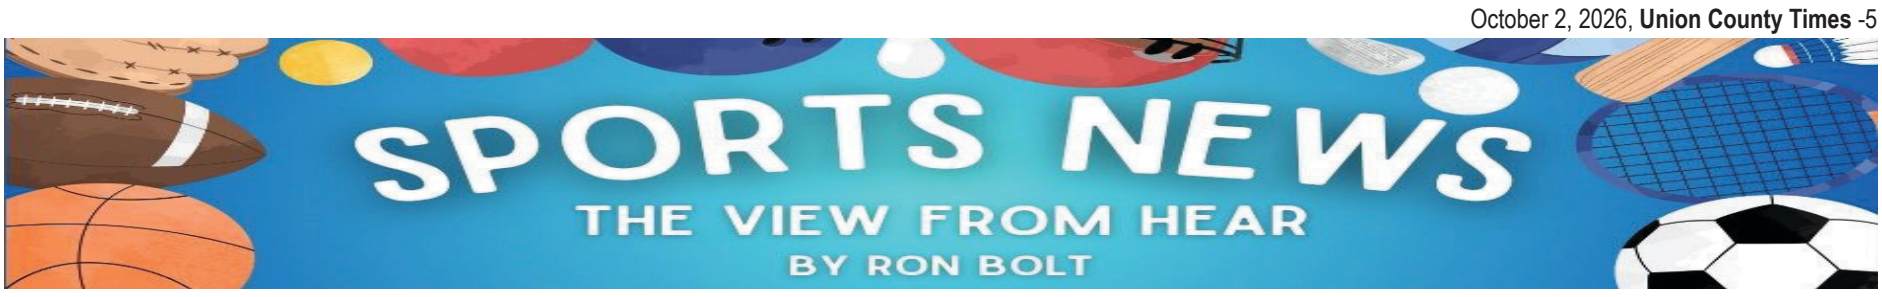

Andrew Yoder of Middleburg Also had a good night at Bedford, placing second in his heat race behind heat and feature winner Gregg Satterlee. Andrew stayed in the or near the top five all features long and ended up with a sixth-place finish. Andrew placed fourth in super late model points at Selinsgrove and third in the limited late model points where he scored two limited late model feature wins. His cousin Dylan, also of Middleburg, started the feature at Bedford in 19th spot after placing fifth in the second heat and went on to score a 9th place finish. Dylan has been in his dads Jim #27 for the last half of the season after his roll over in a feature race at Selinsgrove earlier this summer. Dylan was sixth in the final point standings at Selinsgrove and fifth at Port Royal.

Jason Shultz, as we told you in my column what he did at Eldora has been running most of the 410-sprint show at Selinsgrove with one fourth place finish his best run. Jason scored a 360-sprint car feature win at Port Royal speedway back on July first beating Adam Carberry and Michael Walter, and also a 360-sprint feature win on July 10th at Selinsgrove beating Seth Snoke and Michael Walter who is from Selinsgrove. Jason drives for Middleburgh resident Kirk Ritter.

Ken Duke of Winfield won a championship last weekend and did not even have to race. Not that he wanted to end that way. The Pass 305-sprint series was scheduled to race at Hagerstown on Saturday for the last series point race of the season, but the weather had that race getting cancelled. Chris Dolan would have to have a major turn of event to take the title away from Duke had the race been run. Duke has also won the series titles in the 2016, 2019, and 2024 season, and was the IMCA National series champion in the 2019 season, he finished the points season with two wins eight top fives and 18 top ten finishes in 26 races, with the series getting rain out 11 times. Duke also placed sixth in the final 305 sprint points standings and is sitting in second place in the Selinsgrove points with two point shows left in the season on October 9-10. Chris Dolan is 180 points in front of Duke.

The Selinsgrove girls soccer team is rolling as they won three games this past week without allowing a goal. Sisters Addison and Morgan Wenzel scored both goals and Addison added an assist in a 2-0 win over Troy. Earlier in the week Addison scored the winning goal in a 2-0 shutout of State College. Morgan had five points in a 5-0 win over Central Mountain. Lewisburg split their two games last week beating Montoursville 3-1 and falling 8-1 to Central Columbia.

Lewisburg boys soccer (9-1) shutout Central Mountain 4-0 with 18 shots-on-goal against one and Jack Kohl had an assist and two goals. The Green Dragons followed that up with a 5-0 win over Milton thanks to Eli Abunassar´s hat-trick.

Lewisburg´s main competition Midd-West is (8-2) after picking up three easy wins last week. They beat Shik 5-0 with well-balanced scoring, five players scored a goal with Gabriel Romig getting three points. The Mustangs beat Sock 5-1 with Abram Sellers having three goals and an assist. Ten players scored points in a dismantling of Shamokin 8-0 led by Evan Devine's five points. Mifflinburg (1-8-2) lost 5-0 to Hughesville and tied Shik 1-1.

Midd-West field hockey (7-2) were hanging onto a 1-0 lead with Aubrey Resseguie's goal in the first quarter. They added three more in the final five minutes to beat Northwest 4-0. They beat a tough Milton team 3-1 as Josephine Boyd had two assists.

Selinsgrove also beat Milton 1-0 on a Violet Shaffer goal with under three minutes left. Shaffer had six points in a 7-1 win over Danville in a good team effort by the Seals. The highlight was a goal from all-state goalie Bella Furgison.

A side note about Milton… They were never really good in field hockey and are currently 6-4 after playing the really good trifecta of Midd-West, Miff and Grove this past week and could have won two of them.

I met their coach, Brandee Krall five years ago when she started coaching at Milton and she told me they would get better. That´s an understatement as they held their own against our local powers. Congrats coach Krall for keeping your word.

Miff's Amelia Fluman's goal in the final two minutes beat that vastly improved Milton team 1-0. Earlier in the week they beat Southern Columbia 8-0 in their first game on the much anticipated and needed new turf field. Clearly Maize Sauder liked the faster pace as she scored four goals and Kira Shoemaker and Ansleigh Thompson each scored twice.

Miff coach Emily Stauffer said ¨I am so excited that our girls finally have a home surface that is going to better prepare us for the post season. I am excited to see our transition from a grass team to a turf team.¨

This was never more evident when host Mifflinburg stayed undefeated in shutting out yearly nemesis Selinsgrove 1-0 in overtime Monday night. Freshman Kenley Flickinger scored on a feed from Shoemaker 8:16 into OT. I cannot remember the last time Selinsgrove didn´t have a shot on goal.

Lewisburg (6-2-1) is peaking at the right time as they haven't lost in their last six games. They beat a good Central team 2-1 as Cadence Shoeman scored both goals and Anna Lutze had both assists. It was a scoreless tie against an evenly matched Bloom (5-3-1).

The Seals golf team beat Miff 380/409 in a tri-meet with Shik who beat them both. Grove's Tanner Fry shot a 92 and Miff´s Calen Loss a 93. The Cats lost to Warrior Run 181/195 despite Loss's medalist round of 42. Calen´s younger sister Colbie shot a 47 for a 159/179 win in the girl´s match. I´m not sure their father Jed could beat either one anymore…? Lewisburg (7-1) beat Montoursville 173/184 because of Bryce Bussom´s one over 35.

Lewisburg girls tennis lost 3-2 to Hughesville where No. 1 singles Dayssi Weis won 6-2,6-3. Weis was the only Green Dragon to score a team point in a 4-1 loss to Central Columbia. Mifflinburg (2-11) lost 5-0 to Muncy.

In boys cross-country, Midd-West swept a quad-meet with Danville, Shore and Bloom. The Mustangs placed three in the top 5 with Grant Boop first and Lyncoln Hoffman second. The girls beat Danville 20-39 with top of the lineup depth. Six of the top 7 finishers were from Midd-West led by Evelyn Weiser, just a fifth of a second behind the fastest time.

The Lewisburg boys (8-3) and girls (9-2) beat both Selinsgrove and Shik in a tri-meet. Thomas Graham and Tyler Confer led the boys finishing first and second. Grove lost to Shik 17-46.

The Dragonettes squeaked by Grove 28-29 despite three Seals in the top 4. Lake Dent beat Lew´s Kaelyn Bozella by 2 seconds to take first and Isabel Clark and Ashtyn Lukens finished 3rd and 4th for Grove. The difference was Lewisburg placed three runners in the 10th-14th spots and Grove had just one.

We just entered the Fall season this past week and America´s best summertime city has both of their teams in the baseball playoffs. The Chicago White Sox set a modern-day record (since 1901) for the most losses (121) just two years ago. Their brethren from the North Side of Chicago are in the playoffs thanks to league MVP Pete Crow-Armstrong. Will there be a Papal visit to Chicago soon?

I´m pulling for both Chicago teams but I think the Brewers will play the Dodgers and the Tampa Bay Rays will face the Yankees to go to the World Series. Don't expect to see Aaron Judge play, but New York's starting pitchers will get them to the AL title games.

They say in baseball that 34 is the new 24, I don't agree. Judge is 34 and has been injured most of the year. The core players of the Phillies… Harper, Turner, Schwarber, Nola, Wheeler and Realmuto are all north of 33 years old. The Phils barely made it into the playoffs and won´t get past Atlanta in the first round.

Speaking of injuries, a solid backup QB is like insurance in the NFL; you don't realize how important they are until you need them. Five starting quarterbacks have left games in the first two weeks, some for the year and others for a week or four.

The NY Giants were talking playoffs after their week one win over the Cowboys with exciting, second year QB Jaxson Dart leading the offense. Dart is gone for the year and affable backup Jameis Winston is not the answer, nor is newly acquired J.J. McCarthy. The Giants will now be lucky to win six games unless a Charlie Batch or Nick Foles type enters the locker room.

Injuries are one of the reasons the NFL is also known as ´Not For Long´ as every week a different team shows up. The Falcons dismantled the Packers Thursday night after their offense never reached the red-zone in their first two games.

The Bears scored 59 points in week one and only 3 in their second game. I know QB Caleb Williams pulled a hamstring but that wasn't until midway through the fourth quarter. Third-string QB Case Keenum filled in quite well for the Bears in scoring 27 points in upsetting the Eagles Monday night.

Penn State squandered a 17 point lead and were upset by Wisconsin last week. I know many of you thought about making the playoffs in Matt Campbell´s first year as coach, me included. Reality hit hard with many calling for a coaching change after one loss. Pump the brakes, Campbell will be just fine though I still think Bob Chesney (UCLA) would have been the best choice and said as much three days after Franklin was fired last year.

When I initially saw this year's schedule I thought the best case scenario was two losses. When I factored in so many players transferring in and out and new personnel in all departments, I thought five losses is a reality. The two losses in the best case scenario were Northwestern and USC, guess where Penn State plays this week? The new stadium, at night, on a Friday after an inexplicable loss on homecoming and an extra day's rest for Northwestern doesn´t bode well for the Lions.

We might be turning our attention to Penn State hockey and wrestling earlier than we thought. Please don't blame coach Matt Campbell. He will get an offensive line that is up to B1G standards. He will not feel an obligation to those players that came with him from Iowa State. He will better comprehend the levels of importance of all the different voices he is hearing from.

Campbell will address Penn State's non-con schedule to have better teams, at the least, two FBS teams every year. They have played only three games against FBS schools the last five years, West Virginia twice and Auburn. In the next two years they play Syracuse twice and the likes of Maine, Ball State and UMass.

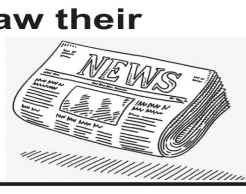

I understand the need for ´payout games´ and the income generated by paying a MAC school $1M to come to Happy Valley twice. I also know many longtime season ticket holders that will not be renewing their tickets due to the increase in ticket prices and parking costs.

Stadium renovations, NIL and having to support all the other sport programs at Penn State is expensive. Currently they have basically three scrimmage games before league play starts and this has to change to maintain attendance levels. Penn State needs to schedule better quality teams for the paying public.

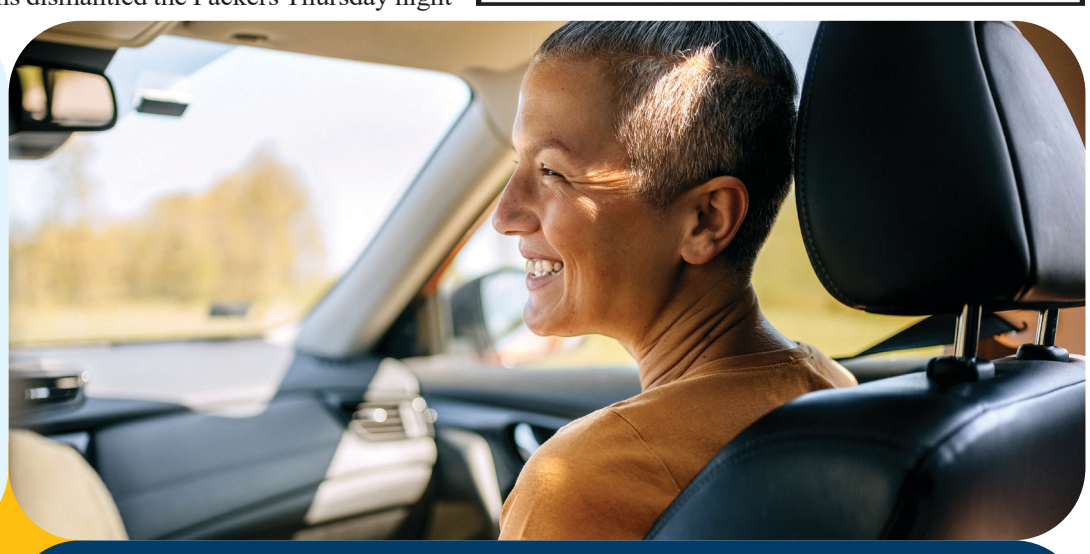

I still stand by the fact the first college football rankings should come out after the fifth game and voters need to be drug tested. Questions and complaints will be answered at theviewfromhear74@gmail.com

Public Library for Union County Auction - An Evening Among the Stacks

By Kay Poeth

Mark your calendars for a spectacular event at the 36th Annual PLUC Auction: An Evening Among the Stacks, hosted by the Public Library for Union County on Saturday, September 26. The public is invited to this annual fundraiser to be held in the library, literally among the stacks.

The auction event starts at 6 pm and features complimentary wine and beer, a selection of heavy hors d'oeuvres, and both silent and live auctions.The PLUC auctions include interesting items, gift cards, and numerous experiences.

The popular Art, 50/50, and Silver Spoon raffles are back, too! You don't need to be present to win—just be sure to grab your raffle tickets in advance or during the event, as they are not available for purchase online. Come and enjoy the chance to mingle with community members and local businesses who are passionate about supporting the PLUC.

The Silent Auction is already open online and accepting bids; giving patrons more time to bid before the main event. Whether you join in person for food, drinks, and the live auction, or bid from home with the library's new Remote Bidding Ticket, you'll have full access to the silent auction fun!

For the easiest bidding experience, download Givi and log in using the email address you used to purchase your ticket.After logging into Givi and entering the event, confirm your ticket details, set your notification preferences, and enter a payment method. This will help ensure you're ready to bid and receive alerts if you're outbid.Start exploring the items and building your wish list before bidding opens!

"This event is a celebration of community, and we look forward to seeing both longtime friends and new attendees," says Library Director Toby Schwartzman. "By adding remote options this year, we are ensuring that anyone who wants to support the library and win incredible items has the chance to do so, whether they can attend in person or not."

Beyond the fun, An Evening Among the Stacks is the library's most vital fundraiser of the year. Every ticket purchased and bid placed directly fuels the library's mission, funding the books, materials, and resources our community relies on every day. Featuring unique items, memorable experiences, and gift cards generously donated by local businesses and individuals, this unforgettable evening ensures the library continues to thrive and grow.

SUN Tech Criminal Justice Class Visits Union County Courthouse

Criminal Justice students recently visited the Union County Courthouse in Lewisburg. Students observed sentencing proceedings with Judge Piecuch and witnessed our justice system in action . They had the opportunity to ask questions directly to the judge about what the position entails and education required for that position. Students also toured the courthouse and learned about all the local government functions it holds such as the Union County jail, Union County Sheriff's office, Prothonotary, Tax assessment, Treasurers office, Probation and District Attorneys' offices. They also learned the differences between a Magisterial District Court and County court within our legal system.

Grace Ferri Joins Penn State Extension

Grace Ferri has joined Penn State Extension as an Extension Agent serving Snyder and Union Counties. In this role she will provide science-based and research-based education and resourcesto help producers achieve their production, management, and business goals.

Ferri grew up in Warren County, New Jersey, in the northwest region of the state. Her home was across the street from her uncle's dairy farm, where her passion for agriculture began. From a young age, she spent much of her time working on the farm and learning firsthand the dedication, challenges, and rewards that come with agriculture. Those early experiences shaped her appreciation for producers and ultimately influenced her decision to choose a career supporting the agricultural community.

She attended Delaware Valley University, where she earned herbachelor's degree in animal science with a specialization in Livestock Science and Management in May of 2025. Throughout college, she intentionally sought out a variety of experiences to broaden her knowledge of agriculture and gain practical, hands-on experience. She worked on a micro-dairy, a horse farm, and atDelVal's Roth Center for Sustainable Agriculture. Ferri notes that one of her most meaningful experiences was shadowing the large animal vets at Sunbury Animal Hospital, which allowed her to tie her experience and education together to better understand management decisions and how they impact animal health and performance.

In addition to her agricultural experience, she served on the A-Day Executive Team for threeof her four years at DelVal. She also spent significant time in pre-k-12 classrooms teaching agriculture education lessons.

Following graduation, she accepted a position as a Broiler Flock Advisor, servicing farms throughout Snyder, Union, and Juniata Counties. In this role, she worked directly with producers to help them achieve their production goals through effective flock management and communication.

As an Extension Agent, one of her primary goals is to continue strengthening the relationships between Penn State Extension and the agricultural community in Snyder and Union Counties. Ferri states, "I look forward to becoming well acquainted with the producers and agricultural businesses in the area, learning about their individual operations and challenges, and identifying opportunities where Extension can provide meaningful support. I hope to connect producers with the research, resources, and expertise they need to make informed decisions and improve their operations."

If you have any questions or would like to connect with her, she can be contacted by email gaf5422@psu.edu or by phone (570) 316-6516.

Museum Invites Families to Set Sail for "Pirates & Pumpkins" This Halloween

Ahoy, mateys! The Lewisburg Children's Museum (LCM) is inviting little pirates, pumpkin lovers, and their grown-ups to celebrate Halloween with a day of hands-on fun during Pirates & Pumpkins on Saturday, October 31, from 10:00 AM to 2:00 PM sponsored by Dries Orchard.

This family-friendly Halloween celebration will transform the Museum into a playful mix of pirate adventures, pumpkin experiments, creative activities, and plenty of opportunities to learn, imagine, and play.

Families can look forward to activities both inside and outside of the Museum, including launching pumpkins with a pumpkin catapult, testing their balance as they walk the plank, making music with a Makey Makey pumpkin piano, decorating pumpkins, creating pirate-inspired crafts, trying their hand at pumpkin pounding, and more.

Young buccaneers can also discover their pirate names, test their skills with pirate-themed challenges, and stop for a photo with Petey the Macaw and his sidekick Pirate Gary along the way.

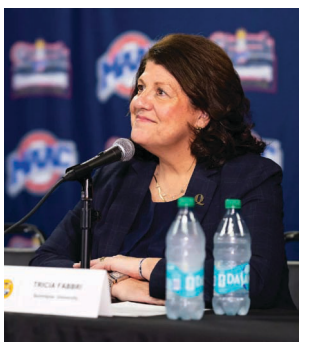

"We wanted to create a Halloween celebration that feels like the LCM — playful, creative, hands-on, and just a little bit silly," said Natalie Bond, Experience & Engagement Director at the Lewisburg Children's Museum. "Pirates & Pumpkins gives families a chance to celebrate together while experimenting, creating, exploring, and making some great Halloween memories."

Costumes are encouraged, but not required. Families are invited to come dressed as pirates, pumpkins, favorite characters, or anything else their imaginations dream up.

Pirates & Pumpkins will take place on Saturday, October 31, 2026 10:00 AM–2:00 PM Lewisburg Children's Museum 815 Market Street, Suite 14 Lewisburg, PA 17837. Pirates & Pumpkins is sponsored by Dries Orchards.

Additional event details will be available through the Lewisburg Children's Museum's website at bit.ly/playatlcm.

YMCA Coaches Clinic Brings Division I Expertise to Local Coaches

Above: Tricia Fabbri, former Head Coach, Quinnipiac University Women's Basketball; Trevor Woodruff, Head Coach, Bucknell University Women's Basketball.

Basketball coaches from across the region are invited to the Lewisburg YMCA for the Next Level Strong Coaches Clinic on Saturday, Oct. 24 and Sunday, Oct. 25. The clinic will take place at 120 Hardwood Drive, with check-in beginning at 8:15 a.m. and sessions running from 9 a.m. to 5 p.m. each day.

Featured presenters include Trish Fabbri, the longtime Head Women's Basketball Coach at Quinnipiac University; Trevor Woodruff, Head Women's Basketball Coach at Bucknell University; Zack Smith, Head Women's Basketball Coach at Lock Haven University; and Mike Nestor, Head Men's Basketball Coach at Lock Haven University, along with additional collegiate coaches from across the region.

The clinic is designed to give basketball coaches an opportunity to learn from a variety of collegiate programs and explore ideas they can apply to their own teams. Sessions will focus on areas including player development, offensive and defensive strategy, scouting, practice planning, film breakdown and team culture.

Kathy Fedorjaka, Director of Basketball Operations at the Lewisburg YMCA, said, "Every coach brings different experiences and a different way of looking at the game. We wanted to create an opportunity where coaches could hear those different perspectives, ask questions and leave with ideas they can use within their own programs."

Presenters from both men's and women's collegiate programs will take part throughout the weekend. In addition to Quinnipiac, Bucknell and Lock Haven, coaches representing the University of Scranton, Elizabethtown, York and Bloomsburg will contribute to the clinic.

The weekend will also include networking lunches on both days. These breaks will give attendees an opportunity to continue conversations with presenters, exchange experiences with other coaches and build relationships throughout the basketball community.

For coaches in the region, the clinic offers access to a type of professional development experience that can often require significant travel. By bringing collegiate coaches to Lewisburg, attendees can take part in two full days of instruction, discussion and networking much closer to home.

"We hope coaches leave with more than a notebook full of plays," Fedorjaka said. "Whether it is a new idea, a different approach or a conversation with another coach, we want everyone who attends to leave with something meaningful they can take back to their program."

Coaches may register for one or both days through the Greater Susquehanna Valley YMCA website. Individual registration is $125 for one day or $200 for both days, with group registration options also available. For the complete clinic schedule and registration information, visit GSVYMCA.org or call 570.556.4191. Questions about the clinic may be directed to Drew Kauffman.

AUCTIONEERS Kline Waite "New or Old, Consider it SOLD!"

Located at #14308 Route 104 Middleburg Pa. Travel approximately 1 mile on route 104 north of Middleburg to auction site on the right. (at #14308 Rt.104).

Real Estate

Located on a large double size lot (approx. ½ acre), is situated a 1,450 sq. ft. Ranch Home. The home has 4 bedrooms, 2 full bathrooms, a large living room, an eat-in kitchen (w/a stainless-steel refrigerator/freezer and stainless-steel glass top electric stove,) walk in pantry, and extra closet space. The home has a cemented basement, an attic area, and a large 12ftx42ft rear deck w/railing (overlooking a spacious backyard). The home has electric baseboard heat, is on public sewer, has its own on site well, and has an electric hot water heater. The home boasts many upgrades to include ceiling fans throughout, vinyl plank flooring, 2 bathrooms that were newly remolded, and newly painted rear deck. The property is close to town, is in the Midd-West School district, has a nicely landscaped front yard with cement sidewalk, and has plenty of off-street parking (able to accommodate 12+ vehicles), To see this well maintained, move-in-ready home by private appointment call (570-765-0146) Any tests may be done on property at prospective buyer's expense prior to auction date. Terms are $15,000 down with balance in 60 days. Property taxes are $1,800 per year.
Go to Auctionzip.com ID#3834 for more photos and details.

A River Rat's Ramblings: School Begins 1957

By Jim Charles; Vol. 6, Story 10

The Selinsgrove Times arrived and I'm in Mr. Marlin Brosius's 6th grade class.Earl was in my class and so was the C. The four of us tried to pack everything into the last two week of summer.

Finally, it was here, the first day of school. We were standing outside waiting for the doors to open when the same two girls from C's possie came over to me and said, "C doesn't like you anymore." I replied, "Thank you for telling me." What I wanted to say was, "Yippee, there is a God!" but at the moment, the doors opened and I was shoved inside.School was starting out great!

We got to Mr. Brosious's room and he had a name tag on each desk and as usual, C was seated two seats ahead of me.We got to talk at one point in the day and she told me she liked a boy in 8th grade.She added that she hoped we were still friends, which I assured her we were.

The day didn't amount to much. We got our textbooks as each class started and spent the class time reviewing that particular book. At the end of the day, we had two homework assignments but had enough time to get them done.

At dismissal, those of us that lived on the east side of Market Street had to get in a line and walk out to Market Street and wait for the policeman to let us cross the street. I think we may have had three police officers back then.

The next day it was very hot and there was no air conditioning in the school. We had a large fan that blew hot air around the room.It was better than nothing. As I think about it, we did not have a/c at home, nor did anyone I knew, so we didn't mind it as much as we would today. At home, we had a fan in each bedroom and we had one in the kitchen for mom.It would be almost another 10 years until air conditioners were common most everywhere we went.I should add they were not in the Charles household until after the 1972 flood.

Back to school, there was no complaining about being hot because everyone was hot. At the time, we were not allowed to wear shorts.Girls could wear a dress or skirt and blouse; boys had to wear long pants and a shirt with a collar.Today I see kids going to school wearing very little, AND they have air conditioning.

I know, times have changed.It's not the 1950's anymore, but as the song said, "when you're hot, you're hot—when you're not, you're not." End of story.

Sunsational Family Campground Car Show Winners

Car Show at Sunsational Family Campground on September 5 featured day to enjoy all the old "muscle" cars and reminisce about days gone by. Campers strolled around admiring all the vehicles on display. Congratulations to the winners: 1st place- Ryan Buss-1967 Ford Mustang; 2nd place- Don Kurtz- 1968 Chevy Pickup, and 3rd place- Cody Masden- 1972 Chevy Nova.

For more information, call Tom at 570-541-5655.

Harold Aucker Named to All American Team of District Commanders

By Kay Poeth

Recently, Harold Aucker, Post Commander of Selinsgrove VFW 6631 and District 17 Commander, was named to theAll American Team of DistrictCommanders.The citation was presented "In recognition of steadfast leadership in all VFW endeavors, thus qualifying as a member of the 2025-2026 All American Team of District Commanders"from the National Headquarters of the Veterans of Foreign Wars (VFW) in Kansas City, Missouri.

Ten VFW District Commanders received this award per state. Harold Aucker was 1 out of 520 people to receive this recognition. District 17 is comprised of 9 different VFW Posts throughout Snyder, Union, Juniata, and Perry Counties.

"I opened my email addressed to All American District Commander and was surprised. The email congratulated me on a job well done. There was a listing by state of all the names. There were ten named as All American Districtersper state," explained Aucker. "It was a shock to read the email. Then four days later, I received the certificate in the mail."

Congratulations to Harold Aucker,VFW Post 6631 Post Commander and District 17 Commander, on this well-deserved award!

Jazz at the CommUnity Zone with the Frank Cloke Quintet on October 7

Edited by Kay Poeth

The Frank Cloke Quintet is back at the CommUnity Zone on Wednesday, October 7th! Doors open at 6:30 pm. The second half of the evening will be open to the community to join the band on stage so bring your instrument. Musicians of all ages and skill levels welcome.

Frank Cloke (Bass) is a jazz bassist and music educator from East Stroudsburg now based in Central PA. He is the Band Director at Mifflinburg Area High School and runs the concert and marching bands as well as the modern band program. He studied jazz at Penn State University (2024) and has performed with the PSU Centre Dimensions jazz ensemble, Crooner and Co. Swing Band, and the Zeropoint Big Band.

Joe Stanford (Tenor Saxophone) is from Langhorne, PA and studied music education at Youngstown State University in Youngstown, Ohio. He studied classical saxophone with Dr. James Umble and jazz studies with Dave Kana, Kent Engelhardt and Dave Morgan. He currently teaches general music at Mifflinburg intermediate school.

Bill Grose (Trombone) is a music educator based in Selinsgrove, currently teaching in the Mifflinburg Area School District. Bill has performed with a variety of ensembles including the Greater Finger Lakes Jazz Orchestra, Northern Dutchess Symphony Orchestra, The New York Wind Symphony, Penn Central Wind Band, Billtown Brass, Williamsport Symphony, Lycoming Trombone Consortium, Spencer and the T-Bones, and A Long Way from California.

Urie Kline (Drums) is a versatile percussionist active in Williamsport, Lewisburg, and State College. He performs regularly with the Cadillac Cats, Eric Ian Farmer, La Fiesta Latin Band, and the eponymous Urie Kline Band. He currently teaches at Lycoming College, Bucknell University, and Robert M. Sides.

Jerry Bresee (Guitar) has experience on the Washington DC jazz scene, playing with the 18-piece Loudoun Jazz Ensemble for 12 years, the Mad Dog Jazz quintet, the String Theory Jazz Trio and here in Central PA with Jazz on 16 Strings, a quartet based around two guitars and bass.

Jazz at the CommUnity Zone will be held on Wednesday, October 7 from 7-9 pm. $10 at the door; children under 12 free. Refreshments served, BYOB. Located at 328 Market Street in Lewisburg doors open at 6:30 pm.

For The Earth- Soft Landing Experience

The upcoming "For the Earth" Soft Landing Experience will be held on Monday evening, October 12 at 7 pm at the Elias Center for the Performing Arts, 212 South 5th Street in Mifflinburg.

Soft Landings are diverse native plantings under a keystone tree (or other regionally appropriate native trees). These plantings provide critical shelter and habitat for one or more life cycles stages of moths, butterflies and other beneficial insects such as bumblebees, fireflies, lacewings and beetles. In addition to plants, soft landings also include leaf litter, duff and plant debris.

Participants will learn about the profound ecological impact of creating soft landing areas in their yards and gardens. They will then work together in gardening teams to develop soft landing designs using images and descriptions of native species of trees, ferns, grasses and perennial flowers.

That evening, For the Earth will also have native tree saplings available to take home to plant this fall courtesy of a generous For the Earth Friend who donated $300 for the purchase of these trees. Each will be counted toward For the Earth's goal of planting 3,000 Native Trees over the next 5 years.

If you care deeply about the environment, please join us in healing the planet together one patch at a time. We invite you to contact us at fortheearth2@gmail.com to be included in our contact list to receive weekly For the Earth updates.

HESS'S AUCTIONEERING
Auctioneers: Lori Hess Lauver, AU-002854-L 570-966-2512 & Daniel King, AA-0019500-L auctionzip.com ID# 2399 or GoToAuctions.com ID# 4215

What To Look for With Scams

Scame alert list. Don't be the next victim, keep this list by your phone.

Put your phone on "Do Not Disturb", it will allow all calls from your call log but will warn you of potential spam calls. Do NOT answer or call back these calls! Anyone who wants you will leave a message.

If they tell you any of these, it is a scam, hang up the phone immediately!

1. Do not tell spouse.
2. Do not talk to anyone.
3. Your phone rang in the night and was rerouted so you didn't hear it or the internet has been hacked.
4. Your iPad/computer is locked "do not" call the number on the screen, call the manufaturer like Apple, etc.
5. They are from Medicare- listen to recording giving them permission to talk to you even though you are on "do not call list".
6. A margae company- call your own mortgage company.
7. You talk to several accomplices (actors-scam artists).
8. They are collecting for Police.
9. Your grandchild is in prison, send money, don't tell parents
   a. Have a safe word-example: Candy Cotton, if they don't know it, it is a scam.
   b. safe word also keeps kids from getting in a car with a stranger.
10. They are from Federal Trade Commission their # 877-382-4357
11. They are from Attorney General Office, phone # 215-560-2414
12. They accuse someone at your bank of hacking your account
13. They are your bank inspector
14. They bought cryptocurrency and you have to do a duplicate transaction to cancel using a Bitstop or Bitcoin machine
15. Never-Ever put money in a bitcoin or Bitstop machine. The car code they give you sends that money directly to their account not yours! Do NOT send pictures of yourself or receipt!
16. They tell you to lie at the bank to get money and leave your phone in the car.
17. Need money to move.
18. Romance scams.

NEVER Give:

1. S.S. #
2. Drivers License
3. Picture of yourself
4. Bank name
5. Bank account #
6. How much money you have in the bank

DO:

Make a complaint to (at anytime)

1. Bank manager
2. Attorney General

Wire transfer has 72 hours to be reversed at a bank.

Make sure if you buy a ticket, it cannot be redeemed for cash!

File report with Police!

Keep ALL receipts

Citizens helping citizens! W/advice by Attorney General Office.

Celebrating Grandparents Day with First Annual Alzheimer's Mini-Walk

EverTrue Buffalo Valley Lutheran Village marked Grandparents Day with a heartfelt and meaningful community event: its first annual Alzheimer's Mini-Walk, held at the Personal Care Center. The EverTrue Alzheimer's Walk Team is proudly supporting the Walk to End Alzheimer's in Bloomsburg on October 10, 2026, and Sunday's gathering offered both celebration and purpose.

More than 60 friends and neighbors came together for an afternoon centered on connection, remembrance, and support. In a community built around care and memory, the turnout underscored how deeply the mission of the Alzheimer's Association resonates with families.

At the start of the walk, Team Captain Debb Lutz emphasized the ongoing nature of the Alzheimer's journey. 'The folks who came out to support—and the friends who couldn't attend—understand that Alzheimer's and other dementias are not a one-day event. They are a year-round reality for families who are caring, supporting, and living with this disease every single day,' she said.

Lutz added, 'Every person with Alzheimer's is ONE person with Alzheimer's. Each brain, each story, each life is unique. And yet every one of them is facing the same truth: their brain is breaking — and they need us. They need this mission. They need this movement. They need you.'"

The celebration featured classic carnival games, cornhole, bean bag toss, a bake sale, and a raffle basket fundraiser — all helping to boost support for the EverTrue Walk Team.

But the emotional centerpiece of the day was the Mini Promise Garden, a cherished tradition at larger Alzheimer's walks. Each flower color represents a person's connection to Alzheimer's and other dementias:

- **Orange Flowers** - Showing support for the cause and the vision of a world without Alzheimer's and all other dementia.
- **Purple Flowers** - Honoring those lost to Alzheimer's or another dementia.
- **Yellow Flowers** - Representing caregivers and supporters of someone living with Alzheimer's.
- **Blue Flowers** - Carried by individuals living with Alzheimer's or another dementia.

The Promise Garden stood as a vivid reminder that every story, every family, and every memory matters.

Community members are invited to join or support the EverTrue Buffalo Valley Team at the Bloomsburg Walk on October 10, 2026.

National 4H WEEK

Raul Midón to Perform in the Weis Center Atrium

The Weis Center will welcome soul-jazz guitarist Raul Midón on Wednesday, October 7 at 7:30 p.m. in the Weis Center Atrium. The performance is sponsored, in part, by the Standard Journal.

Raul Midón is a Grammy-nominated singer-songwriter and guitarist celebrated for his singular fusion of soul, jazz, Latin and acoustic music. Blind since birth, Midón has been hailed by The New York Times as a "one-man band" who transforms his guitar into an orchestra and his voice into a chorus. His breakthrough album, State of Mind, produced by Arif Mardin, introduced his borderless sound to the world and marks its 20th anniversary as a modern soul-jazz classic. Over his career, Midón has collaborated with artists as diverse as Herbie Hancock, Stevie Wonder, Snoop Dogg and Roberta Flack and has performed at leading venues and festivals worldwide. His release, Lost & Found (2024), continues his journey as an adventurous storyteller and genre-blurring musician. Praised by Quincy Jones for his joy-filled music and called an "eclectic adventurist" by People, Midón remains one of the most compelling voices in contemporary music.

Tickets are $20 for all adults and youth under 18 and Bucknell students are free. No discounts may be applied. Seating is general admission.Tickets can be reserved by calling 570-577-1000 or online at Bucknell.edu/BoxOffice.

Union County West End Fire Company Fall Fest on October 24

Edited by Kay Poeth

The Union County West End Fire Company is hosting a Fall Fest on October 24. Festivities begin at 2 pm and continue throughout the afternoon, concluding with a bonfire at dusk. Enjoy and afternoon filled with family fun. There will be live music,,kids activities, food & craft vendors, and a Chinese Auction. Don't forget to munch on some apple dumplings with vanilla ice cream. Located at 3005 State Route 235 in Millmont.
