## Mifflinburg Community Egg Hunt

By Kay Poeth

Mayor David Cooney congratulates a lucky Mayor's Egg Winner during the annual Mifflinburg Community Egg Hunt.

The egg hunt hosted by VFW Post 1964 was an eggs-traordinary Easter Celebration! The Mifflinburg Community Egg Hunt held at the VFW (Carnival) Grounds on April 16 was an incredible, eggs-traordinary day! Although snowflakes flickered in the air, it was an event filled with hoppiness. 4000 eggs donated by Rusty Rail were cooked, dyed and scattered around the lawn by members of VFW Post 1964. There were 5 categories for children up to age 12 including a division for handicapped children.

Prize eggs received a basket donated by Hometown Eatery and Roles Amusements. Congratulations to all the Mayor's Egg winners. Each child received a chocolate bunny.

During the festivities, the Easter Bunny hopped over to greet visitors and to pose for photos. Hoppiness overload! Thanks to VFW Post 1964 and all the local businesses who made this annual event so successful.

## Lewisburg Arts Festival

The Lewisburg Arts Festival will be held on Saturday, April 30. Entry to the festival is free and open to the public—all ages are encouraged to attend! The festivities begin at 9:45am with the raising of the Post Office flag by Boy Scout Troop 538 and won't stop until 5 pm. Plan to spend the entire day with us in downtown Lewisburg! The Lewisburg Arts Festival will be held rain or shine.

One hundred artists' booths will line one side of Market Street from Front Street to Seventh Street. Many of the artists are returning favorites, but nearly one-fifth are new this year. The juried show means only the best hand-crafted items are offered for sale – nothing is mass-produced or factory-made.

What's a festival without food? This year, we will offer three food courts instead of two – including a "mini" on North Third Street – you'll be able to eat your way from one end of the Arts Festival to the other! Whether you're craving savory or sweet, with 26 food vendors we've got you covered!

Interspersed along Market Street will be 15 Artisanal Food vendors, the most we've ever had! Their offerings will include take-away edible items, everything from baked goods and salsas to wine and beer.

Enjoy free entertainment by the Post Office (South Third Street). The Lewisburg High School Jazz Band begins the day's entertainment at 10:30 am, followed by dance performances from three different local studios starting at noon, 1:30 pm, and 3:00 pm.

See art in action on North Third Street, where you'll find a caricaturist, face painting, balloon art, and more! Air Weaver Balloons will be in residence from 11:30AM to 3:30PM for free balloon creations. Stop by the perennial-favorite petting zoo, Ashburn's Animals on a Mission, in the parking lot next to Cole's Hardware for a four-legged cuddle. And, while you're in the neighborhood, visit the Murals of Cherry Alley!

Hate the hassle of looking for a parking space? Thanks to the generosity of the Susquehanna River Valley Visitors Bureau, you can park in their spacious lot (next to Country Cupboard), and let the Festival Shuttle whisk you into town! Shuttle buses will run from 9:30 am to

5:30 pm, so you won't miss a minute of the festival itself. Valet Bicycle Parking is provided at the Mifflinburg Bank parking lot at 5th and Market. Earl's Bicycles will park it and protect it for you while you enjoy the festival.

# S.U.N Area Work And Witness Ministry

By Kay Poeth

*S.U.N. Area Work & Witness "Love Loud" ministry will assist members of the community on during the week of July 27-30. Pictured here are S.U.N. Area Work and Witness Team members: Doug Hoke, Carol Hoffman, Pastor Bill Foss, Logan Scholl, Craig Mitterling, Betsy Mitterling and Jamie Ernest.*

Selinsgrove Church of the Nazarene is excited to launch a brand new ministry in 2022 to help those in need in within a 15-mile radius of the church. S.U.N. Area Work & Witness "Love Loud" is a life-giving and life-changing ministry designed to make a difference in the lives of others in our local community.

This ministry is a group of concerned Christians eager to be the hands and feet of Jesus by ministering to others through actual practical service and support. The team will provide a helping hand to the elderly, widows, those injured who cannot work and those who can no longer maintain their homes or properties. The S.U.N. Area Work & Witness Ministry is an outreach to community residents in Snyder, Union, and Northumberland counties.

If there is a need, the S.U.N. Area Work & Witness team wants to provide for that need. Some may need help cleaning around the house, inside or outside. This may include landscaping and yard work. Perhaps there is a plumbing leak, light roof repair issue, broken windows, malfunctioning appliance or even a furnace issue that need to be addressed.

"God knows the needs of the community, and with His help we plan to find the needs and aid in fixing them," says the team. "We want folks to know there are people who care and will follow through in acts of service and kindness."

Applications are currently being accepted for those needing a helping hand. Applications are available on the Selinsgrove Church of the Nazarene website at: [www.scn.church](http://www.scn.church). All Applications for Assistance must be received by May 14. They can be emailed to [selinsgrovenazarene@gmail.com](mailto:selinsgrovenazarene@gmail.com) or mailed to SCN at 543 W. Sassafras Street, Selinsgrove PA 17870. For additional questions, call 570-374-0028.

Once an application is received, someone from the S.U.N. Work & Witness team will schedule a time to evaluate the project to see if it is something the team can do. Applicants of accepted projects will be confirmed and notified no later than the first week of July.

The Work & Witness mission will be held the week of July 27-30. There will be a "Mission Trip Kick-Off" meeting on July 24 to receive work assignments and other information. Orientation will be held at the church from 6-8 pm. Selinsgrove Church of the Nazarene is located at 543 W. Sassafras Street in Selinsgrove.

Anyone willing and able to serve is invited to the join the S.U.N. Area Work & Witness ministry team. The hope is that a wide representation of people from the community will work together to have a significant impact on the community. "We hope to branch out

to many other churches and serve an ever larger radius." So join the team and "Love Loud" and reflect the love of God into our community.

Volunteers do not need to attend Selinsgrove Church of the Nazarene to participate. Roles include Siteworkers, Dining & Kitchen Crew, Supply Crew, and Photography Crew. Volunteers must be at least 10 years old. Individuals are invited to volunteer for one full day or more! Registration is \$15 per person or a \$50 maximum per family. Make payable to "Selinsgrove Church of the Nazarene" and write "SUN Area Work and Witness" in the memo line.

Local residents and business owners can also sponsor this event by making a donation to help offset the cost of supplies needed to do the many projects that are identified and accepted. Sponsors are also invited to contribute to this community ministry both monetarily or with an in-kind donation of goods or services. The church is a 501 (c) (3) charitable organization, so donations are tax deductible. Donations of any amount are greatly appreciated.

To register as a volunteer or to sponsor this event, visit the Selinsgrove Church of the Nazarene website @ [scn.church](http://scn.church). Click on the SUN Area Work and witness tab. Applications are also available on the website. For more information, call 570-374-0028 or email: [selinsgrovenazarene@gmail.com](mailto:selinsgrovenazarene@gmail.com).

Remember the S.U.N. Area Work & Witness "Love Loud" ministry heads out to help members of the community on July 27-30. Volunteers, Sponsors, and Applicants are encouraged to become involved!

# Free Bike Helmet Giveaway And Safety Program

Adrienne Breed, Wellness Educator with Evangelical Community Health and Wellness fits a bike helmet during the 2021 giveaway event.

The Community Health and Wellness Team with Evangelical Community Hospital offer a yearly bike helmet giveaway for the community to promote summer safety.

According to the United States Consumer Product Safety Commission (CPSC), wearing a helmet can reduce the risk of severe head injury and may even save lives. During a typical fall or collision, much of the impact energy is absorbed by the helmet, rather than the head and brain. As summer approaches, Evangelical Community Health and Wellness wants to educate kids and parents on the importance of wearing a helmet while biking, skateboarding, scootering, rollerblading, or skating. On Thursday, May 26, from 4-6 pm, a free bike helmet give-away event for children 12 and under is being held in the courtyard/outside play area of The Miller Center 120 Hardwood Drive, Lewisburg. Children taking part in the event will be fitted with a CPSC regulated bike helmet and instructed on safe bike helmet use. Children must be present to receive a helmet and to have it properly fitted. Supplies for this event are limited and will be given away on a first-come basis. Anyone age 12 or under who does not own a helmet or who has a helmet that is more than five years old or has sustained a major impact, should consider attending. This event has been made possible through sponsorship by the Kiwanis Club of Buffalo Valley in Lewisburg, Inc., since 2004. For more information, call Evangelical Community Health and Wellness at 570-768-3200.

# Childrens Museum Partners With Local Artists

The Lewisburg Children's Museum (LCM) in partnership with two local artists are bringing art workshops to children in the area. Kids and Clay (May 7 and 28) with local pottery expert Kathy Pyers and Spring into Art (May 12-14) with Brianne Croteau will immerse children into process oriented art exploration.

"As an educator and artist, I appreciate the wonder of art and its power to engage with young children," says Lindsey Walter, LCM Education Director. "There's nothing more freeing than to let the imagination run wild."

Kids and Clay Pottery Workshop will be held as a two part series on May 7 and May 28 (9:30 am-11:00 am). With local artist Kathy Pyers, children 6 and up will create and handbuild a unique piece of pottery during the first session and return to design and paint their artwork during the second session. The firing process will happen between classes and after the second session. Children can then pick up their completed work at the museum when the second firing process is complete.

"Hand building pottery is pottery made without a wheel," says Pyers former elementary art teacher and owner of Puddy Hut Pottery. "Almost anyone can use their creativity to build unique pieces. It's clay, water, and your hands; so fun."

In addition to Kids and Clay, the LCM will be hosting Spring into Art, Thursday, May 12 and Friday, May 13 from 4:00 pm-6:00 pm and Saturday, May 14 from 10:00 am-12:00 pm with Brianne Croteau. Each session will focus on a different theme, and children are welcome to attend one or all sessions. This workshop is recommended for children 8-12 years old.

"We have some cool and very accessible projects in store that focus on composition, perspective, color, and design," says Croteau, local artist and workshop instructor. "As an artist, I look forward to sharing my love of art and hopefully inspiring and empowering the next generation of artists to be creative, stay curious, and enjoy the process!"

Registration is required for each of these workshops. Discounts are available for Museum for All families.

# Get Ready For Gobblers

Timing alone would make it special. Pennsylvania's upcoming spring gobbler season – the state's only big-game hunt outside of fall and winter – takes place when the world seems new, freshly green and alive.

This year's season begins on Saturday, April 23 with a one-day hunt for junior and youth mentored hunters, then runs from Saturday, April 30 to Tuesday, May 31 for everyone else.

But it has a lot more going for it than just that. Gobbler hunting is huge on excitement, too. There are few things as thrilling as calling in a wary turkey. No wonder more than 150,000 hunters take to forests and fields each spring to chase these birds.

Plenty of opportunity awaits them, as usual. In fact, Game Commission turkey biologist Mary Jo Casalena said the statewide flock – always among the largest anywhere in the East – is likely bigger right now than at any time in the last few years.

She credited that increase to a number of factors. First, 2021's recruitment – or influx of new turkeys into the population – was very good, courtesy of warm, dry weather last spring and, in places, lots of cicadas to eat. Survey work revealed 3.1 poults per hen, on average, statewide.

"That was our highest ratio since we began monitoring recruitment," Casalena said.

A smaller-than-usual spring 2021 harvest and shorter fall turkey seasons in some Wildlife Management Units (WMUs), coupled with a statewide elimination of rifles for fall turkey hunting, also surely boosted flocks.

"That should all translate into a lot of high-spirited jakes on the landscape," Casalena said. "Hunters should find a larger-than-normal percentage of older, 3-year-old turkeys out there, too. So there's certainly reason for optimism again this year."

Those birds won't necessarily be easy to harvest; neither jakes nor older birds typically are as vocal as 2-year-olds, she added. But hunters can up their odds of tangling with a tom turkey by preparing before opening day.

Casalena recommends scouting, looking either for actual birds, turkey sign such as droppings, feathers, scratchings and tracks, or at least places where turkeys might be, like openings close to and easily accessible from roosting areas where gobblers prefer to strut.

All the while, back home, practice calling. "The most important call is the hen yelp," Casalena said. "The hunter wants to imitate a hen to attract the gobbler to come within range. After that it's a matter of practicing and learning other calls like the different cackles and purrs and understanding when to use each. Friction calls have great sound and pitch, while mouth calls are the most convenient, especially when being still is important."

None of that guarantees success, of course. About 15 percent of hunters harvested one gobbler last spring overall. About 18 percent of the near-record 25,210 people who bought a special spring turkey license, or second gobbler tag, took a second. Those figures are comparable to long-term averages.

But the only hunters to fill their tags are those who go out and hunt. So this spring, visit turkey country and see what happens.

"There's never a bad time to be in the woods, especially when getting out offers the chance to square off with one of our amazing if unpredictable gobblers," Casalena said.

# Secretary Of Agriculture Provides Update On Avian Influenza

On Saturday, April 16, the Pennsylvania Department of Agriculture confirmed the state's first positive case of Highly Pathogenic Avian Influenza (HPAI) in domestic poultry, in a flock of commercial layer chickens on a Lancaster County poultry farm. A state and federal inter-agency task force is prepared and initiating a response plan.

While there is no risk to the public, and poultry and eggs are safe to eat if cooked properly, HPAI is highly infectious and can be fatal to domestic birds (chickens, ducks, geese, quail, pheasants, guinea fowl and turkeys).

According to the U.S. Centers for Disease Control and Prevention, avian influenza detections do not present an immediate public health concern. No human cases of avian influenza viruses have been detected in the United States.

## Selinsgrove Speedway News

Selinsgrove Speedway will honor the memory of the track's all-time career leading sprint car feature winner and four-time champion with the running of the Icon Legacy Custom Modular Homes Ray Tilley Classic for the Lelands.com 410 sprint cars at 6 p.m. Sunday, April 24.

Joining the 410 sprint cars on the special Sunday night racing card will be the Selinsgrove Ford super late models and A&A Auto Stores roadrunners. Track gates will open at 4 p.m.

The 30-lap Tilley tribute race will pay \$5,088 to win and \$400 to start out of a total purse of \$19,888. Time trials, heat races, and a B-main will be the qualifying format. The April 24 race will be the first of the season for the Lelands.com 410 sprint cars in which the series points champion will earn a \$5,000 bonus at season's end.

The super late models will compete in a 25-lap race paying \$3,000 to win and \$300 to start. Divisional sponsor Selinsgrove Ford has also posted a \$5,000 bonus for the super late model series champion this season.

Top money has been increased to \$200 for both the 410 sprint car and super late model divisions for any driver taking at least one green flag during the night.

Rounding out the three-division racing card will be the A&A Auto Stores roadrunners in a 12-lap feature.

The late Ray Tilley of Pine Grove clinched four career sprint car titles (1965-66 and 1968-69) at Selinsgrove Speedway at the wheel of the Bud Grimm Special No. 88 and remains on top of the track's all-time sprint car win list with 69 career victories. Tilley passed away on Aug. 9, 2011, from complications of a stroke at the age of 77.

The Tilley Classics in 2012, 2014, and 2019 were cancelled due to weather. The 2020 race fell victim to the COVID-19 pandemic shutdown. Last year's race was won by Brent Marks of Myerstown. Marks first won the race in 2013. The late Greg Hodnett of Thomasville was the 2015 winner and Danny Dietrich of Gettysburg scored the victory in the 2016 race. Lucas Wolfe of Mechanicsburg was the winner in 2017, with Mark Smith of Sunbury taking the checkers in 2018.

Members of the Tilley family are expected to be on hand to present this year's winner with another one of the beautiful Tilley Classic crystal cups.

Title sponsor Icon Legacy Custom Modular Homes is located adjacent to the speedway in Selinsgrove, where the company is transforming the systems-built, modular components industry. High-quality custom modular homes are delivered to customers from Maine to Florida. Visit iconlegacy.com for more information.

Rounding out the month on Saturday, April 30, the United Racing Club 360 sprint cars will be joined by the Selinsgrove Ford super late models and A&A Auto Stores roadrunners on Tom Diehl Excavating Night.

## Middle Road Speedway News

Lewistown, PA Middle Road Speedway racers and fans will find an improved facility upon arrival for upcoming racing events. Action gets underway with a two day program of racing lawn tractors and Go-Karts Saturday Sunday April 23-24.

Most notable for competitors is the newly stoned pit parking area. Mike Cleck Paving employees recently completed the project which will get most racers out of the mud during inclement weather conditions.

Additional light poles are in the process of being installed for improved track lighting secured through Port Royal Speedway personnel. When completed, night racing will be brighter than ever on the 1/10th clay oval.

Track employees continue to groom the clay racing surface following dirt added during the off season. The surface has been repeatedly worked and should create little dust and high speed action.

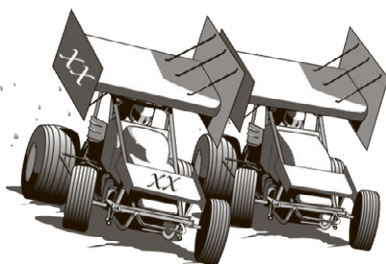

Construction is underway for a permanent stage area where track management plans to host two music concerts during the 2022 racing season.

Those attending events will find plenty of food available from local vendors. Huff's Pizza will be the primary supplier during racing events.

Start times and schedule of events are accessible at the track's Facebook page along with various Facebook live events. One such program will be hosted Thursday evening April 21 at Cora's Creekside Restaurant & Tavern, Burnham, PA. Fans are invited to attend. The upcoming opener will be discussed and driver interviews will be featured. Other area circle track drivers are also expected from area racetracks. Activities get underway at 6 PM.

Middle Road Speedway offers the most affordable general admission cost of any area speedway at just five dollars. Kids are admitted free. Pit pass admission is higher.

Don't forget action begins Saturday afternoon April 23. Gates open at noon. Action follows on Sunday April 24. Check the speedway's Facebook page for updates.

## Studio Paintings by Robert L. Hughes on Display in Gallery 255

“My goal is to capture the beauty of the landscape, both natural and man-made,” said Robert L. Hughes. A selection of Hughes’ large studio paintings are on display in Gallery 255 at the Public Library for Union County throughout the month of May.

Hughes exhibit features portraits and landscapes inspired by his frequent travels to Great Britain.

“Studio paintings present a new list of challenges differing from those of painting ‘en plein air’ or painting on site in the open air,” said Hughes. “A studio painting provides the luxury of having a long period of time to complete a painting as opposed to rushing to finish a ‘plein air’ piece in an hour or two. But keeping a studio painting looking fresh and not overworked can be a problem. Both ways of painting are always a learning experience which I love.”

Hughes said a lifelong love of art led him to create paintings for his own home.

Hughes is a member of the Lewisburg Arts Council, the Lewisburg Artist Guild, the Susquehanna Art Society and the Art Association of Harrisburg. “I am also a proud member of the popular Harrisburg area painting group ‘The Seven Lively Artists,’” he said.

Artists and organizations are encouraged to apply to exhibit items of artistic, cultural and intellectual interest in the library’s gallery and/or display cases. For more information, visit [UnionCountyLibraries.org/home-page/info/displays/](http://UnionCountyLibraries.org/home-page/info/displays/).

## PA House Votes To Protect Girl’s Sports

In a strong, bipartisan vote late this afternoon, the PA House of Representatives passed HB 972, the Fairness in Women’s Sports Act, by a vote of 115-84.

“This important bill preserves decades of hard-won opportunities gained for women and girls in sports – something now under attack as women are being forced to compete against biological men,” said Alexis Sneller of the Pennsylvania Family Institute.

“This bill recognizes that identities don’t play sports – bodies do, and it ensures that athletics will be separated by sex, thereby preserving a fair playing field for girls and women,” added Sneller.

Pennsylvania Family Institute commends the lead sponsors of the legislation, Reps. Barb Gleim, Martina White, Valerie Gaydos, Stephanie Borowicz and Dawn Keefer for their effective leadership in bringing this important bill to final passage.

The bill now goes to the Pennsylvania Senate for consideration. Earlier this week, the Senate Education Committee passed similar legislation. Recent polling by Spry Strategies for the Women’s Liberation Front and the American

Principles Project reported nearly 75% of Pennsylvanians supporting protecting women’s sports.

## The GSV YMCA Kicks Off Summer With Annual Healthy Kids Day

The Greater Susquehanna Valley YMCA is excited to announce we will be hosting three different Healthy Kids Day® events on Saturday, April 30, 2022. Sunbury YMCA and Mifflinburg YMCA’s events will begin at 10AM and finish at noon, and Milton YMCA’s event will start at 10AM and end at 2PM. Healthy Kids Day is an opportunity for the Y to encourage families to take a moment to help kids be kids and set them up for a summer of success. All branches will have vendors, giveaways, and fun kid activities including face painting, bounce houses, fun runs, obstacles courses, and more!

“At the Y, we believe in the potential of all children and each day we work to help kids find that potential within themselves,” said Co-Executive Director of Sunbury YMCA, Katrina Mouery. “Healthy Kids Day is a fun, free community-wide event to kick off summer and remind us all how important it is for kids to stay active physically and mentally throughout the summer.”

Celebrating its 30th anniversary in 2022, Healthy Kids Day is the Y’s national initiative to improve health and well-being for kids and families. The Y hopes to use the day to get more kids moving and learning, creating healthy habits they can continue while they’re away from the classroom. When kids are out of school, they can face hurdles that prevent them from reaching their full potential. Research shows that without access to out-of-school learning activities, kids fall behind academically. Kids also gain weight twice as fast during summer than during the school year. With all that’s going on in the world right now, Healthy Kids Day is a reminder to families that we can help ensure all children have access to what they need to reach their full potential, even during out-of-school time.

In celebration of YMCA’s Healthy Kids Day, the Y offers the following tips to help families develop healthy habits this summer that can have a lifetime effect:

- **High Five the Fruits and Veggies** – Make sure kids get at least five servings of fruits and veggies each day, the minimum number nutritionists recommend for healthy childhood development. And to keep kids’ taste buds evolving, have everyone in the family try at least one bite of a new fruit or vegetable at least once a month.
- **Read Together** – The summer is a great time to enjoy books with summer program participants—and 30 minutes a day goes a long way! Take trips to the local library or create a family reading challenge to see who can log the most minutes of reading. Encourage youth to create their own stories as well.
- **Get Moving!** – Activities that require movement also help kids flex their mental muscle. Use materials in unique ways: ask youth to build models, manipulate tools or develop their own theatrical scenes.
- **Play Together** – Play may be the best way to prevent childhood obesity. By putting more play into your family’s day, you will soon find yourself getting the activity that will have your family feeling energized and strong.
- **Make sleep a priority** – Doctors recommend 10-12 hours of sleep a day for children ages 5-12 and 7-8 hours per night for adults. Sleep plays a critical role in maintaining our healthy immune system, metabolism, mood, memory, and learning.
