### SUN P.E.T.S. Hosting Mobile Spay/Neuter Clinic For Cats

SUN P.E.T.S. is hosting a local mobile spay/neuter clinic for cats on Sunday, August 12th at the Brady Fire Company, 700 Maple Street, Ranshaw/Coal Township. This clinic is open to anyone wanting to spay or neuter their indoor or outdoor cats, regardless of where they live or their income level. Dr. Matthew Murphy of Keystone Mobile Veterinary Services provides the surgical procedures and vaccinations.

Appointments are required and are scheduled in order of calls received as well as on availability. To receive an appointment time, call 866-472-7387 and leave your name, phone number(s), how many cats need appointments and whether they are male or female. You will be called with an appointment time and instructions. Please note that the clinics are for cats only and SUN P.E.T.S. does not cover the cost of spaying or neutering through these clinics.

The cost of spaying a female cat is \$60 and the cost of neutering a male is \$32. Payment can be in the form of cash or local check. Payment for services is due in full at registration. No credit or debit cards will be accepted for payment.

SUN Prevent Excess Through Sterilization is an all volunteer nonprofit 501c3 organization dedicated to helping solve the pet overpopulation problem in the region. For more information, go to www.sunpets.org or call 866-472-7387.

STATE POLICE, MILTON

Crash 4 p.m. July 22, on I-80 at mile marker 206.1, in White Deer Township. A 2008 Hyundai Elantra driven by Colleen S. Marks, 73, of Richland, PA, was traveling east in the right hand lane, when she fell asleep behind the wheel. The vehicle went from the right lane into the left lane and onto the right shoulder. Marks awoke and jerked the wheel to the right to get back onto the roadway causing the vehicle to lose control and travel back across both lanes of travel and crash into the guardrail. The vehicle spun 360 degrees striking the guardrail again with the rear of the vehicle and traveling across the roadway coming to rest on the shoulder of the left side of the roadway. Marks was injured and taken to Geisinger Medical Center for treatment. The vehicle was disabled and was towed from the scene. She will be cited for a traffic violation.

Crash 8:40 p.m. July 24, on Furnace Road, 1148 feet west of Dreisbach Church Road, in Buffalo Township. A 2009 Kawasaki Boulevard driven by Glenn R. Miller, 67, of Mifflinburg, was traveling west on Furnace Road when a deer traveled across the roadway directly into his path. Impact occurred as the motorcycle struck the deer and traveled off the right (south) shoulder of the roadway before coming to final rest. Miller sustained minor injuries and was transported to Evangelical Community Hospital, in Lewisburg, for treatment. The motorcycle was owed to his

Crash 7:50 p.m. July 25, on SR 44, approximately a half mile west of Allenwood, in Gregg Township. A 2002 Chrysler Town and Country driven by Donald E. Bachman, 58, of Watsontown, was traveling west on SR 44, when he was affected by the glare from the sun and did not see an Amish buggy driven by Amos Esch, 26, of Allenwood, traveling in the same direction. Bachman's vehicle struck the buggy on its left side at the 7 o'clock position. The buggy was pushed off the roadway and disabled. The horse pulling the buggy suffered minor injuries and was cared for at a local farm. Four occupants of the buggy sustained injuries and were transported to Geisinger Medical Center for treatment. Bachman's vehicle was disabled and towed from the scene.

Retail Theft Between 5 p.m. - 5:45 p.m. July 26, at Wal-Mart, in Lewisburg. Known actors entered Wal-Mart and tore open several packages and concealed these items in a bag and attempted to leave the store. The total amount stolen was \$495.70. Charges will be filed at District

Theft Between 6 a.m. - 6 p.m. May 15, on 3983 Buffalo Road, in Buffalo Township. An actor arrived to the rear of the porch of Joey Miller and stole pieces of steel valued at \$5.

Crash 2:48 p.m. July 27, on SR 15, just south of Winfield, in Union Township. A 2002 Mitsubishi Eclipse driven by Harold Maysonet Pagan, 18, of Northumberland, was traveling south in the right lane of SR 15. A 1996 Toyota Tacoma driven by Terry L. Grove, 51, of Millmont, was traveling in the right lane of SR 15 South. Maysonet Pagan's vehicle left the roadway via the western berm in doing so the vehicle impacted the western embankment, continuing to travel south on the western berm before reentering the right lane and impacting the guardrail. After impact with the guardrail, the vehicle impacted the rear passenger side quarter panel of Grove's vehicle. Maysonet Pagan's vehicle came to rest on the western berm after impacting Grove's vehicle which came to a controlled stop on the western berm. Neither driver nor Grove's passenger Tyler D. Grove, 18, of Millmont, were injured in the accident. Maysonet Pagan was cited for a traffic violation.

Retail Theft 3:40 p.m. July 29, at Wal-Mart, in Kelly Township. Phelan Nicholas Neuciler, 19 of Palmyra and Coleton John Fisher, 19, of Lewisburg, conspired together to remove an iPod tough case valued at \$29.88. Both were charged with summary retail theft.

Crash 9:22 p.m. on SR 304, east of Red Ridge Road, in Limestone Township. A 2009 Freightliner 999 was traveling west on SR 304 when it attempted to turn around due to road construction blocking the bridge on SR 304. The truck backed up into a electric line hanging between a pole and a garage. Consequently the trailer impacted one of two electric lines snapping it. The electric line remained suspended and attached to the other line. The 2000 utility trailer bears a NY registration BA14734 PP&L responded to the area and fixed the broken electric line

Criminal Mischief Between July 27-29, at the Allenwood Motel, on SR 15, in Allenwood. Damage to a door and siding near one of the rooms was reported by management. Smith, who is currently on state parole, was detained at the Snyder County Prison while awaiting arraignment at District Court 17-3-01.

#### MIFFLINBURG POLICE

High Speed Pursuit 2;16 a.m. July 19, on Chestnut Street, in Mifflinburg. Mifflinburg Borough Police Officer Tracy Feterman attempted to stop a tan-colored Volkswagen Jetta for traffic violations involving speeding on Chestnut Street. Upon attempting to catch up to the vehicle, it began to travel at an even greater speed. Upon Fetterman activating the patrol cruiser's emergency lights and siren, said vehicle failed to stop and a high speed pursuit ensued north on Forest Hill Road. The suspect vehicle was traveling well into the triple digits, and upon Fetterman catching up and obtaining a license plate number and vehicle description, it was found that the license plate displayed did not belong to the vehicle, but Fetterman recognized the vehicle as belonging to Krystopher Mabus, of Mifflinburg. The vehicle continued north on Forest Hill Road, failing to stop at the stop sign at SR 192 and continued north on Gast Road. Said vehicle then ran another stop sign at Gast Road and Walbash Road, continuing at a very high rate of speed. At this point Fetterman advised officer Wenrich, also of the Mifflinburg Police, that the pursuit was being terminated due to safety issues, high rate of speed, and the fact that Fetterman believed he knew who the vehicle belonged to. On July 20, 2012, Officer Fetterman and Detective Bailey of Mifflinburg Police Department, conducted an interview with Krystopher Mabus, at which time he admitted to the incident. Mabus advised he knew he did not have a driver's license or insurance for the vehicle and did not want to get caught. Mabus faces a series of charges ranging from felony fleeing or attempting to elude police, reckless endangering another person, and approximately 25 other summary violations. Assisting police during the incident were officers from Buffalo Valley Regional Police, Milton Borough Police and Pennsylvania State Police Milton.

# Johnson Gets Fourth Brickyard Victory By Gerald Hodges/the Racing Reporter

fourth career Sprint Cup Brickyard 400 victory. He led 99 laps of the 160-lap race, finished nearly five seconds ahead of runner-up driver Kyle Busch, and completely dominated the last 30 laps

His teammate Jeff Gordon, who finished fifth, said, "He had it easy, there was no that could race with him."

Johnson took command with 31-laps remaining and pulled away from the rest of the field. To get four wins at this track is awesome," said Johnson. "We put it

on them today, but it was a total team effort. The guys in the pits got me out, and I never lost any positions on the track. Kyle Busch had an up and down race, but near the end he clearly had

the second-best car. "I had to congratulate Jimmie and his team," said Busch. "They re-

ally had the car dialed in. We couldn't even get close to them.' Greg Biffle led four laps, but at the end, his No. 16 Ford was no match

for Johnson's No. 48 Chevrolet, and he was third. Dale Earnhardt Jr. finished fourth to take over the points lead. This is the first time he's led the points since 2004.

"We worked on the car all day," said Earnhardt. "We were fast, but we only had about a fourth or fifth-place car. We've still got a long ways to go in the season, and I feel like we should be able to get some more wins."

Jeff Gordon had a fast car, but he had problems in the pits, and finished fifth Track position cost us," he said. "We had a car that could compete

with Jimmie, but we lost track position several times. On that last restart, I had to start on the outside, and that killed me. Denny Hamlin, Ryan Newman, Martin Truex, Brad Keselowski, and

Tony Stewart were the remaining top-10 finishers. Carl Edwards, one of the drivers struggling to make the Chase field

had engine problems and finished 29th, four laps off the pace. Previous points leader Matt Kenseth was the victim of a Joey Logano

spin during lap 133, and wound up 35th with a DNF. Top-12 Chase leaders after 20 of 36: 1. Earnhardt-731, 2. Kenseth-717, 3. Biffle-709, 4. Johnson-704, 5. Hamlin-667, 6. Harvick-653, 7. Truex-653, 8. Stewart-652, 9. Keselowski-649, 10. Bowyer-643, 11. Kyle Busch-588, 12. Edwards-582. KESELOWSKI WINS CONTROVERSIAL NATIONWIDE RACE

Brad Keselowski won Saturday's Nationwide race at Indy, after Elliott Sadler was penalized for jumping a restart.

"NASCAR got it all wrong," Sadler said.

Taking advantage of the NASCAR penalty to Elliott Sadler, Brad Keselowski cruised to victory ahead of Sam Hornish.

Sadler, who got a push into the lead from Richard Childress Racing teammate Austin Dillon on a restart late in the race, asserted that race leader Keselowski had spun his tires coming to the green flag, and that

is why he crossed the stripe ahead of Keselowski, who was the leader. "It's so wrong to penalize me for a mistake they made," Sadler radioed to his crew. "NASCAR just took the championship away from me. They just took the damn championship right out of our hands." Keselowski beat Penske Racing teammate Sam Hornish Jr. to the fin-

ish line by 3.3 seconds. Ty Dillon ran third, followed by Denny Hamlin, Austin Dillon, Michael Annett, Joey Logano, Paul Menard, Ricky Stenhouse, and Jeremy Clements. Top-10 leaders after 19 of 33: 1. Sadler-704, 2. A. Dillon-703, 3. Stenhouse-691, 4. Hornish-676, 5. Allgaier-629, 6. Annett-607, 7.

FRANCE TO IMPROVE RACING NASCAR chairman Brian France doesn't buy the argument that if it isn't broke, don't fix it. France said he is committed to ensuring the Cup series has the best racing possible, even if some believe there's

Whitt-577, 8. Bliss-525, 9. Scott-460, 10. Patrick-452.

nothing wrong with the current product. "We can do better. We can have the packages better, tighter racing," France told The Associated Press. "That's our stated goal and we have to get there. With the new car coming, we want to get this right. And we know it will be hard to keep it right."

Fans have complained about stretches of racing this season, particularly a two-month swing that saw lots of strung-out, green-flag racing. NASCAR has made slight aerodynamic changes to the cars twice this season to try to make passing easier, and series leaders want the best possible package on next year's car. France said if there are improvements that can be implemented now; he won't wait for the 2013 car. In other news, NASCAR is kicking around the idea of qualifying the

top-38 drivers on time and cutting the number of provisionals down to four plus one for former champions. With sponsors at a premium right now, it could be catastrophic to eliminate provisionals altogether, particularly when a driver missing a race could result in a sponsor pulling out NASCAR is sticking to its policy of not disclosing the specific sub-

stances that cause positive drug tests. President Mike Helton said Thursday that even though the rulebook allows series officials to disclose which drugs a competitor has tested positive for, he does not intend to stray from the long-standing policy of keeping those results

Helton cited federal privacy laws as one reason the series has not publicly said what caused A.J. Allmendinger's positive test.

Allmendinger was suspended hours before the July 7 race and is now serving an indefinite suspension. His business manager. Tara Ragan, said he tested positive for an amphetamine.

Allmendinger has said he did not knowingly ingest a banned

### PA Energy Development Authority Awards Grant for Bio-Mass Boiler The Pennsylvania Energy Development Authority (PEDA)

recently awarded Evangelical Community Hospital a\$250,000 grant to support the installation of a biomass boiler system. The \$2 million boiler system was fully deployed in May of this year and was part of a \$5 million renovation to the Hos-

pital's physical plant. The renovation involved expanding the Hospital's energy capacity and creating a co-generation system. which has enabled the Hospital to produce its own electricity. PEDA provides grant funding as part of the mission to assist non-profits in reducing energy consumption and associated costs. The long-term objective of the project at Evangelical was

to create a cost-effective energy solution that would reduce greenhouse gases by moving to a carbon neutral solution that employs a renewable resource. Biomass boilers use clean technologies to produce steam, eliminating greenhouse gas emissions," Director of Plant Engineering Terry Napp says. "These systems can burn multiple

fuels, the most common being wood chips, which the Hospital secures from local companies. "As a result the boiler helps reduce the burden on the regional power grid and the use of fossil fuels," Napp continued. "The biomass system makes sense environmentally and financially

sustaining the environment in the community where the Hos-

pital resides and providing a cost savings for operations." The biomass boiler system at Evangelical supports the existing hospital facility, as well as the recent surgical and cardiovascular expansion addition which will open in July.

## Lewisburg Triathlon Weekend

Entries are still being accepted for the Annual LARA Triathlon for Kids and Sprint Triathlon, which will be held at 6 p.m. on Friday, Aug. 17, and at 8 a.m. on Saturday, Aug. 18, respectively. Both events will start at the Lewisburg Community Pool

The kids' event, which consists of a pool swim, a bike ride on closed roads and a run around the Lewisburg Community Park, is open to children ages 7 (by Dec. 31, 2012) to 14. Event distances will vary based on ages of contestants. The triathlon is chip-timed and all children will receive a finisher's medal Registration will be capped at 225 participants; pre-registration

The adult event, consisting of a 300-yard swim, a 15-mile bike ride and a 3.25-mile run, is open to racers 14 and over. Two- and three-person teams are welcome. The event is chip-timed and awards will be given to the top three finishers in each category. T-shirts are guaranteed to all racers registered by Aug. 1. Entry limit is 325.

Details on both events can be found on www.LewisburgTriathlon.com. Early registration is encouraged as both events may sell out.

Roadmaster Rpt: J. Snyder reported that the Twp had fixed various potholes, the road sides are being mowed and they are continuing to work on the pad area at the ball field in preparation for installing the playground equipment. Zoning Rpt: 6 permits issued in April for total fees of \$387.00. M. Witmer and R.

Duncan have each reviewed the updated zoning book. A few codes need to be updated. The zoning changes-need to be advertised and changed at a hearing and then printed copies can be made. February Planning Comm minutes were read aloud by S. Buttorff. M. Witmer asked if anyone had received notice from the State that the 30 acre zoning require-

ment in Agricultural preservation had to be reduced to 10 acres to match State requirements. The Supervisors have not received anything at this time. The Supervisors felt it should be up to the Planning Comm to decide if it will be 30 or 10 acres. D. Smith asked why his 52 acres is not zoned Agriculture (AG). S. Buttorff and M. Witmer explained that it was advertised and the maps were available for several months for all residents to review, and ask questions or express concerns, before

Supervisors announced that there would be an Executive session regarding litigation issues involving Sunsational Campground, and also regarding the WE Fire CO/WE Social Club agreement. I. Geiswite reported at 7:37 p.m. that she was now taping the meeting. Before going into session, C. Oberheim asked to speak. Mr Oberheim stated that he feels Sunsational Campgrounds is a great camping area, but the campground's neighbors are unable to enjoy the peace of a rural community due to the loud music until 11 p.m. I. Geiswite reported that she felt there was incorrect information being passed among the residents.

Meeting recessed at 7:45 for Executive session.

Executive session ended at 8:29 p.m.

Meeting reconvened at 8:30 p.m.

I. Geiswite resumed taping, B, Hosterman noted that both litigation matters. Sunsational and WE Fire Co Social Club had been discussed.

B. Hosterman made a motion not to appeal District Judge Mensch's decision. 2nd by S. Buttorff. All in favor, motion passed.

B. Hosterman made a motion to send appropriate notice to Sunsational Campgrounds, under the ownership of Irene and Ron Geiswite as referenced in Judge Mensch's decision regarding any future events similar to a mud bog. 2nd by S. Buttorff. All in favor, motion passed.

B. Hosterman noted that Judge Mensch's decision was based on a technicality and that is why a new notice will be sent.

West End Fire Co/West End Social Club agreement was discussed by the supervisors. The attorneys will be contacting each other and hopefully the agreement is very near completion.

S- Buttorff noted that he has received from Bob Brady an approved list of firefighters and will make copies available.

Motion by J. Snyder to adjourn. 2nd by S. Buttorff. All in favor, motion passed. Meeting adjourned at 8:37 p.m.

# Helping Hands Have Not Forgotten

"Never again will a generation of veterans abandon another," the motto of the Vietnam Veterans Association, is something the American Legion Riders of Post 957 in New Berlin take to heart. For this year, their Annual Helping Hands Benefit ride will honor & benefit World War II veteran T-5 Eugene Herman.

Eugene Herman was a member of the 80th Division, 318th Infantry Regiment during World War II.

The 80th Division set sail aboard the SS Queen Mary on July 4, 1944, landing a few days later on July 7 at Greenock, Firth of Clyde, Scotland. The arrival of the 80th Division in England brought the European Theater of Operations total of

U.S. Divisions to 22: 14 infantry, 6 armored, and 2 airborne.

The Division proceeded south to Northwich, England via trains for additional training. Training included learning how to waterproof equipment for the upcoming channel crossing. The Division crossed the English Channel in LSTs and Liberty Ships landing in Normandy on Utah Beach shortly after noon on August 2, 1944, D-Day + 57 and assembled near St. Jores, France. A few days later on August 8, 1944, the 80th was initiated into battle when it took over the LeMans bridgehead in

By the end of the war, May 7, 1945, the 80th Division had seen 277 days of combat. It had captured 212,295 enemy soldiers. The 80th Division returned to the United States in January 1946, after spending time in Europe helping to restore and keep peace after the war. The 80th Division had been one of the stalwarts of Patton's Third Army, but it cost them dearly. During their 277 days of combat, the 80th Infantry Division had 17,087 casualties. (Adkins) Currently in his mid-80's, Eugene returned from the war and still makes his home

in the Susquehanna Valley. As one of the few surviving members of our Greatest Generation, the American Legion Riders will host this event to raise funds to help meet financial and comfort needs for this veteran.

"We want him, as we do all veterans, to know you are not forgotten," says Legion Rider Secretary and Post Chaplain Dennis Gavitt.

The Helping Hands Benefit Ride is scheduled for Saturday August 4th at American Legion Post 957 in New Berlin. Registration begins at 9 a.m. and the ride begins at 11 a.m. Public is welcome; all motorcycles and automobiles as well. The ride will wind approximately 100 miles through our beautiful Susquehanna Valley and end back at New Berlin's Post. A meal will be served, and a silent auction, door prizes and raffles will be available. Now in its third successful year, we invite each and every one of you to come out and support this American Hero.

If you are unable to attend the event, but would like to make a donation, you can visit www.alr957.org and make a secure donation via PayPal or they can be mailed to: American Legion Riders 957, Helping Hands Fund, 640 Water St., New Berlin,

Bluetooth technology was used to communicate with the Battlebot. The Mindstorm kit included four sensors: an ultrasonic sensor, 2 touch sensors and the all-new color sensor. The color sensor has triple functionality in that it can distinguish colors and light settings, and can also function as

Students also engaged in STEM (science, technology, engineering, and math) activities, learned about CareerLink and careers in the robotics field, listened to guest speakers and toured SUN Tech.

The Health, Science and Safety Camp taught leadership skills and entry-level skills needed in the health, dental, and criminal justice professions. They explored career opportunities and built self-esteem through communication activities, workplace readiness skills and activities.

Students did an examination of a mouth in the dental program, saw how teeth are numbered and positioned in a mouth, and learned what teeth are made of and what an x-ray shows the doctor. They discussed different careers in the dental field.

Criminal Justice skills included students developing fingerprints, mud and plaster casts, and investigating and solving crime scenes.

The Health Sciences Professions explored a variety of different skills including infection control, growth of bacteria, sterilization, and basic nursé aide skills.

Students engage in STEM (science, technology, engineering, and math) activities and learn about careers in the health, dental, and safety fields.

The Computer Forensics Camp theme was: Computer crime is here to stay.

ored with the highest award in Scouting on Sat., June 2, during an Eagle Scout Court of Honor held at Christ's United Lutheran Church, the chartered organization for Boy Scout Troop 536.

Brooks is the twenty-fifth Eagle Scout from Troop 536, which was formed in the late 1940s in western Union County. He has been in Scouting since 2000, when he joined the

Arrow of Light, the highest award a Cub Scout can earn. On Jan. 31, 2005, Brooks crossed over into Troop 536. As a member of the troop he served as patrol leader, assistant senior patrol leader, senior patrol leader, scribe, and chaplain aide. He was 'tapped out" at Camp Karoondinha in the summer of 2006 and afterward became an Ordeal member of Woapeu Sisilija Lodge, Or-

der of the Arrow. He received the Brotherhood honor a year later.

Brooks earned 23 merit badges as a Boy Scout and passed his Eagle Scout Board of Review on Jan. 11, 2012. His Eagle Scout Leadership Service Project involved designing and constructing a flight enclosure at T&D's Cats of the World in Snyder County to be used to help rehabilitate injured birds of prey. Brooks worked with Jennifer Mattive, of T&D's, and completed the project in 2011. He is grateful for her help and for the support of many Susquehanna Valley businesses and individuals who donated money, materials, and time for the project. Brooks and 32 others spent a total of 312

Throughout his years in scouting Brooks has enjoyed kayaking camping, fishing, shooting, biking, hiking, climbing, falconry, whitewater rafting, and caving.

He is grateful to Paul Woolsey, who served as Scoutmaster during his time in Troop 536, and to Assistant Scoutmasters Andy Clouser, David Showalter, Stewart Smith, Kevin Wagner, and Kevin Zimmerman, who also was his Cubmaster. Brooks thanks Daphne Clouser, Debra Gillott, Frances Gillott, Brad Huntington, Debra Snare, Leo Weidner, Idella Zimmerman, and Jonna Zimmerman, too, for their patience and help as merit badge counselors and troop committee members. He also realizes he could not have learned and accomplished as much as he did without the help of all the other Scouts in the troop. He hopes to continue to be a part of Troop 536 as an Assistant Scoutmaster.

A 2012 graduate of Mifflinburg Area High School, Brooks is a son of Carol Kearney High, of Hartley Township, and the late Kevin E. High. His paternal grandparents are Gary E. and Betty J. High of Lewisburg; and his maternal grandparents are George L. and Barbara Keithan Kearney of Naples, FL. He has two older brothers, Sam High, who was Troop 536's twenty-second Eagle

Brooks will be a student at Arcadia University and plans to major in biology. This fall he will attend the University of Stirling in Scotland as a member of Arcadia's First-Year Study Abroad Ex-
