Original Crew of Vietnam War Helicopter "Wendy" Visits New Berlin American Legion

By Kay Poeth

The original pilot and crew that flew "WENDY," the helicopter located at New Berlin American Legion during the Vietnam War, came to visit her as they do annually.They also help to clean and maintain this beautiful piece of history.

The original Crew consists of Michael Smith-Crew Chief 330 from Oregon, Martin Coe- Crew Chief 330 from Montana, James Mulvenna- Door gunner from Pennsylvania, Tim Rambow- Door gunner from Virginia, Jim Schertz-CrewChief 330 from Wisconsin, andBill "Jack" Case-Crew from Washington Jack Case is the one who named her "Wendy."

According to Dave Ross in his article, "6 Helicopters Deployed in the Vietnam War", "The Vietnam War is known as the 'Helicopter War.' While helicopters played limited roles in both World War II and the Korean War—mostly for medical evacuation ("medevac") missions—helicopters were involved with nearly every facet of the war in Vietnam: troop transport, scouting, equipment hauling, search and rescue, and providing high-caliber air support for ground troops.

Every branch of the U.S. military employed helicopters in Vietnam. In total, nearly 12,000 helicopters saw action in the war and more than 5,000 were destroyed.

"The Army went through helicopters at a ferocious pace during the Vietnam War," says Robert Mitchell, director of the U.S. Army Aviation Museum at Fort Novosel. The young men who flew those helicopters—many of them only 19 or 20 years old—had "absolutely the most dangerous jobs in the war," he adds."

The American Legion is a patriotic veterans organization committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow servicemembers and veterans.

A Warm Welcome at Open Door Café

By Jamiee Joiner

A new gathering spot officially opened its doors on August 5, 2026, in Mifflinburg. Open Door Cafe, owned and operated by Loren and Dorcas Martin, is bringing scratch-made delicacies, locally sourced ingredients, and warm hospitality to the community.

The dream to open up a café like this started about five to six years ago during discussions at the Tuesday night children's ministry but began taking real shape in the last year. Encouraged by a friend who owns a similar shop near State College, the Martins set out to create a space centered on comfort, connection, and delicious foods made from locally sourced ingredients. Today, that vision is a reality. Supported by a talented crew of mostly part-time employees which includes the couple's oldest daughter, Kaitlyn, the cafe offers service with a genuine smile. While Dorcas manages much of the behind-the-scenes business operations alongside raising their six children, the front of the shop is clearly a place to connect while enjoying tasty treats.

The shop specializes in handcrafted soft pretzels which are so buttery and delicious and made-to-order crepes, offering both sweet options such as red raspberry mousse or banana cream, and savory options like bacon avocado, or chicken bacon ranch to name a few. There is also build your own option. Breakfast sandwiches are currently featured as a popular special, with plans to make them a permanent daily offering soon.Nearly everything is made from scratch using locally sourced ingredientsincluding local sourdough bread, fresh milk from Old Mill Creamery, and coffee roasted by a State College area roaster.

Guests can also enjoy custom coffee beverages, refreshing smoothies and spritzers, and fresh baked goods in a cozy atmosphere which features comfortable seating designed to make every customer feel right at home. The space is intentionally built to offer an atmosphere where you can slow down and enjoy good quality food. Owner, Loren Martin stated, "We wanted to create a place where people can come sit down, start a conversation, and enjoy great hospitality."

Step in the Open Door Café on Monday through Saturday, between 6:30 a.m. – 2:30 p.m., and enjoy your morning coffee, grab a quick lunch, or catch up with a friend over a hot crepe. You can also callin your order for takeout at (570) 217-0461. You will be happy that you did!

Splish Splash – Mifflinburg CPAP Throws a Bash!

By Jamiee Joiner

Middle left photo - Therapy dog, Ollie, with his owner/handler, Kathy Kuhns. Middle photo - Adorable Rhett Bollinger, 2, of Mifflinburg, with his cute little foam-covered face. Middle right photo - Hayden Klose, 5, of Mifflinburg, got his face painted like a fierce tiger by Jillian Hoy, 16, of Mifflinburg. Bottom left photo - A fun bounce house for kids to play in. Bottom right photo - A challenging obstacle course kept the kids entertained.

It was a summer party like no other as Mifflinburg Community Park Action Projects (CPAP) together with Ritz Craft Corporation hosted their fourth annual Summer Send Off on Friday, August 14, 2026, at Mifflinburg Community Park giving local children one last chance to celebrate in a big way before heading back to school.

This year's event offered an incredible lineup of free activities supported by local businesses and organizations which included free swimming for kids at the community pool sponsored by Mifflinburg Borough, energetic track races by the Mifflinburg Cross Country and Track Teams, a blow-up obstacle course sponsored by Mifflinburg Kiwanis and an anonymous donor, a bounce house provided by Contrast Communications,corn hole, Plinko, and face painting done by students in the Mifflinburg Marching Band, Color Guard, and Field Hockey Team, but the most exciting part of it all was the epic foam party sponsored by Pelican's Snoballs! The pure joy and fun that some foam brought to all the kiddos is the highlight of the evening, and it looked like a sea of foam suds covering theirlittle faces, hair, and clothes.

Another highlight included the members of the Susquehanna Valley Dog Training Club who brought along their certified therapy dogs for anyone to pet. I had the opportunity to give Ollie, a goldendoodle, a little love, and all of the dogs were remarkably well-behaved and just relaxed on the grass throughout the event.

There were also plenty of food vendors onsite if you were feeling hungry. Delicious treats were available from Blyler's Foods, the Mifflinburg Hose Company, and both the Elementary and Intermediate School Home School Associations. There was something for everyone.

Mifflinburg CPAP President, Karen Musser, was so pleased with the community turnout of this event and stated, "We hope that everyone has a safe and productive school year and really just enjoys school this year!"

Mifflinburg CPAP plans to continue its mission of improving community parks and is currently working on securing grants and donations for upgrades to the little league fields at Harry Haney Park. Thank you to all the sponsors who made this event such a success for the kiddos!

Racing Around By Jeff Ulrich

PORT ROYAL TWO NIGHTS OF LUCAS OIL LATE MODELS, THREE TRACKS FOR 410-SPRINTS LAST WEEKEND

Last weekend if you were a fan of either sprints or late models, there were plenty of events to attend. For late model fans the Lucas Oil series races at Port Royal for last Friday and Saturday. For 410-sprint car fans Williams Grove, Lincoln and Selinsgrove for three tracks on three different night's last weekend, and with good weather it was a good weekend to be a short track race fan, with plenty of good racing no matter which division you wanted to watch.

Two nights of the Lucas Oil series traveling series, two nights at Port Royal with the Saturday show part of a Crown Jewel event for super late models. Friday night Port had a field of 54 drivers on hand for the $10,000 to win event, along with 34 of the limited late models which was the second division. Ricky Thornton Jr of Chandler AZ scored the 40-lap feature win over Devin Moran, Jonathan Davenport, Chris Madden and Max Blair in the top five. For Thornton, it was his fourth win in a row in Lucas Oil series races held at Port Royal. Another neat part of the story about Ricky; if you follow the Little League World Series, the team from Phoenix City Alabama had a player on the team by the name of Layton Burton. His favorite celebrity to meet is Ricky Thornton Jr., a dirt late model driver. Ricky, who got wind of the young man's request, was planning to catch up with him and surprise him on Thursday. That was the day Ricky flew into the area for his race at Port Royal. The only bad thing is that the team lost on Wednesday night and was out of the series. Not all is lost! The promoter of the East Alabama Motor speedway is working with the father of the young man to get him to a race that will be held there in October. At which time Ricky will be able to meet him. Not many times do you get a young athlete that wants to meet a dirt late model driver. This might be the second time for a young star when Bentley Fulkroad needed a heart transplant his family reached out to the "Make a Wish Foundation" because Bently wanted to meat Scott Bloomquist. It did happen and it also led to a long-time friendship with Jared, his dad, and late model driver Josh Richards. It still goes on to this day.

Also, in action on Friday night at Port was a field of 34 limited late model driver with Jaxton Garman picking up the feature win over DJ Myers, Gunner Walls, Shawn Shoemaker and Kaiden Bard. That ended the Friday night program. The Saturday night Program had 51 Lucas Oil super late models and 30 Limited late models. Jonathan Davenport led all fifty laps to score the feature win and stopped Thornton's four race win streak at Port Royal in Lucas Oil series action. Thornton held on for second with Brandon Overton, Chris Madden and Hudson O'Neal in the top five. Hayes Mattern of Beavertown, got a ton of attention in the Saturday night show. First, he timed in second to Ricky Thornton and then won the second of six heat races on Saturday which placed him in the third starting spot for the 50-lap feature. The interview after his heat race was very interesting; with Hayes announcing that his wife was on her way to the hospital ready to deliver a baby boy. Plus, the pit announcer was very interested in one of his sponsors, Middleswarth chips , which was a big part of the conversation. Great plugs for the local chip company. Hayes did not last long in the feature after a run in with the lip in turn two which sent him into the first turn fence. But overall, a great weekend for Hayes winning a b-main on Friday and heat race win on Saturday which meant he was one of the very few local drivers to make the feature on both nights. Not only was he fighting 17- of the regular Lucas Oil drivers, a number of other Outlaw driver were on hand like Chris Madden, Chris Fergson, Davenport, Kenny Moreland, Michael Norris, Mason Zeigler, Ross Robinson and Kyle Stricker.

In two nights of limited late model racing, Jaxton Gramen scored the win on Friday night over DJ Myers, Gunner Walls, Shawn Shoemaker and Kaiden Bard. Saturday the win went to Kyle Lear over DJ Myers, Kaiden Bard, Jaxton Garman and Shawn Shoemaker. This weekend, the local and region drivers will be back in action for three nights of racing with good money on the line for the drivers. It all starts at Bedford Speedway on Friday night with the 39th annual Labor Day 55 with the winner collecting $12,055 for the feature win. Saturday at Port Royal will be the 23 annual Butch Renninger Memorial with the winner getting $7,333 to win the limited late models will win $3,333 for their feature win on Saturday. Then on Sunday will be the Paul Long Memorial with the winner of the super late model feature getting $10,063. The limited late model driver will win $2,563. A good bit of money on the line for both classes of late models for this coming weekend, maybe more will be added till this race will be run.

Friday night 410-sprints were in action at Williams's grove on Friday night where Danny Dietrich made it two wins in a row. This win was just as dramatic as last week with Dietrich winning a drag race down the front chute to beat Cameron Smith in the Jacob Allen #1a. Smith had most of the race and was looking for his first feature win since joining the Shark racing team a month ago. The extra money that was around this event let Danny Dietrich collect $6,700 for his second win of the season at Williams Grove. After Smith Troy Wagaman Jr was third with Chase Dietz and Austin Bishop fifth. Wagaman hangs on to the track points lead with 3720 to 3420 for Chase Dietz, followed by Dietrich 3290, Lance Dewase 2890 and Freddie Rahhmer 2780. Five-point races are left on the Williams Grove schedule. Eli Tuckey scored his second 358-sprint car feature win over Austin Reed, Andy Best, Derek Locke and Cody Fletcher. Locke leads the points 1250 over Fletcher 1220 with two-point races left this season. This Friday Williams Grove will be running the Fall Championship for the 410-sprints, which will be racing for $8,000 to win in the 30-lap feature. Some extra cash awards and contingency prizes worth some $7,000 for the drivers in attendance. The Limited late Models will be a part of the show, there only appearance at the track this season. They will be racing for $1,200 first place prize and a bonus if a driver wins at the Grove and does the same thing this Saturday night at BAPS that driver will receive an extra $100. Saturday at Lincoln speedway Cameron Smith got back some of what he lost on Friday at Williams Grove. He won the feature win at Lincoln Speedway. His first feature win of the season in the Allen #1A. Troy Wagaman was second with Logan Rumsey, Danny Dietrich and Freddie Rahmer in the top five. Tyler Ulrich no relation was the winner of the 358-sprint car feature his first of the year there. The win for Ulrich was worth $2,000, and his second career win. Cameron Merriman was second with Jayden Wolf, Andy Best and Steve Owings in the top five.

Lincoln speedway will be back in action for two days of sprint car racing this Saturday and Sunday with the 410-sprints and the 358-sprint racing on both nights. Then on Monday at Port Royal for the Labor Day Classic, the Lynn Paxton Memorial race. It will be the 75th annual Labor Day classic for the sprint which also has a special race for the four-cylinder division. Two days of racing at Port Royal. First the Renninger race for super late models along with Limited late models and the East Coast 360-wingless sprints. Monday, the PA posse event for the 410-sprints. The race on Saturday will be the final points race for the super late models with Trevor Feathers who has led the points all season holding onto a five point lead over Gregg Satterlee going into this Saturday's race. This is a good weekend to catch some racing no matter what your favorite division is, Super late models or 410-sprint cars. It is your choice about what you want to go and watch. Selinsgrove is also racing this Labor Day weekend on Sunday night besides the super late model and limited late models. The PASS 305-sprints and Wingless Sportsman will be in action, a weekend full of great racing action on the local scene so do not sit at home get out! Watch racing at some of the best tracks in our area this weekend.

Cochran Returns to Racing with a Victory, Pattock Earns Championship

AJ Hoffman#6 from Richfield raced to his 5th Prostock win in a row and Selinsgrove's Cory Long in his 00 took home the Clinton County Prostock Championship for 2026. Photo by Debbie Gastelu

Tylor Cochran of Hughesville returned to the cockpit of his RaceSaver a few weeks ago, after a several year hiatus. In only his second race appearance, he used his front row starting spot to win on Friday night at the Clinton County Speedway. Other winners were AJ Hoffman of Richfield in the Pro Stocks, Garrison Zook in the 270 Micro Sprints and Garrett Watkins in the 4 Cylinders.

Michael Petock of Bloomsburg and Cochran started on the front row of the 25 Lap River Valley Builders RaceSaver Sprint Car feature event. Cochran took the lead at the drop of the green flag with Petock, Fred Arnold of Richfield running in the top three. Jake Gamola of Guys Mill, who started eighth started working his way toward the front of the field entering the top three by lap number four and overtaking second place on lap six. With ten laps complete, Cochran was leading Gomola, Petock, Arnold and Jarrett Cavalett of Hollidaysburg. '

Timmy Bittner of Beech Creek entered the battle for the top five on lap 12 and advanced into fourth by the completion of 14. Cochran maintained a half of a second lead over Gomola on lap 15, as Petock, Bittner and Arnold were racing in the top five. Bittner made a pass on lap 18 to take the third position. On lap 23, Cory Stabley of Blanchard spun on the back stretch to bring out the event's only caution. Cochran got a clean restart forcing Gomola to defend his second-place run from a hard changing Bitner. When the check flag waved, Cochran secured the win over Gomola, Bittner, Petock and Arnold.

Coming into the night for the division championship, Jeffrey Weaver had a one-point lead over Jim Pattock of Leechburg. Weaver's car had engine problems during hot laps forcing him into his backup car for the feature. Upon the start of the feature, Weaver pulled into the pits with engine problems in his second car. Pattock started the race and finished ninth, which secured him his first Clinton County Speedway track championship.

Garrison Zook of Middleburg advanced from his fourth place starting position to lead the first lap of the 270 micro sprint feature event. Mac Wert, who started sixth, quickly moved into the second position. Jeffrey Weaver of Lock Haven passed Bellefonte's Colton Guiher on lap five to move into the top three. Weaver battled with Wert for several laps and eventually took second place on lap 13. Zook had a sizable lead and held on for the victory over Weaver, Wert, Guiher and Brice Harro. Wert won his second consecutive 270 Micro Sprint Championship.

AJ Hoffman of Richfield and Cory Long of Selinsgrove started on the front row of the Pro Stock feature event. Hoffman jumped into the lead, with Cory Long racing alongside him trying to secure the top spot. The event's only caution came out when Jesse Farley spun in turn two. As the field came back to full speed, Long challenged Hoffman, as Johnny Bouse added his car into the mix, with Ron Ergott and AY Schilling in the top five. Hoffman continued to lead the field to claim his fifth feature in a row over Long, Bouse, Schilling and Ergott. Cory Long won the season Pro Stock championship.

Pole sitter Tyler Watson led the first circuit of the 4 Cylinder feature event. Fourth place starter Garrett Watkins took the lead by the completion of lap 2. Jimmy Moyer of Lewistown, who started sixth, advanced into second place on lap five. By lap 7, Watkins raced through lapped traffic with Moyer and Watson in the top three. Zak Kline of Mill Hall made a lap eleven pass to earn the third position. At the finish, Watkins was the winner over Moyer, Kline, Watson and Kolten George. Zak Kline won the 4 Cylinder championship

The race was the final event of the 2026 racing season at the 1/3-mile oval. For the latest speedway information, follow the speedway's Facebook page or visit the website at www.clintoncountyspeedway.com

The Fall high school sports season has kicked off and not soon enough. There´s just a different feeling in the air as school starts again and the best months of the year are here. The baseball playoffs are heating up and my Pirates are looking ahead to next year. I told Philly fans not to worry as they just finished winning more games in the month of August than they have since their 2010 season. Yankee fans are holding their breath to see if Aaron Judge is healthy or not. Enough of baseball for this week.

Selinsgrove was the only local team to win their opening football game by shutting out Juniata 23-0. The Seals were led by a stout defense that gave up just two first downs and 90 total yards. QB Rocco Amato led a strong running game with 77 yards and Cael Badman and Gabe Paradis combined for 80 yards on 14 carries.

Grove will be looking to improve on their rare bad season last year where they had just one win. They are off to a good start but the schedule will get tougher. The Seals have only four seniors on this team but return a lot of experience. The old saying that ¨the best thing about freshmen is they become sophomores¨ could not be more apt for this team.

Amato will be the starting QB for his third year. Grove coach Matt Wenrich says ¨Rocco has gotten bigger and faster in the offseason. I´d like to see him more willing to run with the football this season.¨

The offensive line has three returning starters that should help Amato and a bevy of backs to run the ball. Against Juniata last week they averaged over 7 ½ yards per carry on 27 attempts. The top two receivers return from last year in Pete Scorsone and Jonathan Neidig. Last year's record was just a blip on the radar as Selinsgrove should return to their usual standing of an upper-tier program in the area.

Mifflinburg couldn't keep a nine point lead with just over seven minutes to play in losing 26-21 to Shikellamy. Wildcat sophomore QB Brennen Snyder had a decent game in his first career start, having a hand in all three TDs by throwing for two and running for one. Grady Brubaker caught both TD passes in his first ever varsity football game. The Cats will host Selinsgrove this week.

Mifflinburg had one of their best seasons last year in winning the D4 3A title and a strong showing in the state tournament. Coach Cody Botts is changing the culture in football at Mifflinburg and appears to have them on the right track. The fact Miff was surprisingly ranked as a top 15 team in the state in 3A by Penn Live is proof of that. The first game loss to Shik also proved preseason rankings don't mean a thing.

Mifflinburg graduated their all-time leading QB Chad Martin and all-state and most career yards wide receiver Larry Murray. They are now playing college football at Bucknell and Susquehanna. New QB Snyder will eventually grow into a very good signal caller once the game slows down for him. Snyder also has capable receivers in Jackson Marr and Brubaker to throw the ball to.

The biggest issue this Miff team has is finding the hosses up front on the offensive line. They lost four of five starting linemen from last year and as I always say, great football teams start with a really good O-line. They have two returning capable backs in Landon Moser and Seth Hartman. Those two gained just a combined 29 yards on 18 carries in their first game with Shik.

The Lewisburg Green Dragons got out to a 14-7 lead in the first quarter against Danville last week. The Ironmen proceeded to score the next 35 points for the 42-22 win. Dragon start receiver Jaylen Walker hauled in seven catches for 164 yards and a TD. The problem was a defense that gave up more than 70 yards to four different Danville runners. Lewisburg travels to Shik this week which should be a really good game.

Lewisburg lost some key players to graduation and Ace Bynum transferred to Fort Collins, Colorado. Ace´s father was hired as strength and conditioning coach at Colorado State. Bynum was third in tackles last year as a freshman.

The Dragon cabinet is not empty as four year starter Jaylen Walker returns as one of the premiere receivers in the area. Who is going to be throwing to Walker is up in the air. It´s been said if you have two QBs you don´t have one. I believe this will benefit Lewisburg as Xavier Carter returns as QB and Jett Jamieson will also get plenty of action. Carter is more of a runner and Jamieson is the proto-typical dropback passer with good size. This should give coach Eric Wicks plenty of options on the offensive side.

The defense should be good on the backend but upfront along the line they need some players to step up. This was evidenced by the 366 yards of rushing they surrendered in week one.

Midd-West football opened their season with a tough 42-7 loss to Hamburg. Let´s chalk that loss up to not having Haven Bridge and Maverick Smith available for all of the Mustangs preseason practices. They were busy playing baseball at the Babe Ruth World Series in Branson, Missouri.

Midd-West will get back on the winning track when they host Columbia Montour Vo-Tech this Friday.

Coach Jeff Janovich has a minimum goal of winning four games this year. That would be one more than the ten seniors on this team have in their previous three years of playing varsity football for Midd-West.

Junior Witten Carter will lead the offense at QB which he shared with two others last year before they graduated. All-star Noah Kratzer will return to running the ball after being injured last year. Jiovaunni Drumheller and Mav Smith will also tote the pigskin. On the outside, Carter will have some opportunities with Mason Fultz, Konnor Kullman and burner D'Angelo Drumheller to target.

In field hockey the Heartland Athletic Conference realigned once again with updated enrollment figures as the basis. Both Union county schools were assigned to the HAC-2 division and both Snyder county schools remained in HAC-1. This means two things …. Union county has an aging population and the HAC-2 division has the better teams top to bottom with Miff and Lew joining Bloom and Central Columbia.

What doesn't change is all the HAC schools with the exception of Shik will be playing for the District 4 championship in the single A classification. That means two of our schools will be playing for that title. Keep reading to find out why.

Perennial power and defending district champ Selinsgrove returns all-state 2nd team goalie Bella Furgison and all-state 1st team defender Nora Moyer. They are joined by all-state honorable mention Violet Shaffer at forward. Coach Roz Erb has kept the Grovey Train moving after taking over for Cathy Keiser nine years ago. The Seals are still in search for that elusive state title. Could this be the year?

Midd-West has only two seniors on this year's team but has a loaded group of juniors. Senior Maesyn Franquet was a HAC-1 first teamer last year. She will lead that talented junior class which includes Audrey Resseguie, Viola Murphy, Natalie Sheaffer and Katie Zimmerman.

Lewisburg lost 36 goals and 101 points to graduation but fifth year coach Tonya Berge is confident a big and solid freshman class will create roster depth with their skills and intensity. Elliana Rupert, Emma Bailey and Madeline Satteson will be counted on to lead this team as the season progresses.

Last year's Mifflinburg season ended in disappointment when they lost to Grove in the district semis, even though they finished third in districts and qualified for the state tournament. Sixth year coach Emily Stauffer is ¨very hopeful that this team will use the experience from last year and work to make it further.¨

It helps that Mifflinburg has the top two returning goal scorers from the entire HAC! Junior all-state 2nd teamer Kira Shoemaker and classmate Maize Sauder are those top scorers and expect their goals-scored numbers to go a bit higher. The Lady Cats will be playing on a faster turf field as they will christen the brand new Wildcat Stadium this week. Brook Gessner, Colleen Wise and Avery Reibsome solidify good play at all levels.

Lewisburg is the cream of the crop in cross-country even though they graduated four of the top runners in school history. There are no seniors on this year's squad but have some really good juniors. Lewisburg cross-country doesn´t rebuild, they reload.

Midd-West cross-country coach Jen Hummel says both the boys and girls teams have the most runners they've had in years. Leading the boys team will be Grant Boop and Lyncoln Hoffman. The girls will be paced by Ashlyn Hoffman and Mallory Heimbach.

The Grove girls team is loaded with five freshmen and will be led by seniors Lake Dent and Ashtyn Lukens. Mifflinburg's numbers are down this year but they have some quality runners.

High school golf is a growing sport in our area. Three schools have at least twenty golfers on their team and Mifflinburg has 17. Lewisburg will be very competitive with Bryce Bussom and LJ Tucker at the front. Midd-West will rely on River Knepp and Brady Gunkle. Selisgrove will be strong with a tough top 5 contingent starting with Jax Reichenbach.

Mifflinburg is in rebuilding mode as graduation hit hard. The Wildcat´s recent success on the links has drawn interest from younger golfers. Mifflinburg has five freshmen girls that will grow and improve together. Colbie Loss, Charlotte Hamilton, Paetyn Plymette, Madison Mayeski and Adelynn Minor will eventually succeed like the graduated boys from last year's team.

As Fall descends upon us, I always have had the same recurring thought for the last sixteen years. If I would have had a son, would I let him play football? You have read about all the guys that played football suffering from CTE (Chronic Traumatic Encephalopathy). This is caused by concussions and repeated blows to the head.

Symtoms of CTE are depression, memory loss, irritability, aggression, anxiety and suicidal thoughts. CTE can only be definitely diagnosed post-mortem. CTE became widely known when an autopsy was performed on Hall of Fame Steeler Mike Webster who died at age 50 in 2002. It seems like more attention was given to this 10-12 years ago when the NFL publicly admitted a link between football and CTE.

I watched a kicker last weekend make a field goal and he headbutted a lineman with the crown of his helmet. The kicker´s head snapped back violently and I sat there wondering…¨why does the NFL allow this?¨ All the players no matter their position, size or level of play do this and if the NFL really cared about CTE they would ban this type of celebration. That would stop it at all levels.

Which brings me back to my yearly question. Mrs. Bolt and I were blessed with two beautiful daughters that played field hockey, a sport that was foreign to me. Way back when, I played football in high school and my fondest memories of high school revolve around football practices and games, locker room pranks and bus rides not to Bald Eagle Nittany.

I have had many discussions about this with Mrs. Bolt and I still don´t have an answer. I do know more about field hockey though. It´s quite possible other parents have the same question I never had to answer. Maybe that´s why there are more high school guys golfing, running cross-country and playing soccer in the Fall.

Despite CTE, I am going to thoroughly enjoy the real first weekend of college football! Questions or complaints can be sent to theviewfromhear74@gmail.com

UCHS toHost Program"Kate Neyhart: Vixen or Victim" on Sept. 13

By Kay Poeth

The Union County Historical Society will host the program, "Kate Neyhart: Vixen or Victim" by presenter Mary Sullivan on Sunday, September 13 at 2:30 pm at The Gallery.

Presenter Mary Sullivan will discuss the 1892 Lewisburg trials and tribulations of Kate Neyhart. Kate Neyhart and her chosen profession had always been a bit of a "quiet embarrassment" to Lewisburg. But in July of 1892, Kate became a major headline when her young paramour is found with a bullet hole in his head in her burning bedroom. Was it suicide or murder?

The Union Co Historical Society invites you to learn of Kate's trials and tribulations and the surprising "twist" that hits very close to home...

Don't miss this intriguing program being held on Sunday, September 13 at 2:30 pm at the Gallery located at 15 N. Water Street in Lewisburg.

Other programs during September include "Lewisburg Barbershop Memories" presented by Steve Ziegler that highlight stories and gossip over the years at this landmark barbershop. It will be held on Sunday, September 27 at 2:30 pm at The Galley.

The exhibit: "Dorothy Dennis: The remarkable business career of a woman ahead of her time,"curated by the Union County Historical Society and the Public Library for Union County is open on Wednesday and Friday afternoons from Sept. 2-16 at The Gallery, 15 N. Water Street in Lewisburg.Dorothy Dennis, born in Union County, owned and operated the famous Dorothy Dennis Restaurant in Elizabeth NJ for over 50 years.

Dale-Engle-Walker House Tours, located at 471 Strawbridge Road, Lewisburg, PA, will be will continue. On September 20 at 2 pm, Bill Brobst will be your tour guide. On October 11 at 2 pm Bill Brobst will again host the tour.

The Dale house, built c. 1793 by Ulster-Scots immigrant Samuel Dale (1741-1804) has original architectural details including the front door and fan light; twelve-over twelve and eight-over-twelve windows; chestnut and pine floors; the early kitchen and hearth. The property stayed in the Dale family and was worked by tenant farmers until 1929.

The Engle family operated a dairy and vegetable farm from the 1930s to 1950s and their milk house is preserved on-site. Jacob and Maude Engle sold the property to Charles and Rosemary Walker, who updated the house and farm and bequeathed the property to the Union County Historical Society.

This historic site includes the c. 1789 Kantz log cabin, a frontier trading cabin from the Tuscarora Indian Path at Middlecreek, donated to the society and reassembled at the Dale-Engle-Walker site. Also on site is the replica wagon shed display of early farm implements.

Tours are free; donations toward the preservation of the house and property are appreciated.

SCHS To Host Program on Long Rifle Production in Snyder County

By Kay Poeth

The Snyder County Historical Society is proud to present the program, "Long Rifle Production in Snyder County", on Sunday, September 13 at 2 pm.An avid collector of SnyderCounty Rifles, Richard Nornhold will explain the history and role of rifles originating in Snyderand Union Counties.

Nornhold will focus his presentation on the production of (Pennsylvania-Kentucky) rifles in Snyder and Union Counties during the early to middle 1800's. While gunsmithing in this area began around the time of the Revolutionary War, it wasn't until the beginning of the 19th Century that a style of weapon associated only with this area developed.

He will discuss our area's rich heritage in this trade and discuss how rifles made here differ from those made else ware in the state and nation. Every town in the county had gunsmiths.He will speak about some of the individuals as well as several families that were especially important in the gun making industry.The Longs of Beaver Springs, the Baums of New Berlin, the Laudenslagers of the Salem area, and the Dreisbachs of the Mifflinburg and New Berlin area are among the most important families.

According to Nornhold, "Many believe that old Union County (Snyder and Union today) had more gunsmiths than any other county in the United States except Lancaster County. Nearly 120 different Smiths have been identified and guns are known to exist from many of them and can often be found in museums and collections throughout the country. While they are often called a product of the Upper Susquehanna School today, the central area of production of that school was Snyder and Union Counties."

Richard Nornhold will have a display of several local rifles from both the flintlock and percussion era available for visitors to view.

The program is free to the public. Located at 30 East Market Street in Middleburg, the Snyder County Historical Society is handicapped accessible. The SCHS auditorium has been upgraded and the heating and cooling system provides a comfortable room temperature. Light refreshments will be served following the program.

The Snyder County Historical Society Museum is open the first and third Sundays of the month from May to September from noon- 3 pm. The library is open on Thursday from 10 am- 3:30 pm. Other times are available by appointment by calling 570-837-6191 or 570-412-6458 or by emailing: schs@snydercounty.org.

Free Neuro Wellness Resource Fair to Connect Patients, Families and Experts

People living with Parkinson's disease and other neurodegenerative disorders, along with their families and care partners, are invited to attend the Neuro Wellness Resource Fair on Saturday, Sept. 12, 2026, at the Lewisburg YMCA at The Miller Center. The free event will run from 10 a.m. to 3 p.m. and is being presented in partnership with PMD Alliance. This event focuses specifically on the unique needs of people living with neurodegenerative conditions and introduces attendees to providers and organizations with specialized expertise.

The event is designed to help individuals connect with specialized providers, learn about local resources, explore wellness programs, hear about advances in research, and build relationships with others who understand the challenges of living with neurological conditions.

Renee Pfirman, PT, DPT, Program Coordinator, Parkinson's Fitness Instructor, and Rock Steady Boxing Coach at the Lewisburg YMCA, said, "Receiving a diagnosis such as Parkinson's disease or another neurodegenerative condition can be overwhelming. We wanted to create one place where people can come together to connect, ask questions, and learn from providers who specialize in these conditions. Having access to the right resources can help ease anxiety and improve quality of life."

The Neuro Wellness Resource Fair welcomes individuals living with Parkinson's disease, Progressive Supranuclear Palsy (PSP), Multiple System Atrophy (MSA), Lewy Body Dementia, Multiple Sclerosis, and other neurological or movement disorders. Family members, caregivers and care partners are also encouraged to attend.

Attendees will have an opportunity to visit exhibits, speak with healthcare and wellness professionals, participate in activity and exercise demonstrations, and discover programs designed to help manage symptoms, support independence and encourage healthy living.

"You don't know what you don't know. Education is the first step in managing any condition. This fair gives people the opportunity to learn about resources available right here in our region, whether they need them today or sometime in the future. Sometimes discovering a single program, service, or connection can make a drastic difference in someone's quality of life," Pfirman said.

Mark your calendars for September 12. This free event will provide specialized resources, education, wellness demonstrations and support for individuals living with Parkinson's disease and other neurological conditions. Registration is required for this free event by going to GSVYMCA.org, by calling 570.556.4191, or in person at the Lewisburg YMCA front desk.

Urie Kline is a versatile percussionist active in Williamsport, Lewisburg, and State College. He performs regularly with the Cadillac Cats, Eric Ian Farmer, La Fiesta Latin Band, and the eponymous Urie Kline Band. He currently teaches at Lycoming College, Bucknell University, and Robert M. Sides.

An active live and session "musician for hire," Urie is an experienced percussionist excited to launch his new venture as a soloist. Utilizing songs, rhythms, and instruments from around the world, his performance is sure to be unique and full of surprises.

Bill Flack, Mike Hickey, & Safa Saracoglu combine the experienced and in-demand bass skills of Bill Flack, the eclectic songwriting and guitar stylings of Michael Hickey, and the rhythmic diversity of Turkish-born percussionist Safa Saracoglu.

The Listening Room Series provides a line-up of top-notch performing artists throughout our region and beyond. Join the musical performances at The Listening Room on September 9 beginning at 7 pm. For more information, contact Cynthia Peltier at peltiercynthia4@gmail.com or call 570-713-7479.

Union County Resource Center to Host CMSU Recovery Simulation and "Welcome to the Neighborhood" Block Party

The Union County Resource Center will host a free afternoon of events on September 18 in honor of Recovery Month, starting with a Recovery Simulation and ending with a Block Party.

The CMSU (Columbia, Montour, Snyder, Union) Drug and Alcohol Program is facilitating a Recovery Simulation 12-2 p.m. followed by a collaborative "Welcome to the Neighborhood" Block Party hosted by Susquehanna Valley Mediation (SVM), Office of Vocational Rehabilitation (OVR), Gaudenzia, CMSU, and Union County from 2-5 p.m. on September 18 at the Union County Resource Center on 480 Hafer Road, Lewisburg.

CMSU's Recovery Simulation aims to help community members and service providers appreciate the barriers people in recovery face every day. The simulation is an interactive experience highlighting the challenges of maintaining tasks, sustaining sobriety and housing, and balancing recovery with mental health issues and/or parenthood.

After the Recovery Simulation, the Union County Resource Center invites all to the first ever "Welcome to the Neighborhood" Block Party.

Both events are free and open to the public. To sign up for the recovery simulation and/or the Block Party, email Erica Barnes @ ebarnes@cmsu.org or call 570-374-1718.

Joanne Landis Brings Her Narrative Oil Paintings Women Standing to Gallery 255

Gallery 255 at the Public Library for Union County will feature Women Standing, an exhibition of narrative oil paintings by Joanne Landis, throughout September.

A graduate of the Parsons School of Design, Joanne is a native New Yorker whose work explores archetypes, mythology, and personal experience through large-scale oil-on-canvas paintings. Describing herself as a "narrative painter," she says, "My figures, mostly women, are often meditations on archetypes, myth, or personal experience. This allows me to build an environment inhabited by beings with all that it means to be human, alive, and still in a dream." Her work has been featured in numerous solo and group exhibitions.

The community is invited to meet Joanne during an artist reception on Monday, September 28, from 5:00 to 7:00 PM, where she will discuss her artwork and creative process.

The Public Library for Union County is located at 255 Reitz Boulevard, Lewisburg, PA 17837. Library hours are 9:30 a.m. to 8:30 p.m. on Monday, Tuesday, and Thursday, and 9:30 a.m. to 5:00 p.m. on Wednesday, Friday, and Saturday. Artists and organizations are encouraged to apply to exhibit items of artistic, cultural, and intellectual interest in the library's gallery and/or display cases. For more information, visit unioncountylibraries.org/displays.
