DAISY Honor To Hannah Sauers, RN, BSN

Hannah Sauers, RN, BSN, (center) holds her DAISY Award for Nursing Excellence, given to her as a result of being nominated by a colleague who witnessed first-hand her caring nature toward a COVID-19 patient in the Critical Care Unit. With her are Tamara Persing, Vice President of Patient Care Services/Chief Nursing Officer (left) and Kendra Aucker, President and CEO (right) of Evangelical Community Hospital who were on-hand to present Sauers the award.

Hannah Sauers, RN, BSN, was presented the DAISY Award on Tuesday, January 4, 2022. The award is presented to a deserving nurse who exemplifies clinical expertise and compassionate care and is recognized as a role model in the nursing community.

Sauers was surrounded by her fellow coworkers and mentors, as well as Hospital and Nursing leadership, as she was presented with the award. She was nominated for the award by a colleague, Barb Jordan.

In the nomination, Jordan shared, "I want to tell you about one of your amazing CCU nurses. Her name is Hannah. I have watched her care for so many people including patients, family members and colleagues. She is flexible with her assignments. She is always smiling and the first to lend a helping hand. She is the co-worker we all want to be. Hannah is such a DAISY. Her compassion for her vulnerable patients shows through her every action."

Jordan continued, "We recently had a COVID-19 patient who Hannah cared for, for many days. She kept him and his family informed so they knew what was happening and what to expect next. She made sure he was comfortable every time she was in his room. Her technical skills and clinical assessment are always strong. She spent time with this patient. She talked to him. She listened to him. She prayed with him. She didn't just take care of this gentleman, she cared for him in his entirety."

Sauers began her work at Evangelical in June 2017 as a Nursing Assistant in the float pool. Continuing her commitment to nursing and her career, she participated in the Hospital's student nurse externship program in 2018. In 2019, following her graduation from nursing school at Bloomsburg University, she accepted a fulltime RN position in what was then the ICU/Stepdown Department. She has been a vital member of the Hospital's Critical Care Unit team of professionals throughout the COVID-19 pandemic.

The DAISY Foundation was established in 1999 in California by the family of J. Patrick Barnes, who died at the age of 33 from complications of an auto-immune disease. During his eight-week hospital stay, his family was impressed by the care and compassion his nurses provided, not only to him but to everyone in the family. They created the DAISY Award in his memory to recognize those nurses who make a big difference in the lives of so many people.

Evangelical is proud to be a DAISY Award partner. Nurses are nominated by patients, family members of patients, as well as other healthcare professionals. Nominations are presented for consideration through a process of anonymity. The winner is then selected by a board of healthcare workers. Each DAISY Award Honoree is given a DAISY Award pin, a certificate of honor, a gift card from Service First Federal Credit Union, and a stone sculpture entitled, A Healer's Touch, handcrafted by a tribe in Zimbabwe.

Nominations for the DAISY award can be made by patients, patient family members, colleagues, and providers. If an Evangelical Community Hospital nurse has displayed extraordinary clinical expertise and compassion, visit www.DAISYnomination.org/ECH and fill out a nomination form.

Local Author Donates To Everyone's Playground

Jim Campbell, co-author of latest Pittsburgh Steelers saga, "Hell with the Lid Off" and Teague Hoover, Selinsgrove High School Senior outstanding Seals football safety both promote Everyone's Playground and are thrilled a portion of the book sale is going toward the fund drive.

Selinsgrove residence, Jim Campbell, has co-authored, with Ed Gruver, a new book, "Hell with the Lid Off" detailing the fierce rivalry between the 1970's Oakland Raiders and the Pittsburgh Steelers. Legendary Pittsburgh Steelers star linebacker, Andy Russell, wrote the foreword and the book is now on sale online and through the local Andy Russell Charitable Foundation at 570-428-5411. The book sells for \$40 with \$10 of the sale price being donated to the current Everyone's Playground Comfort Station fund drive.

Campbell presented one of the first copies of the book to Teague Hoover, Selinsgrove High School outstanding Seals safety and son of Lisa Hoover. Teague, who will graduate at the end of this school year, will attend Indiana University (PA) on athletic and academic scholarships. As an interesting coincidence, Campbell played college football with Teague's grandfather, Bob Hoover.

According to Campbell "Hell with the Lid Off" chronicles the ferocious five year war waged by Pittsburgh and Oakland for NFL supremacy during the turbulent seventies. The roots of their rivalry dated back to the 1972 playoff game in Pittsburgh that ended with the "Immaculate Reception," Franco Harris's stunning touchdown that led the Steelers to a win over the Raiders in their first postseason meeting.

That famous game ignited a fiery rivalry for NFL supremacy. Between 1972 and 1977, the Steelers and the Raiders, between them boasting an incredible twenty-six Pro Football Hall of Famers, collided in the playoffs five straight seasons and in the AFC title game three consecutive years.

Both Campbell and Hoover voiced their support for Everyone's Playground and said they were pleased proceeds from the book sales will help with the current Comfort Station project. "I tutor kids in baseball techniques and gamesmanship and I believe you should always have fun with whatever you do. Kids have fun at Everyone's Playground regardless of the level of their ability and that encourages me to want to help support the facility" said Teague.

Campbell has worked at the Pro Football Hall of Fame and was a member of the Steeler's organization during their dynasty decade in the 1970s. He has written for numerous NFL publications and authored several books on the NFL. He has been an active volunteer with the Andy Russell Charitable Foundation, and said "the entire concept of Everyone's Playground appeals to me and nothing is more satisfying that watching kids with special needs and other types of disabilities and cognitive challenges enjoying a safe play area to just have fun and experience the simple pleasures of life and laughter. As a close friend of Andy Russell, I'm happy "Hell with the Lid Off" will help support the Playground."

Bureau Of Prisons Director Announces Retirement

Congressman Fred Keller (PA-12), Chairman of the Congressional Bureau of Prisons (BOP) Reform Caucus, released the following statement in response to the forthcoming retirement of BOP Director Michael Carvajal announced on January 5, 2022. "I thank Director Carvajal for his service and work to address the challenges that America's federal prison system faces. In September, the BOP Reform Caucus met with Director Carvajal, along with officials from the Council of Prisons Locals, to chart a course forward and increase accountability and transparency within the BOP."

Congressman Keller continued, "We must build on this dialogue and tackle, head on, issues that were addressed during our meeting like staffing shortages, implementation of the First Step Act, and emergency preparedness. I look forward to continuing to work with BOP leadership and my colleagues on the BOP Reform Caucus toward our shared goal of reforming the BOP to better secure inmates and improve staffing conditions."

Congressman Keller formed the BOP Reform Caucus in August of 2020 after experiencing repeated issues with the BOP, including a lack of response from the agency and the continued movement of inmates across BOP facilities nationwide during the early stages of the COVID-19 pandemic, despite the serious need to halt movement and transfers to protect correctional officers, other inmates, and surrounding communities.

MLK Day: At The Lewisburg Children's Museum

"I Have a Dream" for a great day at the museum! Join us to commemorate one of the greatest leaders in black history, Martin Luther King Jr on Monday, January 17, 2021 at 10:30 am-12:30 pm at the Lewisburg Children's Museum.

The special program was planned and will be facilitated with Kallan Carter, a junior at Susquehanna University, who is also a part of the Susquehanna University Service Leaders program. The program pairs participants in four-year internships with community partners who focus on youth development.

"I am most excited about teaching the kids about diversity, but making it fun," says Carter. "Having attended multiple diversity and inclusion seminars and training, I know how overwhelming they can be, so I am looking forward to implementing manageable and fun activities with the kids!"

Children will have an opportunity to create colorful playdough, talk about diversity, and make a collage. A story exploring how MLK ended segregation as one of the greatest leaders of the Civil Rights movement is also included.

"We're excited to offer a program this year with a special focus on Martin Luther King, Jr.," adds Lindsey Walter, LCM Education Director. "We hope it will spark some engaging conversations about equality and provoke important questions for families to discuss."

Activity included with general admission. Masks are required for those 2 years and older. Registration is not required, but space is limited.

Union County Receives Bridge Safety Improvement Award

Union County was named the winner of the 39th Annual 2021 Road and Bridge Safety Improvement Award program for its work on the county bridge 12 and 19 bundle project. The award was presented by PennDOT and the Pennsylvania Highway Information Association (PHIA) to the Union County Commissioners at the 2021 County Commissioners Association of Pennsylvania (CCAP) Fall Conference in November. The award recognizes the best road safety or bridge improvement projects undertaken across the state. All entries are graded in four categories: Safety, Resource Innovation, Benefits of Improvements and Cooperation. In accepting the award Commissioner Jeff Reber said "it is humbling for our small county to be recognized for innovation and prioritizing public safety improvements". "Over the last five years we have been aggressively replacing county-owned bridges in poor condition and this bundle project is part of that initiative. We have more work underway, but we are extremely honored to receive this award and are thankful for our partners at Larson Design Group and PennDOT District 3-0", said Union County Commissioner Chairman Preston Boop. Commissioner Stacy Richards added that she was thankful for the contributions of the county staff and engineer who saw these projects through all the way from obtaining the funding to overseeing the design and construction processes.

County Bridge 12, which carries Long Road (T-321) over Sweitzers Run in Limestone Township, was previously built in 1920 and re-conditioned in 1954. The replacement structure is a 25-foot by 7-foot precast reinforced concrete box culvert with precast end sections. The roadway over the structure is 22 feet wide. The new structure eliminated the existing load posting and a current standard approach guide rail was installed when previously, there was no guide rail present. Modern loads and farm equipment can now travel across this structure.

County Bridge 19, which carries Walbath Road (T-383) over Rapid Run in West Buffalo Township was previously built in 1935 and reconstructed in 1958. The project consisted of a superstructure replacement that included a prestressed spread box beam bridge with a reinforced concrete deck.

Question: Can you please tell me what a Medicare Part B drug is?

Answer: Medicare Part B drugs are medications given in a clinic, doctor's office, or hospital outpatient setting.

Some common examples of Medicare Part B drugs are medications used in a nebulizer, chemotherapy, Insulin that is used in Insulin pumps only, immunosuppressant drugs, certain oral anti-cancer drugs, most intravenous infusions, some bone density infusions such as Prolia, and of course immunizations like the pneumococcal vaccine and the influenza vaccine.

You pay 20% of the Medicare-approved amount for these covered drugs, and the Medicare Part B deductible applies.

A standard Medicare Supplement or Medigap plan will pick up that 20% payment.

A Medicare Advantage plan or Part C requires you to pay that 20% of the cost of the drug. Medicare Advantage plans do have a cap on annual medical expenses, typically in the \$3,450 to \$7,550 range.

Brad Jerman will be the guest speaker at the Wild Game Dinner being sponsored by the Selingsgrove Church of Nazarene on February 5. A Wild Game Dinner is being sponsored by Selingsgrove Church of the Nazarene on Saturday, February 5. The meal and program will be held at the Selingsgrove Intermediate School at 6 pm. The theme of the event is "We 'Get' Outdoors".

Keynote Speaker for the Wild Game Dinner is Brad Jerman. On November 10, 2004, Jerman of Springboro, Ohio, harvested a massive 11-point buck with a crossbow. The buck's gross score was 208 7/8 inches with a net score of 201 1/8 inches. It had a 24 - 1/8" inside spread and his rack was 28" at the greatest spread. The Jerman Buck ranks among the world's all-time best of a whitetail tagged with a crossbow. He will share his world record crossbow typical whitetail slide show!

"Each time I tell the story and see people's eyes light up, I am reminded of why we love hunting," Jerman has stated.

The program also includes special prizes including a Fishing Trip for up to 4 people valued at \$1000.

Pulled pork will be provided for the meal. Attendees are asked to bring a potluck dish and dessert to share. Guests are also encouraged to bring antlers, horns, feet and tails, mounts from this season that they would like to showcase. Send photos of your season including trail cam, harvest, wildlife, scenery and others to Tim Meiser at Meiser.Tim@gmail.com by Sunday, January 16. For inclusion in the program.

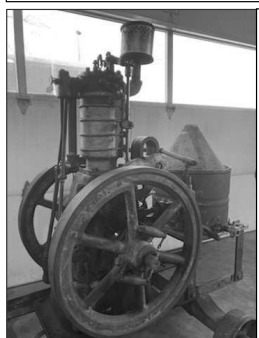

Wild Game Dinner and program are available for only \$10 per person. Reservations are appreciated. To register for the "We 'Get' Outdoors" Wild Game Dinner, sign up online at www.SCN.church or by calling the church office at 570-374-0028. Invite a friend and come out for a great night celebrating the outdoors!
