Mardi Gras Party Benefits Non-profits

By Kay Poeth

Samantha Kratzer and Sandy Catherman were ready for the fun and festivities of Mardi Gras benefitting non-profits the Mifflinburg Buggy Museum and Mifflinburg Parks Action Projects.

Kellie Moyer, Amy Bekic, and Kim Wagner were eager to support non-profits Mifflinburg Buggy Museum and Mifflinburg Parks Action Projects as they "Preserve the Past and Grow the Future."

On February 10, the Mardi Gras Party benefitted two Mifflinburg non-profits. The Mifflinburg Buggy Museum and Mifflinburg Community Parks Action Project (CPAP) partnered to share in the fun and fundraising! The motto of the evening was "Celebrating Mifflinburg's past while looking to grow Mifflinburg's future."

In addition to the Rusty Rail New Orleans Style Mardi Gras buffet dinner, there were Live and Silent Auctions. A great line-up of live music had attendees jamming to the music of Luke Hughes on the electric violin, Ravi the Saxman on saxophone, and the acoustic classic rock group, Rapid Run.

The Buggy Museum has a modern Visitor Center includes an introductory video, self-guided exhibit, hands-on workbench, gift shop and restrooms. Guided tours through the Heiss family home, the reconstructed carriage house, the original buggy factory, and original showroom provide a glimpse to the past. The Buggy Museum has an ongoing mission to restore other buggies and sleighs in the museum complex. Volunteers continue to be the backbone of the Mifflinburg Buggy Museum by guiding tours, staffing the admissions desk, planning events and programs and offering research assistance to visitors. The Buggy Museum is funded through donations, admissions, store sales and revenue from special events.

Mifflinburg CPAP, a 501(c)(3) nonprofit organization, consists of community members who volunteer their time to improve and enhance recreational areas in the borough through grant writing and fundraising efforts. Their mission is "Breathing new life into Mifflinburg's parks".

Mifflinburg CPAP is looking for ways to improve the town's parks and recreation. The Tot Playground is a 200 square foot area, to be located on the west end of Mifflinburg Community Park. It has been designed to include climbing structures lower to the ground, swings, handicapped

swings, swing-along swings, and a merry-go-round that accommodates wheelchairs with safety features designed for young children. The goal is to install the newly purchased playground equipment in late Summer/early Fall of 2024.

"We hope that it will be a community build with volunteers from the community to create a sense of ownership and community pride," notes Karen Musser, President of Mifflinburg Parks Action Projects.

The Mardi Gras fundraiser was a success for both Mifflinburg Buggy Museum and Mifflinburg Parks Action Projects; preserving the past and building the future.

Selinsgrove High School Club Works to Support Camp Koala

The Selinsgrove Area High School S.A.D.D. (Students Against Destructive Decisions) Club organized a penny war to support Camp Koala raising \$99. Pictured here are Mrs. Lisa Streett-Liebetrau, Brianna Frymoyer, Erika Meiser, Kaylee Moyer, Alison Beddall, Dr. Katie Robbins, and Dr. Taylor Roush.

The Selinsgrove Area High School S.A.D.D. (Students Against Destructive Decisions) Club organized a penny war to support Camp Koala. Camp Koala's founder and director, Lisa Streett-Liebetrau, lost her sisters in a car accident in 1989. Due to her experiences, she created Camp Koala to offer support to children that are living with grief. The penny war was held at the suggestion of Selinsgrove High School teacher, Dr. Katie Robbins. Camp Koala is located in Mifflinburg, where both Mrs. Streett-Liebetrau and Dr. Katie Robbins grew up.

The S.A.D.D. Club officers, Erika Meiser, Brianna Frymoyer, Alison Beddall, and Kaylee Moyer worked with the club advisor, Dr. Roush, to organize the event. The students at Selinsgrove High School made this event successful through community-minded giving. The S.A.D.D. Club penny war raised \$900 to benefit the valuable work of Camp Koala.

Mifflinburg Community Parks Action Projects

By Kay Poeth

Mifflinburg CPAP invites all residents to attend the meeting being held on February 21 from 6-8 pm at Mifflinburg Bank to offer input on future projects to enhance Mifflinburg Community Park and Harold Haney Memorial Park.

Mifflinburg Community Parks Action Projects (Mifflinburg CPAP) has grown from a small grassroots organization that gathered to discuss the lack of playground equipment available for tots ages 2-5 to a newly formed nonprofit organization. Mifflinburg CPAP is composed of a dynamic group of individuals with the purpose of "Breathing new life into Our Parks!"

The group formed to create a play area for young children. "We noticed so many Mifflinburg residents took their young children to neighboring communities," explains Mifflinburg CPAP President Karen Musser. "Most of the equipment at the Mifflinburg Community Park was installed in the early 1990's and was designed for youth ages 6-12. There were only a few pieces for young children."

During the school day, the population using the playground equipment are mostly parents and grandparents of preschoolers and tots, including Musser who babysits her young grandchildren.

That kicked off efforts to improve the playground area for young children! With a mission "to assist the Borough of Mifflinburg in securing funds through grant writing and fundraising efforts to enhance Mifflinburg's recreational assets."

Mifflinburg CPAP has written and secured several grants for the Mifflinburg Borough for parks and recreation. \$134,432 from the Union County Commissioner's ARPA funds have been designated for the construction of the new Tot Playground.

\$62,000 DCED grant has been allocated to create a master plan for both the Mifflinburg Community Park and the Harold Haney Memorial Park. A master plan is being written with HRG Engineering. The public is welcome to attend a meeting on February 21 from 6-8 pm at Mifflinburg Bank to view and give input on the options and ideas.

\$196,200 DCNR grant has been awarded for the construction of a new Tot Playground.

Many businesses, organizations, and individuals have donated to the efforts. Some have offered their skills in grant writing, others have offered to supply goods and services for the construction of the park or donated monetarily to the cause.

Mifflinburg CPAP has also held several fundraisers and plans to continue those events. Successful events included the Duck Derby held in May in conjunction with the Kids Fishing Derby, a food stand at the Annual Mifflinburg 5K in July, Summer Send Off in August, the popular Pedals & Pints, a reception held at Union Cellars on January 22 and the recent Mardi Gras Party held in partnership with the Buggy Museum on February 10. Sponsorship Opportunities are available.

The Tot Playground is a 200 square foot area, to be located on the west end of Mifflinburg Community Park. It has been designed to include climbing structures lower to the ground, swings, handicapped swings, swing-along swings, and a merry-go-round that accommodates wheelchairs with safety features designed for young children.

Mifflinburg CPAP is checking off areas and ways to improve the parks and recreation. Their goal is to install the newly purchased playground equipment in late Summer/early Fall of 2024. "We hope that it will be a community build with volunteers from the community to create a sense of ownership and community pride," notes Musser. In addition, the community build will help to keep costs down.

Playworld has donated \$25,000 worth of equipment. Willow Play Works will install the equipment and offer a 10% discount off additionally purchased equipment. Approximately, 20,000 is still needed to meet this initial project to create a Tots Playground. Donations may be mailed to: Mifflinburg CPAP at 509 Hilltop Lane, Mifflinburg PA 17844.

Mifflinburg CPAP is working with professionals to assess the strengths and weaknesses of both the Mifflinburg Community Park and Harold Haney Memorial Park. They want to create a Master Plan of future projects. Community input during the meeting on February 21 from 6-8 pm being held at Mifflinburg Bank will help direct those plans.

After that, HRG Engineering will approach Mifflinburg Borough Council with several ideas in the Master Plan. After a vote, the group can begin to phase in improvements and continue to seek out grants that meet their criteria moving forward.

CPAP meetings are held at 6:30 pm on the fourth Monday of each month at the Contrast Communications building, located at 418 Chestnut St. in Mifflinburg. Board members are Karen Musser-President, Michael Smith-Vice President, Secretary-Julia Hummel, Treasurer- Kelly Griffith, Sandy Catherman, Bradley Moyer, and Eric Wagner. IT MUST BE LOVE

Eugene and Marion Kahley
 The "Junkman" and the "Gingersnap"
 Celebrating 69 Valentine's Days Together

For Better or Worse, for Richer for Poorer, in Sickness and in Health, to Love and to Cherish, till Death do Us Part. These wedding vows they took on November 5, 1956. At the age of 91, Marion would tell you, when they met in Boston, she picked the Navy sailor up off the roller-skating rink and the rest is history. Gene, at the age of 90 would tell you he married an older woman (by 10 months) and he didn't marry her just to sleep with her. Haha.

Things weren't easy. She should have turned around and ran when they spent their honeymoon in Gene's hometown of Weikert, husking field corn. They moved from Massachusetts to Weikert and lived in a house with no running water, an outhouse and a cookstove and Heatrola. They pushed the tractor to start it, to pull the truck to start it, to go to work in the morning. Side jobs were waiting for them in the evening to make ends meet. Ketchup sandwiches were lunch and leftovers from Grandma and Pappy's meal were often supper. Gene was a jack of all trades, hardworking as a laborer, farmer, lumberjack, junkman and recycler, Hartley Twp. Supervisor, Owner of Kahley's Bargain Center, Weikert Store, Auto Sales, Excavating & Snow Plowing and proud Dad and Pap. Marion was a Secretary, Weikert Postmaster, Notary, Store Clerk, Business Owner's Assistant, Wife, Mother and Gram. No complaining, just keeping going. Along with family work schedules and chores were community giving and helping family, friends and neighbors as needed. They would give the shirt off their back. Two children were raised with these values and work ethic.

They aren't rich, but they are blessed with as much as they need and are leaving a legacy of love and a 3rd generation farm in Weikert and a cabin along Penns Creek to be enjoyed by their family and their future generations. "The Man Upstairs" is given credit for what they have and where they are today. What they enjoy most is having the "kids" come home to visit and watching them have fun playing, fishing, swimming and hunting. That's what Love and Family is all about. Faith, Hope and Love and the Greatest of these is Love. Thanks Mom and Dad for your Unconditional Love and Support and the example that you have been to us!

YMCA Annual Dinner Awards Ceremony

Edited by Kay Poeth

The Greater Susquehanna Valley YMCA recognized staff and volunteers during their Annual Dinner Meeting. Award recipients and presenters included (front row) Carol Yost, Catherine Habegger, and Ann Bausinger; (Back row) Amanda Dye, Megan Masevicius, Tiffany Ranck, Vince Bastian, Gregory Rhoads, Amy Gresh, Kristy Reichner, Emily Morgan, Heather Contagello, and Jessica Clemens.

The Greater Susquehanna Valley YMCA Annual Dinner was held on Tuesday, January 23, 2024. Amy Gresh from the Sunbury Y was presented with the Volunteer Distinguished Service Award. The Distinguished Service Award honors a recipient who demonstrates a commitment to youth, giving freely of their time, willingness to lead others, and a strong and sincere desire to make the community a better place to live. Amy Gresh encompasses all of the attributes and always goes above and beyond to serve the YMCA.

Congratulations to Vincent Bastian (Milton Y) and Heather Cantagallo (Lewisburg Y) for their Volunteer Service. Vincent Bastian has been very instrumental in many projects including the E-sports room, the renovation of the apartment, and any painting and electrical projects around the Y. Heather Cantagallo has been instrumental in creating a new partnership with the YMCA and Bucknell University through a BU program called "BUild Together". Heather loves the Y and offers her assistance however she can. Heather brings a lot of energy and positivity into everything she does with a "can do" attitude!

Congratulations to Staff Recognition recipients Kristy Reichner (Sunbury Y), Tiffany Ranck (Milton Y) and Jessica Clemens (Lewisburg Y). Kristy Reichner is graced with the gift of teaching. From babies and young people to teaching a High School senior how to better his time for his Division 1 college scholarship, or teaching an 80-year-old the benefits of water exercise, Kristy has "taught" so many throughout her 9 years at the YMCA. She is an asset to the YMCA management team and a true blessing to those taught by her!

Tiffany Ranck is an integral part of the Milton YMCA. From an assistant in the Pre-K Counts program, to becoming the lead teacher, Tiffany maintained a classroom that met the emotional and educational needs of her students. As the program expanded Tiffany became the Preschool Coordinator. She has made important connections with community partners. Tiffany is a go-getter and makes things happen.

Jessica Clemens is an employee the Lewisburg YMCA is fortunate to have. From starting as a Group Exercise Instructor to becoming our full-time Membership Director, Jess has shown her ability to get things done. She exudes what it means to be a YMCA team member. She willingly jumps in wherever she needs to.

Jon Gresh was recognized for 25 years of dedicated service. Cathy Habegger, Emily Morgan, and Greg Rhoads were recognized for 20 years of service. Congratulations to all awardees.

Borowicz Announces Over \$185,000 for Local Career and Technical Schools

Recently, Rep. Stephanie Borowicz (R-Clinton/Union) released a statement announcing funding awarded to multiple local career and technical (CTCs) schools in the 76th Legislative District. Keystone Central CTC, SUN Area Technical and Jersey Shore Area will receive funding to expand and improve access to first-class equipment and educational advantages for their students as part of a program to purchase new equipment to help train students in high-demand occupations through career and technical education programs.

Keystone Central CTC will receive \$84,217; SUN Area Tech will receive \$85,000; and Jersey Shore Area, a CTC with many students from the 76th Legislative District, will receive \$18,689 in funding. This totals \$187,906 in funding for local career and technical education.

"Our country was founded on and expanded because of hard working manufacturing and trade jobs. For Pennsylvania to continue to grow and prosper it is vital to support our trade jobs and skilled workers," Borowicz said. "I am proud to see this career and technical school funding come to the schools in the 76th House District."

"Improving and expanding career and tech programs is vital to meeting demand for high-paying, high-demand careers in the trades," said Rep. David Rowe (R-Snyder/Union/Mifflin/Juniata), who represents the 85th District, which sends students to SUN Area Technical. "I am excited that students in the 85th District will be able to access new opportunities at SUN Area Technical Institute to prepare for a successful transition into the workforce, which can evolve into a family-sustaining career."

Across Pennsylvania, there are more than 80 CTCs that offer a combination of classes and hands-on learning programs approved by the Department of Education.
