Five Injured in Seven-Vehicle Crash on Interstate 80 in Union County

Five people were injured, several of them seriously, in a seven-vehicle crash Monday afternoon on Interstate 80 westbound in Union County.

According to an update from Pennsylvania State Police, the crash happened at approximately 4:34 p.m. near mile marker 202 in White Deer Township, where traffic had come to a stop because of a construction zone.

Investigators said a tractor-trailer driven by Gueye Gornarou, of the Bronx, New York, was traveling west when the driver failed to notice the stopped traffic. The truck struck a parked Dodge Ram driven by Drew Miller, of Lock Haven, before colliding with another tractor-trailer operated by Justin Jackson, of Malvern, Ohio.

Police said Gornarou's tractor-trailer then swerved into the left lane and struck a stopped Honda Pilot occupied by the George family from Delmont. The impact forced the SUV off the roadway and into the center median, where it overturned multiple times. The tractor-trailer's trailer then jackknifed and landed on top of the overturned SUV.

The Honda Pilot was occupied by Jayson George, 50; Lynn George, 44; and three children, ages 9, 14 and 17. Jayson George and the two boys, ages 9 and 17, were flown by medical helicopter to Geisinger Medical Center for treatment. Lynn George and the 14-year-old girl were transported by ambulance to the hospital.

The jackknifed trailer also struck a Mercedes-Benz GLC driven by Melissa Neville of Hawthorne, New Jersey, and a Toyota Highlander driven by Timmie Oneil of Nineveh, New York.

Interstate 80 westbound remained closed for several hours following the crash as emergency crews responded and cleared the scene. Traffic was detoured at Exit 212, the Interstate 180 interchange, and motorists were urged to seek alternate routes.

Pennsylvania State Police in Milton continue to investigate the crash and said additional information will be released as it becomes available.

TONS OF RACING HAPPENING IN OUR AREA GOING BACK TO LAST WEDNESDAY

Things started out on Wednesday July 22nd with Lincoln speedway racing the Bob Leiby Memorial for 410-sprints along with a second division of 358 sprints. Bob and his brother ran Selinsgrove speedway in the 1999 and 2000 racing season and for a long time promoted Lincoln speedway. The event on Wednesday was to honor Bob. The format was an old fashion handicap racing event, for both divisions. For three heats they were taken the top three and with a point average the top three in each heat would be in the top nine spots for the feature. After three heats, Freddie Rahmer was the only top tier driver to make the cut. It had him starting ninth for the 30-lap feature. Troy Wagaman Jr did not make it and would start tenth in the feature; Danny Dietrich had the worst of it and started 18th in the feature. Mark Smith of Sunbury lead the first part of the race before Matt Campbell took over the top spot at the halfway mark. Campbell held on to get the win, but the drive of the night went to Dietrich who came from his 18th starting spot to a close second place finish. This was proving again that handicap racing is the best for the sport, and more exciting for the fans to watch. Mark Smith hung on for third Aiden Hare and Rahmer in the top five. The format also worked out for the 358-sprints has driver Chase Robinson with a top three finish in his heat went out and was able to score his first ever 358-sprint car feature win beating the driver who had to be in the back on the handicapping format.

Friday night at Williams Grove they do things bit differently with the heat races handicapped and the feature lined up by the heat race finish. Chase Dietz who has 16 410-sprint car wins already this season, but non at the Grove was able to score his first at the grove last Friday over Troy Wagaman Danny Dietrich, Antohny Macri and Austin Bishop. Eil Tuckey scored his first ever 358-sprint car feature win over Austin Reed, Chase Gutshall, Derek Locke and Adam Carberry. This weekend the WOO series will be at Williams Grove for two nights of racing on Friday and Saturday, which means both Lincoln and Port Royal speedway will not be racing. So all drivers and fans of the 410-sprint action attend the Grove.

In other Friday night action George Dixon got his second limited late model feature win at Clinton County with Joe Lush and Trent Merkel in the top three with all drivers racing in Lazer chassis, Jaxton Garman and Jake Moser in the top five. Clinton County is off this Friday for the Clinton County Fair set-up but will race twice during the fair starting with a Tuesday night August 4th race for the limited late models, Pro Stocks, 270-micro sprints and four-cylinder. They come back Friday with the IMCA sprint cars racing for $2,000 in the Jim Cowboy Kennedy Memorial 30-sprint event, again the same three other divisions will be in action. Last Friday at Big Diamond speedway near Minersville Pa the tracks main division was set to have the 1000 feature pick up the win on Friday night, when the feature was over that went to Duane Howard of Oley Pa. for him it was his 95th career feature win at Diamond so it was fitting that the win would go to Howard, over Billy Pauch Jr, Louden Reimert, Mike Lisowski and Jared Umbenhauer. It was also learned that with the success with the two limited late models' events held this year at Diamond, promoter Jake Smully would like to have five shows for the 2027 season. Selinsgrove speedway ran on Friday night and had a surprise racer in the super late model class Drake Troutman of Hyndman Pa who has teamed up with Jerry Foster. The new team had planned to race two weeks from now, but things came together sooner than expected so they race this weekend starting at Selinsgrove were Drake place fifth in the feature after battling for the lead with his good friend Lane Snook. Snook got a flat on lap 18- which knocked him out of a chance of winning, which opened the door for 7th starting Gregg Satterlee to go on and get his fifth win of the season. He won over Hayes Mattern, Justin Weaver, Coleby Frye and Troutman. Troy Miller scored his fourth street stock feature win of the season over Aiden Mithc, Tommy Dawson, Brandon Moser and Brad Mitch. Kruz Kepner of Kreamer scored the PASS 305-sprint car feature over Chris Dolan, Timmy Bittner, Tyler Erdley and Mike Alleman. Selinsgrove will be back in action this Saturday instead of Friday with a show of Super late models, Limited late models, East Coast 36-wingless sprints and the PASS 305 sprints.

The biggest event last weekend was the two nights of 410-sprint car racing at Port Royal with the High Limit series. On Friday night was the Greg Hodnett Memorial paying the feature winner $15,000 to win with 47 drivers signed in, most of the top talent in that division was on hand, with the other top tier driver in the WOO series racing at Weedsport N.Y speedway. Brett Marks of Myerstown Pa who is a High Limit driver scored the feature win in the Hodnett event over Justin Peck, Anthony Macri, Ryan Smith in the Kreitz #69 and Chase Dietz. Both of these races were make-up events from early in the season rain outs. Sunday was the Bob Weikert memorial which paid the feature winner $1,000,000. Which last year was won by High Limit driver Aaron Ruetzel. This year the win went to another High Limit driver Gio Scelzi who got the win over Chase Dietz, Tyler Courtney, Brent Marks and Ryan Smith, Sunday had a car count of 45 drivers on hand. The High Limit series was to be at Bridgeport Speedway this past Tuesday, but that event was cancelled on Monday because of the weather. The series will be back in the area for a three-day show at Port Royal on Thursday, Friday and Saturday September 10-11-12. The WOO sprint events held at Weedsport went to Shelden Haudenschild over David Gravel, Logan Schuchart, Donny Schatz, and Carson Macedo. Saturday the win went to David Gravel over Haudenschild, Schuchart, Emson Axsom and Gart Williamson. The series was to be at BAPS Motor speedway last Wednesday, then over to Williams Grove on Friday July 1st and Saturday August 1st.

I did witness BAPS speedway getting the two-hour program last Saturday night, which they had promised the fans they would do or you get your money back. They had a three-division show of winged super sportsman which ran three heats for 22 cars, Limited late models again with three heats for 28 cars. The four-cylinder class only had six drivers on hand so they ran their feature for the first event on the program, the heat race, and no consolation for late models. This meant they would start 26 drivers in the feature with two drivers out for the night. The sportsman feature ran first and was done just a little after 8p.m. so the late model feature needed to be done in one-hour to pull this off. Things went well for the bigger field of cars for the 20-lap feature, and the race was done by 8:30. Daulton Bigler of Mechanicsburg Pa won the feature his first of the season over Matt Murphy, Skylar Taschek, Chase Billet and Michael Walls.

1st Responders Honored at Selinsgrove Speedway, Kepner Wins First of Year

By Debbie Gastelu

1st Responders were show cased at Friday night's Selinsgrove Speedway as the track honored the volunteers that spend countless hours in protecting us in all facets in our communities.

12 Local stations displayed their equipment for the fans to touch a truck and ask questions with members in attendance.

Those companies who were in attendance were the Snyder County Sheriff's, Eagles Mere Volunteer fire company, Kratzerville, Freeburg, Hummels Wharf, Beavertown rescue hose company, Fremont Fire Department , New Berlin, Union Township fire company (Winfield), Port Trevorton, D.H.&.L Ambulance, D.H.&.L Fire Co.

As an additional treat, Kelsey from Dirt and Dahlias put together a basket that 1st Responders could enter to win which contained some items as Fast Tees Shirts, Pizza Ruhls and County Line Restaurant contributed gift certificates. The Crème Shop handed out certificates out to the first 50 responders.

The track has always held 1st responder's nights over the years, but for the last two years it has been organized by Derrick "Porky" Cook who is the head safety director for the speedway.

Before the races began, all the fire trucks and safety vehicles took two laps around the track for the fans.

"Seeing the local fire companies show up and support the race track is awesome." stated Porky. There are not too many places that give back to first responders so it's nice that the racetrack did what they did. This was the first year The Firestore was involved and I'm hoping we can continue with them and make it bigger for fans and drivers.

Kruz Kepner of Kreamer won his first 305 sprint car race for 2026 in dominate fashion. Photo by Debbie Gastelu

The night was capped off with Kreamer's own Kruz Kepner winning the 305 sprint car event in fine fashion. Bad pill draws have kept Kruz out of the winners circle and most of the time earning Hard charger awards but this time a 3rd place start was way over due and he proved he has been fast by getting out in clean air and taking the checker flag for the first time in 2026.

Kruz is the current reigning champion of the PASS sprint car series and also Selinsgrove Speedway 305 champion, but in 2026 decided not to chase championships due to wanting to build up his business Top Tier Landscaping and Mowing with his partner Josh Horst.

Beavertown's Hayes Mattern being interviewed by track announce Robert Wojcik after his thrilling 2nd place finish in the Super Late model Race. Photo by Debbie Gastelu

In the Super Late model race, Beavertowns, Hayes Mattern took home his best finish of the year with an exciting 2nd place after a brilliant move to take the runner-up spot. "Since I was restarting on the outside I originally planned on running the top as it was the preferred line. I thought maybe I could pass a car or two before everyone got back into line. Coming up the front stretch, Coleby Frye moved from the inside lane to the outside lane so I knew I had to enter below him. Things played out in my favor that Drake Troutman and Coleby both got tight in 1&2 and I was able to get around them through the middle. It wasn't the plan I had originally, but it all worked out in our favor. " stated Hayes.

It's been since 2019 that Hayes has visited victory lane (even though he has come so close) and this strong run just might give him the boost he needs to get another win at his home track.

OH….to be a fan of Philadelphia sports this week! LeBron James finally decided what team he was going to play for, and to the surprise of most he's bringing his talents to Philadelphia. His decision was reportedly based on what team gave him the greatest opportunity to win another NBA title. If that was the only factor, why not go to the Spurs, Thunder or Knicks?

I believe it had more to do with his desire to play with Tyrese Maxey and with the new management team led by Bob Myers. He certainly didn't do it for the money. There are a couple of college quarterbacks that will make more money this year than LeBron will be paid by the Sixers.

Philadelphia sports fans have never had this many big name super-stars playing in their city at the same time. They now have two first-ballot hall of famers in Harper and James and probably five or six more locks playing on their professional teams. They potentially have three more playing on the Eagles, Phils and Sixers whose complete story is yet to be written.

There is still work to do for some of the Philly athletes to equal what the ´City of Champions´ had in 1979. They won both the World Series and Super Bowl in 1979. I'm talking of course about Pittsburgh, which had eleven players on the Pirates and Steelers that were eventually enshrined into their Halls of Fame. It would be twelve if you count Dr. Julius Erving who starred in the 'Fish that Saved Pittsburgh' movie that debuted in 1979. Mario Lemieux didn´t arrive in Pittsburgh until five years later.

The Baseball Writers´ Association of America voted in three new members to the baseball HOF and they were officially enshrined last weekend. Carlos Beltran, Andruw Jones and Jeff Kent took their place in history. This was not exactly a great class of inductees but more a lasting trio of stat accumulators that each played for sixteen or more years but have just one World Series title among them.

It should be difficult to attain HOF status and the metrics for enshrinement have become easier. The baseball and football halls are the toughest to get into for varying reasons. Football players have shorter careers because of the physical toll on the body. They are judged more on impact and Super Bowls. Baseball looks more at career stats like the three newly elected members. Also, if a baseball player has a dispute with a voting sportswriter, that writer can hold a grudge against them when it´s time to elect an inductee.

There is no better example of this than Albert Belle, who is still awaiting his invite to the Hall. Belle had a stormy and aggressive relationship with reporters and the public. Belle was the most feared hitter in the league during the 1990s for the Cleveland Indians. He led the entire league in RBIs and extra-base hits during the 90´s and was fourth in total home runs. In 1995 Belle became the only player in the history of baseball to hit at least 50 home runs and 50 doubles in the same season.

His average career hitting stats are much better than the three new HOF inductees. Belle averaged more home runs and RBIs over his career and was second in hits and runs compared to the three new inductees over their careers.

Belle played only twelve years before a degenerative hip condition forced his retirement at age 33, the prime age for a big leaguer. He was never accused or associated with steroids which were rampant during his career. Steroid use is an even bigger reason than media confrontations to deny entry to the HOF.

If you took steroids or gambled on baseball forget about getting elected to the Hall! Barry Bonds, Roger Clemens, Mark McGuire, Pete Rose and others should already be in baseball's HOF. It´s been said ¨The Hall is an awesome place, but it isn't the Vatican. Being a HOF voter shouldn't entitle you to also serve on the morality police. Elect the greatest players of all time and let their plaques tell the story of their pros and cons.¨

The baseball trade deadline is this Monday as teams are looking to solidify their lineups for a run to the playoffs. There are a couple of big names that could be involved in trades before Monday. Here is what I think will happen.

What are the Detroit Tigers going to do with their two-time reigning Cy Young winner Tarik Skubal? Detroit is on the cusp of qualifying for the playoffs in the weak American League and Skubal will be a free agent at the end of the season. Do they trade the best starting pitcher in the AL for a couple of good prospects or keep him for the playoffs where the Tigers would have a huge advantage in a short series? I think they trade him to the Tampa Bay Rays with the Brewers also in the bidding.

The Phillies needs are many and their prospect capital for trades is limited. For a team loaded with big names and contracts expect marginal upgrades to their defense and bullpen. My Pirates need a third baseman and bullpen help. If manager Don Kelly would allow his starters to go further in games that would help the bullpen and win more games. Say hello to Astro´s third baseman Isaac Paredes.

New York Met´s reliever Luke Weaver could be the best available reliever if the Padres keep Miller. Weaver has been lights out this year but no one realizes this because of the Mets' woeful season. There is a team that will over compensate the Mets for Weaver which will only help the Mets in the future. Could Seattle be that team or do the Yankees get him back?

Kansas City veteran starting pitcher Michael Wacha is going to be traded to a good playoff bound team to be their third starter in the post season. I see either the Braves or Cubs to land the all-star pitcher.

The San Diego Padres are shopping the best relief pitcher in baseball in Mason Miller. Miller has a contract for three more years after this one so I think he'll stay in San Diego. The Yankees would love to trade for Miller but don't have anything the Padres need. The Yanks need a hitting catcher more than a closer and the Twins´ Ryan Jeffers would be a great addition.

I had the opportunity to watch the Yankees play last week against the Pirates and Phillies. Their offense doesn´t scare you without Aaron Judge in the lineup and Cody Bellinger now out for at least a month with a hamstring injury.

New York´s starting pitching is getting healthy and will have to carry this team to October. Cam Schlitter was very impressive in a great pitcher´s duel against Philly. I haven´t seen a pitcher pound the top of the strike zone like Schlitter does since Nolan Ryan. Most pitchers are taught to keep the ball down to a hitter much like Cam´s teammate Gerrit Cole does. Cam will only throw a sinker to a hitter to change their eye level because his next pitch will always be a 99mph heater just above the strike zone resulting in a strikeout.

Finally, football is officially under way on both the college and professional levels. All the NFL training camps are open and the SEC and B1G conferences have had their league pressers. I will talk more about these next week as the SEC is threatening to leave the NCAA and go at it alone. How does that saying go …. ¨If you can´t beat them, leave them!¨

Just to whet your appetite I will leave you with these little nuggets. Don't look now but Indiana football has never recruited a top 100 recruit out of high school this century except for one and he transferred out before coach Cignetti arrived at Indiana. This year Cig has commitments from the #8 and #69 overall ranked recruits in the country. One is a 6´5¨ wide receiver and the other a QB.

Nebraska Cornhusker football has a 29 game losing streak against AP ranked opponents. Their last win was over #22 Oregon in 2016. At least James Franklin had 15 wins with his 29 losses to ranked teams while at Penn State.

Speaking of Penn State, they are flying under the radar this preseason, a far cry from last year's national championship chatter. That´s perfectly fine with new coach Matt Campbell who is going to surprise some people this year. More on that in the coming weeks.

Are you watching any flag football? This sport is going to become more popular over the next few years as it´s making its Olympic debut in LA in 2028.

You can contact me at theviewfromhear74@gmail.com if you know who the future hall of famers from Philly will be.

Nine Miles for Nine Lives

LEWISBURG - Cherished Cats Rescue Alliance is excited to announce the return of its "Nine Miles for Nine Lives Fitness Challenge" for a seventh year running. Throughout the month of August, participants of all fitness levels are invited to walk, run, ride, swim, or crawl a combined total of nine miles to raise funds and awareness for cats in need across the Susquehanna Valley.

Participants can complete their nine miles all at once or break the distance into smaller chunks throughout the month, making the challenge accessible to people of any activity level or schedule. Friends and family are encouraged to join in the fun or to support participants by donating through individual fundraising pages, which can even be linked directly to an official Facebook fundraiser for added convenience. Supporters can sponsor a mile, or challenge participants to go further or faster, all in support of Cherished Cats' mission.

"However you choose to cover the distance, every mile makes a difference for the cats in our care, "Sarak Kline, board president, said. "We're excited to bring the community together again for a month of movement, fundraising, and fun, all for a great cause."

Event Highlights

Throughout August, participants can look forward to awards for top participants in each exercise category, as well as top fundraisers; surprise prizes for a few randomly selected participants and an additional gift for fundraisers who raise $25 or more.

Prizes will be awarded in the following categories, based on total miles logged by exercise type: most miles run, most miles biked, most miles walked, most miles swum; two randomly selected participants who log at least nine total miles and the top two fundraisers overall.

Logged miles should reflect intentional exercise rather than total daily mileage. The challenge operates on the honor system.

Every participant will receive a swag bag featuring a t-shirt and other goodies.

How to Participate

Individuals interested in joining the challenge can register at Nine Miles for Nine Livesand create a personal fundraising page to support Cherished Cats. Participants are encouraged to stay safe, have fun, and reward themselves with some well-earned recovery time snuggling their cats, widely regarded as the best heating pads around.

Union County National Night Out 2026: Back to Our Roots

By Kay Poeth

The idea behind National Night Out is to create connections with local law enforcement and first responders in a relaxed, fun environment.The best time to meet these hometown heroes is before a crisis happens.

This year, the Buffalo Valley Regional Police Department is taking the event back to what National Night Out was always meant to be: connecting with our community in a relaxed, family-friendly setting.

As Chief Daniel Embeck of the Buffalo Valley Police Department shared, "'Back to Our Roots' reflects the spirit of what National Night Out was always intended to be, neighbors getting to know the first responders who serve their community and strengthening the partnerships that help keep our neighborhoods safe."

Instead of a large vendor-focused event, the Buffalo Valley Regional Police Department is creating an evening where neighbors can simply spend time with the police officers, firefighters, EMS personnel, and other first responders who proudly serve our community.

Union County National Night Out will held on Tuesday, August 4 from 5-8 pm at the Lewisburg Community Pool, located at 1051 Neptune Drive in Lewisburg. Enjoy free admission to the pool, complimentary hot dogs, and bottled water. Pool concession stand will be open throughout the evening

Come and meet your local police, fire, and EMS personnel. Celebrate what makes our community strong, get to know one another, and build lasting relationships.

During August Gallery 255 Presents the Landscape Paintings of Robert Hughes

The Public Library for Union County is pleased to present the work of Robert Hughes in Gallery 255 during the month of August. Hughes' collection showcases oil paintings inspired by the beauty of nature, historical architecture, and scenes from his travels throughout England, Scotland, and Italy.

Working primarily in oils, Hughes often begins his paintings with en plein air sketches created on location before using them as references for larger, more detailed works. His appreciation for landscapes and historic places is reflected throughout his artwork, capturing the character and atmosphere of each setting.

Hughes is a longtime member of the Art Association of Harrisburg and the Harrisburg-area group the Seven Lively Artists. His work has been featured in regional exhibitions, including Stroll Through the Arts in Lewisburg, the Susquehanna Art Society Annual Show in Sunbury, and exhibitions with the Seven Lively Artists at the Governor's Mansion, the State Museum, and the Art Association of Harrisburg.

Visitors are invited to view Robert Hughes' exhibit in Gallery 255 during regular library hours. Gallery 255 features rotating exhibits by local and regional artists, providing the community with opportunities to experience and enjoy a variety of creative works.

The Public Library for Union County is located at 255 Reitz Boulevard, Lewisburg, PA 17837. Library hours are 9:30 a.m. to 8:30 p.m. on Monday, Tuesday, and Thursday, and 9:30 a.m. to 5:00 p.m. on Wednesday, Friday, and Saturday. Artists and organizations interested in exhibiting items of artistic, cultural, and intellectual interest are encouraged to apply. For more information, visit unioncountylibraries.org/displays.

Public Welcome to Rededication of Union County Purple Heart Monument

By Kay Poeth

A re-dedication ceremony of the Union County Purple Heart Monument will be held at noon on Friday, August 7 at Mifflinburg Community Park. The monument was moved to the World War II Memorial area in Mifflinburg, located along North Fifth Street, earlier this summer.

All Purple Heart recipients, veterans and veteran supporters are invited to this rededication ceremony to honor all from the area who have received this award; from all services and all wars. The public is also invited to attend this special ceremony.

Sponsored by the George H. Ramer, MOH, Chapter 656 of the Military Order of the Purple Heart, the ceremony will includebagpiper Bernie Jespersen, local dignitaries, government officials, a keynote speaker, and local vocalist and musician Kj Reimesnyder-Wagner.

The re-dedication ceremony is being held on National Purple Heart Day, which is observed annually on August 7. National Purple Heart Dayhonors the nearly 1.8–1.9 million U.S. service members who have been wounded or killed in action, commemorating the date in 1782 when General George Washington established the Badge of Military Merit. The modern medallion features a gold heart with a bust of George Washington and a purple sash. It is awarded to any member of the Armed Forces wounded or killed in action against an enemy.

Following the ceremony, the George H. Ramer, MOH, Chapter 656 of the Military Order of the Purple Heart will host its annual picnic. All guests are invited for refreshments. RSVP Bob Lauver by August 1 if you wish to attend the luncheon and the number of attendees by calling/texting 570-847-6177.

Mary Lee Troup, 90, Beaver Springs

On a beautiful morning on July 23, 2026, Mary Lee Troup kicked off the blanket of her 90-year- old body and raced into the loving arms of her Savior, the Lord Jesus Christ. She was greeted at Heaven's door by her parents Frank and Katheryn Thomas, her sister Jean Smith, along with many other family and friends who arrived ahead of her. She was surrounded by her family at the time of her passing, and they love and miss her dearly. Her passing broke a 65-year special bond with her husband Lamar.

Mary Lee grew up in Montgomery, PA. From the stories she told, she and her sister kept their parents on their toes. She loved making people laugh and playing pranks on those around her. She graduated from Montgomery Clinton High School in 1954 and earned a bachelor's degree from Lycoming College in Education in 1958. While in college, Mary Lee served in the Civil Air Patrol. She started her long career teaching High School Spanish and English. She met her beloved husband LaMar at Warrior Run High School where they were both young teachers at the time.

LaMar and Mary Lee married on April 20, 1963. They started their first of many adventures moving across the country to San Bernardino, CA where she became a mother to Todd and Marla. The family then moved to Collegeville, PA in 1965 and finally settled on their much-loved farm in 1968 in Beaver Springs, PA, where their daughter Deanna was born.

Mary Lee started substitute teaching for the Midd-West School District and moved to full-time teaching starting in 1969 at West Beaver Elementary. During this time, she earned her master's degree and retired in 1998. She loved teaching and it showed in the work she put into each lesson and each student. Full retirement was put on hold for a few years as she started to substitute-teach again for the district. She dedicated 43 years to being the best teacher she could be and she genuinely loved her students throughout the years.

Mary Lee was a member of the West Snyder Rotary Club for 20 years and enjoyed hosting 13 Rotary Exchange High School Students from high schools all over the world. She and LaMar also hosted numerous foreign college students for the holidays, weekends, and summers from Bucknell and Susquehanna Universities. She stayed in contact with many of them and they all still call her mom. Mary Lee lived a life of servitude as an active member of Saint Paul's Reformed Church of Beavertown where she served in many ways. She was an avid supporter of the Middlecreek Area Community Center in Beaver Springs since 2002 and served as a 4-H leader and a Youth Challenge volunteer.

Mary Lee and LaMar enjoyed 63 years of marriage. During her marriage she loved serving her community, making the farm better, loving and caring for her husband and family, and most importantly serving her Lord and Savior. She also loved seeing the beautiful world the Lord created taking many vacations with LaMar and family.

Mary Lee loved others and was dearly loved. She loved the life that LaMar and her built on the farm. She loved the many adventures that farm-living brought and visiting many wonderful places in the United States and abroad. She was proud to say she visited all 50 states. Mary Lee loved the ocean and knew so much about the creatures in it. She was a lover of books and a master at pinochle and Jeopardy.

In addition to her husband LaMar, she is survived by son Todd (wife Mary), daughter Marla (husband Charles Connahan), and daughter Deanna (husband Chris Harvey). Mary Lee is also survived by seven beautiful grandchildren: Carleen Troup, Alea Troup, Andrew Troup, Laura (husband Kerry Lewis), Shane Connahan (wife Madeline), Claire (husband Mike Malquist), and Birch Harvey.

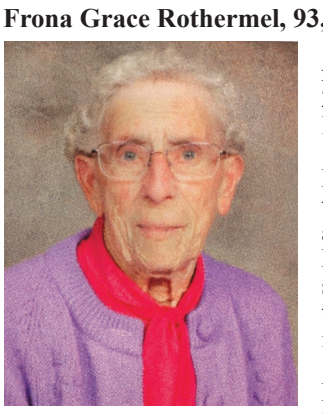

Mary Lee will be remembered for her sense of humor, her compassionate soul, and the deep love she offered to everyone she knew. Her presence was a gift, and her memory will continue to be a blessing.

Celebration of Life Services are scheduled for Saturday August 1 at St. Paul's Reformed Church at 127 W. Walnut Street, Beavertown, PA 17813. Feel free to join the family for visitation from 9am to 11am, service at 11am by Pastor Carl Bergerson, and a luncheon from Noon to 1pm.

Go Joe 29 Charity Bike Ride Visits Snyder & Union Counties

By Kay Poeth

We were so happy to welcome Joe Snedeker and Go Joe to Buggy Town USA today! Since Joe was traveling by bicycle, we thought it would be fun to greet him with two forms of transportation Mifflinburg was once known for—a buggy and a sleigh. Joe, you are always welcome back. We'll gladly provide the buggy next time—but you may have to bring your own horse!

Thank you, Joe Snedeker for visiting Snyder County Courthouse during the Go Joe 29 Charity Bike Ride! Many generous donations were collected.

Jon Meyer headed to Middleswarth Chips for a tour of the facility. If you can't have a pierogi, then munch on a handful of delicious Middleswarth chips!

Kratzerville Fire Company celebrated the arrival of Go Joe 29 with George Washington and Jon Meyer. George Washington poses with royalty, the SUN Area Dairy Princess and the Dairy Ambassador.

Joe Snedeker, Channel 16 meteorologist, visited our area during his Go Joe 29 Charity Bike Ride to benefit St. Joseph's Center in Scranton. He's shown here at the Lewisburg Farmer's Market.

It was back to the books for Joe Snedeker as he visited the Herman School and stepped back in time.

Joe Snedeker, popular WNEP meteorologist and local icon, pedaled through Snyder and Union Counties on Wednesday, July 22. The Go Joe 29fundraising bike ride benefits the St. Joseph's Center in Scranton. And, the enthusiastic crowds at stops along the way generously supported the cause.

This year's theme was "Red, White and YOU! Celebrating America 250!" This year was filled with many historic stops along the route. Many supporters donned tee shirts, pom poms, headbands and more in keeping with the theme. Joining Joe on his tour across the counties were George Washington (Jack Culkin) and Jon Meyer.Of course, all their antics livened up each televised segment.They were just as charismatic and engaging in person as they are on television.

The Go Joe crew graciously chatted with people andposed for pictures, Joe's visit was filled with laughter, applause, and "Go Joe" chants. And a big "Go Joe" to all those who generously donated to the charity!

In our area, Go Joe 29 stopped at Lewisburg Farmer's Market, Mifflinburg Buggy Museum, Snyder County Courthouse, Middleswarth Chips, New Berlin Post Office, Kratzerville Fire Company, Herman School, Selinsgrove, and ended at Sunbury.

Saint Joseph's Center is rooted in the core values of care, concern, compassion and commitment. Saint Joseph's humbly serves people who are diagnosed with intellectual disabilities.The Center strives to provide individuals who have special needs the opportunity to develop their abilities and potential to the fullest extent possible. St. Joseph's Center has been a recognized leader in providing quality care for individuals with intellectual and developmental disabilities.

If you missed Go Joe, donations are still being accepted. Make checks payable to: St. Joseph's Center, with "Go Joe 29" in the memo line.Mail checks to 2010 Adams Avenue, Scranton, PA 18509.

A lively crew greeted Go Joe chanting, "New Berlin, New Berlin" and the townspeople eagerly flocked around Joe Snedeker as he rode into town. The SUN Tech Cosmetology students were eager to see this TV weather star. George Washington and Joe Snedeker pose with John Showers and Mayor Benfer.
