Scandals And Scoundrels Walking Tour Returns!

Spring is here and it's time once again... to air Mifflinburg's dirty laundry! The Mifflinburg Buggy Museum's 2021 "Scandals and Scoundrels" walking tour sold out quickly last year and we've had several requests to offer it again. So on May 1 and May 15, we'll do just that!

For decades in the 1800s and early 1900s, the Mifflinburg Telegraph was the primary source of news, information and gossip for our townspeople. If people wanted to know what was going on in the country, state, around town, or behind the closed doors of their neighbors, they turned to the local newspaper. Newspaper editors quickly determined that people's "dirty laundry" made for interesting news and sold papers. The tour touches on scandalous, silly and shocking stories culled from hundreds of pages of "The Telegraph", highlighting the prominent and not-so-prominent citizens of the day.

Participants are encouraged to wear comfortable walking shoes and bring their water bottles as we share stories they won't find in history books!

Tours are approx. 1.5 mi in length will leave from the Mifflinburg Buggy Museum at 598 Green St. at 1PM and will last approximately 90 min. Cost is \$10. Tour size is limited and tickets must be purchased in advance at the Mifflinburg Buggy Museum's Facebook page or in person at Tack Room Inc., 6506 Old Turnpike Rd, Mifflinburg. (Pssst.....Ghost Tour tickets are also on sale now too!) Questions? Email: msulliva@pct.edu.

DMVA To Host First Virtual Veteran Town Halls For 2022

The Pennsylvania Department of Military and Veterans Affairs (DMVA) will host the first in a five-part series of virtual Veteran Town Halls on March 16, 2022, from 5-6:30 p.m. The topic will be veteran suicide prevention, with a focus on the support and resources available to veterans throughout the commonwealth.

Attendees can participate by using this WebEx link. Participants will have the opportunity to ask questions of the presenters live during the WebEx through the chat feature.

Presenters for this first event will be Brig. Gen. (PA) Maureen Weigl, DMVA deputy adjutant general for Veterans Affairs; and Rick Hamp of DMVA, Pennsylvania's lead for the federal Veterans Administration - Substance Abuse and Mental Health Services Administration and the Governor's Challenge to Prevent Suicide Among Service Members, Veterans and Their Families.

"We are excited to interact with veterans and their advocates to let them know that they are not alone, help is available," said Weigl. "About 20 veterans commit suicide every day across America, but it does not have to be that way. It is important that we keep the conversation going and let veterans know the resources that are available to support them. This Town Hall is one way to achieve that goal."

The series will provide the commonwealth's nearly 800,000 veterans with a convenient platform to learn and ask questions about programs and services earned through their military service.

The following are the dates, times and topics for the four remaining 2022 Virtual Veteran Town Hall events:

May 18, 2022, 5-6:30 p.m. - Serving Older Veterans

July 13, 2022, 5-6:30 p.m. - Resources for Homeless Veterans

Sept. 14, 2022, 5-6:30 p.m. - Transportation Issues Facing Veterans

Nov. 2, 2022, 5-6:30 p.m. - Honoring Veterans for Their Service and Sacrifice

Visit DMVA's website, Twitter or Facebook pages two weeks prior to each Town Hall for the WebEx link.

SELINGSGROVE SPEEDWAY NEWS

Following two consecutive cancellations due to inclement weather, Selingsgrove Speedway will open the 2022 season at 6 p.m. Saturday, April 2, featuring the Selingsgrove Ford super late models in a 25-lap main event paying \$3,000 to win and \$300 to start out of a \$15,000 purse!

Joining the super late models will be the Apache Tree Service PASS/IMCA 305 sprint cars in their first 20-lap race of the season. The A&A Auto Stores roadrunners will round out the three-division racing card in a 12-lap main event.

Drivers in all three divisions will draw for starting positions in heat races followed by a redraw based on each division's car counts for the main events.

Pit gates will open at 3:30 p.m. with grandstand gates at 4 p.m.

The super late model division, with title sponsorship from Selingsgrove Ford located at 10 North Susquehanna Trail in Selingsgrove, has a robust 16-race schedule at the Snyder County track in 2022. The overall series points champion will earn a lucrative \$5,000 bonus with the top five points finishers receiving payoffs.

Last year was a competitive season for the full-bodied headline division with seven races producing seven different feature winners! Jeff Rine of Danville was one of those late model feature winners along with clinching his 14th career track championship.

Apache Tree Service, located in Middleburg, is returning as the title sponsor of the PASS/IMCA 305 sprint car division. Five different drivers took a checkered flag in the division last year with Garrett Bard of Wells Tannery ending the season as the only repeat winner with three victories and the track championship.

The A&A Auto Stores roadrunner division had five different winners in 11 events last season. Jake Jones of Hunlock Creek, a three-time winner in 2021, is the two-time defending champion.

For a complete schedule, the latest news, results, and race status, visit selingsgrovespeedway.com or follow the track on Twitter, Facebook and Instagram. The speedway office can be reached at 570.374.2266.

USDA To Gather Data About Farm Labor

USDA's National Agricultural Statistics Service (NASS) will conduct its biannual Agricultural Labor Survey in April. The survey will collect information about hired labor from more than 2,000 farmers and ranchers. NASS will publish survey results May 25 in the Farm Labor report available on the NASS website.

In the survey, NASS asks producers to answer a variety of questions about hired farm labor on their operations, including total number of hired farm workers, the total hours worked, and total wages paid for the weeks of Jan. 9-15 and April 10-16. Survey participants can respond online at accounts.usda.gov or by mail.

"Agricultural labor data are critical in helping producers when hiring workers and estimating expenses," said King Whetstone, director of the National Agricultural Statistics Service (NASS), Northeastern Regional Field Office. "The data that farm operators provide through NASS's Agricultural Labor Survey also allow federal policymakers to base farm labor policies on accurate information."

USDA and the U.S. Department of Labor use the results of this survey to estimate the demand for and availability of seasonal agricultural workers, establish minimum wage rates for agricultural workers, administer farm labor recruitment and placement service programs, and assist legislators in determining labor policies.

"By asking about two separate time periods each time we collect data during the year, we are able to publish biannual data and capture seasonal variation," said Whetstone. "This approach reduces the number of times we survey farms, while ensuring that accurate and timely data are available."

All previous Farm Labor publications are available on the NASS website at www.nass.usda.gov. For more information on NASS surveys and reports, call the NASS Northeastern Regional Field Office at (800) 498-1518. Participants can visit youtu.be/6oWSOJGTQzU for further instructions on completing the survey.

Producers responding online will now use NASS's new Respondent Portal. On the portal, producers can complete their surveys, see previously reported data, access data visualizations and reports of interest, link to other USDA agencies, get a local weather update, and more.

Mifflinburg Annual Carnival Discontinued

After much consideration and with a heavy heart, Mifflinburg Hose Company #1 has made the difficult decision to discontinue holding their annual carnival. Since the mid 1950s this event has served as one of the main fundraisers for the Hose Company, but due to an overwhelming set of circumstances it has been decided that the carnival is simply no longer viable. Rising costs of everything from fuel to food as well as concerns for the

many improvements that need to be made to the aging infrastructure of the VFW grounds and buildings, add to their concerns. "There are a lot of factors that go into having the carnival and so many of them revolve around things that are outside our control," said Chuck Klose, Company President. "Weather and parking present challenges every year and now, not knowing what might happen to the parking area which has been sold, we just can't be sure it will be available to us," he added.

The company is deeply grateful for the support shown by Mifflinburg families over the years, their attendance and help has been invaluable. Carnival cancellation means that there will also be no parade or fireworks display, as these were a comprehensive part of the week's activities. There have been offers of alternate venues and help from other non profits in the community and the Hose Company will continue to investigate all options for the future. The Hose Company is eager to discuss ideas from members of the community for possible alternative solutions, especially as they relate to activities for children. "There is a lot of concern over the loss of this event because it was for children and we know they will really miss it," Klose said. "We really hope folks understand why we had to do this and how hard it was for us." He added. The Hose Company serves Mifflinburg Borough and all surrounding communities, they are supported entirely by the generosity of those communities and a team of dedicated volunteers. March ASPIRES

The March ASPIRES awards have recently been presented at the Mifflinburg Intermediate School to students in the third, fourth and fifth grade. These students are selected by their homeroom teachers for displaying positive behaviors such as respect, kindness, reliability and including all others in their daily lives. The award is sponsored by the Mifflinburg Kiwanis and each student will receive a

special certificate and cash award at the final school assembly in June. In Mrs. Vega's third grade, Emma Wray is being recognized. She is the daughter of Lauren and Adam Wray and the family lives in Millmont. Emma cites both Math and Science as her favorite subjects. She takes ballet and shows animals at the West End Fair as a 4-H member. She also enjoys swimming. Emma dreams of a being a pet rescuer as she gets older.

Colbie Loss, a fourth grader in Mrs. Ritter's homeroom, is the daughter of Jed and Elizabeth Loss of Mifflinburg. Her favorite subject is Math and she takes both ballet and jazz lessons and is involved in the basketball programs. Colbie is a fan of many sports and she aspires to be a personal trainer.

Fifth grader, Kyron Erdley, is this month's awardee. Mrs. Snayberger is his homeroom teacher and his parents are Megan and Andy Erdley of Mifflinburg. His favorite subject is Social Studies and he enjoys everything about history. Kyron is involved with Clarity Prep and hopes to someday own his own business.

It is Kiwanis' goal to "improve the world one child and one community at a time". The club meets each first and third Mondays at the Carriage Corner and provides many support services to local youth and those throughout the world. Anyone interested in learning more can call 570-966-0623.

Hospital Awards DAISY Honor For Nursing Excellence

LeeAnn Almas, RN BSN, holds her DAISY Award for the clinical expertise and compassionate understanding she shared with a patient at Evangelical Community Hospital during his over four-week stay at the Hospital.

LeeAnn Almas, RN, BSN, was presented the DAISY Award on Monday, March 14, 2022. The award is presented to a deserving nurse who exemplifies clinical expertise and compassionate care and is recognized as a role model in the nursing community.

Almas was surrounded by her fellow coworkers and mentors, as well as Hospital and Nursing leadership, as she was presented with the award. She was nominated for the award by Jeannie Sommers, whose brother was a patient at Evangelical for over four weeks.

In the nomination, Sommers shared, "My brother had never been hospitalized in his life and had no prior medical history. LeeAnn and he connected, and she was so patient with him. She explained medical terms and why he was being asked to do certain things, such as sleep positions. Her patience and caring for him went above and beyond."

Sommers continued, "My brother was frustrated, scared, and angry and I watched her handle each emotion with nothing but patience and caring. LeeAnn is skilled not only in her clinical abilities, but in her caring and ability to bond with patients and understand how to handle each one as an individual."

Almas began her work at Evangelical in February 2017 as a RN in Critical Care and has continued her work on the Critical Care Unit as well as the Intermediate Care Unit. She has been a vital member of the Hospital's care team of professionals throughout the COVID-19 pandemic.

The DAISY Foundation was established in 1999 in California by the family of J. Patrick Barnes, who died at the age of 33 from complications of an auto-immune disease. During his eight-week hospital stay, his family was impressed by the care and compassion his nurses provided, not only to him but to everyone in the family. They created the DAISY Award in his memory to recognize those nurses who make a big difference in the lives of so many people.

Evangelical is proud to be a DAISY Award partner. Nurses are nominated by patients, family members of patients, as well as other healthcare professionals. Nominations are presented for consideration through a process of anonymity. The winner is then selected by a board of healthcare workers. Each DAISY Award Honoree is given a DAISY Award pin, a certificate of honor, a gift card from Service First Federal Credit Union, and a stone sculpture entitled, A Healer's Touch, handcrafted by a tribe in Zimbabwe.

Nominations for the DAISY award can be made by patients, patient family members, colleagues, and providers. If an Evangelical Community Hospital nurse has displayed extraordinary clinical expertise and compassion, visit www.DAISYNomination.org/ECH and fill out a nomination form.

Good Time 4-H Holds Monthly Meeting

By Rhys Klinger

Logan did a presentation about his likes and interests as the newest Cloverbud member.

New Good Time member Charlie introducing himself to the members of the club.

The Good Time 4-H Club held their monthly meeting on February 20th at the Limestone Township Building. The club started the meeting off with the American and 4-H pledges. Corbin Martin, the Club Song Leader, led us in a fun song and Social Chair Payson Southers provided a great game so we could learn more about each other.

We discussed the Recognition Night Drive Thru as well as the State Leadership Conference and some upcoming events. The club made plans for their upcoming camping trip and collected coats for their community service project. The club welcomed new members Logan and Charlie who also did their club presentations at the end of the meeting.

Anyone interested in joining 4-H should contact the Union County 4-H Educator, Arielle Halpern, at 570-556-4754.

The Pennsylvania State University encourages qualified persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Ms. Halpern in advance of your participation or visit.
