United Way To Host Mask Distribution In Lewisburg

The Greater Susquehanna Valley United Way will be distributing fabric masks to the public on Sunday, April 26, masks at the Silver Moon parking lot in Lewisburg. The United Way is working with the Union County EMA on traffic flow. For the Silver Moon Distribution: All traffic must enter Silvermoon Lane from Zeigler Rd and flow southbound. The mask distributions will take place from 12-2 pm and will be a drive-through style giveaways.

Masks will not be distributed before 12:00 p.m. If you arrive before 12:00 pm, you will be asked to come back. Interested in making or donating masks, please email Steph at: admin@gsvuw.org. Appropriate measures will be taken to ensure health and safety during distribution. Social distancing and staying in your vehicle during distribution will be required.

"The health and safety of our community is and should be our greatest priority. During this time, we are especially concerned for the well-being of our most vulnerable populations and those who do not have appropriate access to resources," said Joanne Troutman, President & CEO of Greater Susquehanna Valley United Way.

Hit & Run Bicycle Accident

On Tuesday morning at approximately 10 a.m., 23 year old Abigail Martin was riding her bicycle along Red Ridge Road, in Limestone Township, towing a carrier holding an 11 month old girl, when a 2006 Ford Explorer driven by 29 year old Tyler Bean-Dowell, of Mifflinburg, struck the bicycle before fleeing the scene traveling west on Red Ridge Road. The child was then Life Flighted to Geisinger Medical Center where she is listed in critical condition at this time. Martin was taken to Geisinger Medical Center by ambulance and is listed in fair condition. Bean-Dowell was arraigned before on-call District Judge Lori Hackenberg on charges of aggravated assault by vehicle and accidents involving death or personal injury. He was committed to the Union County Prison in lieu of \$100,000 straight cash bail.

rabbittransit: Rider Mask Donations

With the recommendation of Governor Wolf for all Pennsylvanians to wear a face covering, all passengers riding our services must wear a mask, bandanna or scarf to cover their mouth and nose. Since the announcement of needing to wear a mask, rabbittransit graciously received several donations of cloth masks from outside community organizations for riders in need of a face covering to help limit their exposure to the COVID-19 novel coronavirus.

If you are a rider and are in need of a mask to assist in completing your transportation, please call our Customer Service Care Center at 1-800-632-9063 or email info@rabbittransit.org.

Unemployment Assistance Available Now for Self-Employed

A new system is available to provide unemployment assistance to individuals who are self-employed, contractors, gig workers and others who do not traditionally qualify for Unemployment Compensation, according to Senator John R. Gordner (R-27).

The Pandemic Unemployment Assistance (PUA) program provides benefits ranging from \$195 to \$572 for up to 39 weeks to qualifying individuals who are unable to work due to COVID-19. Payments will be backdated to January 27 or the first week the individual was unable to work due to COVID-19.

Claims can be filed online at <https://pua.benefits.uc.pa.gov/vosnet/Default.aspx>.

Individuals collecting PUA benefits will also be eligible for the extra \$600 per week from the Federal Pandemic Unemployment Compensation program.

To file a claim, individuals will need to provide proof of employment or self-employment, as well as information to show previous income. Acceptable documentation includes copies of recent paycheck stubs, bank receipts showing deposits, tax returns and 1099 tax forms, bill notices to customers, statements from recent customers, business licenses, contracts, invoices and building leases.

The new PUA system is separate from the regular Unemployment Compensation system. Claimants for PUA should only apply through the PUA Portal.

Mifflinburg Scholarship Applications Due May 1st

The Mifflinburg Area Community Scholarship Trust, Inc. will still award scholarships to members of the Mifflinburg Class of 2020. Due to the Covid-19 pandemic, there have been changes in the submission process and to the application due date.

Applicants will no longer need to submit their application to the guidance department and have class ranking and GPA information included. The applications are now due May 1. Applications may be either emailed or submitted by U.S. mail. Emailed applications should be sent to: beckleyann07@gmail.com. Please enter scholarship application in the subject line with your attached application. Mailed applications must be post marked by May 1 and sent to Mrs. Ann C. Beckley (MACST Treasurer) at 1900 Dietrich Road, Mifflinburg, PA 17844.

Since the June 4 Senior Awards banquet will likely be cancelled, scholarship winners will be notified by mail. Letters notifying the recipients along with directions for obtaining the scholarship will be mailed in early June.

There are no changes to the collegiate application process and due date. The three-page application and with directions for both scholarships are Excel Spreadsheet templates and are available from various sources. Applications are available from the Mifflinburg Area Community Scholarship Trust site at (www.macst.org) and the Mifflinburg Area School District web site at (www.mifflinburg.org) under the Community drop-down tab. Note the application due date and process have been changed to the published directions for the senior application.

Students Of The Month

Meadow Oberdorf, Mason Adams, Rhyann Kurtz

The Mifflinburg Area Intermediate School announces a selection for Student of the Month for January 2020. Teachers select students who are respectful, hard-working and positive leaders in their classrooms. The award is sponsored by the Millmont West Union Area Lions Club.

Meadow Oberdorf is in third grade. She is the daughter of Todd and Bonnie Oberdorf. She has one brother and they live in Mifflinburg. Her favorite subject in school is Math. She enjoys playing with their pets and reading. When Meadow grows up she would like to be a Teacher.

Mason Adams is in the fourth grade. He is the son of Kyle and Courtney Adams. He has one brother and lives in Mifflinburg. Mason's favorite school subject is reading. He also enjoys playing different sports at school. When Mason grows up he would like to become a YouTuber.

Rhyann Kurtz is in the fifth grade. She is the daughter of Shane and Heather Kurtz. She has one brother and they live in Mifflinburg. Her favorite subject in school is Gym. She is involved in the school chorus and enjoys going to church and playing softball and basketball. When Ryan grows up she would like to be a Nurse.

The Millmont West Union Area Lions Clubs is always looking for new members. We meet the third Thursday of the month at 6:30 PM at the Carriage Corner Restaurant. If you're interested please call 570-922-1997.

Orange Campaign Launched To Support Essential Workers

The Spotlight: Orange Campaign is being launched to highlight the courageous work of our healthcare, first-responders, and other essential workers that are helping to keep our communities safe, health, fed, and cared-for. The campaign will showcase success stories focused on health, courage, prosperity, and unity. The Spotlight: Orange campaign encourages everyone to wear, decorate, and display orange ribbons as a symbol of bravery and courage.

The COVID-19 crisis has shown how everyday people can show extraordinary courage and unity. The "Spotlight: Orange. Small Wins. Big Heroes." campaign highlights and inspires more of the small wins around us. The Orange Ribbon ties together these core values. For all to prosper: we need everyone healthy, every community to care, each act of courage spotlighted.

Wear an Orange Ribbon in support of those affected by this crisis and those still working to keep us safe, fed and cared for. Help show support and follow along with the campaign at spotlightorange.org or follow the campaign on social media at Spotlight Orange.

Statewide Stay-at-Home Order Extended Until May 8

Governor Tom Wolf and Secretary of Health Dr. Rachel Levine announced that the statewide stay-at-home orders issued on April 1 to protect Pennsylvanians and mitigate the spread of COVID-19 will be extended until Friday, May 8 at 12:01 AM. The initial order was set to expire on April 30.

"It is clear that our early and aggressive efforts to mitigate this spread of this highly contagious and deadly virus are working. While we begin to seek ways to move forward, it's imperative that we continue to take strong precautions to protect Pennsylvanians and ensure that our health care system is not overwhelmed," Wolf said. "I am so proud of this commonwealth and the resilience of my fellow Pennsylvanians, and I urge you to continue to stay calm and stay home so that we can all stay safe."

"We are starting to see a downward trend in the number of positive cases throughout the state, which is definitely encouraging," Dr. Levine said. "We need to proceed carefully to make sure the strides we've made in combatting this virus continue to move forward. Extending our statewide order until May 8 will ensure that we don't overwhelm our health system, while helping our economy to recover."

Non-life-sustaining physical business closures remain in effect and all life-sustaining businesses and state services will continue.

Individuals are permitted to leave their residences for tasks essential to maintaining health and safety.

Wolf recommended that Pennsylvanians continue to wear masks when leaving the house for life-sustaining reasons. Dr. Levine recently signed an order directing protections for critical workers who are employed at businesses that are authorized to maintain in-person operations during the COVID-19 disaster emergency.

At this time, law enforcement will continue to focus on ensuring that residents are aware of the order and informing the public of social distancing practices rather than enforcement.

For the most up-to-date information on COVID-19, Pennsylvanians should visit: <https://www.pa.gov/guides/responding-to-covid-19/>

Question: Now that the economy is in a downturn, I need to save money anywhere that I can. Do you have any suggestions?

Answer: Having Medicare Supplement Insurance where Medicare functions as primary, gives you the opportunity to switch your coverage ALL YEAR LONG. If you have had your coverage at least 4-5 years, I can guarantee there is some substantial savings available, if you can qualify.

It is a common misconception that you must wait until the Fall. Exploring your options for identical coverage is easy and may only take a few minutes. Wait, now I sound like that car insurance company that advertises on TV. Saving as little as \$20 a month/\$240 a year can add up. If you have health problems, it is important to find an experienced broker that works with many companies (10 or more). For example, one company may take COPD, and another it is a decline. One company will allow you to take certain medications, and another it's a decline. One company may not have a height/weight requirement, and another will have a chart of acceptable weights.

You will never know if you can save, unless you give it a try.

Now that you are stuck in the house reading this paper, let us know what you would like to see in this paper!

We will see what we can do!

Letters to the Editor

Letter to the Editor,

I'd like to challenge Mr. Beck's criticism of educators, and of democrats calling for the wealthy to pay their fair share. Assume his figures are accurate: the average worker makes \$25-40k. The average educator makes \$70-130k.

Say \$25k is one apple. The average worker earns 1 or 2 apples a year. Educators earn 3-5.

Jeff Bezos has 4,692,000 apples in his pantry. He grows 2,867 each night while his warehouse workers fight for bathroom breaks. Charles Koch has 2,020,000 apples, lobbied to remove 40,000 from the CDC, and expects his workers to work through a pandemic. We don't know how many apples the President has, but we know his dad snuck him 16,520 apples the rest of us would have paid a wealth tax on.

By comparison Bernie Sanders has 80 apples in his crisper drawer, Warren has 350, and Biden has 360.

They have apples to spare, but keeping less and paying more to workers impacts them more than the billionaire class. Yet they consistently advocate for doing exactly that.

The "oligarchs" and politicians grazing their orchards see apple picking as a zero-sum activity. If you have any apples, it means they have less. If you only earn 1-5 apples a year then a layoff, an injury, or maybe a 2-3 month economic pause caused by a pandemic could mean you either starve or risk your family's health to feed them.

Leaders fighting for an economy that works for everyone advocate for policies that compel the rich to pay their share in either family-sustaining wages or in contributions to a social safety net. This isn't because they're anti-growth. It's so that when bad luck happens the factory workers, farmers, and secretaries don't have to choose between starvation and taking apples at the end of a gun.

While they feast on pies, tarts, and cider, we're fighting each other over a core they tossed aside.

Still, I look forward to hearing more about how my kid's algebra teacher is basically Mao Zedong in a future issue.

Dear Editor,

My name is Nelson Clements and I grew up in the area. I am trying to write a History of the Wapsu Achtu Lodge 343 Order of The Arrow that served Northumberland, Snyder and Union Counties from 1948 through 1974. If you were a member of the lodge especially a lodge officer or served on the Camp Karoondinha staff you might be of help. I am looking to identify the lodge officers during those years, the activities the lodge did, conferences they attended and anything else that might be of help.

I can be reached by email at ajapeu@verizon.net or by mail Nelson Clements 108 Vermont Lane Levittown, PA 19054-1029. Thanking you in advance for any help you could give.

Dear Editor;

To: PA Governor Tom Wolf

I'm writing as a PA Resident, Taxpayer, Senior Citizen and Amateur Golfer.

As a Senior Golfer, I enjoy the sport for various reasons, i.e. exercise, competition, relaxation, camaraderie, mental clarity and focus.

I am requesting that our Governor and State Representative review and revise the mandate of Golf Course Closures by . . . allowing golf courses to open, thereby enforcing the rule/mandate "walking only" and eliminate riding carts for the time being. Most golfers when walking easily keep a fair distance apart from one another and thus keeping social distancing in place, just as currently allowed in parks, walking trails and with the opening of fishing season. Thank you for your consideration in this matter.

Sleepy Joe

Most people have heard of the expression "This Dog Don't Hunt". Democrats have come to the conclusion that their dog in the 2020 race is no hunting dog but a lap dog. This gray haired dog has aged showing signs of senility, exhibiting a loss of cognitive abilities and the inability to comprehend and articulate answers to questions that are relative to the American people. Guess that's why he got the name "Sleepy Joe." Best of luck to all you Liberal Democrats . . . you're gonna need it!

Lewisburg Area School District School Closure Update

Because each school or level is unique in their grade reporting – elementary v secondary, within secondary there is middle v high considerations of credit toward graduation, class rank, etc. – we considered each school separately remembering that the last day of school attendance was Friday, March 13:

High School – there was one week left in the third quarter. Because the third quarter normally ends right after the school musical and during winter sports play-offs, there traditionally has not been a “hard close” to this quarter. Instead, there was time given for students to complete work, complete test corrections, etc., in order to earn the best possible third quarter grade. Because of the loss of the last week of the 3rd quarter and the equity obstacles present with regard to providing additional time to improve numerical grades, a grade of pass/fail grades will be assigned for the third quarter with only those students who were failing be afforded the opportunity to complete work to achieve a passing grade. These students will be individually contacted by high school staff and an individual plan will be developed with them to earn the passing grade based on their ability to complete on-line or hard copy work.

For the 4th quarter, all students will receive pass/fail grades based on “their reasonable effort” to complete the planned learning activities provided to them. This standard of “reasonable effort” has been discussed with the District solicitor, along with the High School’s plan to monitor student participation in the planned learning activities and make regular and consistent contact with students who are not participating. Before any student receives a failing designation for fourth quarter, the teacher must consult with Ms. Reber to determine whether or not there were individual circumstances, such as lack of internet connectivity, work schedules to provide income for the family, etc., that prevented the student from making a “reasonable effort”. If it is determined that such circumstances exist, the student will receive a passing designation.

Because third and fourth quarter grades will be designated as pass/fail, class rank and National Honor Society determinations will be based on first se-

mester grades only. Students currently enrolled in a semester class that began second semester will be afforded the opportunity to select that course again even though they may have received credit for it via earning passing designations for third and fourth quarters.

Middle School – The third quarter at the middle school ended on March 13th, so they were able to complete their quarter and print report cards. As for the fourth quarter, there will be no grades assigned, pass/fail or otherwise assigned. You might think this is inconsistent with what is happening at the high school and it is different, but, high school students accumulate credits in both required and elective courses toward graduation as defined by Board policy. That is not the case for students in grades K-8.

Grades K-5 – Kelly and Linntown had a week left in the third quarter when school was closed. And, like the middle school, elementary school students do not accumulate credit for graduation (promotion). Therefore, third quarter elementary grade reporting will be based on the work done up to March 13. Those report cards will be sent home once teachers are able to return to the building as they need access to materials and technology in their classrooms to finalize the report cards.

With respect to schools not reopening this year, I think the sentiment that I’ve heard most is disappointment for those students looking forward to spring and end of year activities, especially our seniors. What about prom, graduation, etc.? We’ve seen how quickly things have changed over the last few weeks and so I think it would be premature to make decisions and announcements regarding events such as these. Instead, I would like to remain optimistic and share that the District is committed to organizing these events when it is safe to do so.

Selinsgrove Speedway Cancels April 26, May 2 Races

The Ray Tilley Classic for the Modern Heritage 410 sprint cars as part of the Slivinski Law Offices Super 7 Series at Selinsgrove Speedway slated for this Sunday, April 26, has been cancelled due to continued restrictions stemming from the COVID-19 pandemic.

The same restrictions have also forced cancellation of the ASCS Battle of the Groves event at Selinsgrove Speedway that was slated for May 2.

The April 26 Tilley Classic was slated to be the first 410 sprint show of the year at the track after the March 29 race also fell victim to health regulations.

Selinsgrove Speedway hopes to reschedule the Tilley Classic as part of one of its five remaining 410 sprints shows on the 2020 schedule.

The Modern Heritage 410 sprints return to Selinsgrove Speedway for the Pennsylvania Speedweek Jan Opperman/Dick Bogar Memorial on June 28 as part of the Slivinski Law Offices Super 7 Series.

Additional super sprint shows include a Summer Championship on July 25, the Summer Send-off on August 29, the National Open Qualifier on September 6 and the Jim Nace Memorial 38th annual National Open on September 26.

May was slated to open at Selinsgrove Speedway with the Lucas Oil American Sprint Car Series battling the URC Sprints in the 2020 Battle of the Groves presented by Eleven Oaks Farm on May 2.

Selinsgrove and ASCS officials are currently evaluating the possibility of a make-up date coming up later this season.

Focus now shifts to May 9 at Selinsgrove Speedway and a potential season opener when the track will feature A & A Auto Stores Family Night offering reduced adult general admission and FREE general admission for students ages 12 – 17.

Family Night will feature exciting racing action for the Apache Tree Service IMCA/PASS 305 sprints in what will be the 305s season debut at the track with an additional six shows slated during the season.

Also racing on May 9 will be limited late models, the A & A Auto Stores road-runners and the Mid-Atlantic Modifieds.

It continues to be the mission of Selinsgrove Speedway to begin its 2020 racing season as soon as possible while also adhering to the most recent guidance and directives available regarding the current COVID – 19 health crisis.

For a complete 2020 schedule, the latest news, results, and race status, visit the speedway’s official website at www.selinsgrovespeedway.com or follow the track on Twitter and Facebook.
