## Two Vehicle Accident Claims Life

On Saturday, June 30, 2012, at 3:30 p.m. A 2000 Mercury Cougar driven by Amanda Lee Waltman, 22, of Mifflinburg, was traveling northbound on New Berlin Mountain Road near its intersection with Violet Road, in Buffalo Township, Union County. A 1993 BMW 5 series station wagon driven by Alexander Tatarin, 43, was

traveling southbound on New Berlin Mountain Road, also approaching the intersection with Violet Road.

Waltman's vehicle negotiated a right hand turn after which its passenger side tires came into contact with the eastern fog line. The vehicle then exited the roadway abruptly towards the left (west) at which

point the vehicle began to rotate counterclockwise, crossing over the center double yellow line and entering the southbound lane into the path of Tatarin. Both vehicles exited the western side of the roadway. As Tatarin's vehicle exited the roadway its front bumper, hood and front quarter panels impacted Waltman's front quarter panel, passenger door and rear quarter panel. After initial impact, Tatarin's vehicle rotated approximately 90 degrees clockwise, coming to final rest facing west. Waltman's vehicle continued down an embankment and came to final rest approximately 60 feet west of the initial impact facing north. Both vehicles were severely damaged. Waltman was pronounced dead at 5:05 p.m. The incident remains under investigation. Assisting on the scene were the New Berlin Fire Company and Fire Police.

## Early Childhood Education

How do you know if your early learning program is best for your child? Quality early learning is so important to your child's development and lifelong learning. About 90% of our brains develop before we reach kindergarten. What children experience before age five can affect the way their brains develop!

An early learning program (Such as child care and Head Start) is more than just a place for your child to stay while you are at work; it is a place where your child begins learning the skills he/she will need to succeed in school and in life.

Quality early learning programs can make a big difference in your child's learning for life. Keystone STARS can help you make the best early learning choices for your family. Programs that participate in Keystone STARS care about providing quality early learning to your child. As programs move up the STARS ladder, they are providing even higher quality experience, so your child benefits even more from the program. Early learning programs can earn from a STAR 1 to a STAR 4 level. At each level, programs have to meet certain quality standards. The higher the STAR level, the higher the quality standards.

STAR levels are based on quality standards in four key areas:

1. Staff education: early childhood teachers have the training and knowledge for working with young children.

2. Learning environment: the program has a variety of materials and activities for each age level

that makes it possible for children to learn something new every day!

3. Leadership and management: a quality program has to have sound business practices to ensure your child's safety and early learning.

4. Family and community partnership: parents and community members are encouraged to be-

come part of the child's learning progress.

When looking for an early learning program for your child, ask if they participate in Keystone STARS. For more information, visit [www.papromiseforchildren.com](http://www.papromiseforchildren.com) or call 1-877-4-PA-Kids (1-877-472-5437).

## Herr Memorial Library collecting pajamas for those in need

Each year, the Herr Memorial Library, in conjunction with its summer reading program, creates a community service project to help those in need. This year, in keeping with the nocturnal theme of "Dream Big—READ!" the library will be holding a pajama drive.

"Just Jammies" will help local children and families in need receive new pajamas and gently used books to encourage bedtime reading and a comfortable night's sleep.

"The clothing a child spends 8-10 hours sleeping in is important to a child's well-being," explains Sheldon H. Cherry, M.D., Clinical Professor of Obstetrics and Gynecology at Mt. Sinai School of Medicine, NYC. "New pajamas are a necessary part of promoting good health and preventing infections and disease, as well as providing psychological benefits."

The library will be collecting new, unused pajamas in all sizes and gently used books through August 10. Donations can be dropped off at the library at 500 Market Street, Mifflinburg. All donations will be given to local families in need.

For more information, call the library at 570-966-0831.

# Synod Holds 25th Assembly

The 25th Annual Assembly of the Upper Susquehanna Synod of the Evangelical Lutheran Church in America (ELCA) was held at Susquehanna University in Selinsgrove, PA, on June 15 and 16, 2012. The theme this year was "Living Lutheran." Bishop Robert L. Driesen led the proceedings, which included reports of various synod organizations and committees. Driesen also presented his annual report, tacking to the podium 95 theses, which outlined his 95 reasons for living Lutheran (or reasons for living daringly and confident in God's grace.) The assembly heard greetings from Dr. Phil Winger, Vice President for Student Life & Dean of Students at Susquehanna University.

Approximately 294 lay persons and clergy who are members of congregations of the synod attended plenary sessions, workshops, and worship during the two-day event. The ELCA Churchwide Representative was the Rev. Donald J. McCoid, Executive Assistant to the ELCA Presiding Bishop, Ecumenical and Inter-religious Relations. McCoid shared greetings from the churchwide office and showed a video featuring mission work in the church, as well as greetings from Presiding Bishop Mark Hanson.

McCoid also recounted that he smiled and said, "Yes," when he received the invitation to come to the Upper Susquehanna Synod. "You are a very steady, faithful committed synod. You certainly are a warm and loving synod," McCoid said.

In assembly business, approval was given to several constitutional changes, including a new provision about the office of treasurer in the synod. The delegation also passed two resolutions and one memorial to the Churchwide Organization regarding horizontal slickwater hydraulic fracturing. The first resolution called for the synod to establish a task force to undertake a comprehensive assessment of the justice issues surrounding the natural gas industry. The second resolution takes a public stance on the issue. It calls for a statewide moratorium on the issuing of future permits for hydraulic fracturing until long-range, comprehensive studies about the cumulative effects of air and water pollution, water resource depletion, public health endangerment, and other possible impacts from the drilling and fracturing processes have been completed. The third document, or a memorial, asks the ELCA to establish its own task force to study the issue of hydraulic fracturing in order to guide the Churchwide Organization's public stance on

the issue.

The assembly adopted a 2013 Budget of just over \$1.1 million. The assembly also adopted the 2013 Salary and Housing Guidelines for ordained ministers and Associates in Ministry.

Two in-gathering offerings were received for Lutheran Disaster Response (LDR) and the Mrs. Kpanah B. Harris Memorial Fund. The collection for LDR was in gratitude for their response to the synod following the September 2011 flooding. The assembly gave \$1,416.75 to that cause. The Harris Memorial Fund is in memory of the wife of Bishop Sumoward Harris of the Lutheran Church in Liberia, one of the Upper Susquehanna Synod's companion synods. The assembly gave \$1,504.25 to this cause, which will work to establish a heart clinic in Liberia.

Two missionaries from Liberia also reported to the assembly. The Rev. Brian and Christine Palmer spoke of their work on behalf of the Church. In addition, the Rev. Annette Kuhn from the Ansbach-Würzburg Kirchenkreis in Germany spoke to the assembly as well. Kuhn serves in the synod's other companion synod as a dean.

Elected to Synod Council for three-year terms were the following: The Rev. Vickie Brown, First, Mifflinburg; The Rev. Erin Bovendam, Trinity, McAlisterville; Ricki Stringfellow, St. Matthew, Shamokin Dam; Holly Fry, Washingtonville, Washingtonville; Kenneth Stitley, Grace, Sunbury; George Jansson, Church of the Savior, Williamsport; and Jennifer Jackson, Messiah, South Williamsport (Youth Member). The assembly elected the Rev. Sarah Hershberger (Trinity, Milton) to the Committee on Discipline. Elected to a four-year term on the Board of Directors of the Lutheran Theological Seminary at Gettysburg was the Rev. Carla Volland, Evangelical, Reedsville. The following were elected as Voting Members to the ELCA Churchwide Assembly in 2013: Crystal Bollinger, The Rev. Gary Roth, Jeffrey Mitchell, The Rev. Joshua Reinsburrow, Leslie Fegley, The Rev. Theodore Cockey, and Arthur Erickson. Alternates elected included Mindelle Bartholomew, The Rev. William Esborn, Charles Benner, The Rev. Gretchen Johanson, Christy Zeigler, and The Rev. Cinda Brucker.

On Friday afternoon, Bishop Driesen installed the Camp Mount Luther 2012 Summer Ministry Team for their work on behalf of the synod. The camp staff also performed a skit highlighting what's new at camp and sang a song based on their summer theme of "Crosswalk." Shortly after,

the Transformational Ministry Team of the synod gave a presentation, doing a parody of the song, "Heard It Through the Grapevine." This introduced small group sessions, which gave participants time to talk to others in the synod about ministry and mission. Immediately following this time, those from the synod who are participating in the ELCA Youth Gathering in New Orleans this July were blessed and treated to an ice cream social. Friday evening at the Synod Assembly was a special time of celebration, relaxation, and fun. The evening included entertainment by The Mazeppa Messengers a puppet troupe.

During a service of Holy Eucharist on Saturday morning Gary Shumway was ordained. Shumway has been called to St. James, Garman, and Grace Lutheran Churches in the Jersey Shore area. The Rev. Robert C. Linke was also remembered posthumously during the service. Also during the assembly, the Rev. Kerry Aucker was installed as West Branch Conference Dean.

Saturday, Authorized Lay Leader Lowel Leitzel was blessed and sent into ministry. Leitzel was trained through the synod's Lay Ministry Institute (LMI). The Rev. Wayne Muthler and the Rev. Melody Sell gave a report on LMI, which included the testimonials of two of its graduates.

The Rev. Marsh Luther Drege of Seafarer's and International House in New York City attended the assembly to give an update on their work and thank the USS for collecting nearly 500 Christmas satchels for seafarers last year. He had the gathering sing a Christmas carol as he reminded them how important this program is to those who work at sea over the holidays.

Several others spoke to the assembly about new building projects. The Rev. John Richter, of Diakon Lutheran Social Ministries, addressed the assembly and told of the expansion plans at Buffalo Valley Lutheran Village in Lewisburg. The Rev. Dr. Michael L. Cooper-White, of the Lutheran Theological Seminary at Gettysburg, told of the new Seminary Ridge Museum, which is being built on this campus.

The Upper Susquehanna Synod, headquartered in Lewisburg, PA, is one of 65 synods of the Evangelical Lutheran Church in America. The synod is made up of 131 congregations in Clinton, Columbia, Juniata, Lycoming, Mifflin, Montour, Northumberland, Snyder, Tioga and Union Counties. For more information on the synod and its congregations, visit [www.uss-elca.org](http://www.uss-elca.org).

## Over 100 High School Girls Attend Young Women's Futures Symposium

Junior Achievement of Central Pennsylvania's 11th Annual Young Women's Futures Symposium was held May 15th at Bucknell University. Over 100 tenth and eleventh grade young women attended the event representing Northumberland, Snyder, Juniata, Mifflin and Union Counties.

Students represented the following schools: Danville High School, East Juniata High School, Juniata High School, Lewisburg Area High School, Line Mountain High School, Meadowbrook Christian School, Mid-West High School, Mifflinburg Area High School, Mount Carmel Area High School, Our Lady of Lourdes Regional School, Selinsgrove Area High School, Shamokin Area High School, Shikellamy High School, Sunbury Christian Academy, Warrior Run High School and Williams Valley High School.

The young women who attended the event on the scholarships are extremely grateful to have such an opportunity.

"Today was a very good day for me. My favorite thing was to learn about all these different things that I never knew. Thank you so much for having this wonderful program. I had a great time, and can't wait to come back, maybe when I am an adult."  
 - Mount Carmel Student

Lon Balum, Guidance Counselor at Line Mountain High School agrees, "We live in a sheltered environment, and our students are encouraged to take advantage of any opportunity. This opportunity is one of the best from many perspectives (well organized, convenient, local presenters, can relate, etc.). Students come back better and can help with the overall social/leadership climate. It is a "win-win" situation."

Those who sponsored the event include: First National Bank of Pennsylvania, M-C Federal Credit Union, Northumberland National Bank and Pennsylvania Credit Union Association.

Junior Achievement of Central Pennsylvania, located in Lancaster, PA, is a community based, non-profit 501(c)3 organization, providing in-school and after-school programs for students in grades K-12 across a nine county area (Lancaster, Lebanon, Dauphin, Schuylkill, Union, Northumberland, Juniata, Mifflin, and Snyder counties). Junior Achievement empowers young people to own their economic success. Our volunteer-delivered, K-12 programs foster work-readiness, entrepreneurship and financial literacy skills, and use experiential learning to inspire kids to dream big and reach their potential. All programs are funded by individuals, foundations, and the business community.

## Keselowski Cruises At Kentucky

By Gerald Hodges/the Racing Reporter

SPARTA, Ken.— Brad Keselowski had just enough fuel, and raced to a series-leading third victory of the year, in a back up car. He grabbed the lead with 55 laps remaining and finished nearly five seconds ahead of Kasey Kahne.

He was driving his backup car after slamming the right side of his top car into the wall after a collision with Juan Pablo Montoya during practice earlier on Friday.

"It wasn't the newest car we got, but it runs," Keselowski said.

"I tell you what, they put together a back-up car from last year in 100-degree heat in an hour's time -- not even an hour. It was like 40 minutes. I wish I had a stopwatch for that. Got it on the racetrack and got to run our laps for practice to make the adjustments we needed to be fast today. And that's what bada--es do, and that's what got us to victory lane today, and I'm proud of these guys for it. I'm proud of them. Da-n proud of them. I think that sums it up."

Kasey Kahne moved into the second spot with 20 laps remaining in the 267-lap race, but was never a threat to Keselowski.

"I just hoped he'd run out of gas," Kahne said, grinning. "No way I was catching him. We had stopped (for a fill-up) and I was hoping he'd shut down."

Denny Hamlin appeared to have the fastest car, but in order to finish, he had to conserve fuel.

"We had a good run, but lost the lead with 70 to go," he said. "It seemed we had to go into fuel save mode and our car started going back towards the end. But we knew we had to save fuel the entire last run. There was nothing I could do. As much as I wanted to keep the 2 (Keselowski) honest and run him hard, I had to run a certain pace, and that's all I was allowed to do if we were going to make it to the end.

"You try to spend all day working on your car, and you can't run it to its full potential. So that part of it is a little frustrating."

Dale Earnhardt Jr., Jeff Gordon, Jimmie Johnson, Matt Kenseth, Martin Truex, AJ Allmendinger, and Kyle Busch rounded out the top-10

Top-12 Chase contenders: with 9 to go: 1. Kenseth-633, 2. Earnhardt-622, 3. Johnson-610, 4. Biffle-608, 5. Hamlin-565, 6. Harvick-565, 7. Bowyer-557, 8. Truex-556, 9. Stewart-545, 10. Keselowski-537, 11. Edwards-503, 12. Kyle Busch-495.

## DILLON WINS, TAKES LEAD

Richard Childress' grandson, Austin Dillon put a whooping on the other 42 drivers, as he led 192 of the 200 laps in the Kentucky Nationwide race, and won by 9.828-seconds over Kurt Busch.

It was Dillon's first Nationwide win in his 22nd start.

The car he drove was a black No. 3, reminiscent of the car Dale Earnhardt Sr. drove for Childress until his death in the 2001 Daytona 500.

"Austin Dillon was in his own zip code," said Busch. "Congratulations to him, Richard, and all the other guys on their team. It's neat to see that kid develop. I thought we could battle with him."

"I thought he would be quicker than us for about 20 laps, and we could reel him in. It didn't work that way. He had his car dialed in. There was nothing we could do."

Kevin Harvick, Michael Annett, Justin Allgaier, Sam Hornish, Brad Keselowski, Ricky Stenhouse, Elliott Sadler, and James Buescher rounded out the top-10.

Top-10 points leaders after 15 of 33: 1. A. Dillon-554, 2. Sadler-552, 3. Stenhouse-531, 4. Hornish-521, 5. Allgaier-481, 6. Whitt-472, 7. Annett-455, 8. Bliss-391, 9. Patrick-369, 10. Scott-353.

## PETERS IS NEW TRUCK LEADER

Top-10 truck points leaders after 8 of 22: 1. Peters-306, 2. Lofton-302, 3. T. Dillon-302, 4. Buescher-297, 5. Kligerman-272, 6. Crafton-264, 7. Coulter-256, 8. Hornaday-253, 9. Piquet-249, 10. Paludo-231.

## KENSETH DOES HAVE A RIDE

Matt Kenseth will not be behind the wheel of a Roush Fenway Ford in 2013, but that doesn't mean he'll be sitting on the sidelines. Kenseth announced that he has a Sprint Cup ride in place for 2013 and beyond.

Kenseth said the decision to leave was made in a meeting last week with team owner Jack Roush. "There's a lot of stuff through the season that's probably led us to this point," Kenseth said. "There isn't really a smoking gun, there really isn't an inside story about a firing or an argument or really any of that. At the end of the day, I had an opportunity to go try something else. The timing all worked out. I think everything happens for a reason. Things just kind of lined up to maybe try something else in 2013 and beyond that I'm kind of excited about."

Kenseth's name has been linked to Joe Gibbs Racing, a Toyota team, and Penske Racing, which is moving from Dodge to Ford in 2013.

JGR team president J.D. Gibbs declined to discuss any possible negotiations with Kenseth. JGR not only has room for expansion to a fourth car, but Joey Logano's status as driver of the No. 20 is currently unresolved. Logano is in the final year of his contract.

Bud Denker, a Penske spokesman said the team is not talking to Kenseth and is content with AJ Allmendinger in the No. 22. "Our expectations are that AJ will be in the car and Todd (Gordon) will be the crew chief next year," Denker said. "So we are not talking to Matt, that's confirmed."

Meanwhile IndyCar owner, Michael Andretti told Sports Illustrated.com that he is hoping to start a NASCAR team.

"We were looking at NASCAR real close last year, too, but it fell apart," Andretti said. "We were looking at it just as hard last year as this year and the year before."

If Andretti is able to find the right sponsorship, he could team up with Dodge and base his team out of the old Evernham Motorsports shop in Statesville, N.C.

A Dodge source told SI.com that Andretti could probably team up with the engine manufacturer for \$5 million to \$6 million.

"I'm always looking at all options," Andretti said. "I'd be stupid not to listen to Dodge or any other manufacturers. It doesn't matter that we are a Chevy IndyCar team."
