Red Cross Responds to Local Fire

American Red Cross volunteers are assisting two adults and two children, who were displaced by a fire, the afternoon of March 21, 2012, in their apartment on the 200 block of Woodland Estates, in Mifflinburg. The Red Cross assisted the individuals with food and will follow-up to determine any additional disaster needs.

Help people affected by disasters by donating to the American Red Cross. A financial gift supports the lifesaving mission of the American Red Cross in the community, across the country and around the world. Call 1-800-RED CROSS (1-800-733-2767 or 1-800-257-7575 (Spanish). Contributions may be sent to the American Red Cross, P.O. Box 4624, Lancaster, PA 17604. Internet users can make a secure online contribution by visiting redcross.org or www.redcross-scpa.org.

The American Red Cross is a humanitarian organization led by volunteers that provides relief to victims of disasters and helps people prevent, prepare for and respond to emergencies. All American Red Cross disaster assistance is free, made possible by voluntary

donations of time and money from caring individuals and, in part, by contributions given through the United Way. American Red Cross serving South Central Pennsylvania · PO Box 4624 · Lancaster PA 17604. A United Way Organization

Support of the American Red Cross, and our disaster relief program, will enable us to prepare for and provide shelter, food, emotional support and other assistance in response to disasters, like this one here in South Central Pennsylvania, across the country and around the world.

Every year the Red Cross spends an average of \$450 million on our Disaster Services program. That includes not only the cost of the direct services to our clients – feeding, sheltering and emotional support – for the nearly 70,000 disasters we respond to every year. It also includes the costs to maintain those things that help us provide assistance to people in need.

The local Red Cross does not fund raise for specific victims of a disaster, but rather fund raises to aid those affected by future disasters.

Linn Conservancy Hosts Free Environmental Film Event

On Sunday, April 1st the Linn Conservancy and the

Bucknell University Environmental Center are hosting—a FREE double feature film event at the Campus Theatre. The doors will open at 12:30. The first feature, the original version of *The Lorax*, begins at 1 p.m. Our second feature is the new, critically acclaimed *Mother Nature's Child*, which investigates the fascinating ways that unstructured time in nature influences children's health, cognitive development, creativity, emotional and spiritual awareness. The films are appropriate for both children and adults.

4th Annual Garden Tea Party

On Saturday, March 17th, Country Farm & Home hosted an extremely successful 4th Annual Garden Tea Party. It was a beautiful day to socialize with family and friends and to eat delectable treats in the gardens. Red Hat Society ladies even came from Centre County to attend. Then, a gardening demonstration towards the end of the tea put the event over the top.

The Garden Tea Party is an annual event which benefits

Kelsey's Dream, an organization with a goal of making life a little brighter for children with cancer and children in need. This particular event of theirs continues to expand, as can be seen by the increase in attendees – over double the amount of last year! Kelsey's Dream is very excited and thankful for the growth of the event because it reflects the large amount of support they receive from the community.

STATE POLICE, MILTON

Retail Theft 6 p.m. March 14, Wal-Mart, 120 AJK Blvd., Kelly Township. Charges for retail theft were filed against Andrea Lee Demsey, 45, of Northumberland. After being arrested on March 15, by Loss Prevention Unit of Wal-Mart identified Demsey on a video of a previous retail theft.

Crash 4:15 a.m. March 25, I-80, approximately two miles west of Exit 199, West Buffalo Township. A 2001 Nissan Sentra driven by Venkatesh Gutta, 24, of Nashville, TN, was traveling in the right lane, west on I-80. Gutta fell asleep and lost control of her vehicle. After losing control, the vehicle left the roadway via the south berm and the drivers side struck a guide rail. The vehicle then crossed both lanes of travel and left the roadway via the north berm. The front of the vehicle then struck an embankment coming to final rest facing north. Gutta was not injured.

Retail Theft Approximately 3 p.m. March 21, Wal-Mart, Kelly Township. Beth Heffner, 30 and Jonathon Benfer, 26, both of Mifflinburg, working together, concealed \$61.36 worth of various fishing gear and removed it from the store. Both were confronted by asset protection personnel in the parking lot and subsequently taken into custody. Charges of summary retail theft were filed against both Heffner and Benfer with District Court 17-3-01.

Controlled Substance Device Cosmetic Act 4 p.m. March 21, Alenwood Motel, 16786 US RT 15, Apt. 8, Gregg Township. PSP Milton responded to a disturbance. Upon their arrival, drugs and drug paraphernalia were seen lying around the room. A search was conducted of the premises and of the individuals involved and yielded more evidence of drug law violations. Wanda Velazquez, 45, of Alenwood and Ashley Hetrick, 27, of Munson, PA, were arrested and arraigned on charges of possession of a controlled substance, drug paraphernalia and possession with intent to distribute. A preliminary hearing will be held in District Court 17-3-01.

Harassment 9:20 p.m. March 21, 202 Broad Street, West Milton, Kelly Township. Heather Renee Stahl, 23 and James Allen Moyer, 24, both of West Milton, entered into an argument. It is alleged that at some point in the argument, Moyer pushed Stahl and Stahl flicked a lit cigarette at Moyer. Neither Stahl nor Moyer wished to prosecute. Both parties were separated for the evening with no further incidents reported.

Harassment 4:30 p.m. March 22, 298 JD Acres, West Buffalo Township. A 16 year old, known by the victim, harassed Larry Lepley, 64, of Mifflinburg, in his residence. Lepley sustained minor injuries including a small cut to his arm and marks on his side. A non-traffic citation was filed on the accused in District Court 17-3-02.

Scattering Rubbish Between 11 p.m. March 21 and 11 a.m. March 22, 1015 Canada Drive, Lewis Township. Unknown actor(s) threw nails in the front yard and driveway of Fredrick Lepley, 54, of Millmont. Anyone with information is asked to contact police at 524-2662.

Cruelty to Animals Between 8 a.m. and 10:30 a.m. March 25, Creek Road area, just north of Mifflinburg Borough Line, West Buffalo Township. A red male tabby cat, belonging to William Roth, 59, of Mifflinburg, was likely shot by a .22 caliber round or other small caliber round. Anyone with information is asked to contact police at 524-2662.

Burglary Between 3 p.m. November 28, 2011 and 3:28 p.m. March 20, 86 Zimmerman Lane, Hartley Township. Unknown actor(s) forcibly entered the home of Tanya L Ann Dietrick, 57, of Mifflinburg through the front door causing approximately \$250 in damage. Once inside the actor(s) stole three bottles of liquor valued at approximately \$20. Charles Wesley Bingaman, 76, of Watsontown had a window broken valued at approximately \$25 at his camp where the actor(s) attempted to make entry. Anyone with information is asked to contact police at 524-2662.

Simple Assault, Harassment Approximately 3 p.m. March 26, 131 B.R. Lane, Hartley Township. Joseph Keister, 46, of Millmont, assaulted the known victim at their residence. He grabbed the victim around the neck and threw her to the ground. Keister was arraigned before District Judge Lori Hackenberg in District Court 17-3-04. Bail was set at \$10,000 with ten percent needing to be posted. Keister was held at the Union County Jail.

Harassment 12:20 a.m. March 27, Spruce Run Road, White Deer Township. A known actor harassed a known victim.

Burglary Between 6:15 a.m. March 26 and 10:55 p.m. March 27, 1640 Grand Valley Road, West Buffalo Township. Unknown actor(s) forced open a side door and entered the residence of Frank and Susan Roadarmel, of Mifflinburg. The actor(s) then stole a safe containing a large amount of cash and jewelry. The actor(s) then fled the scene in an unknown direction. Anyone with information is asked to contact police at 524-2662.

Union County Historical Society Spring Dinner

The Union County Historical Society will host the annual Spring Dinner/Program on Thursday, April 12, 2012 at 6 PM at the Union County Sportsmen's Club in Weikert, PA.

Tom Deans will present the program "Memories of the Union County Sesqui-Centennial." Tom will share his recollections of the Union County Sesqui-Centennial in 1963, when he served as chair of the events and program committees as well as editor of the Sesqui-Centennial booklet, A Story of the County. Tom served under his father John Deans, the chairman of the Sesqui-Centennial Observance.

Tom will focus on his efforts to make the observance a county-wide event, relate interesting anecdotes, and discuss how events and activities, including the historical pageant, helped to bring people together on that memorable occasion, the county's 150th anniversary. More than a hundred young people had roles in the historical pageant, young and old grew beards (Brothers of the Brush) and women donned colonial garb for the occasion. It was a great time! We will learn from Tom how to plan an exciting celebration for Union County's Bicentennial in 2013!!

Attendees at the dinner are invited to bring mementos of the Sesqui-Centennial to share with others.

Tom will bring copies of A Story of the County. Other specially selected books for sale will include the pictorial histories Lewisburg and Union County River Towns, Heritage 2012, African Americans in Union County: Slave and Free, and Charles M. Snyder's important work, Union County: A Celebration of History.

The program will follow a delicious buffet dinner of Roast Beef, Fish, Baked Chicken, Vegetables and Salad, Dessert and Beverages. Social time begins at 6 PM, with cash bar. Dinner will be served at 6:30 and the program will begin at 7:30.

The price for dinner is \$16 per person. Prepaid reservations are required, and are due by April 15. Please send check to the Union County Historical Society, 103 S. 2nd Street, Lewisburg, PA 17837.

For more information contact the Society at 570-524-8666 or historici@ptd.net

Young Farmers Education Meeting To Be Held

The Mifflinburg Chapter of Young Farmers will hold an educational meeting on Thursday, April 11, at 7 p.m. at the Carriage Corner Restaurant, Mifflinburg. The program, led by staff from the Union County Conservation District will focus on the new manure management plans required for almost all farmers in Pennsylvania. There will be a meal, brief business meeting and program, cost is \$10.50 and the event is open to the general public. Anyone interested in attending this meeting should call Barry Spangler at 570-966-0406, meeting coordinator, by Monday, April 9, 2012, to reserve a space.

Every farm in Pennsylvania that produces manure or applies manure to the land, regardless of size, is required to have and follow a written manure management plan (MMP). This includes manure spreading on fields from equipment and grazing animals on pastures and in animal concentrated areas, such as barnyards or bare spots in pastures.

Farmers must also complete and maintain records to demonstrate compliance with the MMP. PA Department of Environmental Protection (DEP) has developed a MMP workbook for farmers to use. Once completed, the MMP must be implemented. DEP or other regulatory staff may request to see a MMP when they visit a farm. Failure to follow the MMP is a violation of state, and in some cases, federal law.

A farmer can write their own MMP and can seek assistance from certified nutrient management specialists, certified manure brokers and haulers, and county conservation districts to do so. Farms defined as concentrated animal feeding operations (CAFOs) and concentrated animal operations (CAOs) are still required to develop a written nutrient management plan (NMP). NMPs for these animal operations are required to follow a more detailed process and must be developed by a certified nutrient management specialist.

The mission of the Young Farmers Association is to educate and promote the environmentally appropriate production, marketing, and processing of food, feed and fiber. Specifically, the program is designed to assist those in production, agriculture, and agribusiness to become successfully established or to improve their current agricultural status. Also, an educational focus is to improve understanding and communication between the consumer public and the agricultural community regarding common concerns and issues. The motto of the association is "a young farmer is any farmer willing to learn." Meetings are typically held on the second Thursday of the month and include dinner and a program. For information about joining Young Farmers or attending meetings, please contact the coordinator, Steve Kline at 658-6592.

Cupcake Decorating Party a Sweet Success

Upper Left: Caroline Benfer shows up her cupcake puppy. Upper Right: Sylvia Rishel shows off her spring-inspired cupcake. Bottom Left: Viviana Camacho decorates some cupcakes during the Cupcake Decorating Party at the West End Library in Laurelton.

The West End Library in Laurelton recently hosted a cake decorating party for students in grades 3-8 and it was a sweet success!

Thirteen children took part in this festive and tasty event which included decorating (and eating) cupcakes and molding chocolates and lollipops for Valentine's Day. All together, 59 creative cupcakes were decorated with everything from sprinkles to Skittles and everything in between.

"We had one cupcake decorated to look like a lattice-topped cherry pie," noted children's programming director Lori Jo Showalter. "Red skittles were used as cherries and peanut butter frosting was used to create the lattice 'pie crust.' Overall it was a huge success and we had a blast."

For more information about the library or its upcoming programs, call 570-922-4773 or stop by at 45 Ball Park Road, Laurelton.

Lewisburg Sunset Rotary Club News

In the photo attached, Vickie Zimmerman, Sunset Club Rotarian, presents Eva Shepard with a copy of "Whose Shoes" following her program. Providing children's books to the speakers this year is part of the club's literacy project, helping promote reading to young children by providing books to speakers and asking them to "pay it forward" by gifting the book to someone who would benefit from a book.

The Lewisburg Sunset Rotary Club was recently treated to a program by 9 year old Eva Shepard. Eva did a terrific job telling the club about the project she has taken on to raise funds for the Appalachian Horse Help & Rescue or AHHR. This is a large animal rescue where animals are rescued from floods, fires & other disasters as well as from abuse and neglect. Eva learned of the work of AHHR and was deeply moved, and at the ripe old age of eight, and decided she wanted to help! She learned how to paint and had the idea first of painting pictures to sell for funds - but quickly learned that neither she or her family could part with some of the paintings! Working with Mrs. Emig, she learned to paint and do screen prints to make into note cards. She displayed several of the card sets for us including a new print of "Southern Sweet Tea and Chance" her own 10 and 13 year old quarterhorse rescues. Every cent that Eva makes from the sale of the cards go to the AHHR. Cards are \$5 per pack. Her art work and cards will be at Cherry Alley. She uses a display (seen here) along with paintings to promote the work of AHHR. You can learn more about this large animal, Appalachian Horse Help Rescue at www.horsehelp911.com. You can also email 4horsehelp911@gmail.com to learn more. This is truly "People helping Horses". The Lewisburg Sunset Rotary Club invites business, professional and community-minded individuals to visit a meeting and learn more about Rotary. They meet on Mondays at 5:30 PM at Puirseil's Irish Pub, 17 South Sixth Street in Lewisburg.

At a recent Lewisburg Sunset Rotary Club meeting, President-Elect Irene Henninger presented Past Club President John Kador with a Paul Harris multi-Recognition for his continued contributions to The Rotary Foundation. The Paul Harris Fellowship is named after Paul Harris, the founder of Rotary International, who formed the world's first service club in Chicago 107 years ago, in 1905. His intention was to capture the same friendly spirit he had felt in the small towns of his youth and to "do good in the world". In 1917 an endowment was established which became the Rotary Foundation that today supports our goal of advancing international understanding, goodwill and peace in our local and global community. Paul Harris Fellows are donors who make generous contributions to the Rotary Foundation, or those who have had contributions made in their name. John Kador was recognized with a commemorative pin in honor of his continuing generosity to the Rotary Foundation. The Lewisburg Sunset Rotary Club meets on Mondays 5:30 PM at Puirseil's Irish Pub on South Sixth Street in Lewisburg. Business, professional and community-minded individuals are invited to attend a meeting and learn more about Rotary.

FONTANA, Calif.--Tony Stewart won Sunday's rain-shortened Sprint Cup race at California, after heavy rain showers forced NASCAR to call the 200-lap race at the end of 129 laps.

Tony Stewart was leading on lap 128 of the caution free race when it started sprinkling. NASCAR put out the yellow flag, and instead of pitting for fresh tires like some other drivers, he elected to stay on the track.

"It's a victory, but we would have liked to have gone the distance," said Stewart. "We had an awesome race car. The guys in the pits did a great job to keep me in front, because all our stops were under green."

Kyle Busch led earlier in the race and finished second.

"NASCAR told us before the race that rain might be an issue," said Busch. "I think everyone was driving as hard as they could and trying to stay near the front. It was sunny when the race started, but after it got cloudy and the temperature dropped, our car was a little tight."

"A second-place finish is not nearly as good as first-place."

Dale Earnhardt Jr. was third. "We'll never know whether we could have won this one," said Earnhardt. "We did have a fast car, but there's a whole lot of other things that could have kept us back; traffic, pit stops, and other stuff."

Kevin Harvick was fourth, followed by Carl Edwards, Greg Biffle, Ryan Newman, Martin Truex, Kurt Busch, and Jimmie Johnson were the remaining top-10 finishers.

The rain was a blessing for Jimmie Johnson and his No. 48 team. His car developed an oil line problem as the cars circled the 2-mile track under caution. Johnson's car began smoking and he kept it rolling on the apron until NASCAR stopped the race.

Had the race gone back green he would probably have lost several laps, due to repairs on it.

Top-12 leaders after 5 of 36: 1. Biffle-195, 2. Harvick-188, 3. Earnhardt-178, 4. Stewart-177, 5. Kenseth-176, 6. Truex-175, 7. Hamlin-171, 8. Johnson-156, 9. Bowyer-156, 10. Newman-155, 11. Menard-148, 12. Edwards-146.

LOGANO GETS FONTANA NATIONWIDE WIN

Joey Logano held off challenges from a succession of drivers to win Saturday's Nationwide race by 1.066-seconds ahead of Ricky Stenhouse Jr.

"It's important to keep the win streak going," said Logano, who survived a wild restart with 12 laps left and pulled away for the win. "You don't want to be the guy who didn't win it and broke the streak. Obviously, it makes me work extra hard, not that we don't work hard any other weekend; we try to win every one of them, but to keep a streak going like that is important for our whole company."

The victory was Logano's first of the season, second at Fontana and the 10th of his career. Logano is the first Sprint Cup Series regular to win a Nationwide race this season.

Brad Keselowski ran third, followed by Brian Scott and rookie Austin Dillon. Brad Sweet, Kenny Wallace, Kyle Busch, series leader Elliott Sadler and Brendan Gaughan completed the top-10.

"For me, this is one of the best Nationwide races of the year," Keselowski said. "You see a lot of really good action here, the way the track has worn in over time. And the way the cars are with really low power, they can seemingly draft very well and do some really cool maneuvers."

After debris punctured the radiator of her No. 7 Chevrolet, Danica Patrick retired with an engine failure and finished 35th.

Top-10 point leaders after 5 of 33: 1. E. Sadler - 214, 2. R. Stenhouse Jr. - 196, 3. A. Dillon - 187, 4. T. Bayne - 180, 5. S. Hornish Jr. - 160, 6. C. Whitt - 151, 7. M. Annett - 148, 8. T. Malsam - 144, 9. J. Allgaier - 126, 10. M. Bliss - 119.

Ed Clark has been President of Atlanta Motor Speedway for nearly 20 years. Clark recently reflected on some of his memories and thoughts of the past 20 years in a question-and-answer session, and what he

thought were the greatest races at AMS:

"Well obviously the 1992 Hooters 500, that's probably first and foremost. The second one, I'll recall our first Camping World Truck Series, and how competitive it was. In fact the first couple of Truck races we had, there were three to four guys coming off the fourth turn going for the win. Those were great.

"One that truly stands out is the 2001 event when Kevin Harvick won. I've been in this business over 30 years, and I've never heard the fans in the stands continue to cheer and express their emotion for that long, once a winner had crossed the finish line. It literally went on for seven or eight minutes without dying down at all. I think it was several things, obviously a new winner, a great photo finish with Kevin just beating Jeff Gordon.

But the biggest thing, it was just a rush, a release of emotion for all the fans. The fact that Dale Earnhardt drove that very car and won that race in a photo finish the year before, his last win here, and being three weeks after his death, it was just an emotional release for everybody." Weekend Racing: The Cup and Truck teams are at Martinsville, the smallest (.526-mile), the shortest track on the NASCAR circuit. The Nationwide teams do not race again until Apr. 13.

When Martinsville Speedway first opened, NASCAR was just an idea. When NASCAR was formed, Martinsville Speedway was a charter member, a membership that endures after more than 60 years. In fact, the historic Virginia half-mile oval is the only track that was on the schedule in the first NASCAR Sprint Cup Series season that still hosts the series today.

Martinsville Time Line:
September 7, 1947 : H. Clay Earles opens Martinsville Speedway as a dirt track with 750 seats and a paid crowd of 6,013. Red Byron wins the 50-lap feature for "Modified Stock Cars" and earns \$500 out of a \$2,000 purse.

July 4, 1948 : Martinsville runs its first race under a NASCAR sanction, with Fonty Flock winning the feature followed by Pee Wee Martin of Bassett. Va., Buck Baker, Bill Blair, and Tim Flock as 4,000 watched. Bill France finishes eighth while one of those sidelined with mechanical problems is 19-year-old Fireball Roberts.

September 25, 1949 : NASCAR's "Strictly Stock" division, now the Sprint Cup Series, makes its first appearance at the speedway and Byron wins again in an Oldsmobile 88 with Lee Petty second in a 1949 Plymouth. Seating increased to 10,000.

1950 : The speedway starts running two NASCAR Grand National (Sprint Cup) events races a year on the dirt track. The Strictly Stock Series was renamed the Grand National Series that year.

Sat., Mar. 31, Camping World Trucks Kroger 250, race 2 of 22; Starting time: 1 pm ET; TV: SPEED.

Sun., Apr. 1, Sprint Cup Goody's 500, race 4 of 36; Starting time: 12:30 pm ET; TV: FOX.

Racing Trivia Question: Who is Joey Logano's new crew chief in the Cup series?

Last Week's Question: Which is the oldest track on the NASCAR circuit? Answer: Martinsville. The first race was held Sept., 1949.

Dairy Producers Reminded of MILC Program

The Snyder/Union Farm Service Agency would like to remind dairy producers of some important program eligibility requirements for payment under the Milk Income Loss Contract program (MILC). FSA Snyder/Union County Executive Director Mary Kiel says dairy and feed prices may authorize potential MILC payments, but all dairy producers need to be aware of the program requirements should those conditions arise.

Dairy operators currently enrolled in MILC, need to notify the local county office if there have been any changes to their dairy operation.

If a payment rate is announced, dairy producers enrolled in the MILC program will need to provide the local county office with documentation showing the eligible milk production and commercial milk marketing for the months with a MILC payment rate in effect.

When producers enroll in MILC, a payment start month is selected. This month remains the same through all program years, unless a change is requested by the dairy. Dairy producers are allowed to change their start month an unlimited number of times throughout their enrollment in MILC provided that the changes are requested timely.

MILC program participants are also required to comply with FSA's Adjusted Gross Income requirements each fiscal year. This certification, on a CCC-931, must be completed prior to a payment being disbursed.

New dairies that have not previously participated in the MILC program will need to fill out the CCC-580, Milk Income Loss Contract.

Shell Art Exhibit

This delightful exhibit of shell art, featured in the Union County Courthouse lobby, can be seen through March. The courthouse, at S. Second and St. Louis Streets in Lewisburg, is open 8:30-4:30 Monday through Friday. The exhibit is one of the monthly displays provided by courthouse employees, and Union County Historical Society members, highlighting their many and varied collections. Used Glasses Present at Meeting

Girl Scouts, Maggie Coble, Troop 109, center; and Dawn Franck, Troop 2182, right, present a box of 89 pairs of used eye glasses to Lions Club Vice President Phil Dietrich. The glasses will be used in countries where many eye problems exist.

Used eye glasses were presented to the Millmont West Union Area Lions Club at a recent meeting. One of the projects of most Lions Clubs is collecting used eye glasses that will be reused in countries where many eye problems exist. The Girl Scout Troops of Union County collected 89 pairs of glasses, some with cases, and brought them to the local Lions Club meeting in Millifflinburg.

Lions Club member, Barb Franck, is a Girl Scout leader. She spoke to the club, giving information about Girl Scouting.

This month Girl Scouting in America is 100 years old. It began on March 12, 1912 in Savannah, Georgia, when Juliette Gordon Low held a "Girl Scout" party at her home after being inspired by the Boy Scout movement she witnessed in England a short time before. Juliette's niece, 11 year old Margaret (Daisy) Doots Gordon was the first girl to sign up to be a Girl Scout, and so it began.

At the present time in Union County there are 203 girls, in 23 Troops, with 109 adults (leaders, assistants, moms, drivers, etc.) Girls learn from many activities and projects in Scouts, ranging from agriculture to sewing, cooking to community service, travel to STEM (Science, Technology, Engineering, Math) and much more. The girls learn about each other and develop leadership skills.

Representing two of the Union County Troops at the Lions Club meeting were Maggie Coble of Troop 109 and Dawn Franck of Troop 2182. They presented a box of eye glasses to Lion Vice President, Phil Dietrich. The motto for this year of Girl Scouting is "Still green after all these years".

VA HEALTH CARE

Defining EXCELLENCE in the 21st Century
