Field Trip to Hassenplug Covered Bridge

By Kay Poeth

Built 200 years ago, Hassenplug Covered Bridge is one of the oldest covered bridges in the United States.

Local artist Valerie Moyer painted Hassenplug Covered Bridge as way to preserve history through her artwork.

After learning about the 200th Anniversary of Hassenplug Covered Bridge, my husband and I took a field trip to this historic structure. After a short trip down North 4th Street in Mifflinburg, we spotted and quickly pulled over to park at Koons Trail.

Situated over Buffalo Creek in Mifflinburg, Hassenplug Covered Bridge is 80-foot-long. Built in 1825, Hassenplug Covered Bridge is noted as the oldest covered bridge in the United States. However, the Hyde Hall Bridge in New York also claims this title as it was built in the same year. The bridge was named for the Hassenplug family from

the early 19th century, who had a brickhomestead nearby. One reference noted that the Hassenplugs were well-known locally for their German beer.

Admiring the covered bridge, we both snapped several photos. In a nod to the past the sign posted above the 10 FT 0IN clearance states, "Any person riding or driving at any other gait than a walk, or driving more than 15 head of cattle, or carrying fire in any way over this bridge are subject to a fine of Thirty Dollars."

Walking closer we noticed the beautiful trusses. Originally the bridge was built with a Burr arch truss design. In 1959 and 2022, the bridge was upgraded. In 1959, "during the restoration process the wooden deck was replaced with steel grating and a pier was added to allow for heavier vehicles to cross." The weight limit was raised to 6 tons.

There is a metal plaque hanging on the inside wall with a detailed description and sketches of trusses from 1825-modernization in 1859. The descriptions include Burr Truss (all wood), Bowstring Truss 1840 (wood & iron), Howe Truss 1840 (wood & iron). And inscribed Modernized 1959 "In order to preserve the major portion of this relic, the Commissioners have removed the original wood floor system and have caused a modern steel bridge to be built entirely within the old wooden structure."

In 1980, Hassenplug Covered Bridge was listed on the National Register of Historic Places.

In March 2022, the county once again renovated the bridge. "The county decided to remove the open steel grid deck and steel bridge railing, replacing it with a timber deck similar to the 1825 construction." This restored the interior of the covered bridge to all its timber components. The bridge reopened in August 2022."

Hassenplug Covered Bridge is used by both pedestrians, as if on cue a young woman walked past, and vehicles- as several cars passed through the bridge on our visit.

In honor of the 200th Anniversary of Hassenplug Covered Bridge, new historical markers were installed. I had to look at both markers, of course. On the Mifflinburg side of the bridge, The Theodore Burr Covered Bridge Society of Pennsylvania purchased the sign. It reads, "Hassenplug Bridge is the oldest historic

covered bridge in the Commonwealth of Pennsylvania, the state with more covered bridges than any other state. It is also the oldest covered bridge in the United States that allows both pedestrian and vehicular traffic. Erected in 1825, it underwent rehabilitation in 1959 and 2022, with the latest effort replacing the steel grate floor from 1959 with historically authentic, wide, wood planks. It was listed on the National Register of Historic Places in 1980."

The other sign states, "Hassenplug Bridge has been placed on the National Register of Historic Places in 1980 by the United States Department of the Interior."

Local artist Valerie Moyer's mission is "to preserve the past through her artwork." She painted the Hassenplug Covered Bridge and it is one of 63 pieces on display in her exhibit at The Gallery in Lewisburg. It reminds me of what the Hassenplug ancestors might have used. Open on Wednesdays and Fridays from noon- 4 pm. Prints are available for purchase. I was so excited when I spotted it!

Pennsylvania is known as the state having the most covered bridges. From my youth, I recall visiting the Gudgeonville Covered Bridge, an 84-foot long Multiple King-post Truss covered bridge, over Elk Creek in Girard Township, Erie County. It was built in 1868. Back then, I was not as interested in history. However, there were tales of the bridge being haunted. I wonder if the Hassenplug Covered Bridge has any ghost stories floating in its trusses. I will have to consult Dr. Mary Sullivan to determine if any spooks reside there. I didn't see or converse with any.

Now, I will have plan another field trip around the area. We have visited Faylor Lake and Walker Lake. We have also learned about local businesses such as Harry's, Buffalo Valley Repair, Sensenig Gas, and Union Cellars Winery. What will pique my interest?

Port Royal had Succesful Three Race Tucarora 50 Weekend which Ended its 2025 Racing Season

Three nights of 410-sprint car racing with the High Lim-it racing series on hand starting last Thursday night with Anthony Macri scoring the feature win worth \$10,000 scoring one win for the PA Posse. A field of 49 drivers was on hand for the show with Justin Whittall getting second with Brenham Crouch, Danny Dietrich and Rico Abreu placing in the top five. With the second placed finish Justin Whittall inched closer to Port Royal’s track title, with his closest rival, Logan Wagner, not having a very good night. In the PASS 305 sprints, Nick Swighart scored his second win of the season and with that he took the track championship with Kenny Heffner, Josh Spicer, Jim Pattock and Fred Arnolds in the top five. Logan Spahr placed sixth. Going into the feature, Logan was just five point behind Sweigart and ended begin 45 out in second place. Kenny Heffner, Mike Melair and Doug Dodson placed in the top five. The PASS group had seven features during the season with Sweigert winning two along with Timmy Bittner. Single wins went to Kruz Kepner, Doug Dodson and Josh Spicer. Friday night, The High Limit series turned the table on the Posse with Aaron Reutzel scoring the \$10,000 feature win over Anthony Macri, Brent Marks, Ryan Smith and Parker Price Miller. This time 50-drivers were signed in for action, still two Posse drivers made the top five Macri and Ryan Smith. Justin Whittall just did enough to finish ahead of Logan Wagner to clinch the track championship. His first ever at Port Royal. Whittall had 6050 with Wagner at 5805, the rest of the top five were Brock Zearfoss, Michael Walter of Selinsgrove and Gerard McIntyre. Also, in action on Fri-day there was the final point race for the tracks Limited late models. Lane Snook just about had the point wrapped up going into the feature and he put an exclamation point on the title by winning his fourth feature of the year there and his seventeenth overall for the season. Spike Morre, Jaxton Garman, Brad McGinnis and Andrew Yoder were in the top five. Snook ended the season with 3035 to 2760 for Ryan Zook, Jaxton Garman 2550, Matt Murphy 2380 and Eric Irvin at 2210. Other feature winners during the season were Kyle Hardy, Andrew Yoder, Dillan Stake, Brad McGinnis and Tyler Bare. Saturday non-point for the final night of racing at Port Royal but up for grabs was the winner share of \$58,000 for the feature win. Not a High Limit regular, but Ryan Timm scored the big money win his second big win in a month in August. He scored the big Knoxville Nationals win worth over two-grand. Series regular Justin Peck was second with Friday night winner Aaron Reutzel, Parker Price Miller, and the lone PA Posse driver in the top five, Troy Wagaman Jr. The rest of the top ten was filled with posse drivers, Logan Wagner, Danny Dietrich, Chase Dietz, High Limit driver Brent Marks who is from Myerstown PA, and Ryan Smith in tenth.

Sunday night the second of the FALL CLASH series for super late models were in action at the called Action Tracks USA which located in Kutztown PA, and is a wide 1/5-mile racetrack. The track usually runs smaller cars like the 660-micros, slingshots, and sometimes other small division classes. Some people would say the track was too small for late models, but they would have been wrong, it was quite a show with the twelve drivers that showed up to race. The 60-lap feature only had one caution flag for a stopped car. Trevor Feathers of Winchester VA scored the feature win over Mason Zeigler. Mason was having the perfect night until the feature, he set Fast time with a clocking of 112.051, won his heat race and won the 6-lap dash. But Feathers got the best of him at the start and never looked back scoring the win in the Cameron/Mann #72. Bryan Bernheisel was third then

came Amanda Robinson and Trevor Collins, the rest of the top ten were Drew Weisser, Dave Stamm of Laurel-ton Pa, Trent Merkel, Spike Moore and Jakob Piper. The track in the past has tried other big cars on the 1/5-mile oval with success like the 410-sprint and the big block Modifieds, not sure if there will be another show next year at the Kutztown track, but I hope so it was quite the show. The next race for the Fall Clash series will take place this Friday night with a co-sanctioned event with the ULMS series. This event for the Clash drivers is a show up point’s event. The next official points show will take place at Clinton County Speedway on Saturday Sep-tember 20th along with the Laurel Highland 305- sprint and open four-cylinders

Two big nights of racing this weekend at Selinsgrove speedway with racing on Saturday night for the super late models racing for \$10,000 to win with \$800 to take the green. In an unsanctioned show titled the Thrill on Sand Hill, the track couldn’t have been better. Other divisions in action will be the PASS 305-sprints and Street Stocks. So far this year Rick Eckert and Gregg Satterlee each have two wins at Selinsgrove with single wins going to Andrew Yoder, Mason Zeigler and Ross Robinson. Eck-ert led the point standing over Shaun Jones going into the weekend. In 305-sprint action there have been six differ-ent winners in six races with Doug Dodson, Kruz Kepner, Logan Spahr, Paul Moyer, Ken Duke and Mike Melair showing feature wins. Kruz Kepner is the points leader over Ken Duke. Street stock’s winner so far has been Ja-son Geeseman with four wins Brad Mitch with two wins and a single win for Steve Kent. Brad Mitch is the points leader over his son Aiden. Sunday will be the running of the Jim Nace Memorial along with the Limited late models. The Nace Memorial will pay the winner \$15,626 to win with \$800 to take the green. It will be interest-ing to see if any High Limit drivers will show up as they race on Friday and Saturday at Lernerville Speedway and have Sunday off from racing. You might have to show up to figure this one out. There are a lot of extra monies on this night with Chrystal Nace giving \$300 to the fast-time driver of the night, plus paying \$100 to all the heat winners, plus more stuff for drivers and fans. Also, a Fire-works display will be held on both nights. Danny Diet-rich is leading the 410-sprint points over Blane Heimbach and Austin Bishop. The limited late models will also be racing for some extra money in their program, with Lane Snook leading the points over Andrew Yoder and Zach Kauffman. 410-sprint winners so far this year have been Danny Dietrich and Chase Dietz with two each. In lim-ited action, Snook has four feature wins with single wins going to Coleby Frye, Andrew Yoder and Jared Fulkroad. The last time the Jim Nace Memorial was run, Brent Marks scored the win on September 16th, 2023. Before that Anthony Macri had won the race three years in a row.

Clinton County Speedway Preps for Season Finale

Mill Hall, PA – The Clinton County Speedway will conclude its 37th season of racing on Saturday, September 20th with a three-division show featuring the Super Late Models, the RaceSaver Sprint Cars, and the Four Cylinders. Gates will open at 4PM, hot laps will begin at 6PM and qualifications will begin at 6:30PM

Head-lining the night’s event will be the Fall Clash Super Late Model Series presented by Gigi’s Sweets & Treats of Sunbury with a 40-lap feature event paying \$5,000 to the winner. The last time the Super Late Models were at the 1/3-mile oval, Tylor Em-ory of King George, VA claimed the victory during the Appala-chian Mount Speedweek in 2024 over a strong field of 40 Super Late Models. The Fall Clash Super Late Model Series winners to date include Mason Ziegler of Chalk Hill, PA at Bedford Speed-way and Trever Feathers of Winchester, VA at Action Track USA.

The RaceSaver Sprint Cars will be competing for \$1,000 to win, presented by River Valley Builders of Selinsgrove. John Walp of Wapwallopen won the 2025 Track Championship. The Clin-ton County Speedway hosted 8 events with 8 different winners this year. Matt Tebbs of Cogan Station was the most recent win-ner. Other winners this season included Timmy Bittner of Beel Creek, Josh Beamer of Picture Rocks, Jeff Weaver Jr of Lock Haven, Jacob Gamola of Seneca, Mike Alleman of Port Royal Dale Schweikart of Linden, Ken Duke Jr of Winfield, and Kasey Weaver of Everett.

The Four Cylinders will compete in a \$500 to win open com-petition event with support from Rachet Built Garage and Jason Bennett Financial Services. Earlier this season, Jimmy Moyer of Lewistown won an open competition event. Larry Beachel of New Columbia earned his first career track championship driving the #8L. Other contenders this season finishing in the top five in points included Coty Maines of Jersey Shore, Garrett Lucas of Aaronsburg, Zak Kline of Mill Hall and Matt Weaver of Madi-sonburg.

By Debbie Gastelu

Come on out and support these players for a great cause. Blane Heimbach's Annual Softball game to benefit the PA Breast Cancer Coalition on 9/20/25.

What started as just a fun time playing catch with his young pit crew member of his 410 sprint car team along with many friends has blossomed and turned into an event to raise money for a local charity, this year being the PA Breast Cancer Coalition.

“One night friends gathered to just have fun and get some exercise playing softball and we thought, why we don’t turn this into something we can offer for a fund-raiser” stated Blane.

This will be the second year of holding this event but the first year to raise money for the PABCC.

Mark your calendars’ for September 20, 2025 at 12pm to be held at 9 Ballfield Dr. Selinsgrove, PA 17840.

Everyone is welcome and there will be a potluck style picnic and a donation bucket for donations.

UCHS Exhibits Local Artist Valerie Moyer's Paintings of Central PA

By Kay Poeth

Local Artist Valerie Moyer hosted a program on Sunday, September 7, 2025, at The Gallery. Union County Historical Society and The Lewisburg Arts Council partnered to bring this stunning exhibit of Central Pennsylvania's historical homes, barns, and landscapes to The Gallery. This exhibit of her artwork will be on display throughout September on Wednesday and Friday afternoons from noon- 4 pm.

63 paintings were arranged around the room by seasons. Her artwork spans five counties-Snyder, Union, Perry, Mifflin, and Chester counties. According to Valerie, "This is my life's work and my biggest show to date!"

Each of her paintings except one, The DEW Neighbor's Farm, contains her trademark "bunny." Her husband Tim suggested that Valerie needed a trademark to make each painting her own. After some thought, she decided that a bunny would be perfect for her Central Pennsylvania landscapes. You have to look carefully to spot the bunny. Valerie laughingly said, "I am even known as the Bunny Artist."

Valerie feels very blessed that her career is so successful. It began with a commissioned painting of a church for a retiring pastor. Then the idea springboarded. The Beavertown Home and School Club commissioned several paintings of historical buildings in the town. They sold prints and cards to the community as a fundraiser.

Valerie has painted local churches, homesteads family farms and even the Snyder County Courthouse. Her work includes both commissioned and non-commissioned work. With commissioned pieces, she can customize the art. She works from photographs and client input. It takes 2-3 weeks to complete the painting on stretched canvas using acrylic paint. Most are 14"x17" or 16"x20" to allow more details. She has painted 8 murals in Vinnie's Restaurant in Middleburg. The largest mural is 14 ft x7 ft.

For her non-commissioned paintings, Valerie picks

the subject matter, usually historical in nature especially stonework with her favorite subjects being springhouses, barns, and any structure of historical nature.

"I like to create art to help inspire people to appreciate the natural and rural landscapes of where we live, as well as the historical significance of the area. I love preserving history through my artwork," said Valerie. Sometimes her non-commissioned subject speak to Valerie, inviting her to capture their essence. She has stopped along the road to take photos of interesting scenes. One unexpected stop was a field of sunflowers outside of McClure on the way to the pool. "Sometimes the subject chooses you and you have to stop and turn around and capture the moment."

She helps to spread the joy of local history by selling notecards, prints, Christmas cards, calendars, and magnets of her artwork.

Valerie is also expanding her collections. She has begun to paint scenes from the Mifflinburg Christkindl Market, including the Christmas pyramid and Christkindl. She has completed two painting of Bucknell University for the Lewisburg Arts Festival as well as several Lewisburg iconic buildings.

Valerie pointed to a painting, musing, "I just can't sell this original." Her husband jokes, "You can't keep them all, Honey!"

She even has illustrated a children's book, Snow Day, and is now working on her second one.

After discussing her background and approach to her artwork, Valerie gave a tour through the seasons. She commented on each painting, telling interesting tidbits about each one. Everyone enjoyed the presentation and browsed the collection of historical homes, barns, and landscapes admiring the attention to detail.

"It was incredibly moving for me to see it all on exhibit and it is an honor to be able to have this opportunity to share my work that represents the better part of my career at this gorgeous gallery. I especially want to thank family and friends who attended and whose support I cherish. The show is for the Union County Historical Society and will be up till the end of September," said Valerie.

Mark your calendars to visit The Gallery. Valerie Moyer's artwork will be on display throughout September on Wednesday and Friday afternoons from noon- 4 pm.

Bruce Teeple introduced the artist at the beginning of the program. He spoke briefly about supporting the Union County Historical Society through donations, membership, and its capital fundraising campaign. Donations to the Union County Historical Society supports programs, the research library, their collections, the Dale-Engle-Walker House, and the Museum and Gallery.

PA School Bus Stopping Law

From Sen. Culver's e-newsletter

Students are back in class, so we all need to be on the lookout for children around school buses and bus stops. Some reminders about Pennsylvania's School Bus Stopping Law:

- Motorists must stop at least 10 feet away from school buses that have their red lights flashing and stop arm activated.
- Motorists must stop when they are behind a bus, meeting the bus or approaching an intersection where a bus is stopped.
- Motorists following or traveling alongside a school bus must also stop until the red lights have stopped flashing, the stop arm is withdrawn and all children have reached safety.

School districts are permitted to install automated camera systems on buses to enforce the law.

Football season is in full-swing at all levels making this the best time of the year. Major league baseball is getting serious as the playoffs approach and after this week the college mismatches will be gone. Mid-September also gives you an idea of how your local high school teams are going to fare as their seasons move forward.

Grove field hockey (5-1) has jumped into the deep end of the pool early on by playing tough competition right away. The Seals beat Danville 11-0 and Wyoming Valley West 2-1 in preparation for the Palmyra Cougar Classic. In Palmyra, Grove got some revenge on West Perry 2-0 with Lyv Herrold getting an assist and a goal. West Perry ended the Seals season last year at States. Selinsgrove held perennial power Palmyra scoreless for three quarters before giving up three goals and losing the title game.

Defending district champ Mifflinburg is still looking for its first win. Selinsgrove's sophomore connection of Nora Moyer and Violet Shaffer combined for the game winner in overtime for the 2-1 win over PHAC rival Mifflinburg. Moyer stole the ball at the 50, drew 2 defenders and slotted a perfect pass to Shaffer. Shaffer found herself in a 1v1 with the keeper where she calmly found the corner of the goal. The Cats took the early lead in the second quarter when Kira Shoemaker put away a rebound. Taylor Fry tied it up for the Seals on a beautiful reverse shot.

Earlier Miff lost 2-0 to undefeated Central Columbia (4-0) in the Cats first game.

Lewisburg beat Midd-West 3-1 as Elliana Rupert had two goals and Tia Berge two assists before lightning forced the game to be called early. Cady Shoeman had two goals and Tia Berge two assists and a goal as the Dragons (3-1) shut out Shik four zip. Midd-West turned a third quarter scoreless tie into a 3 goal lead in under one and a half minutes and beat Danville 4-0. Audrey Resseguie had two goals and an assist.

Boys soccer is off to a rousing start as Lewisburg and Selinsgrove have begun the season undefeated. The Dragons beat Camp Hill 4-1 with two goals and an assist from Isaac Ayres. Viktor Permyashkin had a goal and assist to help beat Central Columbia 4-0. The Dragons shut out Shik 6-0 and ironically moved their record to the same. Ayres had three goals and Viktor three assists.

Selinsgrove went to 3-0 by defeating Hughesville 3-1. Nick Bisaccia had two goals in the victory. Bobby Kruskie had two goals to prevent a loss to Central Mountain in a 3-3 tie.

Midd-West soccer finished runner-up in their Mustang Classic tourney by beating Benton 2-0 and losing to Central Columbia 3-1. Nathan Horst assisted on both goals over Benton with Parker Eppley and Abram Sellers the benefactors. The Mustangs also shutout East Juniata 11-0, Mifflinburg 4-0 and Milton 4-0. Derek Wert has been making more saves than Bruce Sutter.

Miff soccer (2-4) picked up a W over Loyalsock 2-0 with goals from Warrick Beachy and Dylan Seigel. They

returned home and lost 5-2 to Montoursville.

The Lewisburg girls soccer team has a rare 1-4 record early on. Kate Batkowski scored twice in the first six minutes but Grove's Madi Merrell had two goals and an assist in a 3-2 Seal win. The Dragons played Southern tough and held a two goal lead until the undefeated Tigers scored three straight goals... the last one coming in OT.

Midd-West is also off to a slower than expected start at 0-2-1. Improvement came in their last game by tying Williamsport 2-2 with Addie Yerg and Ava Atkins tallying goals for the Mustangs.

Mifflinburg girls tennis is struggling early on but is showing progress. The early season schedule is tough with losses to Montoursville and Milton. Better results to come. The Lewisburg girls have opened 4 and 3 after losing to Danville and Hughesville. Grove girls are looking to find their groove after starting 2-3 and losing a heart-breaker to Shik.

Coming up short against undefeated teams was the theme for last week's high school football games. Midd-West lost to Warrior Run, Lewisburg fell short to undefeated Bloom 35-24 and Selinsgrove looked better in losing to Jersey Shore.

Midd-West lost to a well balanced Warrior Run team. Despite being down 33 points, Kyle Shupp got the Mustangs on the board with an 89 yard kickoff return for six. Shupp also ended the scoring with a rushing TD. The Mustangs visit Loyalsock this week in what should be a very entertaining game.

The Dragon's Nick Coleman totaled over 200 all purpose yards and Jaylen Walker continued his high flying ways in pulling down two aerial TD's. Unfortunately, Bloom's QB Wyatt Brosious threw for 176 and ran for 199 yards and three TD's to lead the Panthers.

Lewisburg, looking for their first win, led 18-14 at halftime. They were outscored 21-6 in the second half. Dragon coach Eric Wicks said "we have to do a better job coaching." Bloom made the halftime adjustments and contained Lewisburg with solid defense in the second half.

Selinsgrove coach Matt Wenrich sees improvement from his squad after a rugged three game stretch to open the season. "I think from last week to this week we have taken a step forward" Wicks said after losing 49-6 to an undefeated Jersey Shore.

Moving forward, the Seals must improve their run defense after giving up 685 yards on the ground the past two games. No team wants to start 0-3 but Wenrich seems optimistic about next week's matchup against a winless Central Mountain.

When you gain 416 yards on offense and only give up 40 yards from scrimmage in the first half you would think you have the game under control. You would also think a team should be leading by more than six points with that disparity in yardage. That is what Mifflinburg faced on their trip to tradition rich high school football in coal country.

The first drive of the second half is always the most important one in any football game. Mt Carmel's first second half drive came 14 yards short of tying the game with Mifflinburg. The Red Tornadoes drive stalled on downs and the Wildcats took over from there with a 13 play, 86 yard march that culminated with a 13 yard Larry Murray TD run.

The eight other Murray touches resulted in 233 more yards and another 3 touchdowns including 52 and 78 yards TD receptions and a 63 yard TD run. Miff's offense set a school record of 618 yards and hope both sides of the ball continue their dominance when they visit undefeated Montoursville this week.

First week NFL impressions.... Will there be a better game the rest of the year than Bills/Ravens? I was surprised at how well both Rodgers and Fields played in the Steelers win over the Jets. Green Bay looked dominant over Detroit and I haven't seen a Dan Campbell coached team humbled like that since he got them rolling three years ago.

You would think the third highest paid receiver in the NFL should be able to catch the football and yes, he has a blue star on his helmet! JJ McCarthy looked really good in his first ever NFL game. McCarthy shook off the rust after not playing a meaningful game for over a year and a half and after throwing a pick six. The new Viking QB reminds me of someone else from Michigan and it's not Tom Brady. JJ's temperament and leadership ability is reminiscent of a young DJ....Derek Jeter.

Which coach gets fired first...the Giant's Brian Daboll or Miami's Mike McDaniel? Just because you were a great coordinator doesn't make you an average head coach. Speaking of the Giants, two years ago it was Saquon, last year it was Daniel Jones. What is their management team and more importantly their fans thinking now?

Speaking of management, Eagle's GM Howie Roseman continues to tinker with his roster and improve his team by trading for backup running back Tank Bigsby. Is A.J. Brown going to be traded next? Only Howie knows but don't be surprised.

Coverage of college football is becoming more like cable news covering politics. ESPN/ABC has aligned itself with the SEC and FOX is all about the Big Ten. I don't have a problem with that seeing that ESPN paid a lot of money to air SEC games and FOX owns the Big Ten Network. My issue is when either network compares the best players in the country they are only focusing on those that play in the league they broadcast.

College football continues to give us really good games despite all the mismatches scheduled for more home games and money. More on that later. There were no top 10 matchups like the three we had the week before, there were some very entertaining games.

South Florida is two for two in beating ranked teams. The Cy-Hawk game (Iowa St/Iowa) was a tough watch if you like offense but it's an in-state rivalry which we all want more of. Michigan State looked good in both beating Boston College 42-40 in OT and their uni's were cool. The game I enjoyed most was Missouri beating Kansas 42-31. Do you remember who the QB is at Mizzou?

Penn State transfer Beau Pribula is now the starter for the Tigers and is doing quite well. Mizzou entered the Top 25 this week because of Beau and his 617 yards, 5 TD's and 79% completion rate. He was just named college QB of the week and he was named a team captain within ten months of being on campus. Continued success Beau.

How many of you Penn State fans are skeptical about competing with Ohio State and Oregon after the struggle with FIU? Everyone remain calm, Penn State will be just fine. It's very difficult to get focused on playing teams that are a few rungs below your pay grade. Give credit to FIU as they offer scholarships as well.

I have a novel idea to eliminate all these college blow-outs we've seen early on... play the 'payoff for a win game' as a pre-season game. Pick any of Penn State's first three games as a tune-up scrimmage before the season. Results don't count on the season record and you replace that school with Pittsburgh, West Virginia or Syracuse in a home and home series. You will always have your seven home games for the money and you can renew past rivalries.

How petty has Bill Belichick gotten? He has banned Patriot scouts from accessing his North Carolina program or speaking to anyone on his staff. Bill's selling point when he came to NC to coach was he knew what it took to prepare players for the NFL. The crabby boat captain has also limited all NFL scouts to narrow viewing windows to his players. How is this helping them get to the NFL?

Enjoy the best time of the year and any questions or complaints can be sent to theviewfromhear74@gmail.com

The group is accepting, new with tags, sweat pants and tops in sizes Small to 3X. Donations of gift cards from Weis Markets, Giant and Walmart are being accepted. daysburg Veterans Home. This can be a tax-deductible donation.

The Lewisburg Giant store once again is supporting the Union County Veterans Foundation's benefit for the Hollidaysburg Veterans Home. Lewisburg Giant provided a \$50 gift card that can be used for the residents.

"The veterans already did their part to ensure our freedoms and the least we can do is say Thank You by brightening their lives," explain Doug and Tracy Walter. "We are trying our best to make this a true community event and to not only honor our heroes but to do something tangible to help them...where every day is Veterans Day!"

A Veterans Day Ceremony will be held at 11 am on Saturday, November 8 at Mifflinburg Park. The Union County WWII Honor Roll truly is one of the hidden treasures of this region.

"If you have never visited it in the Mifflinburg Community Park, I encourage you to do so. It contains the 2260 names of those who served from our county and where we hold our yearly Veterans Day ceremony," says Doug Walter, coordinator of the Union County Veterans Foundation.

For more information on the benefit or the program, contact Doug Walter by email at: maeppa@ptd.net or call 570-713-8919. To make a tax-deductible donation to maintain the memorial grounds or purchase a memorial brick, please send checks to: Union County Veterans Foundation at 916 Washington Avenue, Lewisburg PA 17837. Lewisburg YMCA Offering MS Support Group

The Lewisburg YMCA is proud to introduce the MS Connection Group, a free monthly support initiative designed for individuals living with Multiple Sclerosis (MS) and their care partners to connect, share, and learn together.

The group held its first meeting on Thursday, September 4, 2025, from 6-7 pm in Room C at the Lewisburg YMCA, 120 Hardwood Drive. Meetings continue on the first Thursday of each month. Attendance is free, and no registration is required. Both individuals living with MS and their care partners are encouraged to attend.

"Living well with MS often means navigating challenges a little differently—but you don't have to do it alone," said Renee Pfirman, group leader. "Our MS Connection Group is a space to support each other, explore resources, and build a community of understanding—all at no cost."

The MS Connection Group at the Lewisburg YMCA provides a welcoming space where connection, comfort, and empowerment go hand in hand. Whether newly diagnosed or long-term living with MS, every member has a role here.

For more information, contact Renee Pfirman at 845-264-5503 or Rpfirman@gsymca.org, or visit gsymca.org/lewisburg-ms-support-group.

UCHS Presents "The Power of Pennsylvania German Powwowing"

The Union County Historical Society presents "The Power of Pennsylvania German Powwowing" on Sunday, September 14 at 2 pm, at the UCHS Gallery, located at 15 N. Water St. in Lewisburg.

Most approaches to our medical science are less than 100 years old. So, how did Pennsylvania's ethnic Germans deal with crop failures, infant mortality, or sick livestock? One way to counter the presence and power of perceived evil was to consult the "Brauchbuch", or "powwow" book, a mix of traditional European and Native American herbal remedies and incantations.

Local historian Bruce Teeple will discuss practices people across the "Deutsch Belt" used to deal with desperation and helplessness. The program is free and open to the public.

West End Library Hosts Daily Gift Basket Raffle: 31 Chances to Win in October!

Laurelton, PA – The West End Library's Daily Gift Basket Raffle is back this October, and the library is looking for gift basket donations to make this month-long celebration even more exciting! Every donated basket helps support the library and gives raffle participants a chance to win something special.

The community is encouraged to create and donate gift baskets inspired by their favorite hobbies or interests. Examples could be movie night, spa day, book lovers, coffee & tea, family games, arts & crafts, or any creative theme you choose.

Raffle tickets are \$20 each, and each ticket is entered into the daily drawing all month long. If you purchase a raffle ticket before October 1st, you'll have 31 chances to win. Each day, a new themed basket will be raffled off for participants to enjoy. Raffle tickets are on sale now and will remain available all through October.

Want to help or join the fun? Donate a basket or grab your tickets today by calling the West End Library at (570) 922-4773 or visiting 45 Ball Park Road, Laurelton, PA 17835.

Excitement is Building: Join the Library's 35th Annual Auction & Social

Lewisburg – The Public Library for Union County

is just days away from hosting its 35th Annual Auction & Social, An Evening Among the Stacks, on Saturday, September 20, 2025. Join us for a night filled with energy, community spirit, and support for your local library.

Tickets are available online at bit.ly/PLUC_Auction. The evening begins at 6:00 PM and features delicious hors d'oeuvres, complimentary wine and beer, and the excitement of both silent and live auctions—all set in the welcoming atmosphere of the library.

Guests can look forward to bidding on unique items, unforgettable experiences, and local treasures, while mingling with neighbors, business leaders, and fellow library supporters. For a sneak peek, visit the auction website to preview a selection of silent and live auction items available the night of the event.

All proceeds benefit The Public Library for Union County. The library must raise approximately \$183,000 annually, covering about 23% of the library's operating budget. "The incredible generosity of our community's businesses and individuals is what makes this event so successful," says Sharon Koppel, President of the Board of Trustees. "We're grateful for the ongoing support and look forward to another wonderful evening."
