WOW Supports Missions & Uplifts Neighbors in Need

Attendees of the WOW (Women's Outreach Works) of Messiah Evangelical Lutheran Church of New Berlin held its third public outreach event pack donations for the three featured organizations.

WOW (Women's Outreach Works) of Messiah Evangelical Lutheran Church of New Berlin held its third public outreach event on September 23rd at the New Berlin Fireman's Social Hall. The picnic style gathering drew 78 attendees and featured presentations from three regional service organizations: The Beacon Ministries Free Shop of Lewisburg, DIG in Milton and Union County Giving Closet of Lewisburg. Each presenter shared heartfelt messages about their specific missions and the positive impacts on the lives of those they serve. Their words inspired attendees to consider new ways to support one another and uplift neighbors in need.

Christy Brouse, speaking on behalf of The Beacon Ministries Free Shop shared that their desire is to give everyone the chance to live a dignified life, which includes being able to take care of their personal needs. A once monthly distribution is held on the 3rd Saturday of each month from 10 am- noon and is made possible through generous donations and the dedicated support of 22 volunteers! On average, they provide personal hygiene items and the "Big 3" of toilet paper, laundry detergent and dish soap to over 200 individuals/94 households. These are necessary items that cannot be acquired through WIC. To learn more about this ministry and how you might support them and/or share with a neighbor in need, please call (570) 524-0809 or visit: www.beavermethodist.org/beacon-free-shop-html or call

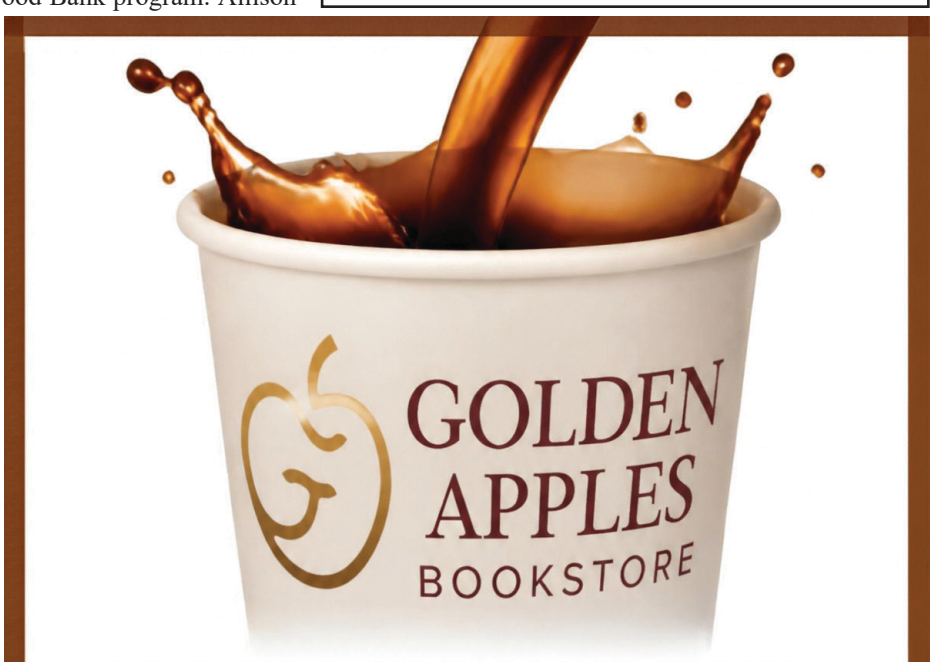

Emily Gorski, founder and director of DIG (short for dignity) Furniture Bank, located in Milton, shared their mission to restore dignity and promote stability by redirecting gently used furniture and household items to local families in need at no cost. This organization lives out its mantra of "There is enough for everybody." They believe that a furnished home lays the foundation for stability, confidence, and lasting change. To learn more about how to support DIG through donations of household items or monetary contribution and/or utilize their services, go to digfb.org or call (570) 658-9880.

Allison Collins, founder and director of Union County Giving Closet shared that their 501(c)(3) nonprofit organization provides new or gently used clothing to children age newborn through grade 12 whose families are enrolled in the Union County Food Bank program. Allison lovingly acquires personal preference information so that she can curate clothing packages of 9 outfits, twice each year for the children referred to their agency. All of this is made possible through the generosity of donors. For more information on supporting these children in need, please visit Union Giving Closet on Facebook or call (570) 524-4419.

Following the presentations, attendees engaged in conversation to process what they learned and share ideas on ways the WOW organizers may move forward to strengthen connectivity of these and other outreaches across our communities. Our next WOW event, "A Flurry of Faith" will be held January 20, 2027 with a snow date of January 27. Stay tuned for more information!

Obituaries

Sally A. Kline, 77, of Kratzerville

Sally Alice (Brosius) Kline, 77, of Kratzerville passed away peacefully in her home on Tuesday, October 6, 2026. Sally was born on August 7, 1949, in Lewisburg. She was the daughter of the late Lester and Esther (Gellnet) Brosius. She was a 1967 graduate of Mifflinburg Area High School and a graduate of Pennsylvania College of Technology. Sally was formerly employed by Nilus and New Trend garment factory, Kratzerville, Woode-Mode Inc., Kreamer, and Furmano Foods, Northumberland. She was a devoted wife, loving mother, cherished Nana, faithful member of Zion Evangelical Lutheran Church, Kratzerville, and friend to many. Sally will be remembered for her warm heart, adventurous spirit, generous nature, and deep love for her family.

Sally shared 54 years of marriage with her beloved husband Clair R. Kline, who survives. Together they built a life filled with love, laughter, family and countless treasured memories.

Family was the center of Sally's life. She was a loving mother to her three children, Christopher Kline and his wife Amy, Jonathan Kline and his wife Heather, and Beth Kline-Pedersen and her husband Bo, and a proud nana to her four grandchildren Benjamen, Grace, Sarah, and Jacob. She treasured time with her family and found great joy in being part of their lives. Her love, laughter, guidance, and encouragement will remain with them always.

Sally was fun-loving and adventurous with a wonderful ability to enjoy the simple pleasures of life. Sally enjoyed camping, hiking, skiing, and square dancing. She loved sewing and took pride in creating things with her own hands. Her creativity and care were reflected in the things she made and shared with others.

Her faith and service to others were also an important part of who Sally was. She was always willing to give her time and energy in service to her church, traveling on Mission trips with Sharing Hope and Echo Bible Ranch and community including the Kratzerville Fire Company Ladies Auxiliary. Sally believed in helping others and making a difference wherever she could.

She leaves behind a legacy of love, faith, kindness, laughter, creativity and service. Sally will be deeply missed by Clair, her three children, four grandchildren, extended family, friends, church family, and all those whose lives she touched.

Though she is no longer with us, the love she gave, the memories she created, and the many lives she touched will continue to live on through those who knew and loved her.

In addition to her parents, Sally was preceded in death by three sisters Grace Harris, Wilma Paulvir, and Mildred Kepner.

A visitation will be held on Friday, October 9, 2026, from 1:00 p.m. to 2:00 p.m. at Zion Evangelical Lutheran Church (Kratzerville), 4298 Route 204, Selinsgrove followed by a Celebration of Life Service at 2:00 p.m. with Rev. Felicia Swartz officiating. In lieu of flowers, memorial contributions may be made in loving memory of Sally to her church, Zion Evangelical Lutheran Church, 4298 Route 204, Selinsgrove, PA 17870.

Arrangements by the V. L. Seebold Funeral Home, 601 N. High Street, Selinsgrove.

WILLIAM GROVE NATIONAL OPEN FOR 410-SPRINT HAD A GREAT WEEKEND

The two-day show for the 64th running of the National open started last Friday night with 56 drivers signed in for the night's action, and a very large crowd on hand. Two groups had time trials with WOO regular Buddy Kofoid setting overall fast time at 16.421 in group A while Chase Dietz was fastest in group B at 16.472. After Time trials, up first was a non-qualifiers race for the sixteen drivers that did not make the cut for the four heat races. The top four from this event would be added to the back of each heat giving 11 cars each for the heat races. Not one of the four, Tyler Ross, Matt Campbell, Brie Hershey or Sye Lynch, made any ground in the heats which took the top five for the feature with Kofoid, David Gravel, Chase Dietz and Cameron Smith. Winning the heat, the C- Main went to Freddie Rahmer with him and Mike Thompson starting at the rear of the B- main which was won by Emerson Axsom. The eight-car dash to set up the first four rows of the feature was won by David Gravel, Justin Whitall and Anthony Macri. Winning the 25-laps feature and the $12,000 top prize was Gravel who scored his fifth open weekend feature. It puts him one win up on Steve Kinser, Lance Dewease and Keith Kauffman. The win for Gravel was his third at the speedway this year. Justin Whittal got the jump on Gravel at the start of the feature and was pulling away until lapped traffic slowed down his effort with Gravel getting past him on lap nine. He went on to win the race over Anthony Macri, Justin Peck, Buddy Kofoid and Chase Dietz. For Saturday action, 54-drivers signed in for racing and another big crowd on hand all wanting to see a PA Posse driver win over the WOO series. A couple of High Limit series drivers were also on hand with them having the weekend off. Over all 13 WOO series drivers were on hand with 9 High-Limit drivers and Pa Posse driver in the middle 30's for drivers in action over the weekend. The night started with Chase Dietz setting fast time with the non-qualifiers race going to Chris Windom, Windom also won the C-main with Brady Bacon winning the B-main , with heat races going to Lance Dewease, Bill Balog, Daryn Pittman in the Kreitz #69K and Donny Schatz. Bill Balog won the dash to start on the pole for the feature. Balog led from the start and was 1.5 second in front when the second yellow of the race happened. Balog had to pit handing the lead over to Chase Dietz who led the rest of the way and collecting $75,000 for his 24th feature win of the season. Dietz also scored the tracks championship with 4730 to Troy Wagaman Jr 4440. Going into the weekend Wagaman was leading the points but he failed to qualify for any features over the two nights and lost the title. Danny Dietrich, Lance Dewease and Freddie Rahmer were in the top five in points. Dietz scored the feature win by .257 over Donny Schatz Justin Peck, David Gravel and Dyran Pittman. Chase Dietz ends up with four feature wins this year with Gravel having three wins. That wraps up the racing season at Williams Grove for the 2026 season.

Before the Grove action Lincoln speedway held a Wednesday night September 30 with 31 410 sprints and 21 358-sprint in action. Chase Dietz went on to score his tenth win at Lincoln this year, which at the time was his 23rd feature win of the season. With his win he becomes the track new point leader with one race left on Saturday October 17th . Freddie Rahmer, who was leading the points was knocked out of the race while running third with a flat tire he now trails Dietz by 130. Anthony Macri, on his return to racing from another injury rode home in the second spot making a late race pass of Troy Wagaman for the spot Matt Campbell and Dallas Schott were in the top five. In 358 sprint action Jayden Wolf scored his fourth 358-sprint car feature win of the season, which ties him with Cody Fletcher for feature wins. Wolf also took over the points lead by 70-points over Fletcher who had been leading the points most of the season. Steve Qwings placed second in the feature with Chance Hendershot, Bryn Gohn and Brock Hammaker in the top five.

Made my first trip to the McGrewBid Motorplex track which is on the inside of the bigger track. They race a number of 600-micro sprint sand Jr sprints on different nights during the season. This was a special Thursday night event with before the WOO Outlaw race at Williams Grove on Friday. 600-Micro winged sprint feature went to Randy Kunkle, who ran side by side with Cayden Blain for most of the feature. In one of the heat races Brayden Benjamin flipped in his heat, but they rolled the car back over and he finished the heat. In Jr Sprints, Aylin Witmer hit the front stretch wall very hard, but after getting the ok from her mom, she went back out and placed second in that same heat. Witmer went on to score the feature win which I was told that she wins a lot of the Jr Sprint features there. Tim Buckwlater's, son Aiden, was third in that feature the first time at the track. Tim has a number of feature wins in 600-micro sprints Speedsters, and small block modifieds, at different speedways in the area. Dominic Schmidt won the wingless 600-micro feature while Barrett Bressler won the Restricted 600-micro feature. Three more races are on the tracks schedule for this year Saturday October 17th and 31st and a Friday on the 23rd.

Last Saturday night at Path Valley they ran their final point shows for the season in a six-division show, with Gunner Wals winning the limited late model feature. His second of the year at Path and sixth overall. He has two at Bedford, one at Ports Royal and one at Big Diamond. Taylor Farlling was a close second after taking over that sport late in the race from JR Toner who got caught behind lapped traffic. Tommy Slanker and DJ Myers in the top five. With his fifth place finished DJ Myers wins the tracks point championship over Shyann Smith who did lead the points most of the season Myers had 221 with Smith at 202 Port Royal Champ, Jaxton Garman was third with 170, Cayden Ranck 1666, Gunner Walls 163. The four-cylinder car feature was won by Jeremy Ott, who also scored the win in the legends feature. Dakota Yeingst won the 270-micro feature over Clinton County Champion Mac Wert with Bradyn Kuhn third. Jim Young won the 600-micro feature over Brian Kramer and Randy Kunkle. 4-Cylinder strictly stock was won by Garrett Watkins over Justin Williamsons. The night produced 159 race cars with 21-Limited late models, 4-cylinder thunder cars had 34, 28 270-micros sprints, 20-600-micro sprints, 28 Legends and 24 4-cylinder stocks. Path Valley ends there season this weekend with a show for the Sprint car nationals on Friday featuring the 600-micros, 270-micros and wingless sportsman. Then on Saturday will be the fender nationals with Limited late models 4-cylinder thunder cars and 4-cylinder strictly stocks.

Four big events of racing this weekend with the Jim Nace Memorial at Selinsgrove this Friday and Saturday with the 410-sprint and 305-sprints in action both nights. Friday the 410' race for $6,000 to win while on Saturday they will race for $26,000 to win. The 305-sprints will race for $600 to win on Friday and $2,600 on Saturday. The Annual Blaise Alexander Memorial for micro sprints will also be run this weekend at the Greenwood Valley Action Track near Millville with 600 winged and wingless micros and three different divisions of 270-micro sprints in action also along with the 125 micros. The third event is a little out of the area with the running of the 54 annual Dirtcar Nationals for Big Block Modifieds and 358-Modifieds and Sportsman Modifieds, along with Pro-Stocks all of this will take place at Oswego speedway in New York. BAPS Motor speedway will also have two nights of racing this weekend with the running of the fall nationals Friday will have 358-sprints, Legends, Four Cylinders, 602 Crate Sportsman Modifieds Extreme Qualifying and Classic Cars. Saturday the super sportsman and Limited late models will join in on the action with racing starting early at 1p.m. on Saturday.

I want to apologize for leaving out my recaps from our high school football games last week. I did not realize how many of you get the local high school scores here in The Union/Snyder County Times. October is the best and busiest sports month of the year and that's no excuse for my error. Speaking of errors…how about those Yankees in game two against the Rays? More on that later.

Two weeks ago Williamsport suffocated Selinsgrove in a 23-8 win that was determined in the first three drives of the game. Williamsport fumbled the first Grove punt and the Seals failed on fourth down at the 17 yard line. The Millionaires drove 87 yards to start the scoring and were leading 23-0 before Cael Badman scored with just over five minutes left.

Shamokin (6-0) QB and Wake Forest recruit Logan Steele led the top ranked team in the state to a 42-0 win over (2-4) Selinsgrove. Steele was recruited as an athlete by Wake and showed off his skills by rushing for 97 and 70 yard touchdowns. The Seals Badman ran the ball well in gaining 88 yards on 17 carries. Grove hosts their river-rival Shik Friday night.

Midd-West scored a couple TDs late after the hay was already in the barn two weeks ago. Bloom overwhelmed Midd-West early in outgaining the Mustangs 370-54 yards in the first half on their way to a 35-22 win. Bloom has a really good team.

Last week the Mustangs were hanging on to a four point lead 13-9 until Hughesville ran for two TDs as Midd-West fell 22-13 to the Spartans. D'Angelo Drumhellar scored on a 63 yard pass and run and Mason Fultz averaged 10 yards per carry and a TD. It´s not going to get any easier for Midd-West as they will travel to play the high-flying Green Dragons Friday.

Those Dragons are on a roll with Xavier Carter back from injury and under center. Two weeks ago Lewisburg beat Warrior Run 43-14 as Carter threw for 248 yards and 3 TDs, ran for 58 and ended the game with a 141 passing rating! Drake Osunde and Jaylen Walker caught eleven of Carter's passes totaling 206 yards and a TD for each. Freshman Ethan Coleman ran for 160 yards and scored twice as the Green totaled 527 yards against the 3-2 Defenders who didn't play like their nickname.

Lewisburg and Loyalsock totaled 61 points in the first half, the Dragons added 28 more to score 61 themselves in their 61-42 victory. Believe it or not, neither team scored a point in the fourth quarter. In the third quarter all-everything Walker scored twice in twenty seconds with a 76 yards kickoff return and a 55 yard pick six.

Having a healthy Xavier Carter back at QB is making all the difference as he threw for 291 yards and 4 touchdowns, two to Walker and one each to Owen Fallon and Osunde. Both teams ended the game with identical 447 yards of total offense in one of the wildest games of the year.

Two weeks ago our other Union county school beat Sock 32-27. Miff coach Cody Botts said he would address the offensive line issues after the first game of the year. I´d say the O-lineman from his playing days at Miff and Lycoming knew what he was doing. The Cats ran for 312 yards and four TDs in a big 32-27 win. Hey Cody, call Penn State and see what you can do with their offensive line.

QB Brennen Snyder threw for 206 yards with Luke Brubaker catching four for 114 yards. Running back Landon Moser averaged over eight yards a carry for 205 and 3 TDs.

Mifflinburg (4-2) thumped Warrior Run 51-6 behind that improved O-line and their relentless defense…a combo that will win you a lot of football games. Moser and Seth Hartman averaged over 10 yards a carry totaling 178 yards. The Cats travel to Central Mountain Friday.

If you can believe it, the regular season is past the midpoint and three of our schools are positioned well for the post season. Selinsgrove should be qualified for 4A Districts with one more win. Mifflinburg and Lewisburg are both in for 3A Districts no matter the result of the year-end Little Brown Jug game.

The depth of really good runners on our cross-country teams showed up last week. The Lewisburg boys dominated their tri-meet with Bloom and Warrior Run with ten Dragons finishing in the top 15 and Tyler Confer leading the way. The Dragon girls won their quad-meet against Loyalsock, Bloom and Warrior Run with Ella Beal leading seven Lewisburg runners in the top 15.

The Midd-West girls got two wins in the tri-meet with Shik and Shamokin. Seven Mustangs finished in the top 15 led by Ashlyn Hoffman in second and Evelyn Weiser's third place finish. The Midd-West boys eked by Shik 29-30 as Grant Boop and Lyncoln Hoffman finished first and second as only one second was the difference.

The great barometer of where your cross country team stands is the fifty school NEPA Invitational held annually at Bloomsburg University. The Towanda boys and girls swept the team titles. Lewisburg girls finished 2nd, Midd-West 3rd and Selinsgrove 5th. Our local boys teams also did well with Lewisburg 4th, Midd-West 5th and Grove 21st.

Top individual finishers were Lake Dent from Selinsgrove 3rd, Lewisburg's Beal 8th and Kaelyn Bozella 11th and Midd-West Hoffman 13th out of 195 runners. Top local boys were Boop 3rd and Hoffman 7th and Lewisburg's Confer 8th out of 246 runners. Well done group.

The Grove and Midd-West girls soccer teams are positioning themselves for top seeds in Districts. Selinsgrove is currently #1 in 3A and Midd-West #2 in 2A. Undefeated Midd-West beat Shik 4-1 with two Ava Atkins assists and a goal. They continued their winning ways with 2-0 and 3-0 shutouts of Central Mountain and East Juniata. Aitkins had a goal in each game.

Grove shutout Shamokin 6-0 with Jozlyn Zaharda´s two goals and an assist. Hannah Boyer also scored on a penalty kick. The Seals tied Altoona 1-1 with Kaia Hoke's goal.

Lyla Moyer scored the lone goal in a Mifflinburg (3-6) win over Williamsport and Mia Reibsome had 15 saves. Lillian Beachy's goal wasn´t enough in a 2-1 loss to Milton. They also lost 6-2 to Shik.

Lewisburg split last week in beating Loyalsock 7-0 and losing 3-2 to Hughesville. Payton Spigelmyer and Madelyn Schwartz each had five points in the Sock match. Spigelmyer had both goals and Schwartz both assists in the Spartan loss.

The Lewisburg boys soccer team (11-1) is scoring like their football team by beating Danville 14-0. Noah Kettlewell had a goal and assist. For the second consecutive game Lewisburg didn't allow a shot on goal in beating Williamsport 2-0 on two Eli Abunassar assists.

The Seal boys beat Shamokin 6-0 after the girls did the same to Shamokin the day before. Braydon Mack had three goals and Josiah Bisaccia two assists in the shutout. They lost 2-0 at Altoona. Midd-West (10-2) had a big 7-1 win over Williamsport and an even bigger 4-1 win over county rival Selinsgrove. Evan Devine had five points and Nathan Horst three in their neighborly win.

Mifflinburg (3-10-1) shutout winless Bloom 1-0. How about a big shoutout to the Juniata Christian School boys soccer team. Their team is 14-1 this year following their 5-1 win over Millersburg. Jordan Lara and Julian Flores each had two goals and an assist.

In field hockey, Maesyn Franquet scored the game winning goal and assisted on the game-icing goal in a 2-0 over Muncy. Midd-West (10-3) followed that up by getting upset by Central Columbia 2-0. Then they had a surprisingly easy 6-0 win over Bloom where Sabrina Fegley had five points and Veyda Trego four. The balls kept going through the net with an 11-0 whitewash of Danville as Franquet and Trego each had six points.

Lewisburg (6-4-1) lost 2-1 to Line Mountain despite Abigail Madden's goal. The Dragons were shutout 3-0 by Selinsgrove behind the Grove's Violet Shaffer and Ella Heath getting three points each. Nora Moyer, Lexi Stoneburg and Sawyer Kovaschetz all had strong games in the midfield.

Six different Wildcats scored a goal in an 8-0 win over Shik with Amelia Fluman having three goals and one assist. Jillian Hoy added a goal and two assists.

Mifflinburg´s undefeated record is no more as they stepped out of D4 play and lost 6-0 to D3 defending state champion Susquenita. District 3 plays a game unfamiliar to what D4 is used to. For the last ten years District 3 has been by far the best field hockey district in the state.

You don't believe me? There have been 32 state final field hockey games played over the last ten years in the three different classifications. Schools from District 3 have won 17 of those and were runner-ups in 21 championship games. Palmyra, Hershey, Wilson, Donegal, Lower Dauphin and Greenwood are just some of the powers from District 3.

Speaking of power districts, it´s looking like the SEC reloaded and wants to rule college football again and prove to the country they are better than the Big 10. Half the schools in the top 10 rankings are SEC schools and they have half the top 18. The Big 10 has 2 in the top 10 and 3 in the top 18.

Depth is not only good for our local cross country teams, the depth of the SEC does indeed make them the best football conference in college. Alabama looks really good and Texas beat Ohio State earlier this year. Call me a homer, but at the end of the season, the National champ will be a Big 10 team for the fourth straight year.

The lack of Big Ten depth can be directly related to college football bluebloods who look more black and blue. Michigan, USC and Penn State are struggling mightily, some more than others.

When USC escapes Penn State´s whiteout this weekend that win will vault them to a possible spot in the playoffs.

Michigan is still hungover from their last second win that wasn't against Western Michigan. They have one of the highest paid QB´s that can´t pass and a first year coach who wishes he was back coaching at Utah.

I think the most dire situation is the one an hour west of us. I´m not saying Matt Campbell won´t get it turned around or that AD Pat Kraft shouldn´t have gotten rid of James Franklin. It´s a tough transition for new Penn State coach Matt Campbell with a tougher conference, greater scrutiny, a more demanding fan base and much higher stakes than he had at Iowa State.

Losing a homecoming lead to Wisconsin was bad enough but getting pushed around by Northwestern is a massive red flag. Penn State was outgained 506-291…even if this is a good version of Northwestern, that should never happen.

No matter what the Nittany Lions do the rest of the year, the what-ifs and recriminations will hound Kraft unless Campbell can prove next season that he´s the right guy for the job.

I thought the Yankees starting pitchers would get them far into the playoffs. They forgot that when a Rays hitter puts a ball in play, you have to field it!

In closing this week, I've had a couple people ask me if I use AI to write my articles. I do not use AI but something more powerful…. MB! Mrs. Bolt corrects my spelling and punctuation.

Gaye Fifer, a nationally known and accomplished caller from Pittsburgh, will lead an afternoon workshop for English Country Dance and Contra Dance and an evening program with a mix of both.An active dancer herself, Gaye understands the subtleties of making dances particularly satisfying for dancers. Her instructions are clear and concise. An easy smile and delightful sense of humor are part of Gaye's relaxed, pleasant style at the microphone.

($10 for students).

English Country Dancing is a traditional social folk dance style that originated in England and dates to the mid-1500s. All dances will be taught and called by Gaye Fifer. The workshop will be an introduction to the figures called.The evening dance will build on that workshop.

Contra Dance uses figures or patterns that are similar to square dancing but unlike square dancing, any even number of people can dance because Contra Dancing is done in long lines of two people instead of squares of 8 people. It has mixed origins from English country dance, Scottish country dance, and French dance styles in the 17th century. Sometimes described as New England folk dance or Appalachian folk dance, contra dances can be found around the world.

Countryside Contra Dancers hosts dances on the second Saturday of every month from September through May. All dances are held at the Heiter Center in Lewisburg.

Listening Room with Davey O and the Reese Fulmer & Carriage House Band

By Kay Poeth

On Wednesday, October 14from 7:00-9:15 pm at the CommUnity Zone, located at 328 Market Street in Lewisburg,Davey Owill be taking the stage, followed byReese Fulmer and the Carriage House Band, for two exciting sets. Doors open at 6:30 pm. Admission is $10 to support the musicians;children under 12 are free. Light refreshments are provided, BYOB.Free parking on the street.

Davey O- Songwriter Davey O. has been described by Buffalo News critic Jeff Miers as having "a journalist's eye for detail and poet's ear for the well-turned observation". Davey crafts pure Americana drawn from the deep well of experience and human emotion - no hackneyed story lines, no insincere polish, just an unflinching poet's look at life. The characters woven seamlessly into stories of which the song itself becomes the soundtrack for the movie playing inside the listener's head.

Armed with a steady, rhythmic pulse on his Gibson guitar, and a no apologies rust-belt work ethic, Davey has entertained diverse audiences at listening rooms, coffeehouses, nightclubs, festivals, colleges and universities throughout the Northeast, Midwest, Midsouth and Atlantic U.S. - performances that result in engagement and communion between performer and audience through story and song.

Reese Fulmer and the Carriage House Band-is a versatile indie-folk/americana ensemble that features regulars Chris Carey (drums), James Gascoyne (bass), Dylan Perrillo (bass), Jimi Woodul (guitar), Chris Bloniarz (octave mandolin), Connor Dunn (saxophone), and JP Hubbs (keyboard) in a variety of lineup combinations.

Reese and his band have become one of the fastest-rising roots music groups in upstate NY with expansive albums highlighting a reputation for compelling performances. With its rotating cast of talented players, a broad and dynamic body of work, and a refusal to set anything in stone, Carriage House Band shows are always fresh, full of joy, and hard to describe. Their live performance thrives in between genres folk, Americana, jazz and the result is a sound that's complex without being convoluted.

The Listening Room Series provides a line-up of top-notch performing artists throughout our region and beyond. The collaboration between the CommUnity Zone and the Local Music Collective, that offers musicians and appreciative audiences alike an intimate performance free from distractions.

Join the musical performances at The Listening Room on October 14 beginning at 7 pm. For more information, contact Cynthia Peltier at peltiercynthia4@gmail.com or call 570-713-7479.

LDP Celebrated Community Impact at the Third Annual Soiree

The Lewisburg Downtown Partnership (LDP) celebrated the people whose energy, service, and commitment continue to shape Downtown Lewisburg during its third annual Soiree, held on September 16, at the Campus Theatre.

The evening included the presentation of the first-ever Impact on Market Street Award, along with special recognition of longtime LDP leader Ellen Ruby and volunteer Tommy Possinger.The inaugural Impact on Market Street Award was presented to Elizabeth's An American Bistro. John Furia accepted the award on behalf of Elizabeth's alongside Executive Chef Melissa Gelnett, who worked closely with Liz Furia as her sous chef before becoming executive chef.

The Impact on Market Street Award recognizes an individual, business, organization, or partnership whose commitment, energy, generosity, investment, and community spirit have made a meaningful and lasting impact on Downtown Lewisburg. In establishing the award, LDP looked to the kind of impact Liz Furia made on Downtown Lewisburg as an example of the standard it is intended to recognize. Through Elizabeth's, Liz created a destination that drew people from near and far, but her influence extended well beyond the restaurant itself. She brought energy to Market Street, supported the people and businesses around her, gave generously to her community, and understood that a thriving downtown depends on people willing to invest in something larger than themselves. That legacy sets a high standard for the award and for the individuals, businesses, and organizations who will receive it in the years ahead.

The presentation became one of the most emotional moments of the evening. As John and Melissa accepted the award, those gathered at the Campus Theatre rose to their feet in a standing ovation. There was hardly a dry eye in the theatre as the community honored Elizabeth's and reflected on Liz's lasting impact on Downtown Lewisburg.

The evening also recognized Tommy Possinger for his extraordinary volunteer service to LDP and Downtown Lewisburg.Tommy serves as an LDP Ambassador, helping strengthen communication between the Partnership and downtown merchants. Known within the organization as an "idea machine," he continually looks for new ways to connect local residents and visitors with downtown businesses and LDP events, bringing enthusiasm, creativity, and a strong sense of community to his volunteer work. Tommy was also recognized for being selected as a PA Humanities Window Keeper, a statewide honor celebrating Pennsylvanians whose everyday actions help shape strong communities and sustain civic life through the humanities. His selection recognizes the kind of behind-the-scenes work that builds connection, encourages participation, and strengthens community.

In addition, LDP honored Ellen Ruby for more than 15 years of service to the organization in a variety of roles, including many years leading the Partnership as Executive Director. As Executive Director, Ruby helped guide the organization through years of downtown development, collaboration, events, business support, and community-building. Her leadership included helping establish the Community Partnerships building at 328 Market Street in collaboration with the CommUnity Zone, creating a shared downtown home for the two organizations and a space for community gatherings and programming. Ruby also helped lead LDP through Lewisburg's successful Mainstreet Matters - Mainstreet Designation, opening additional opportunities for technical assistance, investment, and resources to support Downtown Lewisburg.

Today, Ruby continues her service to the Partnership as Director of Finance, bringing years of institutional knowledge, financial expertise, and commitment to the organization and the downtown it serves.

Together, the evening's recognitions reflected a common thread: Downtown Lewisburg is strengthened by people who choose to invest their ideas, time, talent, and care in the community around them. The Impact on Market Street Award is intended to become an annual tradition, recognizing those whose contributions help make Downtown Lewisburg a place where people want to gather, explore, return, and belong.

Voter Education Efforts Ahead of the 2026 General Election

"Counties sending out mail ballots means voters in some counties can now begin casting their ballots, which is why it is so important the Department provides clear, nonpartisan information about elections and how eligible Pennsylvanians can participate," Sec. Schmidt said. "Keeping Pennsylvania voters informed is a key part of the Shapiro Administration's commitment to strengthening our democracy and ensuring safe and secure elections."
Among the key dates:
·Oct. 19: Last day to register to vote in the general election
·**Oct. 27:** Last day to apply for a mail ballot
·**Nov. 3:** Election Day. Polls are open 7 a.m.-8 p.m.; if in line by 8 p.m., stay in line, as you'll be able to vote.
·**8 p.m., Nov. 3:** Deadline for all mail ballots to be **received**

The Department's voter education toolkit provides ready-made graphics with election facts – in English, Spanish, Chinese, Russian, and Vietnamese – for stakeholders and the public to share online to further educate voters about the general election. The Department's voter information website, vote.pa.gov, is available in English, Spanish, and Chinese and offers a polling place locator and contact information for county elections offices. It also includes tips for first-time voters, mail voters, elderly and disabled voters, and members of the military.

United Way's "Diaper Dash" Kicks Off Across 5 Counties

United Way's "Diaper Dash" Kicks Off Across 5 Counties Throughout October

Susquehanna Valley United Way (SVUW) has once again launched its annual Diaper Dash. Throughout the month of October, their team will collect diapers and wipes so families have one less thing to worry about as the colder months approach.

Weis Markets, in partnership with the Kimberly Clark Corporation, has once again generously jump-started the drive with a kickoff donation of two pallets of Huggies® diapers, a $5,000 value, to help our region start strong.

"No parent should ever have to worry about whether they have enough diapers for their child," said Maria Rizzo, VP of Marketing & Advertising for Weis Markets. "Diapers are a basic need that keeps little ones healthy, comfortable and ready to thrive. We're proud to support Susquehanna Valley United Way's annual diaper drive, and we hope our donation makes a difference for local families while inspiring others in our community to support this important initiative."

All donations collected during the Diaper Dash will be distributed to local pantries in Columbia, Montour, Northumberland, Union, and Snyder Counties, directly benefiting area families. Please contribute by October 31 to make an impact this holiday season.

"Once again, we are seeing an increased need for basic supplies from our neighbors in all five counties and beyond," said Mark Stankiewicz, SVUW President & CEO. "We are excited to be able to collect diapers and wipes for local families in need to make sure they have one less thing to stress about as temperatures begin to drop and we see an uptick in requests for other resources. We couldn't do it without the support of Weis Markets and our wonderful community partners – and we thank them for their continued assistance."

How to Help (All October):

- Donate diapers and wipes at collection sites across the five-county region, including all Service 1st Federal Credit Union branches, all Central Penn Bank & Trust locations, all Greater Susquehanna Valley YMCA locations, and the Danville Area Community Center.
- Find addresses and additional drop-off locations: svuw.org/diaper-dash-2026
- Host a workplace drive. Employers can rally their teams to collect diapers and wipes at the office and make a collective drop-off
- Give online.Monetary gifts allow United Way to purchase diapers and wipes across all sizes and fill gaps for higher-demand sizes as needs change throughout the drive.Visit svuw.org/diaper-dash-2026 to contribute.

"Sometimes helping a family isn't about changing their whole world, it's about taking away one worry so they can make it through another day," said Angela Peters, Family Development Specialist at SVUW. "Being able to provide diapers to another family means a lot. We know behind every request is a parent doing their absolute best."

Fire Prevention Week

During Fire Prevention Week — October 4-10 — the American Red Cross of Greater Pennsylvania offers steps you can take to help prevent a fire in your home and keep your loved ones safe.

"Across the country, the Red Cross responds to more than 60,000 disasters a year and most of these are home fires. Here in Pennsylvania, our disaster teams have responded to more than 1,700 fires since the beginning of 2026," said Jorge Martinez, chief executive officer of the American Red Cross of Greater Pennsylvania. "These fires are devastating for the people involved. But there are steps everyone can take which will help not only help prevent a fire from starting but also help keep everyone safe should an emergency occur."

FIRST: STEPS TO HELP KEEP YOU SAFE — check out the first 10 steps below to learn what you should do:

HAVE A PLAN You may have less than two minutes to escape from a burning home. Draw up a household fire escape plan and practice it twice a year.

1. Everyone in your household should know two ways to escape from each room in your home.
2. Decide where to meet once you get outside. Select a meeting spot at a safe distance away from your home, such as a neighbor's home or landmark like a specific tree in your front yard, where everyone knows to meet.
3. Get out and stay out. Never go back inside for people, pets or things.
4. Time your fire drill and find out how long it took everyone to get out.
5. If a fire starts in your home, get out safely, then dial 911.

SMOKE ALARMS SAVE LIVES Smoke alarms can cut your risk of dying in a fire nearly in half.

1. Place smoke alarms on each level of your home, including inside and outside bedrooms and sleeping areas.
2. In addition to testing your alarms once a month, change the batteries at least once a year, if your model requires it.
3. Check the manufacturer's date of your smoke alarms. If they're 10 years or older, they need to be replaced because the sensor becomes less sensitive over time. Follow the manufacturer's instructions.
4. Identify two exits from every room.
5. Teach children what smoke alarms sound like and what to do when they hear one.

SECOND – STEPS TO HELP PREVENT A FIRE — steps 11 through 20 focus on things you can do to lessen the chance of a fire in your home:

BE SAFE IN THE KITCHEN Cooking is the leading cause of home fires in the U.S. Follow these five steps to help you avoid a cooking fire:

1. Never leave cooking food unattended. If you must leave the kitchen for even a short period of time, turn off the stove. Use a timer to remind yourself that the stove or oven is on.
2. Avoid wearing loose clothing or dangling sleeves while cooking.
3. Keep kids away from cooking areas by enforcing a "kid-free zone" of three feet around the stove.
4. Keep anything that can catch on fire — pot holders, oven mitts, wooden utensils, paper or plastic bags, food packaging, and towels or curtains — away from your stove top and oven or any other appliance in the kitchen that generates heat.
5. Purchase a fire extinguisher to keep in your kitchen.

HEAT YOUR HOME SAFELY Home heating equipment is the second leading cause of home fires. As the time of year nears when people turn the heat back on, take these five steps to heat your home safely:

1. Never use a cooking range or oven to heat your home.
2. Never leave a fire burning in the fireplace unattended. Make sure any embers in the fireplace are extinguished before going to bed or leaving home. Use a glass or metal fire screen to keep embers in the fireplace.
3. **Space heaters:** It's critical to keep at least three feet of space around all heating equipment, and never leave space heaters unattended.
4. If you must use a space heater, place it on a level, hard and nonflammable surface, such as a ceramic tile floor. Don't place it on rugs and carpets, or near bedding and drapes. And keep children and pets away from the heater.
5. Plug space heater power cords directly into outlets — never an extension cord. Turn it off every time you leave the room or go to sleep.

"According to the National Fire Protection Association, there was a home fire every 23 seconds in 2024 which claimed a life every two hours and 14 minutes," Martinez reported. "During Fire Prevention Week, we here at the Red Cross urge everyone to develop their evacuation plans, check their smoke alarms and help keep the members of their household safe."
