Lace Up, Give Thanks & Trot With Us!

2026 Mifflinburg Turkey Trot 5K & Kids Fun Run

Start your Thanksgiving morning with family, friends, fitness and fun at the 2026 Mifflinburg Turkey Trot 5K & Kids Fun Run!

The Thanksgiving morning race kicks off at 9:00 AM, with registration beginning at 7:30 AM. The 5K is a timed race, making it a great event for both serious runners looking to compete and families and friends simply looking to start their Thanksgiving Day on the right foot. We'll also have a Kids Fun Run for our youngest participants!

There are plenty of reasons to get out and trot with us. Prizes will be awarded to the top overall male and female finishers, along with prizes for the top finishers in each age category.

And don't forget to get creative! We'll also award a prize for the runner with the best costume. Thanksgiving-themed, turkey-inspired, funny or festive—the more creative, the better!

You Can't Have a Turkey Trot Without Dessert!

Every registered runner will have the opportunity to enter our Pumpkin Pie Raffle. Simply provide your name and cell phone number for a chance to win. Because really, what's a Turkey Trot without a little dessert?

Water and snacks will also be available for our runners.

Register Early & Save!

There are two great reasons to register early:

SAVE $10! Register by September 30th and pay only $25 for the 5K.

GET A FREE T-SHIRT! Runners who register by November 6th can order their complimentary 2026 Mifflinburg Turkey Trot T-shirt.

Giving Thanks & Giving Back

Thanksgiving is about more than a great meal—it's also a time to be thankful for what we have and to help those in our community.

This year, we will be holding a food drive for kid-friendly food items to benefit the Wildcat Weekend Food Program. We will also have a donation jar available for cash donations.

Your participation in the Turkey Trot directly supports the Mifflinburg High School Boys Lacrosse Team. Last year, more than 500 runners registered, and the proceeds from this fundraiser helped us purchase much-needed equipment, including helmets, sticks, gloves, new goals and nets. Funds also helped provide team meals and support our end-of-the-year banquet.

So whether you're a competitive runner, a casual jogger, a walker, a family looking for a fun Thanksgiving tradition, or someone who simply wants to support our community and our student-athletes, we hope you'll join us!

WILLIAM GROVE HAD A WILD NIGHT OF RACING TWO PA POSSE RACES THIS WEEKEND FOR SPRINTS

Last Friday night was the Kevin Gobrecht Memorial for the 410 sprints, along with a special $2,500 to win for the 358 sprints, with 32 drivers in the 410 class and 23 in the 358 class with both classes having time trials. The first official heat race did not start till 8:30. Things moved quickly after that, except a high number of red flags for flips. The first was for the 3D of Dave Grube flip in his heat race. The program moved along until the third 358-sprint heat when Kenny Edkin who was driving the Schnoke #29 did a small roll in turn two. Driver changes were also happening on this night with Buddy Schweinbinz driving the Kreitz Friday night and also Saturday at BAPS Motor speedway. Preston Lattomus was in the Westbrock #1W normally driven by Buddy. Both drivers made the feature, with Preston flipping just under the bridge on the back stretch at the start of the feature. Schweinbinz led the feature for a number of laps until Freddie Rahmer slide past. But before Freddie could build up some distance, he slides over the cushion in turns three and four which let Chase Dietz slide by both he and Buddy for the lead. Before the feature came to an end, Logan Rumsey misjudged the inside of turn one and hit the guard rail and rolled over while he was running in the top five. Doug Hammaker had nowhere to go and hit the outside fence knocking him out of the feature. Dietz led the rest of the way for the feature to win his second at Williams Grove and his 21st of the season. Freddie Rahmer placed second with Austin Bishop, Schweinbinz and Danny Dietrich in the top five. At the start of the 358-sprint car feature there was a bad crash with six drivers involved, and as was the case with all the other accidents. None of the drivers were hurt. Cras of #77 Steve Owings, 70D Brock Hammaker, 22B Josh Tuckey, and the 2 of Denny Gross were all out of the race. 1A of Chase Gutshall made repairs and went back out for the restart of the feature, coming back for an eight-place finish. Andy Best led the whole 25-laps for his first win of the year at the Grove and second overall at the speedway. Austin Reed was second holding off a hard charging Derek Locke who was third, then came Dylan Smith and Cody Fletcher in the top five. This Friday it will be a WOO series tune -up race for the 410-sprint to get ready for the World of Outlaws retune to the track for the last time this season on Friday and Saturday October 2-3. The 358 sprints will have their final points show this Friday with the title to be decided between Derek Locke who has a 30-point lead over Austin Reed with Cody Fletcher another 50 back.

Saturday at BAPS speedway Cameron Smith drove to his victory of the season at the speedway holding off Troy Wagaman, Chase Dietz, Logan Rumsey and Danny Dietrich. This was a PA Posse points race, while the race scheduled for Sunday at Path Valley was rained out. The Friday night race at Williams Grove and the Saturday night race at Lincoln will both be PA Posse point races. Going into this weekend the standings look like this Chase Dietz 1208, Danny Dietrich 1151, Troy Wagaman 1148, Justin Whittall1000 and Lance Dewease 884 in the top five with Ryan Smith, Cameron Smith, Freddie Rahmer, TJ Stutts and Logan Rumsey in the top ten. Including this weekend there are nine point's shows left in the season which ends with the show at BAPS on Saturday November 14th. Lincoln has three more show Baps and Selinsgrove two each, Williams Grove and Bridgeport speedway one each. After this Saturday Lincoln Speedway will come back with a Wednesday night September 30th for a PA Posse race.

This weekend for the late model side of things, Bedford speedway will be running their ninth annual Keystone Cup, with Limited late models 305-sprints Semi-lates and four cylinders in action. Saturday will be the super late models with the race paying the winner $20,000 to win, Pure Stock and Crown Vics will also be racing. The event for the super late models will pay $8,000 for second $2,500 for fifth $1,400 for tenth and $1,000 to take the green. The track will have time trial, heats a B-main and feature for the supers with a special practice session for those drivers on Friday night. Jeff Rine won this race two times in 2018 and 2022, with single wins going to Rick Eckert 2019, Gregg Satterlee 2020, Max Blair 2021,Kyle Hardy 2023, Mason Zeigler 2024 and Trevor Feathers last year. Feathers hurt his motor the other week and does not plan to race this Saturday unless he gets a ride. Trevor did win the Bedford points and won two features during the season. Other winners this season Justin Weaver, Matt Sponaugle, Gregg Satterlee, one win each with two wins going to Jeff Rine, Mason Zeigler, and Spike Moore. Max Blair is racing with the Lucas Oil series this year and will miss these events but still look for plenty of top shelf drivers to be on hand for the big payday.

Anyone remember a driver by the name of Justin Zimmerman who ran in the 358-sprint at Selinsgrove in the early 2000's and did ok he was from the state of Texas and lived in Selinsgrove for a number of years. Was watching some High Limit racing on Flo where they also had a wingless sprints group called the Powri series. Justin, who is now 42 -years-old, made all three nights of the feature for this group with his #1Z wingless sprint. Justin placed 4th on Thursday night and second on Friday, which meant he had enough points to make the feature for the Saturday night big show. Justin got caught up in a wreck during the feature but was able to continue and drove to a 5th place finish. He won a heat race on Thursday. When they did an interview with him he stated how out of breath he was because he as not raced that much this year. He still managed to do a great job and ended up in the top ten in points for his weekend's action.

The ULMS did not get to race at Selinsgrove speedway on Saturday night do to wet Grounds, but on Friday night they did race at Outlaw speedway in Dundee N.Y. with Tim McCreadie scoring the feature win which was his third of the season. The two other have been on the WOO series one at Volusia Raceway Park in February and at Selinsgrove back in May. Gregg Satterlee was second with Max McLaughlin third in the Glen Styer #8 Brock Pinkerous #555. Jon Lee was fifth, Bryan Bernheisel, Dylan Yoder, Michael Lake, Rick Eckert and Andrew Yoder were in the top ten. It is a shame Selinsgrove was not able to race with top drivers like that on Friday who might have headed to Selinsgrove on Saturday. The next race for the series will be on October 24th at Potomac Speedway in Maryland for the Daryl Hills Memorial paying the winner $6,500 to win. Jon Lee leads the points with 2050-points over Bryan Bernheisel 1710, Daryan Lewis Ken Schaffer and Kevin Smith in the top five.

9/18: I´m not saying the fourth week in the high school season is the most critical game of the year, but for three of our schools it's clearly an important game. Win and you're at 2 and 2 with momentum, lose you're 1 and 3 and your season is approaching the cliff. All four of our schools have 1 and 2 records and this week's football games are very important.

Midd-West lost to undefeated Warrior Run 42-7 last week. Mustang QB Witten Carter is finding his groove in the pocket as he hooked up with Konnor Kullman and D'Angelo Drumheller for 13 receptions covering 200 yards and one TD for a 64.8 QB rating. These connections will have to continue as once-beaten Loyalsock comes to town Friday night.

Mifflinburg gave up 31 unanswered points after leading 14-7 after the first quarter, in losing 38-14 to Bloomsburg. The Panthers well-balanced offensive attack of 199 yards on the ground and 191 through the air was too much for the Wildcats to defend. Cat´s coach Cody Botts said ¨we didn't catch the ball, we must have had 15 drops and 20 plus missed tackles. If we don´t change the little things, games will get out of hand in a hurry.¨

Coach Botts is right as Bloom has a good team - the #5 ranked PHAC team - but #10 Mifflinburg should have kept the game closer. The Wildcats should be able to build some of that momentum as they visit Hughesville this Friday.

Hughesville scored their first points of the year in losing to Lewisburg and Jaylen Walker 38-17 last week. Walker is the best receiver in the area as he scored four TDs on five catches for 219 yards. Walker also found paydirt on a 61 yard punt return. Dragon´s QB Jett Jamieson threw for 266 yards in his first varsity start and had a QB rating of 108.9.

Lewisburg is the one team that can afford to lose this weekend and still salvage a decent year and make the playoffs. They play host to perennial power Southern Columbia this week but have a very manageable schedule the rest of the year.

Overmatched Selinsgrove lost 49-7 to Jersey Shore. The Seals hung with the 3rd ranked PHAC team trailing just 14-7 with a little more than two minutes left in the first half. Shore scored 14 points in those fateful two minutes to take a 28-7 lead to the locker room at halftime.

Jersey Shore shut down The Grove after intermission and scored 21 points in the second half for the comfortable win. Selinsgrove will host winless Central Mountain this Friday to try to get back to a .500 record.

Just a heads up … I can´t get the results and stats from every game in all the high school sports. I try to get game results but it is up to the coaches to report details of their game. Also, in soccer and field hockey, I will sometimes report how many points a player got in a game. If an individual scores a goal it's two points and an assist is one point, you add these together for the players individual stats.

Miff field hockey beat Lewisburg 4-1 with goals from Maize Sauder, Kira Shoemaker, Kenley Flickinger and Avery Reibsome. The Cats had no problem with Warrior Run in a 10-0 shutout and a defense that didn't give up any shots on goal. Shoemaker had three goals to get to 100 career points and Flickinger had six points. The only senior on this team, Brooke Gessner had two assists.

Lewisburg field hockey had a good week in getting two shutouts with a 6-0 win over Southern Columbia and a 2-0 win over Shik. Zoie Harer and Chloe Kerr had the goals in the Shik win.

Grove hockey lost 2-1 in an OT thriller to Line Mountain where Nora Moyer had the lone Seal goal. Two days later the competition got even better with Greenwood winning 4-0 and Grove only had one shot on goal. Midd-West (4-2) also lost to Line Mountain 2-0 but had two big shutout wins over Danville 9-0 and Southern 7-0. Sabrina Fegley had six points and Veyda Trego five in the Danville game.

Lewisburg girls tennis lost 4-1 to Central Columbia despite Daysii Weis winning 6-2,6-3 at No 1 singles. The Dragons slayed Danville 5-0 with Weis and Lylah Shuey both winning their singles matches. Selinsgrove lost 5-0 to undefeated Danville.

The Miff girl netters continue to look for their first team win. Alice Grill is playing very well as she came up just short against Hughesville No 1 single Talia Saka losing a 7-5 super tie-breaker. Earlier in the week Grill won both of her matches in team losses to Montgomery and Central Columbia.

Girls on the pitch saw Selinsgrove beat Jersey Shore 6-1 as Addison Wenzel had two goals and assisted on two others. Wenzel continued her strong play with two more goals in a 3-0 shutout of Mifflinburg. The Mustang girls are 3-0-1 after beating Williamsport 3-1 and Jersey Shore 4-0. Ava Aitkins had a goal and assist in both games and Emery Peters had two goals in the Shore win.

The Dragon boys soccer team had a nice week in beating Shamokin 11-1 and a really good State College team 2-0. Daedrian Campbell, Eli Abunasser and Dylan Vogel all had five points in the Shamokin win. Lincoln Ayres and Everett Good had the goals against State College.

The Midd-West boys beat Danville 12-0 with Evan Devine, Derek Keister and Abe Sellers stuffing the stat sheet with 9,6 and 5 total points respectively. In one of the most anticipated matches of the year the undefeated Mustangs traveled to Lewisburg to take on the once-beaten Green Dragons. Midd-West got on the board first with a Gabe Romig goal. Lewisburg took over in the second half as Mason Pawling, Dylan Vogel and Keegan Crosby all scored in the 3-1 Lewisburg victory.

Selinsgrove girls cross country dominated their quad meet with Mifflinburg, Midd-West and Milton by placing five of the top eight runners. Lake Dent, Isabel Clark and Ashtyn Lukens finished 1,2 and 3. Midd-West won two in the quad led by Ashlyn Hoffman.

Lewisburg cross country hosted Williamsport, Shamokin and Hughesville in a quad match loaded with quality runners. The boys team earned a win over Shamokin 20-42 and the girls got wins over Shamokin 15-43 and Hughesville 27-32 to move their record to 5-1.

Grove golf beat Central Mountain 178-184 as all five Seal golfers shot under 50 at Susquehanna Valley country club and were led by Grahm Davis' 40. Mifflinburg beat Milton 181-207 with the Cats duo of Calen Loss carding a 42 and Davis Martin's 43 were the low scorers.

Last week I gave a quick prediction on how some NFL teams will do this year. Please don´t suffer from over-reaction after just one game and think your team is going to the Super Bowl or will have the first pick in next year's draft. It's a long season and there are going to be highs and lows for every team.

What did I take away after the first weekend of NFL games? You never take points off the scoreboard unless you were given a first down. This is the first year in eighteen that all three New York teams won their first game in the same year. If you´re playing a football game in Australia, arrive at least three days before kickoff. The older I get, the less ´expert analysis' the better. How many fans really know what cover 2 vs cover 3 is, or the difference between 12 and 13 personnel?

My biggest surprise of NFL Sunday was when Mrs. Bolt told me she really liked how Tom Brady was explaining things during the Eagles game. You have to understand that Mrs. Bolt grew up in Columbus,OH and detests anything related to Michigan. In the 27 years and 28 days I have known her she has never said a good thing about Michigan, let alone Tom Brady.

I also didn´t understand the scheduling of the US Open finals competing directly against a full slate of college football and the NFL. Move them to a Friday or Monday. Also, the best and most hyped match of Ben Shelton and Carlos Alcaraz in the quarter-finals didn't start until after 11pm and wasn't over until after 3:30am!

While I´m on the topic of sports on TV, what has happened to ESPN's College GameDay? The show has become more about their on-air personalities than football substance. I realize they have three hours to fill when it used to be two but no matter the length of the show, no more politicians on stage.

I don´t care who the party affiliation is or even if it's the president… NO politicians. You know when Congress approves the Protect College Sports Act, Trump will be on the GameDay stage promoting the bill. This will happen the Saturday before the mid-term elections in November.

Enough about TV and politics. Unlike the NFL, college football teams have played more than one game and there are some early trends I´ve observed. Is Oregon´s Dan Lenning a good coach? I would be concerned if I was a fan of the Ducks. Oregon lost to Oklahoma State last weekend 39-31 and were 25 point favorites for many reasons.

OK State has a new coach and ninety-one new players, and were on a 21 game losing streak to FBS teams. They lost to Tulsa the week before. They lost to Oregon 69-3 last year! This is why we watch college football despite all the off-field noise.

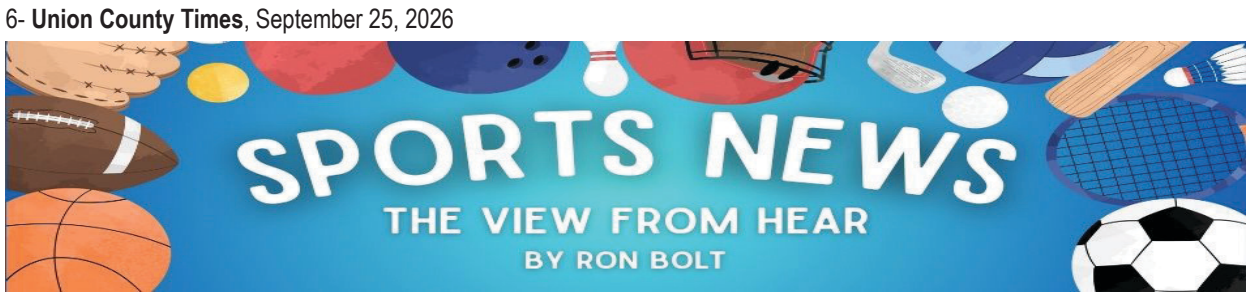

The score was much closer than it should have been because Oregon was given two interceptions that led to 14 points. The Hokies came within six yards of doubling Oregon's total yards gained. Though Oregon had to come from behind to beat Boise State the week before, no one expected this.

Lanning lost both of his coordinators from last year due to the recent success Oregon has had. O-coordinator Will Stein took the head coaching job at Kentucky and D-coordinator Tosh Lupoi took the top job at Cal. It's looking early on this season that Lanning leaned on both of them heavily in years past. It will be interesting to see how Oregon fares when the schedule gets a bit more difficult.

New Kentucky coach Will Stein reminds me a lot of Indiana coach Curt Cignetti in that he has a bold confidence, an aggressive roster implementation and is changing a program´s culture. I´m not saying last year's Indiana story will ever happen again, but keep an eye on this fellow basketball school becoming a football school.

Enjoy Lane Kiffin´s return to Ole Miss this weekend and some baseball while we still have it. Questions and complaints will be answered at theviewfromhear74@gmail.com

How about a shout-out to some Mifflinburg athletes! The girls tennis team won their first and second matches of the year over Bloomsburg by the same 4-1 score in a rare double-header. Alice Grill, Holly Swartz and Breonna Zimmerman swept their singles matches for Miff.

Lewisburg swept the Miff girls 5-0 but were upset by (3-8) Milton 3-2. The Selinsgrove netters beat Mifflinburg 4-1 as Grill got the Cat´s only win by defeating Alexis Hoot in a super tie-breaker 11-9.

The Mifflinburg girls golf team made history in winning the golf program´s first girls victory ever in beating Benton 150-160 at Shade Mountain. Charlotte Hamilton, Colbie Loss and Madison Mayeski won the first of many matches as all three are freshmen.

The Midd-West boy linksters won 171-182 over Selinsgrove led by River Knepp´s 41, Brady Gunkle and Gabe Romig´s 43 and Cameron Swineford´s 44. Grove lost 189-175 to Shik despite a 44 from Quinton Davis. Lewisburg´s Bryce Bussom´s 1-under par 34 led the Dragons (6-1) over Warrior Run 169-171. Miff´s Calen Loss carded a 40 to help beat Bloom 189-192.

The Lewisburg boys and girls cross-country teams went 2-1 and the Mifflinburg boys and girls went 0-3 in a quad-match with Danville and Montoursville. Tyler Confer finished third and Kaelyn Bozella fourth for the Green Dragons. The Selinsgrove boys split their tri-match with Warrior Run and Central Mountain as Zach Lauver finished third. The Grove girls beat Central Mountain 19-36 with Lake Dent, Isabel Clark and Ashtyn Lukens all on the medal stand.

Lewisburg boys soccer is starting to find its way as they handed Selinsgrove their first loss of the year 1-0 on Jack Kohl's goal. Lewisburg followed that up with a 3-0 win over Altoona as Keegan Crosby had three points and Everett Good two assists.

Selinsgrove (6-2) suffered their second 1-0 loss coming up short against State College. The Seals beat Miff 4-0 with four different players scoring goals. It was a tough week for Miff soccer as they lost three games last week by a combined 12-0 score. Midd-West lost to Central Columbia 2-0 following their big match with Lewisburg.

The girls from Midd-West soccer won 1-0 over Miff and still remain undefeated at 5-0-1 after beating Juniata by the same 1-0 score. Midd-West has only given up one goal so far this year. Congrats to Lewisburg coach Emaleigh Greb getting her first win on the pitch with a 3-1 victory over Montoursville.

The Grove soccer girls tied Shik 3-3 in a great game where Morgan Wenzel scored two goals. Wenzel did it again in a 4-1 win over Abington Heights but this time it was sister Addison who totaled five points in the win. Reagan Moll had two goals in a 4-1 win over South Williamsport to put the Seals at 4-1-1.

Mifflinburg field hockey swept Columbia County by beating Bloom 4-2 and Central Columbia 5-4. Four different girls lit the lamp against Bloom and Kira Shoemaker had two goals in the win over Central. Shoemaker tallied her 50th career goal in a 1-0 win over (1-7) Newport to keep the Wildcats undefeated.

Midd-West beat Grove in a taut, defensive game as Veyda Trego scored the only goal in the fourth quarter with an assist from Maesyn Franquet. Selinsgrove shutout Shik 3-0 earlier in the week as freshmen Emma Moyer scored two goals equaling four points in the win. Moyer finished her week by scoring another four points for the Selinsgrove football team in their win over Central Mountain. Moyer is the placekicker for the team. How great is that?

That football game was a 44-0 demolition over Mountain to get the Seals back to an even record. Grove displayed a balanced offensive attack and a stout defense, fifteen Central penalties didn´t hurt either.

The Grove D held Central to 68 total yards with sophomore linebacker Jet Hollenbach leading the way with eight tackles. When QB Rocco Amato did drop back to pass it was usually a TD. Jonathan Neidig caught three passes totaling 86 yards and 2 TDs. Isaac Thomas ran 14 times for 89 yards and 2 TDs. The Seals will travel to Williamsport Friday night.

Loyalsock jumped out to a 42-0 lead over Midd-West in the first fourteen minutes. A sick defensive secondary allowed six TDs in the first half. The Mustang´s linebackers played really good per coach Jeff Janovich… ¨Our linebackers haven´t filled like that all season, they didn´t quit.¨ The real issue was the back half of the defense as a starting cornerback couldn´t go at the last minute due to illness.

Running backs Mason Fultz and Noah Kratzer each scored rushing TDs in the fourth quarter. Midd-West will host undefeated Bloomsburg this Friday.

The opening kickoff was a portent of what was to come as Southern Columbia beat Lewisburg 61-8. Southern kicked the ball off and both Dragon kick returners thought the ball was going to roll into the endzone for a touchback. Southern recovered it on the 1-yard line and scored a play later.

The top-ranked 2A team in the state scored on nine of their eleven possessions. The fact Lewisburg was playing their third-string QB didn't help the cause. First-stringer Xavier Carter is still injured and backup Jett Jamison tweaked his knee and only played in the first series. Welcome to the fire Patrick Fleck, taking his first snaps without several O-linemen that were out due to injury. The Dragons will play Warrior Run Friday in Turbotville.

Mifflinburg came out after halftime and took control of a game they were leading only 7-0. The Cats scored three TDs in the third quarter leading to a 36-0 shutout of Hughesville. The third quarter barrage was a 5 yard TD run by Landon Moser, a 6 yard TD catch by Luke Brubaker and a 45 yard pick-six by Isaiah Kurtz. Moser ran for 167 total yards and QB Brennen Snyder finished with 3 TD passes.

The Cats D was impenetrable as Hughesville rushed for a negative 45 yards on 37 attempts. The competition will get tougher on Friday as Mifflinburg will host Loyalsock.

If any NFL scouts say that Ole Miss QB Trinidad Chambliss is too small to play in their league they are as misguided as those that wrote off Doug Flutie forty years ago. The only thing more impressive than Trinidad leading the Rebels over LSU last weekend was the fact the home fans in Oxford didn't storm the field. I hope Michigan fans took note after they went crazy in the Big House after a loss.

PSP Seeks Owners of Seized Gold and Additional Victims

September 17, 2026

The Pennsylvania State Police (PSP) Troop F Milton is trying to identify the owners of approximately $200,000 in gold bars currently being held as evidence and anyone else told by people posing as federal officers to buy gold or cash and hand it to a courier.

On September 10, 2026, Troopers stopped a silver 2004 Honda Accord, California registration 9TTS143, on Interstate 80 near mile marker 203. Gold and an identity-theft affidavit were found in the car. Two occupants were taken into custody. A victim later said that the Honda looked like the car used to pick up gold on September 3, 2026. Two occupants were taken into custody. A victim later said that the Honda looked like the car used to pick up gold on September 3, 2026.

Investigators believe some of the gold bars were taken from other victims on September 9 or 10, 2026. Earlier on September 10, before the stop the Honda was in Coudersport and Smethport area.

Callers claim to be ICE, DHS or other federal officers and have used names such as Andrew Hall or John Allott. They tell the victim a criminal case is tied to their Social Security Number, that they must cooperate and stay silent and often Telegram and text "I am okay" every two hours. The victim is then told to pull bank or retirement funds, buy gold, wrap it, and give it to a person in a tinted out-of-state car.

UPDATE
September 21, 2026

Through investigative means a 74 year old female, of Rixford, PA was identified as a potential victim/owner of the seized gold. Contact was made with the victim who confirmed she had been scammed. The victim related initial contact was made by the fraud organization over a pop-up on her home computer in July 2026. The victim informed PSP that for the next few months she was made to believe her identity and bank accounts had been compromised. The victim stated that she was instructed to remove her life savings from her accounts and purchase gold. The victim met with the Honda and the two suspects on September 10, at a bakery in Rixford, PA. The victim handed over a package containing approximately $200,000 (43 ounces) of gold to the suspects. The victim said that prior to this incident she had already provided the fraud organization with another $59000 in cash in two separate transactions.

PSP is currently looking for other potential related victims to this fraud organization. Two suspected but currently unknown victims are listed below:

1. One victim from the Port Royal, PA area that may have conducted a meet with the same vehicle and suspects on August 28, 2026.

2. One victim from the Myerstown, PA area that may have conducted a meet with the same vehicle and suspects on September 9, 2026.

If you turned over gold or cash on September 9 or 10, especially near Coudersport or Smethport, or call Troop F Milton Criminal Investigation Unit at 570-524-2662. Reference PA 2026-1166513.
