## Mifflinburg Holiday Festivities

By Kay Poeth

The Mifflinburg Annual Tree Lighting takes place on Sunday, November 27 at 7 pm on Chestnut Street. Downtown Shopping is from 5- 8 pm and the 300 Block of Chestnut Street will be closed from 6 to 7:30 pm. Santa, entertainment, coloring contest, storefront decorating, and more! Boogie to music of KJ Reimsnyder-Wager in front of the Young Mansion. Stop by the Mifflinburg Hose Company for cookies and cocoa. Then whisper your wishes to Santa!

Christkindl Market of Mifflinburg, an authentic German shopping experience will be held on December 8-10. This festive event features little shops, music, food, crafts and traditional treats.

The Mifflinburg Buggy Museum will showcase their popular reindeer exhibit on 5th Street, across from the Gutelius House Museum.

Winterfest at the Elias takes place during the Christkindl Market at the Elias Center for the Performing Arts. Visitors can enjoy live entertainment, food, artisans and crafters and coffee, hot chocolate, hot buttered rum or a hot toddy. The Elias has heated restrooms and the facility is handicapped accessible. The parking lot and Fifth Street will be filled with all types of food, artisans and crafters and decorations.

## Drop-Off Sites Open For Operation Christmas Child

As the Thanksgiving season approaches, many families and children are giving thanks and giving back—to children in need around the world through Operation Christmas Child.

Shoebbox gifts prepared by generous donors and filled with toys, hygiene items, and school supplies may be dropped off now during National Collection Week, Nov. 14 - 21. More than 4,500 drop-off sites are now open. The Samaritan's Purse project will collect its 200-millionth shoebox this year!

Operation Christmas Child has been collecting and delivering shoebox gifts to children worldwide for nearly three decades. In 2022, Operation Christmas Child hopes to collect enough shoeboxes to reach another 11 million children. This season, there's still time for individuals, families, and groups to transform empty shoeboxes into fun gifts. The project of Samaritan's Purse partners with local churches across the globe to deliver these tangible expressions of God's love to children in need. Find a step-by-step guide on the How to Pack a Shoebox webpage.

"This season, children around the world need a tangible reminder that there is hope and that God loves them," said Franklin Graham, president of Samaritan's Purse. "Through these shoebox gifts packed with special items, children also receive the opportunity to hear about the eternal hope found in Jesus Christ."

Participants can find the nearest drop-off location and hours of operation as they make plans to drop off their shoebox gifts. The online lookup tool is searchable by city or ZIP code. Signs at each location will identify the drop off.

Operation Christmas Child, a project of Samaritan's Purse, seeks to demonstrate God's love in a tangible way to children in need around the world and, together with the local church worldwide, to share the Good News of Jesus Christ. Since 1993, Operation Christmas Child has collected and delivered more than 198 million gift-filled shoeboxes to children in more than 170 countries and territories.

This year, Operation Christmas Child will collect its 200-millionth shoebox!

### MILTON STATE POLICE

**Crash** 8:20 a.m. November 9, on I-80 E, at mile marker 205, in White Deer Township. A 2018 Ram 3500 driven by Shiva R. Hangkhim Rai, 31, of Akron, OH, received disabling damage but was able to come to rest on the shoulder near mile marker 205.2 after a deer entered the roadway. No injuries were reported.

**Crash** 10:05 p.m. November 4, on I-80 E, at mile marker 205.5, in White Deer Township. A 2014 Subaru Forester driven by Ava E. Nolan, 21, of Pittsburgh, was traveling east on I-80 in the left passing lane. Nolan lost control and swerved off the roadway striking an embankment along the north shoulder of I-80 eastbound. Nolan's Subaru Forester came to rest along the shoulder. No injuries were reported. Nolan was cited for driving vehicle at safe speed.

**Crash** 5:40 p.m. November 8, on Old Route 15, in White Deer Township. A 2005 Chevrolet Silverado driven by Brayden L. Snyder, 21, of Watsonstown, was traveling north on Old Rt. 15, south of Newky Road. A deer ran across the roadway and Snyder's Chevrolet Silverado struck the deer, killing it and causing disabling damage to the front bumper. Snyder's Chevrolet Silverado then drove onto Newky Road at its final rest facing west.

**Crash** 6:47 p.m. November 7, on Westbranch Highway at its intersection with AJK Blvd., in Kelly Township. A 2012 Ford Focus driven by a 16 year old female, of Watsonstown, was traveling north on Westbranch Highway and attempting to make a left turn onto AJK Blvd. A 2018 Jeep Renegade driven by Rylee N. Shawver, 19, of Beavertown, was traveling south on Westbranch Highway towards the intersection with AJK Blvd. The Ford Focus failed to yield the right of way and attempted to make a left turn onto AJK Blvd, directly in front of Shawver's Jeep Renegade. Shawver's Jeep Renegade struck the front passenger side of the Ford Focus. After initial impact the Ford Focus came to rest in the right lane of Westbranch Highway facing south. Shawver's Jeep Renegade came to rest in the left lane of Westbranch Highway facing north. Minor injuries were reported. The driver of the Ford Focus was cited for obedience to traffic-control devices.

**DUI Crash** 3:18 a.m. October 8, on Crossroads Drive, in Kelly Township. On October 8 PSP responded to a one vehicle crash on Crossroads Drive. The 41 year old female driver of the 2021 Ford Escape was deemed to be under the influence of alcohol. Charges to be filed through District Court 17-3-01.

**Lost/Missing Firearm** Between 12:01a.m.-7:12p.m. September 5-November 8, at 474 Gast Road, in West Buffalo Township. PSP was notified of a missing firearm. The firearm is a Taurus Spectrum .360 semi-automatic pistol. The firearm has a stainless steel frame, gray receiver with bright red grips. Anyone with information is asked to contact police at 570-524-2662.

**Crash** 10:47 p.m. November 11, on Westbranch Highway, in Union Township. A 2017 Ford Fiesta driven by Bradyn J. Natter, 26, of Selinsgrove, was traveling in the left lane of Westbranch Highway at 55 mph when a deer entered the roadway in the dividing lines. Natter was unable to avoid colliding with the deer and the Ford Fiesta struck the deer, causing disabling damage. No injuries were reported.

**Crash** 10:48 a.m. November 11, on I-80 E, mile marker 207.5, in White Deer Township. A 2009 Nissan Altima driven by Joseph W. Rannells, 22, of Cleveland, OH, was traveling in the left lane of I-80 E. Rannells lost control of his Nissan Altima due to wet road conditions. Rannells's Nissan Altima traveled northeast off the roadway and down an embankment. As Rannells's Nissan Altima traveled down the embankment it struck the embankment and rotated counterclockwise 180 degrees before coming to rest facing west. No injuries were reported.

**Harassment/Act to Annoy** 5 p.m. November 12, on Old Rt. 15, in White Deer Township. Tracy Lynn Schramm, 46, of White Deer, with intent to harass, annoy or alarm another person, namely Brian Heckman, did engage in a course of conduct or repeatedly committed acts, namely continued to contact Heckman after being told by PSP to stop all contact, which did alarm or seriously annoy such other person and which served no legitimate purpose.

**Theft by Deception/Computer Hacking** 5:16 p.m. November 9, at 81 Stahl Lane, in Buffalo Township. On November 9 PSP was notified by Paul Haines, 43, of Lewisburg, that someone had an online purchase from his Walmart account. Investigation is ongoing.

## Kinetic Gives \$1,000 to Union-Snyder Agency on Aging

### All Smiles Around the \$1,000 Check

From left, Union County Commissioner and Union-Snyder Agency on Aging board member Stacy Richards, Kinetic state operations President Susan Schraibman, Union-Snyder Agency on Aging Executive Director Holly Kyle and Kinetic state government affairs Vice President Jeanne S. Shearer hold an oversized check for \$1,000 from Kinetic surrounded by the agency's dedicated staff members.

As part of an ongoing program to recognize vital nonprofits in communities the company serves, high-speed internet provider Kinetic donated \$1,000 to the Union-Snyder Agency on Aging, which will use the gift to thank the agency's staff members for their tireless work during the pandemic.

"On behalf of everyone at our agency, I thank Kinetic sincerely for this generous donation," agency Executive Director Holly Kyle said on receiving the financial gift Nov. 2.

The nonprofit seeks to ensure the rights of older adults living in Union and Snyder counties live independent, meaningful and dignified lives in their own homes and communities, make informed decisions concerning their care, and stay active and productive for as long as possible. In-home services to assist clients and their families include home-delivered meals, personal care, respite care and caregiver support.

"I am happy to share that we will use this gift to recognize the members of our staff who worked tirelessly on the frontlines throughout the pandemic to deliver programs and services to our most at-risk community members throughout Union and Snyder County," Kyle said. "Were it not for their continued efforts, we would have been unable to fulfill our mission of serving our older adults and their families in the region."

Union County Commissioner Stacy Richards nominated the agency when Kinetic made commissioners aware of the Kinetic Community Grant program, benefitting important community nonprofits.

"As a member of the agency's board, I am keenly aware of the important services that this organization provides every day to our older citizens," Richards said at the donation presentation. "I'm thrilled that Kinetic honored my nomination. And I'm grateful that the agency -- especially as we approach the holidays -- will use Kinetic's gift as a way of thanking all our hard-working staff members. These amazing people, day in and day out, lovingly embrace and empower our older residents to live and age with dignity and respect."

Similar grants have been awarded this year to Helping Hand Food Pantry of Elk County, Armstrong County Community Foundation and Strawberry Fields in State College.

## 55 Barefoot Trees Planted in Lewisburg

Edited by Kay Poeth

In early November, local non-profits partnered together to plant large, bareroot trees in the borough of Lewisburg. Collaborating in the effort were the non-profits Lewisburg Neighborhoods, The Lewisburg Shade Tree Commission, and the Lewisburg Cemetery Association that all received grants from PA DCNR's TreeVitalize Program.

The TreeVitalize grants is administered by the PA Urban and Community Forestry Council. To receive the grant, communities must contribute a 50% match which is typically matched with volunteer labor and must care for the trees for three years. The goal of the program is to improve the urban tree canopy throughout Pennsylvania.

The Shade Tree Commission planted their 20 trees in the North Ward in Lewisburg Borough along N. Water, St. Anthony, N. Front, and St. Mary's Streets. "These trees are 8-12 foot tall, bareroot shade trees. The species are specifically chosen to thrive in the tree lawns in downtown Lewisburg," said Amy Levan, Lewisburg Shade Tree Commission Chair.

The Cemetery Association planted 10 trees in the Lewisburg Cemetery. "This is our third tree planting in 4 years. The Cemetery has lost many large trees over the last twenty years due to disease, old age, and storms. These new trees will help improve the historic tree canopy," said Steven Beattie, Lewisburg Cemetery Association Board member.

The 25 trees granted to Lewisburg Neighborhoods were planted by the East Buffalo Township work crew at the Fairground Road Park and by the township building.

"It's really amazing how much can be accomplished when we all come together and work towards a common goal," stated Taylor Lightman, director of Lewisburg Neighborhoods. "We are hopefully these trees will live for many decades, reduce stormwater runoff, absorb countless air pollutants, and reduce energy costs for adjacent homes."

## Exciting News at Summit Early Learning, Lewisburg

Bucknell's Management 101 classes presented Summit's Lewisburg center with funds raised for new and replacement materials. Pictured here are Bette Scott, Outreach Specialist, Jennifer Rice, Center Director at Lewisburg, along with service leaders of the two classes: Jessica Ryan and Ben McGovern.

Something exciting is happening at Summit Early Learning, Lewisburg! Two of Bucknell's fall semester Management 101 classes chose Summit to partner with, as part of a major service project.

Management 101 at Bucknell teaches project management. The students in these classes operate their own "business." The goal of the class is for students to develop a sophisticated approach to the challenges that organizers, leaders, and managers face.

The two classes ("companies") have been mulching the playground and entrance areas, organizing several inside and outside spaces, addressing landscaping needs and painting classrooms. In order to cover the costs of these projects, the students have created a product to sell, a hooded sweatshirt. The funds from the sale of the sweatshirts will go toward the cost of the supplies.

In addition, they've created fundraisers to benefit Summit's classrooms. They planned a Run, and used Give Butter, an online fundraising platform. \$8000 was raised for new and replacement materials.

"Summit Early Learning is so grateful for their help as Summit's Lewisburg Children's Center is receiving both their service, and new materials for its classrooms," says Bette Scott, Family and Community Outreach Specialist.

Veterans Day programs help students to recognize the sacrifice of veterans and to put a face to the history and uniforms. It helps students to understand and appreciate veterans for their service and honor them for their sacrifices. It is a day to celebrate America's veterans for keeping this Nation "the land of the free and the home of the brave."

Mifflinburg Area Intermediate School hosted a Veterans Day Assembly on November 11 to honor those who served. Following the assembly, the veterans attended a small reception.

Shown here are 5th Grade teacher, Jamie Miller and her father Ronald Tyson after the assembly. Mr. Tyson served in the United States Marine Corp and fought in the Vietnam War.

"He was very appreciative that our school is honoring veterans, teaching our students the importance of Veterans Day, and respecting our American Flag!" said Ms. Miller.

## Lewisburg Flood Mitigation Study

Edited by Kay Poeth

On November 3, the Lewisburg Borough in cooperation with the Lewisburg Downtown Partnership (LDP) held a Flood Mitigation Study Public Meeting to introduce the community to the scope of the study while also hearing from the community to listen to concerns and how flood risk impacts Borough residents, property owners, and businesses.

"This was the first of many opportunities for the public to weigh in on flooding challenges in Lewisburg Borough," said Steven Beattie, Community Development/Grants Manager for Lewisburg Borough, "We want to listen to the community's understanding about flooding, their concerns about flooding, and learn about how Lewisburg can become more resilient to flooding in the future."

Officials from the Borough of Lewisburg, SEDA-COG, and the consultant team were in attendance. A 20-minute program focused on the history of flooding in Lewisburg, the scope of the planning study, and learn more about what it means to be a flood resilient community was presented. Following the presentation, the public engaged with the consultant team at various educational stations to answer questions, listen to concerns, and

openly discuss flooding in Lewisburg. The presentation was informative and well-prepared.

The meeting included a Project Overview for the Borough of Lewisburg. Three goals were presented. Goal 1-identifying impacts based on severity of flooding including properties with the most flood risk and the revenue impacts to the borough. Goal 2- develop flood mitigation tools including an operational recovery plan, conceptual flood mitigation solutions, and to review and revise Borough ordinances to improve flood resiliency. Goal 3- become a flood resilient community.

The team discussed "Becoming A Resilient Community -Before, During, and After" a flooding event. There were tips for preparing the inside and outside of your house prior to the flood event. During a flooding event take protective measures. If told to evacuate, do so immediately. Stay out of and away from flood waters. Don't drive through flood waters. Seek higher ground and stay connected to Emergency Broadcasting.

# SMALL BUSINESS SATURDAY

## & BLACK FRIDAY

### NOVEMBER 25 & 26, 2022

SHOP SMALL

SUPPORT YOUR LOCAL BUSINESSES

### Advantages To Shopping Locally

As Small Business Saturday, November 26th, is fast approaching, shoppers need to consider where to shop. Most consider price the biggest factor, then location and the name of the store. Most shoppers give very little thought to shopping at their local small businesses.

Shopping small has a significant impact on your local economy. Local businesses pay sales tax to the city or county where they are located as do larger businesses but most of the money spent at a local business is kept in the community in various ways. Local businesses employ local people. They tend to support their community whether it is through donating to various charities or local sports team. Most even have family or friends that participate in these endeavors.

Employees of local businesses tend to stay in town for the day and buy lunch out, buy gas, and even do their grocery shopping in the local grocery store. A large percentage of the money from these transactions stays within the community, which helping it grow.

So when planning your holiday shopping, think small...as in Small Business Saturday on November 28th. The community can give back to the businesses that help them throughout the year.

Stay home on Black Friday and enjoy the day! Make Small Saturday a new tradition.

# Mifflinburg Area School District Honors Local Veterans

On Friday, November 11th, the Mifflinburg Area School District held Veterans Day activities in each of our buildings in an effort to honor those who have bravely served our country. Without the service provided by our veterans, we wouldn't have the freedoms that we all enjoy today, and we thank all service members for their service, sacrifice, and selflessness.

Our Elementary School students made cards in their art classes to send to local veterans to show their gratitude for all of their sacrifices.

Our Intermediate School hosted an assembly where they had over 40 veterans in attendance which included guest speaker, retired U.S. Air Force Major Darren Rhyne. Some of the Intermediate School students contributed to a video about Veterans who are important to them which was filmed and edited by two of our High School Students, Delaney Kraus and Kyonna Klose.

Our Middle School hosted a Veterans Day Luncheon for local veterans to enjoy. The veterans also visited classrooms, shared their stories, and answered questions from our students. The school choir sang, the band played, and the whole school rallied around these local heroes.

Our High School also hosted a Veterans Day Assembly which all students and staff attended. Mrs. Stacy Reitenbach organized the assembly events and invited all of the veterans who were in attendance. The choir sang, the band played, and many students and staff had prepared speeches that they delivered impeccably. Payton Derr, the local first-place essay winner of the 2022 Voice of Democracy Essay Program by the Veterans of Foreign Wars, read her inspiring essay on the topic

"Why is the Veteran important?" Mifflinburg Honor Guard held a flag retirement ceremony and presented the retired flag to Superintendent, Dr. Kenneth Dady. A Veterans Wall of Honor created by former student, Cade Dressler, was highlighted in the assembly, and each veteran in attendance was recognized on stage including information

about their time serving our nation.

Mifflinburg Area School District has several proud veterans on our staff who were also recognized at each school's assemblies for the day. Also, one of our very own staff members, Mr. Carl Clemens, has been called to active duty in the Army and is currently serving our country overseas. Mr. Clemens is one of our High School English Language Arts teachers, and he also serves in the main National Guard Unit for Pennsylvania, the 28th Infantry Division Headquarters. Mr. Clemens is on a routine deployment with his unit to the Middle East. Our District and the ELA Department collected donations and personal cards to send in care packages as a special holiday surprise for Mr. Clemens and his fellow troops.

The feeling around the District this past Friday, Veterans Day, was one of great pride and admiration for those brave veterans who sacrificed for all the things we take for granted every day. So not only on Veterans Day, but every day, we offer our gratitude and appreciation to all of the active and retired service men and women of our great country, and we thank you for your service!

## PUBLIC AUCTION FRIDAY DEC. 2, 2022 @ 2:00 PM.
