Light to Unite: Scouts and Sheriff Stand Together in Union County

By Kay Poeth

Deputies participated in the Light to Unite ceremony for a moment of unity. Scouts and the Sheriff's Office stood together to honor our Nation and celebrate community.

Dennis Dugan, Scout Executive for the Susquehanna Council of Scouting America, acted as Master of Ceremony for the event. He acknowledged the Sheriff's Department for "leadership, service, and willingness to stand beside our youth in honoring our nation."

The Union County Sheriff Office posted on Facebook, "The collaboration between the scouts and the sheriff's office exemplifies the strength of community partnerships in honoring the past and inspiring future generations. Through these flag-raising ceremonies, participants not only celebrate their heritage but also contribute to a collective narrative that will be remembered for years to come."

"I am so proud to partner with the Sheriff's Association of Pennsylvania who signed on as our state-wide liaison to each county sheriff throughout the state," added Dugan. "There are 20 different Scouting America Councils that serve the Commonwealth and it has been great to see the smiles on the Scouts, leaders, parents, Sheriffs, and the other spectators as we honored the flag and our great country."

Dugan explained the initiative as honoring America's 250th Anniversary "by raising a special traveling flag in each of the 67 counties across the Commonwealth. It began on Scouting's Birthday, February 8, in Philadelphia and will conclude on Flag Day, June 14 in Pittsburgh, Allegheny County." Before the flag arrived in Williamsport, it had already been flown over 29 Pennsylvania County Courthouses.

Scouting prides itself on building character, leadership, and citizenship and ceremony brings those values to life. The Light to Unite initiative helps scouts to understand history.

According to Dugan, the scouts are helping to "make it happen by standing, leading, and serving their communities. We hope that they will remember being part of our nation's 250th anniversary and will go on to positively affect America's future."

The Union County Sheriff's Office acknowledged those values in their post. "The scouts, representing their troops, showcased their commitment to service and patriotism as they participated in raising the Stars and Stripes... to commemorate the nation's Semiquincentennial."

Dugan noted the importance of the ceremony and the scouts' participation. "This flag ceremony represents our local community's pride, service, and commitment to future generations and one American flag, the signed Scouting America flag, and pictures of each of the 67 flag ceremonies will be sent to the Smithsonian Institute to become part of the 300th Anniversary!"

Dugan then added, "It also makes me smile that so many of our Scouts will be able to bring their families to the Smithsonian in 50 years and point at them-

selves in the pictures and show their loved ones they were a part of history and touched the flag that flew over the White House on Independence Day 2026."

"This was a great opportunity for our scouts, to not only celebrate, but be a part of our Nation's 250th Anniversary," said Jerry Johnson, Scoutmaster Johnson Troop 520. "Hopefully, they will be able to visit the Smithsonian on the 300th Anniversary and proudly show their children how they were a part of history."

"It was a great day to support the Boy Scouts and Union County Sheriff's Department as they combine to raise flags as part of America250. I was proud to be a part of the ceremony. Patriotism is alive and well in Union County," commented Union County Commissioner Jeff Reber.

Union County Sheriff Scott Hahn and Deputies of the Sheriff's Office participated in the Light to Unite ceremony where Scouts and the Sheriff's Office stood together to honor our Nation and celebrate community.

A myriad of scenes unfolded across the lawn of the Union County Courthouse on April 14, 2026 as eleven scouts from across Union County gathered for a special flag ceremony. A color guard of scouts raised and lowered the flags, scouts folded the flags with solemn dedication, an array of scouts saluted the flag fluttering in the evening breeze, scouts signed the Scouting America flag and Union County Sheriff Scott Hahn also signed it. Each color guard member was presented with a special patch to honor the occasion and their participation.

Scouts from Troop 520 (Mifflinburg), Troop 538 (Lewisburg) and Cub Scout Pack 3538 (Lewisburg) along with Sheriff Hahn and his

Full Weekend of Racing Last Weekend, Lucas Oil Late Model Series in Area This Weekend

Friday night Selinsgrove had another good show with 22-super late models, 19-PASS 305-sprint and street stocks. With Beaver Springs driver Drew Young picking up the 305-sprint feature win over Chris Dolan and Kreamer's Kruz Kepner. Things did not go as well for Drew on Saturday at Port Royal in the make-up feature. Drew got into the third turn fence which knocked him out of action for the rest of the night. Drew was Ok after the tangle, but the car was not in good shape. Friday night, Mt Pleasant Mills driver Colby Womer took a scary ride over the fence during the feature. Colby was ok but the car not so good. Gregg Satterlee made it two for two in the super late model feature, first holding off a charging Lane Snook, before he hit the fence which knocked him out of the race. Jeff Rine ended up second with Ross Robinson, Dylan Yoder of Middleburgh fourth and Austin Berry of Port Royal fifth. Jason Geesaman won the 15-lap street stock feature over Brad Mitch of McClure, and Brandon Moser. This Friday Selinsgrove will have the 410-sprints back along with the first race for the Limited late models and Street stocks.

Friday at Clinton County George Dixon of Shirleysburg Pa scored his first ever Limited late model feature win driving the Chris Miller owned #56. Miller out of Howard Pa. and Dixon plans to hit all the Limited shows at Clinton County in the limited late model class. Dixon is working out of Miiflinton Pa for David Stremme; Stremme builds the Lethal chassis for the UMP style Modifieds. "Since I have the job at Lethal chassis, I can make it to Chris' garage and help him out with the car before we go racing on Friday. We plan to race at other tracks, and I will also be driving my own #77 Modified at area tracks. We have a busy schedule of races set for this year. I was able to have some luck racing down in Florida in February with my Modified. I had some good runs but did not win a feature this year but have done so two

other years. It is tough down there with over 100 drivers in the pits for the nine nights of racing," Said George.

Cory Long of Selinsgrove made it two for two winning the non-stop 15-lap Pro-Stock feature; with Ronnie E-gott scoring his best ever finish at Clinton with a second-place run. Mason McAndrew scored his first ever 270-micro-sprint feature win with Zack Glkass also getting his best ever finish with his second-place run. Hunter Flook won the Four-Cylinder feature. Jeff Weaver of Lock Haven had a very bad weekend. First, he blew the engine on his #92 while leading the feature, then on Saturday at Port Royal Jeff got involved with a spun driver in front of him which broke a part of the frame and damaged the rear end. This Friday the IMCA sprints will be back with three other divisions of racing; the limited late model will be back on Friday, May 1st.

Friday at Big Diamond speedway Rick Laubach of Quakertown Pa. drove to his 28th 358-Modified feature win at the Minersville area oval. Rick was happy that the track had two grooves of racing on it, "you could run low or high for the first time in three races here. The high side is what I like, and it worked out for us to get the win" Noted Rick. Tim Buckwalter was second with Logan Watt, Brandon Edgar and opening night winner Mike Lisowki fifth. Logan Starr of Miiflinburg Pa. placed eight in the make-up 602 crate Modified feature and was 16th in the regular feature. Features were won by Zach Steffey and Nate Brinker. Roadrunner feature was won by Alex Schoffstall. It was his second win of the season and 39th overall at Big Diamond. Kevin Fitzpatrick doubled up on rookie 602 care feature; it was his third straight win this season and by rule he now has to move up to the regular 602 crate Modified class.

Williams Grove on Friday night Troy Wagaman Jr claimed his first win of the season in the 30-lap \$8,000 to win Tommy Hinnerstz Classic he is the tracks defending track champion in 410-sprint car racing. Chase Dietz, Danny Dietrich, Freddie Rahmer and Cameron Smith were in the top five. The win for Wagaman was his fifth overall at Williams Grove. The grove is back in action with a rare three-division show. 410-sprints, wingless sportsman and the 305-sprints will all be in action on Friday.

Saturday at Port Royal they had a field of 28 super late models, 31 PASS 305-sprints and 19 limited late models, along with make-up feature for the sprints and limited late models. Lane Snook won the make-up limited late model feature over DJ Myers, Andrew Yoder of Middleburgh, Ryan Zook and Casey Steinhoff. Kenny Heffner won the make-up for the 305 sprints over Jarrett Cavalet, Cole Dewease (Lance Dewease's son) Chris Dolan. Nick Sweigart won the regular 305- feature over Tyler Erdley (son of Mike Erdley) Mike Alleman, John Braim and Fred Arnold. Jaxton Garman won then make-up Limited late model feature over DJ Myers, Lane Snook, Andrew Yoder and George Dixon. The regular super late model feature was won by Gregg Satterlee. Gregg in five races for he and his team have three wins and two finish second place, two wins at Selinsgrove and his two

second and a win at Port Royal. Trevor Feathers was second with Jupiter Fla driver Clay Harris, third with Beavertown driver Hayes Mattern and Middleburgh driver Dylan Yoder next in line. This Saturday Port will run the Keith Kauffman Classic with the winner of the feature collecting \$15,000. The East Coast wingless 360-sprint and the wingless Sportsman cars will also be in action.

The Lucas Oil National touring series will be heading East this weekend with three tracks having races for the series, which starts out at Georgetown speedway in Delaware for a \$21,049 to win in the 40-lap feature. Saturday, they race at BAPS Motor speedway for their first ever appearance at that York County oval, for \$25,000 to win race. Sunday, they move down to Hagerstown speedway for a \$10,000 to win show. Hagerstown has hosted 15 events for the series over the years, while Georgetown has hosted three events. Over a month ago Jonathan Davenport took over the overall winner list, which has him at 95, one ahead of the late great Scott Bloomquist. So far in events run for the series this year they have run 13 events with Devin Moran has four wins with three wins each for Davenport and Hudson Oneal, with Brandon Sheppard two wins and Ricky Thornton Jr one win. Devin Moran is leading the points by fifteen over Hudson Oneal, with Brandon Overton Ricky Thornton Jr and Max Blair in the top five. The series started the season with 20 drivers signed up, but since then two drivers have dropped off the series. That still leave a solid field of 18 contract drivers, the top five in points I already listed along with Garrett Albersen, Brian Shirley, Kyle Bronson, Carson Ferguson, Daniel Hilsabeck, Dan Ebert, Max Blair of Centerville PA, Brenden Smith, Clay Harris, Hanover Pa drive Cory Lawler, with three rookie of the year contenders Dillan McCown, Josh Rice and Freddie Carpenter. The series has run eleven of the first thirteen races in the states of Georgia and Florida So far eighty different drivers have at least attempted to run at one race. Nine drivers have run all thirteen features with another three racing in twelve features. Friday show at Georgetown has a 7pm starting time with BAPS and Hagerstown scheduled to start at 6p.m. This is not the last time we see this series. Port Royal speedway will have their annual two-day show on the weekend of Friday August 28th and 29 on Saturday, with the winner of the Rumble by the River race paying \$50,000 to win.

One last thing Austin Berry is giving 50 percent of his tee shirt sales to driver Tyler Ritchey, who has some health issues and has a long way to go to get better. If you can't get to the tracks he races like Port Royal and Selinsgrove to get a shirt, check out his Facebook page. Tyler was paralyzed at a very young age in a swimming accident but came back from that to drive a race car. He runs with the super late models and does own one feature win at Bedford speedway a track he races mostly at. He is 34-years old and has a wife and a young baby.

Satterlee, Sweigart, and Garmin All Pick Up Wins During Accelerated Program At Port Royal Speedway

By Brad Strawser

Port Royal, PA -- The Speed Palace announced Friday afternoon that it would be in "hurry-up mode" due to impending rain forecasted to hit the local area during the racing program. The track moved up the starting time and wasted little time throughout the program to complete 5 scheduled A-main events as well as 10 qualifying heat races and B-mains to complete the event in timely fashion. When the dust settled, Gregg Satterlee, Nick Sweigart, and Jaxton Garmin all would park in Kish Bank Victory lane in their respective divisions.

The night began with completing 2 make-up A-mains from the previously scheduled April 4th event that saw the night cut short due to rain.

The Penns Valley Meat Market 305 sprint cars would start the night with their 20-lap feature event. Jarrett Cavelet and Braeden Varner would compose the front row of the race with Cavelet taking on the early advantage.

Cavelet would lead the opening 4 laps of the race before Kenny Heffner would charge around to his outside off of turn 2 to take the race lead.

When it seemed like Heffner would potentially run away with the feature win, a caution would come out with just 3 laps to go for a broken Timmy Bitner on the front straightaway.

On the ensuing restart, Cavelet would get a great start, hanging right with Heffner and passing by the race leader on the outside going down the backstretch.

Heffner though, not to be denied, would drive back underneath Cavelet, powering by and take the lead back.

Heffner would hold off Cavelet for the final 2 laps to pick up the first feature win for the 305s at Port Royal Speedway in the 2026 season.

Cavelet would hold on to the 2nd position and Cole Dewease would round out the top 3.

The River Rock Campground and RV Park limited late models would come to the stage next with DJ Myers and Lane Snook starting on the front row.

Snook, the 2025 Port Royal Speedway limited late model track champion, would flex his muscles in the make-up A-main, getting out in front early and never looking back.

Snook would lead all 20 laps and go on to pick up his first Port Royal Speedway win of 2026.

DJ Myers and Andrew Yoder would round out the top 3.

The Penske Racing Shocks super late models would take to the track next for their A-main event, following the completion of heat races and B-mains, with Gregg Satterlee and Opening Day winner Trevor Feathers making up row one.

Satterlee would get the opening jump on the initial green flag and stretch his lead to over 3-seconds over Feathers.

The feature event would be a non-stop race from start to finish, meaning that Satterlee would have to parse his way through lapped traffic, which allowed Feathers to close the gap in the waning laps of the race.

While Feathers would close the gap to down under 8-tenths of a second, Satterlee would be too strong getting through the slower cars to hold on for the win.

Feathers would finish in the runner-up spot and Clay Harris would round out the top 3.

The second A-main event for the Penns Valley Meat Market 305 sprint cars would see Mike Alleman and John Braim make up the front row.

Alleman would power to the front of the field at the drop of the green flag, with Nick Sweigart quickly getting past Braim for the 2nd position.

The Port Royal driver would lead the opening 8 laps before the 2025 track champion Sweigart would track him down on the backstretch and take the race lead away.

Following quickly behind, Ken Duke Jr. would go by Alleman for the 2nd spot and set his sights on Sweigart for the race lead.

Within 3 quick laps, Duke Jr. had caught up to Sweigart and would bypass him in turn 1 to become the new race leader with 8 laps remaining.

With the 2 cars battling through lapped traffic, Sweigart would hang right with Duke Jr. over the next 4 laps. Sweigart would attempt to make a pass back for the top spot in turn two, where the cars would come together, sending Duke around the ring and ending his race night.

Sweigart would escape the contact relatively unscathed and would hold on after the race returned to green for the feature win.

Tyler Erdley would finish the race in 2nd and Mike Alleman would round out the top 3.

The final feature of the night would be the 2nd for the limited late models. Meade Hahn and Jaxton Garmin would be the front two cars of the 20-lap A-main event with Garmin getting out to the early race lead.

Garmin would go on to lead all 30 laps and earn his first career Port Royal Speedway victory. Garmin would hold off the likes of DJ Myers and current track champion Lane Snook for the event win.

Port Royal Speedway will be back in action on Saturday April 25th for the Keith Kauffman Classic for the Weikert's Livestock

410 sprint cars as a part of the J&S Classics PA Posse 410 Sprint Car Series presented by Hoseheads.com. The event will also feature the USAC East Coast Wingless Sprint Cars and the wingless super sportsman.

Jason Geeseman wins the opening round of the Gator's Guns Street Stock in 2026.

22 Selinsgrove Ford Super Late Models signed in for action on Friday. Middleburg's Dylan Yoder and Port Royal's Lane Snook shared the front row. Satterlee tried to make it three wide on the start. Snook and Satterlee would get around Yoder as Snook did what he did last week and led the first lap. Satterlee would stay with Snook. The battle for third was getting hot between Danville's Jeff Rine and Georgetown DE Ross Robinson. Rine would pull away as the field started to spread out and find their rhythm. Snook would get into lap traffic. Satterlee would close in with Snook and would go side by side into three and four. Using lap traffic as a pick, Snook would get the advantage back. But lap traffic would be the downfall of Snook as Satterlee going up high and getting around Snook just passed the halfway point to lead the lap. The caution would fly for the first time as Tyler Emory would spin after having one of the fastest cars on the track. Emory would call it a night.

Restart would come with 11 laps to go. Satterlee would take the advantage on the Delaware double file restart. But behind them Dylan Yoder, Robinson and Rine battling three a breast down the back straight. Yoder backed out of it. Robinson and Rine battled with Rine holding on to the third spot. Upfront the chase was on. Snook was behind almost a second. Snook chipped away. Snook tried to slide Satterlee in three and four. But in turn one and two he got in the loose stuff and smacked the wall. Snook would then develop a mechanical issue and would unfortunately bring an end to his night. That clinched the deal for Satterlee winning his 10th career Selinsgrove Ford Super Late Model Feature at Selinsgrove over Rine, Robinson, Dylan Yoder and Mifflin's Austin Berry rounding out the top five.

"You could go all over the track tonight, if you missed your line you could lose a lot of speed quickly," Satterlee said in High Caliber Cranes Victory Lane. "We have a really good balance right now. When highs are high but one small mistake you could be playing catch up really quick."

The Keller's Auto Body PA Sprint Series 305 Sprint Cars made their 2026 season debut Friday with Danville's Dustin Young and Drew Young on the front row. Dustin Young would take the early advantage. But not for long. As he would develop an issue and come to a stop in one on the start of the second lap drawing the first yellow. Green would fly again with Drew Young taking the lead with York, PA Chris Dolan giving chase to Young. Lewisber-

ry's Logan Spar would start to make some moves on his way to the hard charger of the night, already up six positions in the open laps. The red would fly as Colby Womer would have a breakage causing the car to go into the wall and flip out over the wall in turn 3. Womer thankfully would exit the car and would be alright!

On the restart Nolan would keep pace with Young. Dolan started to close the gap but could not close the deal as the cross flags came out for halfway. Dolan would lose ground and was better than young in three and four but Young being so much stronger in one and two. Moving ahead to three laps remaining Dolan would give it one more charge. He tried to find a way around Young but Young's momentum was too much as Drew Young won his second career Keller's Auto Body PA Sprint Series feature at Selinsgrove over Dolan, Kreamer, PA Kruz Kepner, Spar and Watson's Kenny Heffner made up the top 5.

"The track was perfectly smooth tonight." Young said in High Caliber Cranes Victory Lane. "I better get down when I saw Dolan down on the inside in the closing laps."

Final Feature of the evening was the Gator's Guns Street Stocks also making their 2026 Selinsgrove Speedway debut. McClure's Adien Mitch and Geeseman leading the field to the green. Geeseman would go around the high side on Mitch. Mitch would throw the anchor out as he

had a flat right rear on the 5m and his night would come to an end.

On the restart. Millerstown's Brandon Moser would take the second spot and Brad Mitch would take the third spot. Moser and Geeseman doing everything he could to hold the lead. Using the highside with Moser committed to the bottom. Mitch would clear Moser for the second spot and start to mount a charge on Geeseman. Mitch would attempt a slider on Geeseman after he pushed up the track off of turn 4. Geeseman had to hit the brakes. But crossed over Mitch going back in turn 3 and retained the lead. Moser would rejoin the fight as the top three cars broke away from the rest of the field.

The top three would be separated by about a second for the entire 15 lap feature event. Geeseman was committed to the top side. The best thing for Geeseman was Mitch and Moser going at it behind him battling for the second spot. The defending Gator's Guns Street Stock Champion would continue his winning ways as he won the opening feature for the season over Mitch, Moser, Tower City's Troy Miller and Hobbie, PA Tommy Dawson rounded the top 5.

"You definitely got to be on your game. Everyone stepped it up this season" Geeseman said in High Caliber Cranes Victory Lane. "Did I mention I love this place? It's the only place I can come to that I don't really have to touch the car all night and these tires still have a lot of

SPORTS NEWS

THE VIEW FROM HEAR

BY RON BOLT

What a week it was on the diamond for Mifflinburg! The softball and baseball teams combined to go 9 and 0 for the week. The Cat's softball team won the Williamsport tournament and knocked off the previously undefeated hosts on their way to the title. The boys won four games in five days. You can never have enough pitching. Ladies first though...

The girls started their week by beating a really good Central Columbia team 11-1. Anna Pachucki led the offense by going 3 for 3 with a double and 3 runs and 2 RBIs. They had a 17-1 breather over Shamokin before starting a busy weekend. Avery Reibsome was a triple short of the cycle and drove in five runs. Amelia Fluman had three knocks collecting four RBIs.

The girls then traveled to Millford to take on Delaware Valley. Mifflinburg won 11-4 thanks to Brooke Gessner's bases loaded double plating three. The Williamsport tourney was next and Miff is still undefeated at 14-0 after beating the Millionaires 8-7 and Loyalsock 10-0 to win the championship. Loyalsock ended Mifflinburg's season last year when they beat them 8-4 in the district semis. Aubrey Fluman and Gessner were the leading hitters in both games and Reibsome totaled four RBIs.

The Mid-West softball team (7-3) is starting to find their mojo.

They beat Lewisburg 17-5 when usual starting pitcher Emma Wagner came on in relief to stymie any ideas Lewisburg had for an upset. Wagner also scored three runs and drove in four.

Briahna Keister had the only Mustang hit in a 4-0 loss to Central Columbia. Mid-West beat Central 4-2 earlier in this season. The Mustangs beat Troy 8-4 behind Wagner's pitching and hitting. She had a double and three-run homer to go with her complete game six hitter.

The Seals softball team was down 10-0 after two innings and ended up losing 11-1 to Central Mountain. Things didn't get any better in a loss to Jersey Shore 17-6. Teagan Richter and Peyton Yerger did their part in going a combined 4 for 5 with a run and five RBIs.

The Grove girls got well with an 18-3 three inning win over Shamokin. Sadi Bigger was 4 for 4 and drove in five runs. The Seals had 19 hits in just 3 innings. Danika Burd was 2 for 3 with 3 runs and 2 ribs.

Lewisburg (3-8) scored the winning run in their last at bat to win a pitcher's duel 3-2 over Milton. Aailyah Bleich scored the winning run on an Emma Apanel bunt with one out. Morgan Shannon got the win for the Dragons. Runs were plenty in a 15-11 loss to Bloomsburg. Shannon was 4 for 5 with two runs and four RBIs.

Speed and pitching is going to win you a lot of baseball games. Mifflinburg had ten stolen bases and Mason Schneck pitched six innings of shutout ball as they beat Sock 9-0. Larry Murray was 2 for 3 with a solo homerun and JP Marr scored 3 runs. The Cats were surprisingly tied with Milton after three innings but Harv Rine took care of that with a three-run homer in the fifth inning and ended up 3 for 3.

The Wildcats (7-2) finished their undefeated four game road trip for the week with a 7-1 win at Danville. Missing two of their top three sticks and limited with arms due to the four games in five days it was all on starting pitcher Cole Reibsome. Reibsome took the ball and threw a complete game 3-hitter with 70% of his pitches strikes.

Mid-West scored 13 runs in the 4th and 5th inning and hung on to beat Lewisburg 14-10. The sixteen hit attack was led by Kyle Shupp 4 for 5, River Knepp 3 for 5, Braxton Smith 2 for 5 and winning pitcher Derek Keister's 2 for 4 with 2 runs and 3 RBIs. Landen Wagner kept Lewisburg close going 3 for 4 with a dinger and 3 runs and RBIs.

Knepp pitched a gem with six innings of shutout ball in the (5-6) Mustangs 8-1 win over Greenwood. Derek Wert had 3 RBIs, Keister 2 runs and RBIs and Colton Aumiller 2 for 3 with a trip,trip,trip and 2 runs. Runs and hits were scarce as Mid-West lost 1-0 to Montoursville. Aumiller tossed a four hitter and the Mustangs were held to just two hits.

Lewisburg completed a suspended game by beating East Juniata 16-1. They resumed a game from earlier in the season that the Dragons led 9-0 after one inning before the rain came. Landon Michaels finished 2 for 3 with two runs and ribs and Landen Wagner was 3 for 4 with 3 runs scored.

The Green (5-6) hung with undefeated Mt Carmel in a 4-1 loss. They gave up three unearned runs in the bottom of the fifth inning. Tough luck starter Colin Shannon struck out seven and gave up just one earned run. They got off to a fast start against Juniata in a 14-4 win. Fives were wild for Wagner who reached base five times, had five stolen bases and scored five runs. Lincoln Ayers was 4 for 4 with 5 RBIs and 2 runs.

Selinsgrove's Jake Beddall's three-run jack helped the Seals end a three game losing streak as they went on to beat Shik 15-4.

Starting pitcher Griffin Parker was 2 for 4 with 3 runs scored for (3-7) Grove.

The Lewisburg track team continued to roll on as the boys and girls swept Central Columbia. Baylee Espinosa and Lydia Delsite won three events each with Baylee taking the 800, 1600 and assisting with the 1600 relay. Delsite won the high, long and triple jumps.

The girls also took first place at the Bald Eagle Invitational finishing 11 points ahead of Hughesville. Delsite, the transfer from Moon Area, won the triple jump in setting a meet record, the long jump by more than a foot and the high jump.

The Selinsgrove boys beat Shik 84-66 and the Grove girls lost to Shik 87-63. Michael Andretta won the 1600 and 3200 in the Shik meet. Grove's Bella Furgison won the shot and placed second in the discus at the Jack Roddick Invitational in Shippensburg.

Milton beat both Mid-West and Mifflinburg in a tri-meet. Both the Miff boys and girls beat Mid-West. Larry Murray won the 100, 200 and long jump for the Cats and trackmate Chace Aikey won two throws with the discus and set a school record in the javelin. Mid-West continues to dominate the mid-distance runs and relays with Ian Hall, Lincoln Hoffman and Grant Boop leading the way.

The Mifflinburg girls finished a very respectable eighth at the aforementioned Bald Eagle tourney out of 21 schools and the boys finished 11th.

Lewisburg boys tennis moved to 11-2 in beating Towanda 4-1. Canyon Swartzentruber didn't lose a game at #2 singles and Luke Azeredo won 6-1,6-0 at #3 singles. The Grove netmen fell 4-1 to Montoursville with Seal Lomond Rodgers getting the only team point.

Selinsgrove LAX had a good week as the boys routed Mifflinburg with both Nash Fordyce and Graham Davis scoring four goals each, Nash also had three assists.

The Grove girls handled Lewisburg 15-3 as Quinn Smith had 5 goals and an assist with Abby Raymond adding another four goals. The Seals held Rider recruit Ava Motto to just two goals. Selinsgrove lost 16-9 to Lake Lehman but returned to their winning ways to beat Danville 12-5. Alexis Stoneburg had 3 goals and Grace Morrone 3 assists for the (7-2) Seals.

The Flyers are up on the favored Penguins in their first round playoff series. All of my favorite professional teams are in Pittsburgh and here's a disheartening fact. The last time a Pittsburgh team won a playoff series or game was 2018! Both the Pens and Steelers moved on to the second round eight long years ago. The Pirates won a wild card playoff in 2013. I believe the Pirates will end the Pittsburgh drought this fall.

I know it's early but three of the top five highest payrolls in baseball also have three of the five worst records in the Major Leagues. The Phils, Mets and last year's World Series team from Toronto are struggling badly. It's too early to panic but teams with their talent should never have eight and ten game losing streaks.

The college basketball transfer portal just closed for both the men and women. Like it or not, it's here to stay but they have to make some changes to the rules. Limit the number of times a player can transfer to one where the player can participate right away with their new school. Any transfers after that they have to sit out a year before being eligible. That's how it used to be before NIL took over.

One school that the NIL and more directly the transfer portal has hurt is Iowa State. They had 54 football players enter the portal because their coach Matt Campbell came to Penn State. Oklahoma State had 64 and Penn State 46 football players transfer because of coaching changes as well.

The Iowa State women's basketball team currently has twelve players in the portal including Audi Crooks, one of the best players in the country. They had a 22-10 record last year and their coach Bill Fennelly has been coaching the Cyclones for over thirty years. The men's basketball team has five players in the portal after a very successful year on the court.

Schools like Iowa State, Colorado, Washington State, Wisconsin and Alabama cannot compete financially with the bigger schools with deeper pockets and better NIL opportunities. There has to be rules placed on transfers. Interesting to note that Indiana has the #1 transfer portal class nationally in both football and men's basketball.

Is it just me or does anyone else miss the old ESPN? Covering SEC football instead of the Big Ten. Their fascination with the fake WWE who they just partnered with last year. Maybe it's just that all of their studio hosts are younger than me. Add sports anchors to the occupations of Doctors, Judges and Pastors that you would like to be older than you.

One thing that hasn't changed at ESPN is that Mel Kiper is still the star of the NFL draft. He has been entertaining us with his knowledge of college football prospects since 1984. Kiper belongs in the NFL Hall of Fame for his contributions.

Enjoy the NFL Draft as I know Mrs. Bolt and I will. Comments and questions can be sent to theviewfromhear74@gmail.com

SUN Tech Students and Staff Raise over \$1600 to Support Local Veterans

New Berlin, PA - On March 28, SUN Area Technical Institute hosted the Second Annual Cruise-In at the school in New Berlin. The Council of Presidents, (SUN Tech's version of a student council), along with the Co-Lision Repair Class of 2026, voted to hold this free event and accept donations to support the community's local veterans in need. Money raised was donated to two area legions to help support veterans within the community who are in need; New Berlin American Legion Post 957 and the Mifflinburg American Legion Post 410.

Following the tradition of last year, which raised over \$1300 for local veterans, this year's Cruise-in according to Wendy Chalmers, Council of Presidents' Advisor and Resource Specialist at SUN Tech raised over \$1600! "Students and staff at SUN Tech enjoy giving back to our community," explained Wendy Chalmers, "even in cold and windy weather we had over 200 vehicles show, more visitors than last year, and about 40 students and staff volunteer their time to help make this event successful." Additionally, alumni and community members donated their skills and talent; DJ Andy Landis, a veteran, provided the music, Alumni Ben O'Neill of Kustom Labs Kreations donated an air brushed eagle, W & L Nissan donated a door prize and showed some of their vehicles, 7 Mountain Media did a live radio broadcast, two Culinary Program alumni - Isaiah Mundo, who owns Back2Basics Classic Burgers and Angela Hess, who runs the Rusty Rail Food Truck, along with Taste of Little Italy all provided food for the community, and several SUN Tech Programs held their own program fundraisers during the event. Also on site were the Legion Riders of New Berlin/Mifflinburg who provide much needed services for local veterans.

"We hold one of the first Car Shows in the Spring each year and this is likely one reason we have been so suc-

cessful. We do not require pre-registration and it's free to participate. This is likely one reason we have had such success!" said Jon Reeder, Co-Chair of the event.

Next year's event is already scheduled for Saturday, March 27 2027.

Veterans, children, spouses, grandchildren of veterans are all eligible to join the legion in programs including the Auxiliary and the SAL. For more information reach out to your local American Legion.

Local Author Judi Jessick Releases Latest Children's Book

By Kay Poeth

Judi Jessick of Shamokin Dam is thrilled to announce the publication of her second children's book, *Agatha Livermore Planted a Tree*, released by Pegasus Publishers. The second book in the *Agatha Livermore* series finds Agatha bringing her community together to improve their town. This charming 32-page book is complemented by beautiful watercolor illustrations.

According to the book description, "Agatha Livermore dreams of turning an empty space into something beautiful. With a single tree planted in the center, she sparks a movement bringing the whole community together. Agatha Livermore Planted a Tree is a heartwarming story of hope, determination, and the power of one positive action to inspire change. A perfect reminder that even the smallest dreams can grow into something wonderful."

Agatha Livermore Planted a Tree is a message straight from Jessick's heart. This story incorporates Jessick's passion for planting and nurturing trees with community revitalization. With the lesson emphasizing "teamwork and that even the little things we do can make a big difference," Judi hopes that this book will resonate with both children and adult readers.

When her children were young, Judi enjoyed reading to them as much as they enjoyed the stories themselves. "Some of our favorites were from Dr. Seuss. The rhythm of his rhymes along with the lessons he taught made learning fun. I think that's where my inspiration for writing a rhyming book originated."

Once Judi retired, it felt like the right time to jot those stories down and share them with other children. That is how her debut book, *Agatha Livermore and the Magic Cookie Spoon*, sprang to life! It reinforces the alphabet, beginning with Agatha! In this rhyming story, Agatha Livermore doesn't have much self-confidence and compares herself to her brothers and sisters until she finds her own "magic". This book of courage and cookies is sure to get young people thinking about what they can do!

Judi has always had a passion for writing and creating stories. "It is something that I have always wanted to do. Since I was a little girl, I wanted to have a book published with my name on the cover and be an author!" Then Judi added, "And, now I can hardly wrap my head around the fact that I have two books published with a third in the process of being published! Agatha Livermore Wanted a Pet, will be released by the end of the year. It is a story about learning responsibility."

Judi is a retired Certified Licensed Occupational Therapy Assistant. She is thoroughly enjoying her "retirement gig" of writing stories for children and sharing her books at readings and book events. She is thrilled with every book she sells and every interaction that she has with children. Judi even spontaneously read her book to Noah and Oliver Yeager who were visiting the Gelnett Library.

"I am just having fun with the whole experience," said Judi enthusiastically. "From writing sessions to book events to just meeting other authors, parents, and of course, the children, I feel very blessed!"

Judi has been busy participating in local author fairs and book signings to promote her books. Upcoming events include April 18- Degenstein Library's Local Authors' Fair from 9:30 am- 4:00 pm, April 22- Degenstein Library's Earth Day Event beginning at 4 pm, and April 25- Public Library for Union County's Arbor Day Event from 1:30- 3:00 pm. Stop by and meet Judi Jessick in person. She will happily autograph copies of her book.

Her books, "Agatha Livermore and the Magic Cookie Spoon" and "Agatha Livermore Planted a Tree", are available on Amazon, Barnesandnoble.com, and Walmart. Arbor Day Tree Planting Event in Lewisburg Borough

Lewisburg will celebrate Arbor Day on Friday, April 24 by holding a ceremonial tree planting. The public is invited to attend the tree planting ceremony. The celebration will take place at Meadow View Court in Lewisburg at 3:00 pm.

The Lewisburg Shade Tree Commission will conduct the observance. "Our Borough has observed Arbor Day every year since being designated a Tree City USA by the Arbor Day Foundation 41 years ago," said Amy Levan, Shade Tree Commission chairperson. Levan will lead Friday's short ceremony. Lewisburg Mayor Kendy Alvarez will be unavailable due to a scheduling conflict, so Erin Karahuta, a Lewisburg Borough council member, will read the official proclamation.

This year's tree planting will be the first Arbor Day ceremonial tree planting in the public right-of-way in Ward IV

of the Borough. The species to be planted is Liriodendron tulipifera, commonly known as a Tuliptree.

The Shade Tree Commission works to preserve, protect and replace shade trees within the Borough.
