MILTON STATE POLICE
DUI 6:26 p.m. February 16, on Main Street, in White Deer Township. A 2013 Nissan Rogue driven by a 61 year old female, of Milton, was stopped for traffic violations. During the traffic stop, it was determined she was driving under the influence of alcohol and was arrested.
Fatal Crash 8:54 p.m. February 22, on Col John Kelly Road, west of Fenton Drive, in Kelly Township. A 2003 Ford Explorer driven by Shawn R. Miller, 18, of Watsonstown, was traveling west on Col John Kelly Road. Miller failed to negotiate a slight right turn in the roadway and the Ford Explorer traveled across the eastbound lane, straight into an embankment on the south side of the roadway. The Ford Explorer continued on the embankment ultimately striking a tree and coming to rest against the tree on the south side of the roadway, facing south. Miller was transported to Wellspan Evangelical Hospital. The front passenger, Greg R. Martin, 18, of Mifflinburg, was transported to Geisinger Medical Center and the rear passenger, Matthew L. Eberly, 29, of Lewisburg, was pronounced deceased on scene.
Crash 7:57 p.m. February 21, on Buffalo Road, in Hartley Township. A 2008 Ford Focus was traveling west on Buffalo Road. The driver was unable to safely drive the Ford Focus and was unable to maintain it in the westbound lane. The Ford Focus exited the north side of the roadway, struck a telephone pole, traveled approximately 10 more feet, and came to rest facing west on the north side of the roadway. No injuries were reported. Witnesses to the crash were on scene and statements were obtained. The driver was taken into custody for DUI. The vehicle was towed from the scene. The driver was cited for driving on roadways laned for traffic (single).
Harass Physical Contact 8 p.m. February 19, on Wildwood Road, in Limestone Township. PSP investigated a domestic violence incident. Two non-traffic citations were filed through District Court. Pending preliminary hearing.
Crash 9:47 p.m. February 20, on Weikert Road, in Hartley Township. 2007 Ford Focus driven by Harold R. Cronin, 35, of Hartleton, was traveling east on Weikert Road. The Ford Focus struck a tree that was laying partially in the roadway. The Ford Focus struck the tree with its front right bumper. The Ford Focus then traveled in a northeast direction exiting the north shoulder of the roadway, striking a utility pole with its front left bumper. The Ford Focus continued traveling northeast direction counterclockwise coming to rest in a field north of Weikert Road, facing southwest. No injuries were reported.
Crash 8:17 a.m. February 19, on New Berlin Mountain Road, in Limestone Township. A 2015 Ford Fusion driven by Tyler M. Arcuri, 37, of Paxtonville, was traveling south on New Berlin Mountain Road. A 2016 Peterbilt 389 driven by Simon A. Sassaman, 39, of Freeburg, was turning from a private driveway to travel south on New Berlin Mountain Road. Sassaman observed no traffic traveling on New Berlin Mountain Road, so he began to negotiate the right turn to travel south on New Berlin Mountain Road. The Peterbilt 389 was too large to negotiate the turn, so it had to backup and continue forward to negotiate the turn. Due to foggy conditions, Arcuri did not see the Peterbilt 389 making the corrective turn and was unable to stop in time before striking the Peterbilt 389. No injuries were reported. Arcuri was issued a warning for driving at safe speed.

SPORTS NEWS

THE VIEW FROM HEAR

BY RON BOLT

I enter every Olympic Games, especially the Winter games with some trepidation. I was never a fan of an athletic event that uses judges to find a winner except when Liu is on the ice. I also don't understand many of the rules. I tune in because these athletes dedicate themselves to the games once every four years for the opportunity for Gold. I realize there are world championships in these sports every year, but do you watch them?

No matter my tepid approach when the games kick off, there is an event that pulls me in with interest and I get hooked. It started with curling and just got more exciting from there and how could it not? My biggest issue is just when I'm all in with my American patriotism the games are over and the Olympics leave me wanting more.

Here are some indelible moments that I will remember for at least four years until they are played again.

Alysa Liu retired from figure skating at 16 years old following a seventh place finish at the Beijing Olympics citing burnout. After a two year hiatus spent traveling she regained her love of skating and started her comeback in March 2024.

Liu was the first American to win a women's figure skating gold in 24 years. The attraction was the absolute joy she showed in doing so and her exuberance and peace of mind displayed as she skated and in interviews. Thank you for coming back Alysa.

Both our men's and women's hockey teams beat Canada 2-1 in OT in their gold medal games. The US women's team was the favorite before the games started and it's always more difficult to win when it's expected and the ladies delivered in a big way.

The men's final was one of the best hockey games I ever watched and it was 46 years to the day when they upset Russia in Lake Placid to play in the finals. If this year's gold medal game was judged like figure skating you would say "Oh Canada...they won!" Hockey doesn't judge it that way, they judge it with the bottom line of goals.

Jack Hughes, who was the first pick in the 2018 NHL draft, scored the game winning goal in OT after losing a couple teeth earlier in the game from a high stick. The quote of the Olympics came from Hugh's teammate Vincent Trocheck..."Teeth aren't considered terribly important to hockey players, it's pretty easy to move on. You lose a lot of teeth as an NHLer, they get straighter as you lose them more."

The most touching moment came after the game when two US players brought Johnny Gaudreau's two young children onto center-ice for the team photo. Johnny would have been on the Olympic team but was tragically killed along with his brother when they were struck

by a vehicle while riding bicycles in South Jersey in August 2024. The driver of the vehicle has been accused of being intoxicated.

The US hockey team had Johnny's #13 jersey hanging in their locker room throughout the Olympics. His two children aged two and three were holding his jersey for the official gold medal team photo. Hockey players are the best!

My other takeaways from these games include the sportsmanship shown by US men's skater Ilia Malinin. He didn't get a medal in the individual competition even though he was heavily favored to win gold. Immediately after his worst performance as a skater, he congratulated all the medal winners and did every interview with grace and honesty.

Mikaela Shiffrin was golden once again in winning the slalom in dominant fashion. I still don't know how slalom skiers know which pole to go to next. Meyers Taylor won gold in bobsledding's monobob. Taylor signed the words "Mommy won" in ASL to her two young sons, both of whom are deaf.

Jordan Stolz won two golds and set Olympic records in the 500 and 1,000 meters. Stolz also took silver in the 1,500 and won the most American medals in speedskating since Eric Heiden in 1980.

Does anyone know how many total winter Olympic medals the country of Denmark has won? I have never been a big fan of current NBC announcer Mike Tirico, even from his days at ESPN. I'm not sure Jim McKay or Bob Costas could have done a better job at hosting these Olympics than Tirico did.

Speaking of ESPN, what has happened over at the Mothership? No more Sunday night baseball. They have introduced their 'Women's Sports Sunday' that will feature the WNBA and Women's soccer in primetime every Sunday in the spring and summer. I have nothing against women playing sports, but there is something ethereal about a baseball game played Sunday evening to end your weekend.

They have also bought into the WWE (We Wrestle to Entertain) and are promoting and broadcasting this unwatchable farce. Next month they are going to broadcast real wrestling, the NCAA National Championships. They are doing this after airing only one match all year.

Our local schools did some high-end real wrestling last weekend. The Selinsgrove Seals came up huge at the District 4 AAA tourney. They won the district title and qualified eleven wrestlers onto Regionals this weekend with two champions.

Alex Kadryna won his third district title and Ryan Harpster pinned his Shik foe for his gold. The other Grove grapplers moving on include second place finishers Gabe Paradis and Cain Carter. Finishing third

were Colton Kratzer, Anthony Snook, Dagen Piermattei, Hunter Derk, Alex Modawar and Owen Hoffman.

On the 2A side we will be represented by thirteen wrestlers at this week's Regionals in Williamsport. Mifflinburg finished a half point behind Montgomery for the district team title. The Cats had two champions in Bradley Wagner and Landon Tucker. Five other Mifflinburgers repping the Cats will be Ben Straub, Lane Kenamond, Griffin Walls, Jack Gramly and Landon Moser.

Midd-West has three guys moving on in silver medal winners Evan Maneval and Charley Paige. Mason Kerstetter completes the Mustang trio. Lewisburg also has three moving on with Landon Wagner, Landon Michaels and Nolan Altoft.

Both the Selinsgrove boys and girls bowling teams won HAC titles. It's been over ten years for the girls and 30 years for the boys to win a league title.

The Grove boys were led by Xander Goudreau's 773 series which included a game of 289. Nick Heckman (692), James Troxell (672) and Bryan Ray's (618) backed Goudreau.

Gabby Heckman led the girls team with her 614 and a high game of 224. Olivia Rowan (582) and Anneke Rode's 555 put the Grove girls over the top. Both teams are at the Regional tournament this weekend in Lancaster.

Great start for our basketball teams in the first round of Districts. Two teams heading in different directions didn't change the course in Lewisburg's 35-17 win over Milton. Milton lost their fifth straight and the 4th seeded Dragons won their fourth in a row.

Addy Shedleski, Lauren Schwartz and India Walker all scored ten points. The drive to a district title gets steeper as Lewisburg played undefeated and top seed Central Columbia Wednesday.

The Mifflinburg girls are also on a heater in winning their sixth straight with a 45-37 W over Danville. The opening round of districts has been an issue for Mifflinburg basketball teams but this young team is growing up fast. If they can eliminate the number of turnovers and make their free throws their playoff run will continue.

Avery Reibosome scored 18 and Parice Shuck added 11 points. The fact a healthy Brooke Gessner is back helps the Cats play at a faster pace. The #2 Wildcats played #3 Jersey Shore on Wednesday.

The #5 seeded Miff boys also found success in their opening game in beating #4 South Williamsport 64-45 on the road. Despite being down ten after the first quarter, Miff hit the boards and shored up their defense. They also got offensive and outscored Southside 42-13 in the middle two quarters to put the game on ice.

Cheeky Griffith led all scorers with 27 points and Grady Brubaker had 19. The Wildcats played #1 seed Warrior Run Tuesday.

The Selinsgrove boys beat Bangor 49-45 in their 5A district opener. Tough defense by the Seals put them out to a 20-13 halftime lead. Bangor put up a valiant effort in the second half but could never overtake the Seals.

The total team effort of multiple scorers has been the calling card of Grove all year and this makes it difficult to defend them. Xavier Jackson led the Seals with 16 with four others scoring at least 5 points. Selinsgrove played Blue Mountain Tuesday night in round two.

Denmark won a silver medal this year and it's only their second medal of any color since 1948. How is this possible when you're a Nordic country? Comments and questions can be sent to theviewfromhear74@gmail.com

GSV Chamber Announces Strategic Leadership Transition and National CEO Search

The Board of Directors of the Greater Susquehanna Valley Chamber of Commerce recently announced that CEO / President Robert Garrett will retire effective March 31, 2026. The announcement marks the beginning of a deliberate, "New Era" succession plan designed to accelerate the Chamber's 2-Pillar strategy: Legislative Advocacy and Workforce Development.

"Succession planning is a hallmark of a healthy, forward-looking organization," said Jeff Reber, Board Chair. "We celebrate Bob's years of service and the stable foundation he has provided for our member businesses. As we pivot to become the region's definitive Legislative Shield and Workforce Bridge, we are positioned to build upon that legacy with a new leadership profile."

The Board has launched an 11-week, regional search for an Entrepreneurial CEO to succeed Bob. This search, led by the Board Chair, will utilize a Strategic Alignment Matrix to benchmark candidates against the specific advocacy and talent-pipeline needs identified by the region's top industry stakeholders.

"Bob Garrett's retirement allows the Chamber to align its leadership with our next strategic cycle," added Greg Zeh, Board Vice Chair. "Our mission is to ensure the Susquehanna Valley remains regionally competitive, and that starts with a leader equipped to drive exceptional results."

The Chamber remains at 100% operational capacity during this transition. A celebratory event honoring Bob's contributions to the Valley as well as acknowledging the impact of our member businesses will be held on March 27th. Stay tuned for more details.

Sunrise Rotary Events from January-February

New Members and Classification Talks

In February, Sunrise Rotary had the good fortune to induct two new members to the club. Liz Mahoney and Erin Anderson. Both women became members in December 2025.

Liz is a nurse anesthetist and very active in and around the Lewisburg Community in Scouting, Sunday School, and volunteering for the school district.

Erin is in international development, primarily in the nonprofit sector and has led global literacy initiatives. Erin is very active with her family and loves travel and her cat.

Beth Carr became a member in June 2025. She gave her classification presentation to the club on February 4th. Beth just retired from her Physical Therapy practice and is now enjoying time to travel with her husband, John Rinehart, also a Sunrise Rotarian, and spend time with her three daughters and their families.

Michelle Mertz works for Spotlight PA and as one of our newest members in October 2025. Her classification talk was a fun trivia contest. She gathered members in groups and then had everyone guess the answers to her "What about Michelle" questions! Fun was had by all, and it was a great way to get to know Michelle

Lewisburg High School Interact Club -It's a Family Fair!

Erin joined Sunrise Rotary in December 2025. She brings 20 years of experience in international development, primarily in the nonprofit sector. She has led global literacy initiatives. Erin is very active with her family and is jumping into Rotary as the club advisor to the brand-new Lewisburg High School Interact Club which her daughter Ziva is the driving force and inaugural president.

Ziva Williams, the Lewisburg Area High School Interact Club President, was one of the club's 2024 RYLA Recipients. Her RYLA experience helped her formulate the type of leader that she wants to be and inspired her to want to start the Interact Club! She came to member Ray Rohland and President Shirley Brough and said that she had an interest, and the high school principal's permission and a faculty advisory ready to start an Interact Club at the LHS. Her Mom Erin, without hesitation, jumped in to be the Club Advisor along with faculty member Dakota Gessner. The club's first official meeting will be at the beginning of March. Both Ziva and Erin are excited to bring this level of "Service Above Self" opportunities to the students of our community. Ziva has already volunteered at the club's recent Chili Festival Event. The club is excited to have this opportunity to expand the presence of Rotary and Interact in the community. A celebration with the new Interact Club, Sunrise Club, and the School District is being planned.

Paul Harris Awards

The club was proud to present Paul Harris awards to several members in January and February. Members included Paul Donecker, Jan Wilson - Area 5 Governor, Dr. Douglas Spotts, and the newest Paul Harris recipient, Dr. Bob Hynck.

Sun Technical Institute - Student of the Month

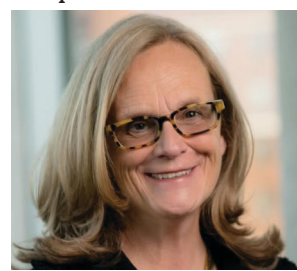

Xavier Croll was chosen by his instructor to be the January Student of the Month. Xavier is enrolled in the Masonry program. He runs his own landscaping business which he started when he was 16. The masonry program will allow him to add additional services including

garden retaining walls to his business. In addition to his full-time job as a student and running his business, he was on the Mifflinburg High School football team, as a right guard, which made it to the PA State Semifinal championships. He has been a volunteer at the boy scout jamboree, helps with school tours, mentors other students, and is ready to start a full coop position through school, working for a local mason three to four days per week.

2026 Spicy Sips on Sixth

Sunrise Rotary Chili Festival- February 7, 2026, was the date for the annual Lewisburg Ice Festival, Polar Plunge into the Susquehanna River, and the Sunrise Rotary Spicy Sips on Sixth Chili Festival. This year, the club joined in with Bull Run Tap House, sponsor, Lewisburg Downtown Partnership, and Bucknell University to host an "after plunge" party on Sixth Street. Festivities included the Club's Chili and Hot Cider fundraiser for community projects, Bucknell family games with smores and a College Battle of the Bands event. It was a great collaboration of the relationship between Lewisburg clubs, businesses, and organizations and Bucknell Campus to make the club's annual Chili Festival fun for all!

Greater Susquehanna Valley Chamber of Commerce Hosted Impactful ATHENA Virtual Women's Leadership Event

The Greater Susquehanna Valley Chamber of Commerce (GSVCC) and its Women's Leadership Committee successfully hosted the ATHENA Virtual Women's Leadership Event on Thursday, January 29, 2026. The event featured a keynote from economist and University of Pittsburgh

professor Dr. Lise Vesterlund and the presentation of the 2025 ATHENA Award to Senator Lynda Schlegel Culver.

Dr. Vesterlund shared research from her co-authored book, *The No Club: Putting a Stop to Women's Dead-End Work*, regarding Non-Promotable Tasks (NPTs), which are tasks that help your organization, but not your career. She noted that women spend 200 more hours annually on NPTs than men, often because they are 44% more likely to be asked to volunteer. To prevent this inequality of work, Dr. Vesterlund urged organizations to bring awareness of NPTs and change how work is allocated and evaluated.

The event concluded with the formal presentation of the 2025 ATHENA Award to Senator Lynda Schlegel Culver. Recognized for her leadership in the Pennsylvania Senate and public service in the Susquehanna Valley, Senator Culver accepted the honor by thanking GSVCC and those who nominated her.

For more information about upcoming GSVCC events and the Women's Leadership Committee, please visit gsvcc.org.

The Greater Susquehanna Valley Chamber of Commerce aims to advance the prosperity of its communities, commerce, culture, fellow citizens, and their businesses in its region through the leadership of its members. GSVCC engages its members to serve as an engine of growth that drives the region's jobs, businesses and opportunities through economic development, collaborative partnering, strategic technology, and resource training.
