Kratzerville Volunteer Fire Company Celebrated 75 Years of Service to the Community

By Kay Poeth

Dee Hollenbach, Sen. Lynda Schlegel Culver, Kratzerville Fire Chief Frank Long, Snyder County Commissioner Joe Kantz and Snyder County Commissioner Chuck Steininger stand in front of the Kratzerville Volunteer Fire Company

Area residents came out in support of the Kratzerville Volunteer Fire Company's 75th Years of Service to the Community.In addition to the 75th Celebration, the four-hour event featured Community Day. Many neighbors and friends, former firefighters, and local fire companies attended the milestone festivities.

Congratulations to Kratzerville Fire Company! It's great to see a volunteer organization thrive in an era where some are struggling to find volunteers. Kratzerville is just that kind of community where everyone pitches in and supports one another when there is a need," noted Snyder County Commissioner Joe Kantz. "It's why most of us choose to live in Snyder County. It's part of what makes living in this area so special. I hope they continue to thrive for the next 75 years."

Proudly on display were several Kratzerville Volunteer Fire Company trucks and apparatus. They were joined by local fire companies including New Berlin, Hummels Wharf, DH&L Fire and Ambulance, and Kreamer. There were even interactive fire demonstrations.

Adding to the exhibits were-Hackenburg's Garage and Towing with a wrecker as well as local organizations such as Kratzerville Boy Scouts, Kratzerville Girl Scouts, Selinsgrove Little League, Fry's Fire Protection, and the Dairy Princess.Of course, there were food stands, raffles (Patriotic Grill Bundle, Lottery Ticket Bundle and Igloo Cooler Package) and 75th Anniversary goods available for purchase.

The highlights included the first 50 children in attendance received a free bag filled with gifts. The DH&L aerial truck provided bucketrides in the lift and a breathtaking view not many have the opportunity to experience. (Chuck Steininger prefers to keep his feet on the ground.)A race car exhibit and a large inflatable slide shaped like a fire truck mesmerized the children and some adults were also spotted zipping down the inflatable slide! Smokey Bear even posed for photos and gave high 5's.

Dignitaries included State Sen. Lynda Schlegel Culver and Snyder County Commissioners Joe Kantz and Chuck Steininger, Fire Chief Frank Long plus all the local firefighters. At noon, the short ceremony began with the Kratzerville Boy Scouts playing the National Anthem. Chuck Steininger, Chief Emeritus and Chaplin of the fire company, presented a history about the fire company.The fire company was also presented several citations from legislative dignitaries.

The Snyder County Commissioners sent a congratulatory letter to the fire company. In part it stated, "For three-quarters of a century, your company has stood as a beacon of safety, selflessness, and community pride. Since your journey began on February 5, 1951, your organization has steadily evolved to meet the needs of our citizens. From the early days of converting Fisher's Dance Hall and acquiring your first fire trucks in 1951, to the iconic 1941 American LaFrance in 1956, your department has always prioritized reliable protection.

"Your legacy is defined not just by firefighting, but by an unwavering commitment to community wellness. This was beautifully demonstrated in 1964 with the addition of recreational courts for the local youth, and again in 1981 with the opening of your new Fire Station. As technology advanced, so did your capabilities, marked by the addition of the 1972 Chevy/Hahn, the 1994 Freightliner, and the 2011 International trucks. Notably, the launch of your Quick Response Service in 1988 revolutionized local medical response, cutting vital minutes when seconds mattered most.

"Behind every milestone and every emergency call are generations of brave volunteers who have selflessly left their families to protect ours. Seventy-five years of unbroken volunteer service is an extraordinary achievement that represents the absolute best of Snyder County."

Dale-Engle-Walker House Tour on Sun., June 28

The Dale-Engle-Walker House, 471 Strawbridge Road, Lewisburg, PA, will be open for a Tour on Sunday, June 28 at 2 pm with guide Bill Brobst .

The Dale house was built c. 1793 by Ulster-Scots immigrant Samuel Dale (1741-1804). Original architectural highlights include the front door and fan light with original glass; first floor twelve-over-twelve windows and second floor eight-over-twelve windows; original chestnut and pine floors; the early kitchen and hearth. The property stayed in the Dale family and was worked by tenant farmers until 1929.

The Engles operated a dairy and vegetable farm from the 1930s to 1950s and their milk house is preserved on-site. Jacob and Maude Engle sold the property to Charles and Rosemary Walker, who updated the house and farm and bequeathed the property to the Union County Historical Society.

This historic site includes the c. 1789 Kantz log cabin, a frontier trading cabin from the Tuscarora Indian Path at Middlecreek, donated to the society and reassembled at the Dale-Engle-Walker site. Also on site is the replica wagon shed display of early farm implements.

Tours are free; donations toward the preservation of the house and property are appreciated.

Wild Night at Clinton County for Garrett Bard in the 410-Sprint Car Feature

At the start of the 410-sprint feature Friday night at Clinton County speedway Garrett Bard of Wells Tannery Pa. stepped on the gas coming off the four turn and almost flipped his car backwards. The cars fuel tank hit the ground which kept the car from flipping backwards. Many years ago, I saw a sprint on the mile track at Syracuse do the same thing, but that was on a mile track, and the driver also hit the back tank which kept the car from going over. But for it to happen on the much smaller Clinton County speedway was a serious thing to happen the car came down and Bard hit the gas again and it started to do it again but this time the car took off to the right side and in to the concrete barrier doing much damage to the #95 sprint car. Bard was ok after the crash, but figured he would be very sore on Saturday. He describes the wild ride as something weird about what happened. "It just seemed like I was along for the ride after the car came back down the first time and then when it did it again and came down it made a hard right turn and that was the end of my night". Ryan Smith of Fleetwood Pa went on to win the 30-lap feature. His third win up at the track in the past few seasons. The win was worth $4,500 for Smith who did question why wasn't there more drivers on hand for a good paying purse and with Williams Grove cancelling their racing events the night before the track, only drew fifteen drivers to the track for the first of three races for the division. The next one will take place on Friday July 10th this one will be an official PA Posse series race. So maybe more drivers who are racing the series for points will make to the track on that night. Placing and his best ever finish was Mike Thompson of Newtown PA. who drove his #11 from his ninth-place starting spot to a second-place finish. Mike won a non-qualifiers race at Bridgeport speedway last year but has been struggling this year so far. There was a late race caution, but Mike did not have anything for the high-flying Ryan Smith. Michael Bauer was third with Carmen Perigo Jr and Matt Tebbs who was racing with a 410-engine in his number 15T for the first time and placed fifth in the feature. The Pro -Stock had a neat thing happen after the two heat races won by Cory Long and AY Schilling, a donor came up with a challenge for the heat winner if they would start on the rear of the field they would pay either one an extra $700 dollars, but later more people came up with money and it ended at $1,100. Both drivers took up the challenge and started at the rear of the field. One thing that could mess this up was third starting AJ Hoffman, a two-time winner at the track. Hoffman got into the lead early in the 20-lap feature and was pulling away from the field as AY Schilling got into second. A late race caution changes a few things, with Cory Long and Schilling now racing hard for second place which again allowed Hoffman to move out to a big advantage. Long did get to the second spot but didn't get close enough to pass Hoffman for the extra payday. Schilling was third with Marc Bitler and Ronnie Ergott fifth. Mason McAndrew drove to his second 270-micro sprint car feature win over Mac Wert who had won two in a row, Zach Glass, Denny Rinehimer, and Garrison Zook. The Four-Cylinder feature was won by Jimmy Moyer, his second win of the season, over Andrew Ricketts, Shane Seville, Larry Beachel and Coty Maines. This Friday the IMCA 305-sprints will be racing for a top prize of $1,000 to win along with Pro-Stocks, Four-Cylinders, and 270-micro sprints.

Friday night at Selinsgrove speedway Shaun Miller won the limited late model feature over Andrew Yoder, Casey Steinhoff, Jaxton Garman and Daulton Bigler, the limited class will be back in action this Friday along with the super late models. Brandon Moser won the Street Stock feature his first of the year over Troy Miller, a two-time winner, Jason Geesaman, Aiden Mitch and Darren Rice. A special race for the four-cylinders had Justin Williamson getting the feature win over Adam Campbell. Saturday at Lincoln speedway Freddie Rahmer scored his second win of the season over Tyler Ross and Kyle Moody, Dylan Norris and JJ Loss. Port Royal had Doug Hammaker scoring his first ever 410-sprint car feature win over Derek Hauck, Logan Wagner, Dominic Melair and Kody Lehman. Lane Snook took the limited late model feature win over Andrew Yoder DJ Myers, Gunner Walls and George Dixon Jr. Snook has scored 20-feature wins over the last two years in his Rocket chassis #23.

Two or three races will have been run but this is the week for the USAC Eastern storm for the national touring series to come to our region. Tuesday night they raced at Grandview, with a Wednesday night show at Bridgeport speedway. Thursday night at Big Diamond, Friday night at Williams Grove, Saturday at Port Royal where the Silver Crown Champ cars will join the action and it ends Sunday at the Action Track in Kutztown Pa. They will be the 19th year for the USAC division of traveling National touring drivers have come to our region. 52 Eastern Strom events have been held, Brady Bacon leading the way with eight wins, the late Bryan Clauson, Levi Jone and Chris Windom are next with six wins each, with Robert Ballou next with five. Most races will pay the winner $6,000 to win with the points champion collecting a $12,000 paycheck at the end of the series races. Racing at Grandview and Big Diamond we'll see the 358 Modifieds also in action. While the 360 sprints of URC will be the extra division. 410-sprints will be in action at Williams Grove and Port Royal, with racing at Kutztown having the 600-micro sprints in action.

The Late Model Speedweek finished with races at Bedford and Lincoln speedways with Gregg Satterlee taken the win at Bedford with a late race pass on Bryan Bernheisel, Shawn Shoemaker, Matt Sonaugle and Tyler Emory. 20 drivers were on hand for the event that paid Satterlee $5,000 with Bryan Bernheisel stretching out his points lead for the series points title over Justin Weaver. Saturday night at Lincoln Speedway it came to an end with 31-drivers on hand for the event. Gregg Satterlee scored the feature win, but because he missed the Sunday night show at Potomac, he only could place eighth in the final points. The battle did come down to Bernheisel and Weaver with Weaver placing fifth in the feature and Bernheisel a disappointing 12th. With the point's structure was everything that goes on during the night counts for points. Bryan won the title by sixteen over Weaver. "I had a number of good qualifying nights and was better than Justin, but he beat me more in the feature a few times, but are good qualifying effort made the difference in winning the title" noted Bernheisel.

The final series point looks like this after four of the seven races were run, rain outs happened at Port Royal, Kutztown, and Marion Center; Bryan Bernheisel-3368, Justin Weaver-3352, Tyler Emory-3323, Jakob Piper-3260, Chad Homan-3164, Jay Petyak-3127, Danny Snyer-3014, Satterlee-2277, Drew Weisser-2253, Dylan Yoder-2096 Four different drivers had fast time awards Satterlee, Kyle Hardy, Matt Sponaugle and Chad Homan. Feature wins went to Gregg Satterlee at Bedford and Lincoln with Trevor Feathers winning at Clinton County and Justin Weaver at Potomac. Four drivers won dash that set up the feature line-up for the first six row-Satterlee, Hardy, Sponaugle and Homan. There were twelve different heat race winners and no repeat winners.

Ryan Smith Takes 410 Sprint Opener at Clinton County Speedway

Mill Hall, PA – Ryan Smith of Fleetwood, PA returned to victory lane at the 1/3 mile Clinton County oval. "I really like coming here," said Smith in victory lane. "This track really fits my driving style." It was the third win of his career at Clinton County. AJ Hoffman of Richfield won an exciting Pro Stock feature event. Mason McAndrew of Apollo won the 270 Micros and Jimmy Moyer of Lewistown won the 4 Cylinder main event.

Garrett Bard of Wells Tannery and Michael Baurer of Eighty Four, PA started to the front row of the 30 lap 410 Sprint Car main event. At the drop of the green flag, Bard's car stood up with an impressive wheelie down the front stretch. He backed out of it, mid-way down the front stretch, allowing four cars to get by him as the field raced into turn one. Baurer led the first three laps, as third place starter Ryan Smith powered into the lead. The red flag waved on lap number five, when Bard car got loose exiting the fourth turn, he hit the wall and rolled on the front stretch. Bard was ok. By the completion of lap number 10, Smith was leading Bauer, Carmen Perigo Jr. of Stoystown, Mike Thompson of Newtown and Matt Tebbs of Cogan Station.

On lap number 13, Thompson took the third position away from Perigo. Thompson began to challenge Bauer for the second position and was able to secure it by the completion of lap seventeen. With 20 laps in the books, Smith was leading Thompson, Baurer, Perigo and Tebbs. Smith eventually caught the tail of the field and began to weave his way through lapped traffic. Smith extended his lead and at the finish line established a 2.409 second advantage of Thompson and Baurer. Perigo finished fourth followed by Matt Tebbs, making his debut start in a 410 sprint car. Sixth through tenth were Billy Dietrich of Aspers, Chris Frank of Wellsville, Spencer Burley of Hilton, NY, Tyler Esh of New Providence and Dale Schweikart of Linden.

Lou Belise of Montgomery and Mike Gray of Hughesville started on the front row of the Pro Stock feature event. Belise led the first lap, then AJ Hoffman of Richfield took the lead. Heat race winners Cory Long and AY Schilling were offered a challenge to start on the rear of the field, and if they won the feature would receive more than $1,000 in bonus money. Both drivers accepted with the fans keeping an eye on their progress. By lap number four Schilling worked his way into the top five. By the halfway mark of the race, Hoffman was leading Schilling, Marc Bitler, Cory Long and Belise.

The caution came out on lap number 13, when Jason Koch's car stopped on the speedway. This gave Schilling an opportunity to challenge Hoffman on the restart. Hoffman quickly accelerated, keeping Schilling at bay in the runner up spot. With five laps remaining it became a three car race as Hoffman was leading Schilling and Long. Schilling and Long battled for second, as Hoffman focused on hitting his marks, knowing the other two drivers had a lot on the line. Long passed Schilling with two laps remaining but could not close in on Hoffman who won by 1.756 seconds. Schilling was third followed by Marc Bitler and Ronald Ergott III.

Jillian Maurer and Cory Stabley led the field to the green flag of the 270 Micro Feature. By the completion of the first lap fourth place starter Mac Wert was in the lead. A lap five caution occurred involving a four car crash on the front stretch. Following that restart Zac Glass took second, with Maurer in third, McAndrew in fourth and Garrison Zook in fifth. On lap number 8, McAndrew took the second position and would chase down Wert to take the lead on lap number twelve. McAndrew continued to lead the remaining laps for the second victory of the season. Wert, Glass, Denny Rhineheimer, and Zook rounded out the top five.

Andrew Ricketss started on the pole and took the lead at the drop of the green flag in the 4 cylinder feature. Fifth place starter Jimmy Moyer quickly moved up through the field and was chasing Ricketts. By lap 6, Moyer caught and passed Ricketts on lap number 6. Seventh place starter Shane Seville raced into the third spot by lap number eight. Moyer led the remaining laps for the victory over Ricketts, Seville, Larry Beachel, and Cody Maines.

The Clinton County Speedway returns this Friday night with River Valley Builders RaceSaver Sprint Cars for the annual Nittany 40. Joining the Sprint cars will be the Pro Stocks, 270 Micro Sprints, SCDRA 4 Cylinders and the Rising Stars Jr Sprints. Gates open at 5PM and racing begins at 7PM. Port Royal Speedway Set to Host USAC Eastern Storm Saturday June 20

By Brad Strawser

Port Royal, PA -- One of the most anticipated events of the season is set to roll into Port Royal Speedway this Saturday, June 20, as the stars of the AMSOIL USAC National Sprint Cars invade "The Speed Palace" as part of the 19th Annual Yokohama USAC Eastern Storm presented by Levan Machine & Truck Equipment.

Joining the wingless warriors on the racing card will be the USAC Silver Crown Series and the Weikert's Livestock 410 Sprint Cars, creating a triple-header of open-wheel racing that will bring excitement from when the gates open until the drop of the checkered flag.

Eastern Storm has become one of the premier non-wing sprint car tours in the country, showcasing the versatility of the USAC National Sprint Car drivers as they transition from tight bullrings to larger dirt ovals throughout Pennsylvania and New Jersey. Port Royal Speedway's half-mile oval presents a unique challenge that often produces some of the most thrilling racing of the entire Eastern Storm schedule.

Fans can expect a star-studded field of USAC National Sprint Car competitors, including defending Eastern Storm champion Justin Grant, current series standout Kyle Cummins, Mitchel Moles, Brady Bacon, Logan Seavey, Chase Stockon, Kevin Thomas Jr., Jake Swanson, C.J. Leary, Robert Ballou, and Pennsylvania favorite Briggs Danner, among many others.

The USAC Silver Crown Series will also make an appearance at Port Royal Speedway, much to many local fans' anticipation. The Silver Crown cars, known for their larger size and powerful engines, are among the most historic and prestigious divisions in American motorsports and always provide a spectacular show at The Speed Palace.

Levan Machine & Truck Equipment serves as the presenting sponsor of the Eastern Storm tour. Located just outside Reading, Pennsylvania, Levan Machine & Truck Equipment is a full-service CNC machine shop and work truck upfitter that has been serving customers since 1936.

Saturday's event will mark one of the few opportunities Pennsylvania race fans have to witness the nation's top non-wing sprint car drivers compete alongside the USAC Silver Crown Series and Port Royal's talented 410 Sprint Car competitors on the same evening.

All camping, both dry and electric spots, must be reserved through the Port Royal Speedway website for this weekend's event.

Pit gates and grandstand gates will open at 4:00 PM. Hot laps are scheduled for 6:00 PM, with racing beginning at 7:00 PM.

Fans are encouraged to arrive early and be part of one of the most unique and exciting racing programs of the 2026 season at Port Royal Speedway.

Herr Memorial Library Front Circulation Desk Renovation & Dedication

By Kay Poeth

Pictured here are (Front Row) Meghan Shambach, board president; Angela Wager, trustee; Melanie Zickgraff, board treasurer; Erma Hower, Cathy's mother; Debbie (Hower) Goff, Cathy's sister; Sandy Hornberger, library director; and Betty Gilmore, Director of Grantmaking for First Community Foundation Partnership (FCFP); (Back Row);Dave Brungard, Paul's brother; Adam Goff, Cathy's nephew; Nick Goff, Cathy's brother-in-law; and Paul Brungard, Cathy's husband.

Paul Brungard, Cathy's husband, placed the plaque on the front of the circulation desk.

The new circulation desk at Herr Memorial Library takes center stage as patrons enter the building. Staff greet residents and welcome them to the library. The desk is now at a more accessible height for children and those who use wheelchairs. The new desk and shelves behind it, located in the center of the lobby, were created in memory of former library employee Cathy Hower Brungard, thanks to a generous donation from her family.

According to her sister, Debbie (Hower) Goff, "My sister Cathy lived her entire life in Mifflinburg and truly loved working at the library. A new desk was the perfect idea for a permanent memorial for Cathy!"

"Cathy was very personable and loved the connection to the community. She had many conversations with people as they came through the library doors. She was the first one they saw as she was sitting at the circulation desk, greeting patrons," said Debbie.

Vickie Shipton, operations assistant, also remembers Cathy "as being outgoing and very friendly. Everyone loved her."

"Cathy even convinced her husband to dress as Santa for various library Christmas events. He even grew his hair long for the holiday events. She dressed as Mrs. Claus for many years," chuckled Debbie at the memory.

On May 29, 2026, a small reception was held to dedicate the circulation desk in Cathy Brungard's memory. The dedication was attended by members of the Hower-Brungard family and friends, Herr Memorial Library trustees and staff, and Betty Gilmour representing the First Community Foundation Partnership of Pennsylvania. The reception included piano music performed by Patricia Wagner, light refreshments, and fellowship.

During the dedication, Debbie Goff addressed the group with tears in her eyes. "My, sister Cathy, had one final wish. She asked… please don't forget me. As a family, we could never forget her exuberant spirit. Now, it is my hope that as the community comes through these doors, they will see Cathy's name and remember- her welcoming smile, her infectious laugh, her warm conversation, and the joy that she brought to this library she loved."

Cathy Brungard's husband, Paul, placed the brass plaque on the front of the circulation desk. It reads, "In Memory of Cathy Hower Brungard."

Sandy Hornberger, Director of Herr Memorial Library, also introduced Betty Gilmour, Director of Grantmaking for First Community Foundation Partnership (FCFP). "We are thrilled to support this renovation with a grant of $11,000 from FCFP's 2025 Greater Susquehanna Valley Competitive Grant Cycle." She explained the grantmaking process. FCFP had $100,000 available to grant. The organization received 47 applications from non-profits, totaling $784,000. Herr Memorial Library made it to the second round, where the Regional Advisory Board reviewed 13 finalists. FCFP awarded grants to 9 organizations, Herr Library being one.

The grant process is highly competitive. Gilmour noted, "Accessibility, comfort, and safety are core requirements for shared spaces; this renovation meets those needs…FCFP is committed to creating powerful communities through passionate giving."

The project began as a visit, a suggestion, and simple vision. When Hower and Brungard families visited the library, the previous director suggested the idea of a desk. She had a vision to build a new desk and transform the space behind the old one into part of the children's wing. The Hower family and Brungard family jointly made a generous donation for a new front desk at Herr Memorial Library.

When Sandy Hornberger assumed the role of executive director of Herr Memorial Library, she began to manage the project and masterfully brought it to fruition. As with all projects, plans evolve and necessitate changes. Hornberger's vision to expand the children's section required additional renovations and funding.

Hornberger acquired a grant of $11,000 from the First Community Foundation Partnership of Pennsylvania for additional funds for replacing the circulation desk, as well as converting the space behind it and replacing the flooring beneath it. This also required some renovations to the staff room so that the cash register and other materials could be relocated to that room. In addition, they were able to update the flooring in three of the children's rooms. Hornberger is currently seeking a grant to update the flooring in the main children's space.

"The front desk was built by Railside Furnishings in Vicksburg with the countertop installed by Shade Mountain Granite. We are very pleased with the quality and craftsmanship that they brought to this project. This beautiful desk truly honors my sister," said Debbie."The end result is a stunning addition to the library!"

"This remodel will help further our mission of being the community's source for information, literacy, and life-long learning by enabling us to expand our children's collection. These updates will allow us to better serve our community's children and families by making the space more accessible, comfortable, and functional," said Sandy Hornberger, Director of Herr Memorial Library. "We are deeply grateful to the First Community Foundation Partnership and to the Goff and Brungard families for helping us make this vision possible."

For more than 80 years, Herr Memorial Library has served as a vibrant hub for families in Mifflinburg, fostering literacy and a lifelong love of learning. The new

It only took two nights for two championships to be won and two professional seasons to be over. The New York Knicks proved that experience beats talent and the Carolina Hurricanes showed that defense and staying healthy wins titles in hockey as well as football.

My sports focus will now turn to baseball until football season begins in August. Universal football, soccer to you and I, has quickly grabbed my attention with the passion and joy their fans are displaying at all the World Cup sites.

I am enjoying all the back stories of these teams and nations playing on the big stage. I have yet to watch a match for more than twenty minutes but I watched the end of Cape Verde's draw with European champion Spain and I never thought a game without any scoring could be so exciting.

I was reminded how polite and selfless the Japanese culture is as their fans bagged up all of their trash in the stands after their match with the Netherlands. Win, lose or draw which they had with Holland, Japan has been displaying their cultural respect since the 1998 World Cup. The players even left the locker room spotless with thank you notes in the language of their hosts.

Scotland in particular has endeared themselves to New Englanders and all of America. The Scots are taking full advantage of their first trip back to the World Cup in twenty-eight years. Their Tartan Army marched through the streets of Boston with bagpipes to record the loudest decibel level of fans cheering and singing at a sporting event. The game wasn´t a soccer match, it was a baseball game at Fenway Park! Red Sox fans have said it was the most fun they've ever had at Fenway. Bars in Boston are running out of beer. Makes you want to plan a vacation to Scotland.

If you contrast this with the ugliness of how a percentage of Americans celebrate their wins, it is shocking. School buses with soccer fans were returning from a soccer match in New Jersey to Manhattan. The Knicks had just won their NBA title and tens of thousands of fans were celebrating in the streets. Many of the New York fans thought it would be cool to destroy five of the buses and set one on fire. Fortunately the soccer fans were able to get off their buses before the mayhem started. Could someone explain to me why fans riot after winning a championship?

The PIAA softball and baseball championships were decided last week and local D4 rival Southern Columbia won the baseball 2A title. Of minor consolation is the fact that both teams that knocked Mifflinburg out of the state playoffs won a state title; Pine Grove in softball and Bermudian Springs in baseball.

High school sports information will be limited for the next two months with the summer break. If you're craving some high school action and want to watch some real football, District 4 will have their football all-star game this Friday night at 7pm in Milton.

Mifflinburg's Cody Botts will coach the South team. Botts will be coaching six of his players one last time. They include JP Marr, Kaiden Kmett, Larry Murray, Jack Whittaker, Xzavier Croll and Nathan Crisswell. Lewisburg will have three participants in Nick Coleman, David Bozella and Garrett Glather.

Bucknell´s Evelyn Bliss came up less than two feet short from becoming Bucknell's first ever NCAA track & field champion. The Junior javelin thrower did bring home the silver medal from the Oregon event last week. Bliss was in first place until the winner from Rice threw her personal best on her last throw. Bliss is already listed as the favorite for next year.

Staying at the college level and this is purely my speculation, Michigan State basketball coach Tom Izzo may retire before this season begins or after his season is over. Izzo is disgusted by the administrative drama at Michigan State that led to the Spartan´s president and athletic director to take the same jobs at two different schools.

¨I can't stand what's going on,¨ Izzo told reporters. ¨I´ve had it. This is self-inflicted. We just lost the best president to ever be here, maybe…. One of the best. I´m very upset about it and I´m sick of it.¨ Sparty will now be searching for its fourth AD since 2021 and its fourth president since 2022, including interim stints.

Izzo is 71 years old and has been the head coach at Michigan State for thirty years and an assistant there for the previous twelve. It is my belief that when he takes his vacation this summer to the Upper Peninsula of Michigan he will reflect on his career and make a decision to retire.

Coaching contemporaries such as Jim Boeheim, Mike Krzyzewski and Jay Wright all walked away from the college game because of all the changes with recruiting and NIL. Izzo has always been one of my favorite coaches in all sports and college basketball will suffer when he leaves.

Enjoy the soccer…Comments and questions can be sent to theviewfromhear74@gmail.com

RiverStage Celebrates America's Founding with Musical "1776"

LEWISBURG–The 250th anniversary of the Declaration of Independence's signing in Philadelphia will be celebrated through music and comedy as RiverStage Community Theatre presents the classic musical 1776 in Lewisburg. Performances will be at Greenspace Center, 815 Market Street, Lewisburg on Friday and Saturday evenings at 7:30pm on June 19, 20 and 27, a special 6:00pm performance on Friday June 26 before the start of Lewisburg's fireworks display, and two Sunday matinees at 2:30pm on June 21 and 28. Tickets are just $15 for adults and $8 for students, with general admission seating, and they can be purchased at the door or at www.riverstagetheatre.org.This production is supported by a generous grant from the Amer250PA Foundation.

1776, with book by Peter Stone and music & lyrics by Sherman Edwards, tells the story of the colorful characters and events leading up to the signing of the Declaration of Independence in Philadelphia on July 4, 1776. The story follows John Adams, Benjamin Franklin, Thomas Jefferson and their allies as they fight to persuade their colleagues to vote for American independence and sign this legendary document. The show uses some quotes and dialogue from authentic historic documents, but also uses entertaining songs and humor to affectionately portray all of the strengths, weaknesses, and human flaws and idiosyncrasies of these well-known historic figures.

This production features an all-star cast of 29 performers who have been seen on musical stages across the Susquehanna Valley, including Nick Buckman (John Adams), Lonnie Bickel (Benjamin Franklin), Ryan Lannan (Thomas Jefferson), Moria Chambers (Abigail Adams), Laura Ulrich (Martha Jefferson), Michael Sundberg (John Hancock), Ian Sterner (Richard Henry Lee), Josh Laubach (Roger Sherman), Fox Laubach (Robert Livinston), Andrew Druckenmiller (John Dickinson), Peter Rowe (Stephen Hopkins), Connor Hill (Dr. Josiah Bartlett), Micah Shively (Lewis Morris), Paul Kloberg (Rev. John Witherspoon), Eric Kerchoff (James Wilson), Camren Reitenbach (Caesar Rodney), Andrew Confair (Col. Thomas McKean), Angel Ortiz (George Read), Ryan Miller (Samuel Chase), Brian Smith (Joseph Hewes), Christopher Jones (Edward Rutledge), Fred Hooper (Dr. Lyman Hall), Nathan Crawford (Charles Thompson), Bryan Wolfe (Andrew McNair), Carlie Dauberman (Courier), Stefan Eisenhower (Leather Apron), Marina Gresh, Davena Laverty and Sherry Sundberg (Mothers). The show is directed by Ellen Boyer, music directed by Amy Kenny, with costumes led by Anne Griffin and Pat Musselman, lights by Cole Casimir, sound by Tom Simpson, stage management by Stefan Eisenhower, and produced by Graham and Jillian Kerr.

RiverStage Community Theatre is a nonprofit group providing opportunities for artists to create great live theatre for audiences in the Greater Susquehanna Valley.For more information about the show, next season, or to purchase tickets, visit www.riverstagetheatre.org, send email to info@riverstagetheatre.org, or call 570.989.0848.
